RESOLUTION

NO. 576-8

TITLE A RESOLUTION CONTRACTING TO EXTEND THE HAMILTON COUNTY GENERAL MERIT SYSTEM, AS ESTABLISHED BY RESOLUTION 576-7, TO ALL EMPLOYEES OF THE OFFICE OF THE SHERIFF OF HAMILTON COUNTY.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Resolution 576-7, same being a resolution to establish a County General Merit, or Civil Service System, for Hamilton County, was approved by this County Council, in session assembled; and

WHEREAS, aforesaid resolution provided, inter alia, that any fee office of Hamilton County could adopt said rules and regulations upon agreement of this Council thereto; and

WHEREAS, the Honorable Frank Newell, Sheriff of Hamilton County, by petition attached, has requested this Council to permit all employees of the office of the Sheriff of Hamilton County to be extended the provisions of the said Hamilton County General Merit System, same being effective for his employees upon appointment by said Council of the Personnel Advisory Board as established pursuant to said rules and regulations, but such effective date being not later than July 1, 1976.

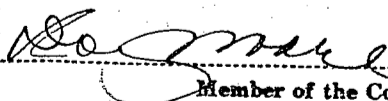

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the Hamilton County General Merit System adopted by Resolution 576-7, is hereby extended to all employees of the office of the Sheriff of Hamilton County pursuant to the attached petition of the Honorable Frank Newell, Sheriff of Hamilton County, same to be effective for all of said employees upon the appointment of the Personnel Advisory Board, as referred to above, but in no event later than July 1, 1976.

BE IT FURTHER RESOLVED, inasmuch as County Government will incur administrative expenses not otherwise required except for such extension of coverage and staffing, it is agreed by and between the County Council and the Sheriff of Hamilton County that the extension of the Hamilton County General Merit System to the employees of the said Sheriff of Hamilton County can be terminated only upon consent of the County Council thereto (as is set out in the said attached petition of said Sheriff).

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

(Judge Moore stated that this had come up at the last Council Meeting and the Sheriff had presented at that time a petition asking that his Department be included in the General Merit System. Judge Moore told the Sheriff that for the entire Council he wanted to commend the Sheriff for his action in bringing the members of the Sheriff's Department under a Merit System, a Civil Service System. Judge Moore said that this would extend rights to them they had heretofore not had and that they had been working on it for over a year.)

Sheriff Newell told the Council that they appreciated the hard work and that possibly by the next Council meeting the Civil Service Board would have been appointed and this would become effective.

(Judge Moore said that each Council Member had been asked to submit a name of a person to be on the Civil Service Board.)

RESOLUTION

NO. 576-9

TITLE A RESOLUTION TO PROVIDE FOR THE OPERATION OF CERTAIN MOTORCYCLES AT THE HAMILTON COUNTY PARK UPON CERTAIN TERMS AND CONDITIONS, AND TO PROVIDE FOR THE ENFORCEMENT THEREOF.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, in order to protect the health, safety and welfare of all persons utilizing the Hamilton County Park's facilities or recreational areas, it is necessary to provide for the access and regulation of certain types of motorcycles at the County Park; and

WHEREAS, in order to accomplish the foregoing, it is necessary that only certain types of motorcycles be given access to certain Park areas and then only upon the following terms and conditions, and as conditions precedent to such use:

A. That motorcycles which are duly licensed for public highway usage may be admitted to the Hamilton County Park during open hours, provided:

1. That the duly licensed operator thereof presents said vehicle for inspection at the County Park Office during normal Park business hours, and

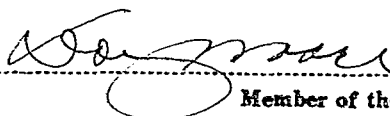

2. That the Hamilton County Park Superintendent, or his designee or designees, thereupon determines, to his or her reasonable satisfaction, that said vehicle meets pertinent noise and safety requirements, whereupon said inspecting person will issue a permit allowing the motorcycle to be utilized solely for transportation purposes to and between the following areas:

- (a) Beach or swimming parking area,
- (b) Boat dock parking area,
- (c) Shelter No. 1 parking area,
- (d) Island Assembly Hall parking area.

3. That in no event will any permitted motorcycle be allowed access to, or operation upon, within or near any designated camping area at the Park except in going to or from the afore-said areas upon roadways specifically designated therefor by the Park Superintendent.

4. That issuance of said permit is valid only for so long as is specified thereon, but in no event longer than seven (7) days.

B. That the Park Superintendent may revoke any issued permit if, in his opinion or upon the report of any Park employee, a vehicle operator has utilized the motorcycle in an unauthorized, reckless or dangerous manner.

