

## **THE PUBLIC'S OPPORTUNITY TO ADDRESS THE COUNTY COMMISSION**

The Hamilton County Board of Commissioners welcomes its citizens to attend its meetings, and affords its constituents the opportunity to speak to the Commission on any matter that is on the Agenda for that particular meeting. Any citizen who wishes to speak before each Commission's vote on any item being considered is requested to rise from their seat and stand on the north wall near the public podium. At the appropriate time after the various Commissioners have addressed the issue being considered, the Chair will then give opportunities for those constituents to do so. Please know that each speaker will be allowed up to three (3) minutes, with ten (10) minutes being provided for each side of the topic being considered; and a total of twenty (20) minutes for all discussion on that issue.