Member of the County Council

Approved:
Rejected:

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the aforementioned regulations relating to the operation of certain types of motorcycles at the County Park are hereby adopted and approved, and the County Park Superintendent is authorized to enforce same.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the Public Welfare requiring it.

ON MOTION of Judge Moore, seconded by Councilman Mayfield, the foregoing Resolution was unanimously Adopted by Acclamation. Total present-5. Total absent-0.

(Judge Moore stated that there was a policy that prohibited the use of motorcycles in the County Park. Due to gasoline prices and the necessity of conserving fuel and energy, a number of people use them as their principal mode of transportation, Judge Moore said. They had a number of request to use motorcycles to and from the boat docks and to certain parking areas. A group had met with the Park Superintendent and he had recommended certain regulations for the use of motorcycles within the County Park. The regulations are contained in the resolution. Judge Moore said that this will satisfy the needs of the motorcycle owners and protect the rights of other citizens.)

Dear Judge:

In the past there has been no motorcycles allowed in Hamilton County Park. As you and I know, there has been as many motorcycles sold in the past 5 years as automobiles. Some people have bought them for economic reasons.

If you would please take this matter up with the County Council and with your and the County Council permission, we would request that the proper ones be allowed to go down to the beach and shelter I to sun and picnic providing they stop by the office first for inspection and get a tag. Also we would request and be strongly against any motorcycles to be allowed in the camping area. Anything you can do in this matter would be appreciated.

RESOLUTION

NO. 576-10

TITLE A RESOLUTION CALLING FOR AND AUTHORIZING A REFERENDUM ON THE LEVYING OF AN ADDITIONAL SALES TAX IN HAMILTON COUNTY, TENNESSEE.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the General Assembly of the State of Tennessee has increased the Retailers' Sales Tax Act; and

WHEREAS, the Board of Commissioners of the City of Chattanooga has indicated to the County Council a desire to submit an increase of the local sales tax to the voters in the August, 1976, election; and

WHEREAS, the 1963 Local Option Revenue Act provides that counties shall have priorities over cities in levying such local sales tax, and a request for such levy has been received from the City of Chattanooga by Hamilton County.

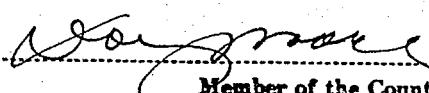

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE IN SESSION ASSEMBLED:

Section 1. The resolution of the County Council of Hamilton County, Tennessee, imposing a local sales and use tax as authorized under the provisions of T. C. A. Sections 67-3049-67-3056, adopted by the County Council at a special meeting on December 13, 1965, of record in Minute Book No. 10, Page 89 in the Office of the County Court Clerk, as amended June 14, 1972 and recorded in Minute Book 16, Page 272, is hereby further amended to levy a local sales and use tax at a rate of one-half (1/2) of the present state rate as provided in the Retailers' Sales Tax Act under Chapter 30, Title 67, T.C.A., as amended and authorized by Chapter No. 466 of the Public Acts for 1976, but not to exceed \$7.50 on sale or use of any one article of personal property and subject to the exceptions and limitations imposed by said Chapter No. 466 amending T.C.A. Sections 67-3003, 67-3012, 67-3047 and 67-3050.

Section 2. If a majority of those voting in the County General Election on August 5, 1976, as required by T.C.A. Section 67-3053 and as authorized by this resolution, vote for the increase in the tax imposed by this resolution, collection of the increased tax levied by this resolution, shall begin on the first day of the month occurring 30 or more days after the County Election Commission makes its official canvass of the election returns.

Section 3. The Department of Revenue of the State of Tennessee shall collect the additional tax imposed by this resolution concurrent with the collection of the state tax and the local tax now being collected for Hamilton County, in accordance with rules and regulations promulgated by the said Department.

Approved:
Rejected:

Member of the County Council

Resolution No. 576-10
Page 2

Section 4. The County Judge is hereby authorized to contract with the Department of Revenue for the collection of the additional tax imposed by this resolution and to provide in said contract that the Department may deduct from the tax collected a reasonable amount or percentage to cover the expense of the administration and collection of said tax.

Section 5. A certified copy of this resolution shall be transmitted to the said Department of Revenue and shall be published one time in a newspaper of general circulation in Hamilton County prior to the election called for in Section 2 hereof.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

ON MOTION of Judge Moore, seconded by Councilman Ricketts, the foregoing Resolution was Adopted on a Roll Call vote, with the following members of the County Council being present and voting as follows: Councilman Fuller, "Nay"; Councilman Long, "Aye"; Councilman Mayfield, "Aye"; Councilman Ricketts, "Aye"; and Judge Moore, "Aye". Total "Aye" votes-4. Total "Nay" votes-1.

* * * * *

(Judge Moore stated that the law on sales tax places the County in a position of priority. This allows the County to supercede the municipalities. The city of Chattanooga has sent a request for the consideration of placing the question of $\frac{1}{2}\text{¢}$ local sales tax in Hamilton County on the August ballot. Judge Moore said that in accordance with that request, so that the people can decide for themselves if they want a local sales tax, he was proposing the adoption of this Resolution which will place on the ballot in August the question for the people to decide of adding an additional $\frac{1}{2}\text{¢}$ local sales tax to the total sales tax.)

Judge Moore stated that the Courthouse remodeling had been discussed at the last Council meeting. Judge Moore stated that at that time he had requested that Rufus Holt review Bill Nobles' request concerning the location of the fire tower stairs which Mr. Holt had recommended putting in the coffee room in Mr. Nobles' office.

Mr. Holt stated that he felt they should do whatever they had to do to relocate the stairs to the other side. He felt that it was foolish to wait over one room. Mr. Holt said that he would suggest approving moving the stairs and leave Mr. Nobles' area intact. Mr. Holt distributed copies of the final report of the architects. He said that he felt everyone had agreed to the plan in concept and seems to be pleased. (Copy attached.)

Judge Moore pointed out that of all the changes being made in the Courthouse the only office not getting additional space was Mr. Nobles. Judge Moore felt that Mr. Nobles' request that his space not be cut was perfectly reasonable.

ON MOTION of Judge Moore, seconded by Councilman Mayfield, that the Council approve the Master Plan for the Courthouse remodeling with that one change; i.e., moving the fire tower stairs from Mr. Nobles' coffee room to the other side of the hall where the rest rooms are now located. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Total absent-0.

Judge Moore stated that Hensley-Schmidt had been commissioned to prepare landscape plans for the Courthouse. Coleman Hockman of Hensley-Schmidt was present and distributed copies of the plan his firm had worked out. Mr. Hockman had large drawings of the plans which he showed. Mr. Hockman said that the Courthouse is a very beautiful place. He said that it is situated in the center of Chattanooga and has a great deal of meaning for all people of Hamilton County. He stated that their efforts had been focused in three areas: to make the grounds useable and accessible to the public, to enhance the beauty of the grounds, and to point out the areas of maintenance needed to be done to keep the area safe. (Copy of plan attached.)

M A Y T E R M 1 9 7 6

Concerning making the area useable, Mr. Hockman said that places for people to gather are needed. These could be used for art shows, concerts, etc. They were suggesting a paved area 65 X 100 on the south side of the Courthouse. Mr. Hockman said this would be ample space to seat (on temporary seats) from 100-400 for a concert or to set up art shows or craft shows. Mr. Hockman said that the paving would be of two different tones of stone which would be compatible with the existing materials. Mr. Hockman said they were also proposing the replacement of all the walks around the Courthouse. He said that 40-50% of the walks were cracked or in a state of disrepair that they provided a hazard to the people walking on them. Mr. Hockman said that in order to make the grounds more accessible they were suggesting the addition of two entrance ways, one on Georgia Avenue and the other on Walnut Street. He said that Judge Moore and Mr. Proctor had managed to secure some stones that match the walls of the Courthouse and contrary to public opinion these piles of rocks were not new sculpture on the grounds but were to be used for the new steps and for benches on the grounds. Mr. Hockman stated that there will be raised planters in the other three entrances to the grounds and these could be used for seating or for laying packages down when people are waiting. He said that they felt that the entrances were rather grand but could be enhanced with the use of planters. Mr. Hockman said that they felt some type of ground cover, possibly English ivy, is needed in the periphery along the walls. This would be in beds of varying widths, from 5 to 15 feet, with shrubs and trees. They feel that the ivy hanging over the wall will soften the effect and give an edge to the property that will provide a concept of space. They also feel that there should be something flowering throughout the year, that to broaden the season of color will make the Courthouse a showplace. They recommend that the loading space on Georgia be left and the statue of General Stewart would be moved a few feet from where it is now. Mr. Hockman introduced his co-worker Jeffrey Linkenhoker, who was helping with the presentation.

Councilman Fuller asked if they intended to leave all the trees and not cut down any that were alive. Mr. Hockman said they would cut only a few trees that were in positions where they would harm other trees. Mr. Fuller asked if he meant smaller trees whose growth is being stunted by larger trees.

M A Y T E R M 1 9 7 6

Mr. Hockman said sometime a decision had to be made as to which tree was left. Councilman Fuller asked if any memorial trees would be cut. Mr. Hockman said that one honorial tree would be moved. Judge Moore asked if all the larger trees would remain. Mr. Hockman said that an important part of their program would be to prune and fertilize all the trees to keep them in a healthy condition. Judge Moore told Mr. Hockman he must have been listening to Luther, that everytime Luther saw him he told him they needed to prune the trees around the Courthouse. Judge Moore said he told Luther to bring his pick up and his chain saw.

Councilman Fuller asked if there was any estimate on cost. Mr. Hockman said that they have not prepared a detailed cost estimate now. He stated that there were so many variables as to how much of the work could be done by the County crews, etc., that it did not seem to be realistic to prepare a cost estimate. Judge Moore said most of the yard work now is done by penal farm inmates supervised by County employees.

Mr. Hockman thanked the Council for the opportunity of developing these master plans and told them that he hoped at an early time they could develop working drawings.

Judge Moore thanked Mr. Hockman and Mr. Linkenhoker and told them these were attractive proposals. Mr. Hockman said they would be glad to mount the large drawings for viewing in some appropriate place that the Judge would designate.

Judge Moore asked if the Council would like this. Councilman Fuller said there had been expressions of public sentiment regarding the Courthouse grounds and he felt it would be good for these drawings to be displayed so people can see them.

Mr. Hockman said this would be done.

I. INTRODUCTION

The relocation of criminal court functions from the Hamilton County Courthouse to the new Justice Building has vacated approximately 14,000 square feet in the courthouse.

In February 1976, Richard Muther & Associates, Inc., Management Consultants, and Selmon T. Franklin and Associates, Architects, Inc., were asked to prepare a master plan for the Courthouse, showing alternative uses of the vacated space.

Mr. Lee Hales, Consulting Associate, was assigned by Richard Muther & Associates, Inc. (RMA) to work with Mr. Rufus Holt, Architect, of Selmon T. Franklin and Associates.

The approach used has been RMA's Systematic Layout Planning, an internationally recognized approach to space planning.

Mr. Hales and Mr. Holt, working together during March, conducted over two dozen interviews and spent over a dozen man-days at the courthouse observing its operations.

A recommended plan(Plan A) was first presented at the 21 April 1976 meeting of the Hamilton County Council. During the first week of May, meetings were held with judges and officials to obtain their views on the proposed plan. An alternative plan (Plan B) was developed based upon the comments of the circuit court judges.

M A Y T E R M 1 9 7 6

This report summarizes each part of the survey and analyses and presents two alternative plans. The existing arrangement is shown for reference in Exhibit 4.

We found all judges, officials and employees to be most cooperative and eager to share their thoughts with us during this critical phase of the planning process.

II. OBJECTIVES

The Hamilton County Courthouse must perform a dual function serving as both a judicial and governmental center. Growth in governmental functions as well as long term increases in court caseloads will one day require either an administrative or a new court building. Space requirements already significantly exceed space available in the courthouse.

Under the present circumstances, the space and location requirements of any single group cannot be satisfied without penalizing all others.

The objectives listed below address the needs of all groups using the courthouse. Several objectives are conflicting. We have not attempted to give priority to any of them. Instead, in the interest of fairness and in the absence of clear policies, we have treated each group as equal. The development and evaluation of our plans has been guided by these objectives. (The order of listing is not significant.)

1. LOW OPERATING COST

Minimize and avoid inefficient delays and wasted manpower due to distance between activity areas.

2. LOW INVESTMENT COST

Minimize the amount of remodeling required by making maximum use of specialized and recently remodeled spaces.

M A Y T E R M 1 9 7 6

3. DECORUM

Provide proper decorum for judicial processes by minimizing hallway noise, interruptions and distractions in the courtrooms.

4. SECURITY

Enhance the security of judges.

5. CONVENIENCE TO THE PUBLIC

Locate courts and offices in a manner convenient to the typical citizen user of courthouse facilities and services.

6. CONVENIENCE TO JURORS

Arrange courts and related facilities in a manner convenient to jurors and prospective jurors.

7. CONVENIENCE TO JUDGES

Arrange courts, chambers and other related facilities in a manner convenient to the judges.

8. CONVENIENCE TO ATTORNEYS

Arrange courts, offices and other facilities in a manner convenient to attorneys having business at the courthouse.

9. CONVENIENCE TO PARTICIPANTS

Arrange courts and related offices in a manner convenient to plaintiffs, defendants and witnesses in trial proceedings.

10. CONVENIENCE TO COURT STAFF

Arrange courts and related offices in a manner convenient to court clerks, reporters, officers and other court-related staff.

11. CONVENIENCE TO NON-COURT STAFF

Arrange fee and administrative offices and other "non-court" facilities in a manner convenient to non-court staff.

12. FLEXIBILITY

Arrange all facilities in a manner that will not hamper future alternative uses of the building (all courts, all fee offices, all administration, etc.).

M A Y T E R M 1 9 7 6

III. ASSUMPTIONS

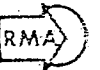

The planning horizon used in our analysis has been 10 years. We feel it will be 1985 before an administrative office (or civil courts) building could be constructed and occupied on another site.

During the coming 10 years, certain governmental policies and court practices will be subject to change. Some changes in court practices have already been suggested in an earlier report. Just this year, the procedure for automobile license renewals has been changed and the county has adopted a new organizational plan. Many alternatives to current county practices could be identified. Study and choice of such practices has not been part of our role. Instead, we have adopted certain assumptions about the future to guide development of a plan. These are listed below.

1. Each circuit judge and chancellor will continue to have a dedicated courtroom with (ideally) adjacent chambers.
2. Sessions' judges will keep their permanent offices in the courthouse.
3. No additional judges will be required for at least five years.
4. A court administrator will not be hired.
5. Historical scheduling practices will continue-- Monday docket calls, Tuesday jury selections, etc.

- 6 -

RICHARD MUTHER & ASSOCIATES, Inc.

M A Y T E R M 1 9 7 6

6. The percentage of circuit court cases going to jury trials will remain unchanged (at roughly 5%).
7. Criminal proceedings will be held in the justice building regardless of jurisdictional policies.
8. A jury deliberation room must be provided for each circuit courtroom and be adjacent to it.
9. Automobile titles and license renewals will continue to be handled by county court clerks.
10. There will be no significant growth in personnel in any area except the county court clerks' staff (for year round license renewal).
11. There will be no changes in fee office operating procedures.
12. There will be no change in record retention practices of court clerks and fee offices.
13. Limited space can be made available in the justice building for any functions now in the courthouse.

M A Y T E R M 1 9 7 6

IV. ACTIVITY AREAS

Judges, officials and managers were interviewed during March to identify relationships among various governmental and judicial activity areas. During this period, all court-house activities were observed systematically at different times of the day and week to further identify movement of people, operating problems and the like. The following activity areas were defined for planning purposes. For ease of analysis, the list cuts across some organizational lines and also includes activities in other buildings and locations.

V. RELATIONSHIPS

The 45 activity areas identified in the preceding section have 990 possible relationships between them. Each was considered and given one of the following "closeness desired" ratings:

1. A -- Closeness Absolutely Necessary (areas should be adjacent)
2. E -- Closeness Especially Important (areas should be "across" or "down the hall")
3. I -- Closeness Important (areas should not be more than one floor away)
4. O -- Ordinary Closeness O.K. (areas should be in the same building)
5. U -- Closeness Unimportant (areas can be adjacent or at different locations--it makes no difference)
6. X -- Closeness Not Desirable (areas should be separated by distance or physical barriers)

Each of the above closeness ratings was supported by one or more of the following reasons for closeness (or separation). These reasons were identified through interviews and observations.

1. Convenience
2. Movement of People
3. Flow of Paperwork
4. Face-to-Face Contact
5. Ease of Supervision
6. Sharing of Personnel

M A Y T E R M 1 9 7 6

7. Use of Records
8. Sharing of Facilities
9. Noise, Distractions, Interruption
10. Avoidance of Delays
11. Safety and Security

All 990 ratings and their supporting reasons are shown in Exhibit 1 on a Relationship Chart. Important relationships and resulting arrangements are shown in Exhibit 2 on an Activity Relationship Diagram. An analysis of the chart and diagram shows that the ideal courthouse arrangement would be planned around the 12 clusters of activity areas listed below. The last two on the list, representing nearby buildings, were included to help in analysis.

1. SESSIONS COURTS (Activity Areas 1 - 6)
2. CIRCUIT COURTS (Activity Areas 7 - 18)
3. CHANCERY COURTS (Activity Areas 19 - 25)
4. TAX AND REGISTER (Activity Areas 26 - 29)

Ideally, none of clusters 1 - 7 should be split between floors or wings.

There are basically no ties between the governmental clusters and the judicial clusters. In fact, they could occupy separate sites with no inconvenience.

Between the judicial clusters (1 - 3, 9 & 11 above) there are only minor ties of convenience. These, too, with their supporting staffs could occupy separate buildings without great disruption. The inconvenience would be primarily to attorneys who must be present in different courts throughout the day.

There are no real ties between fee officials but their respective areas should be kept in one location (ideally on the ground floor) for the convenience of the many citizens who move daily between the fee offices.

The county judge and administration are not significantly related to either the fee officials or the judicial areas. Again, they could occupy a separate building without great inconvenience to anyone.

M A Y T E R M 1 9 7 6

VI. REQUIREMENTS

A survey of the courthouse shows deficiencies in several areas. Roughly in order of priority they are:

1. absence of enclosed stairs for escape during fire
2. inadequate restrooms
3. inadequate heating, ventilation and air conditioning
4. crowded offices and chambers

Any significant rearrangement of office and courthouse functions should be preceded by structural and mechanical modifications required to eliminate the first three deficiencies above.

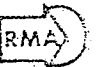

The space needs of those now in the building together with the needs of functions that should ideally be brought in from the outside add up to roughly 17,000 square feet. Only 14,000 have been vacated.

Space estimates through 1980 are shown for all activities studied in Exhibit 3.

While many of these space figures may be valid through the planning horizon of 1985, it is almost certain that some areas will exceed the figures shown and some new areas may be created.

It is possible that a new circuit court and/or a new chancery court will have to be established in the early 1980's.

-12-

M A Y T E R M 1 9 7 6

At that time some other functions--probably administrative-- will have to move out to leased space. The need for a new building is inevitable. The plans presented in this report cannot realistically carry the county beyond 1985. Since the investments between now and then in renovated courtroom facilities will be considerable, it seems logical to plan for an administrative building in the future.

M A Y T E R M 1 9 7 6

VII. ALTERNATIVE PLANS

Two concepts emerged after considering activity relationships and the nature and size of the spaces available. Practical limits to renovation also played a significant part in defining feasible alternative plans. The existing arrangement is shown for reference in Exhibit 4.

Plan A gives the entire third floor to circuit court functions, including jury and witness waiting rooms, expanded chambers and a larger court clerk's office. Plan A is shown in Exhibit 5.

Plan B splits both the county judge and related administrative functions and the circuit court functions between the second and third floors. The north wing on both floors would go to the county judge and administration. The second floor west wing would go to an expanded clerk's office, and jury waiting rooms. Four circuit courtrooms would circle the rotunda on the third floor. Plan B is shown in Exhibit 6.

Although both plans show session courts and related activities on the ground floor, both plans would be much improved if these areas were transferred to the justice building. This would free space on the ground floor for expansion of the fee offices, a more adequate law library, and a vault for records storage (easing crowding in the clerks' offices).

M A Y T E R M 1 9 7 6

We found no reason to move fee officials from the ground and first floors in any plans considered.

We found no benefits to concentrating circuit courts on the second floor. In fact, the nature of second floor space and the location of plumbing and columns make it undesirable for these functions.

The costs of the two basic plans will be the same--estimated at approximately \$995,000 using county personnel.

VIII. RECOMMENDATION

We recommend Plan A with all circuit court functions on the third floor and expansion of the county judge's offices on the second floor.

This concept offers the most convenience to the greatest number of individuals and will result in the most effective circuit court operations. The problems of reaching the third floor north wing will be reduced with an elevator, corridor and stairwell between this wing and the main building.

In spite of the additional elevator, the circuit judges have expressed serious misgivings about the accessibility of third floor, north wing courtrooms in Plan A, particularly for the aged and handicapped who may be involved in litigation.

The circuit judges prefer Plan B which places all four courtrooms around the rotunda on the same third floor level.

This splits both judicial and administrative functions between the second and third floors and will result in greatly increased traffic between floors to the courtrooms, clerk's office and waiting rooms. There will be inevitable delays in courtroom and chamber proceedings and continued noise and danger from stairwell traffic. Plan B does, however, have more accessible courtrooms and chambers.

M A Y T E R M 1 9 7 6

IX. NEXT STEPS

The two plans shown in this report represent completion of the courthouse needs and relationships survey. Detailed information has been compiled and is available for future planning and design work.

The plans presented here are only conceptual. No further progress toward renovation and satisfaction of pressing space needs can be made without an approval of a concept. Once we are given approval, the steps below will follow:

1. Develop Detailed Plan with Judges and Officials
2. Obtain Council Approval of Detailed Plan
3. Develop Working Drawings and Specifications
4. Renovation

RESOLUTION

NO. 676-1

TITLE REZONING FROM AGRICULTURAL DISTRICT TO INDUSTRIAL DISTRICT A TRACT OF LAND LOCATED IN THE 6500 BLOCK OF FAIRVIEW ROAD, BEING ON THE EAST LINE OF FAIRVIEW ROAD SOUTH OF ROCK BLUFF ROAD. THIS TRACT BEGINS AT THE SOUTH LINE OF ROCK BLUFF ROAD, FRONTS SOME 960 FEET ON THE EAST LINE OF FAIRVIEW ROAD AND EXTENDS SOUTHEAST 559 FEET, THENCE SOUTHWEST 673.78 FEET, THENCE SOUTHEAST 850 FEET, THENCE DUE EAST 565.2 FEET, THENCE NORTHEAST 973.5 FEET, THENCE NORTHEAST 780 FEET TO THE SOUTHEAST CORNER OF LOT 27, ROCK BLUFF SUBDIVISION, AS SHOWN BY PLAT OF RECORD IN PLAT BOOK 26, PAGE 181, R.O.H.C, THENCE CONTINUING ALONG THE SOUTH LINE OF LOTS 27 THRU 34, SAID SUBDIVISION, 1365 TO FAIRVIEW ROAD, THE POINT OF BEGINNING.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Boyd C. Hutton petitioned The Chattanooga-Hamilton County Planning Commission to rezone a tract of land located in the 6500 block of Fairview Road, and said Planning Commission after hearing recommended that said petition be denied; and

WHEREAS, Boyd C. Hutton requested that the County Council consider said petition and notice has been published in a newspaper in general circulation in Hamilton County that the County Council would hold a public hearing on June 2, 1976, concerning the passage of this Resolution as required by law, and such hearing having been held.

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE, IN SESSION ASSEMBLED: That the petition to rezone from Agricultural District to Industrial District a tract of land located in the 6500 block of Fairview Road, being on the east line of Fairview Road south of Rock Bluff Road. This tract begins at the south line of Rock Bluff Road, fronts some 960 feet on the east line of Fairview Road and extends southeast 559 feet, thence southwest 673.78 feet, thence southeast 850 feet, thence due east 565.2 feet, thence northeast 973.5 feet, thence northeast 780 feet to the southeast corner of lot 27, Rock Bluff Subdivision, as shown by Plat of Record in Plat Book 26, page 181, R.O.H.C., thence continuing along the south line of lots 27 thru 34, said subdivision, 1365 to Fairview Road, the point of beginning be denied.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

(Judge Moore said the Planning Commission had recommended that this petition be denied. There was a large delegation present in opposition to this rezoning.)

(Dalton Roberts, County Manager, stated that the attorney for the applicant had asked that the petition be withdrawn.

Mr. Comer of the delegation asked Judge Moore what this meant.

Judge Moore stated that this meant that the property would not be rezoned, that the applicant can reapply, but not for a year.

Andrea Lewis asked if it was possible for the man to reapply every year. County Attorney, James Turner said that the man could do this.

Mr. Comer thanked the Council for their consideration on behalf of the delegation.)

RESOLUTION

WHEREAS, Boyd C. Hutton, on March 12, 1976, petitioned the Chattanooga-Hamilton County Regional Planning Commission to recommend to the Judge and Members of the County Council the rezoning from Agricultural District to Industrial District a tract of land located in the 6500 block of Fairview Road, being on the east line of Fairview Road south of Rock Bluff Road.

This tract begins at the south line of Rock Bluff Road, fronts some 960 feet on the east line of Fairview Road and extends southeast 559 feet, thence southwest 673.78 feet, thence southeast 850 feet, thence due east 565.2 feet, thence northeast 973.5 feet, thence northeast 780 feet to the southeast corner of lot 27, Rock Bluff Subdivision, as shown by Plat of Record in Plat Book 26, page 181, R. O. H. C., thence continuing along the south line of lots 27 thru 34, said subdivision, 1365 to Fairview Road, the point of beginning.

AND WHEREAS, the Planning Commission held a public hearing on this petition on April 12, 1976,

AND WHEREAS, Attorney Russell Bean represented the people in Ridge Lake North Subdivision who were opposed to the rezoning. Mr. Gus Wood, representing Herman Ferger, was also in opposition to the request. He was opposed to the rezoning because of the noise, dust, and noxious odor that the use would create. Mr. Glen Gatlin, present in opposition, said that he owns 15 lots adjoining the property on the south and that he plans to develop them into single family residences. Mr. Houser also just obtained 40 acres in the area, also to be developed residentially. Also present in opposition was

Mr. Larry Fedder, of H. E. L. P. (Hixson Environmental Land Protection). He stated that Gann Store Road was only 17 1/2 feet wide and was in very poor condition. He said that the large trucks that would travel these neighborhood roads would do even more damage to the roads. Also present in opposition were Bob Maddox and Van Johnson.

NOW THEREFORE, BE IT RESOLVED that the Planning Commission, on April 12, 1976, recommended to the Judge and Members of the Hamilton County Council that this petition be denied.

Respectfully submitted,

RESOLUTION

NO. 676-2

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO EXECUTE AND SUBMIT AN ATTACHED AND INCORPORATED GRANT APPLICATION TO THE TENNESSEE LAW ENFORCEMENT PLANNING AGENCY AND TO PAY THE COUNTY BUY-IN SHARE THEREFOR SO AS TO PROVIDE A LEGAL LIBRARY FOR THE HAMILTON COUNTY JUVENILE COURT.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, in order for any court to effectively function, the judicial members thereof must have an adequate and current legal library so as to remain abreast of developments in the everchanging areas of law such a Court has jurisdiction within, as well as to enable said judicial persons to research the law with efficiency and accuracy; and

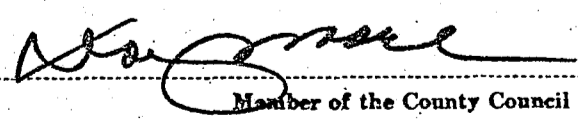

WHEREAS, the Hamilton County Juvenile Court presently lacks an adequate legal library and has an ever-increasing need for same due to recent changes in the law effecting the juvenile system of justice; and

WHEREAS, pursuant to the "Crime Control Act of 1973", 42 U.S.C. 3701, the Tennessee Law Enforcement Planning Agency provides grant funding for the provision of legal libraries; and

WHEREAS, a grant application, attached and incorporated herein, would provide total grant funding of \$3,082.50, including a County buy-in share of \$154.12.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to execute and submit the attached and incorporated grant application to the Tennessee Law Enforcement Planning Agency for the purposes hereinabove stated, and to pay the county buy-in share therefor.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the Public Welfare requiring it.

6. Project Summary: Summarize, in the space provided, the most important parts of the project, including goals, impact, scope, and evaluation.

In order for any court to function efficiently, the tenets which it is founded upon and the ever changing law must constantly be available for review and research. A basic library owned by the agency is a necessary tool to aid the court in performing its functions; therefore, the minimum recommended library of the State Attorney General for Juveniles Courts is requested for the Juvenile Court of Hamilton County. Publications requested are those which the Juvenile Court presently does not have available for staff use.

APPLICATION FOR ACTION GRANT

11. IDENTIFICATION OF PROBLEM: Describe nature, scope, and degree of the problem. This description explains your justification for submitting the grant application. Use meaningful facts and data to support need. (If additional space needed, attach additional sheets and number them 2a, 2b, etc.)
-

Since the Gault decision, the Juvenile Court has been a center of attention in the judicial system. In order for the court to stay abreast with such changing decisions, a source of reference should be available. This source of reference would allow the court and its staff to utilize its program in a more professional manner and thereby make available improved services to the community.

The Hamilton County Juvenile Court presently does not own an adequate legal library. Of the publications recommended for use in a legal library by the State Attorney General, only the Tennessee Code is available to the staff of the Hamilton County Juvenile Court.

12. PROJECT OBJECTIVES: This is a statement of needs to solve the problem. Give a concise statement of each of the objectives of the proposed project which are precise statements of the kinds of improvements sought. (If additional space is needed, attach additional sheets and number them 3a, 3b, etc.)
-

In order that the needs of the court for a reference system shall be met, a legal library needs to be established. As is recommended by the State Attorney General, the Hamilton County Juvenile Court is requesting monies to purchase the following publications:

1. Tennessee Digest
2. Tennessee Decisions
3. Sheppard's Tennessee Citations
4. Wharton's Criminal Law and Procedure
5. Wharton's Criminal Evidence
6. Criminal Law Reporter

13. MEANS OF ACHIEVING THE OBJECTIVES: Describe the general method, procedure, or strategy for obtaining the objectives of the project and describe the operation of the project. (If additional space is needed, attach additional sheets and number them 4a, 4b, etc.)
-

Upon the establishment of the legal library for the Hamilton County Juvenile Court, the library will be available for use by the staff in the court's facilities located at the Hamilton County Juvenile Court. The library will be maintained in an up-to-date status by the court on a continuing basis. Check sheets will be maintained on each publication in order to tabulate frequency of use.

J U N E T E R M 1 9 7 6

14. PROJECT EVALUATION: Describe the procedure of measuring the degree to which each objective of the project will be achieved. (If additional space is needed, attach additional sheets and number them 5a, 5b, etc.) Be sure to include the following:

- A.) Evaluation objectives: It is understood that the publications requested are a basic library for judges. Due to this fact, the value of a legal library could possibly be justified in protecting the rights of the citizen or jurisdiction in any situation.
- B.) Date Sources: A checklist located in the vicinity of the library showing book used, user, subject matter researched.
- C.) Method of obtaining Data: In order to establish the frequency of use of the library, a checklist will be placed in the vicinity of the library showing the book that was used, the user, and the subject matter researched.
- D.) Analysis of Data: Notation will be made when the library is found to be inadequate in order to ascertain any needs for expansion in the library.

15. PROJECTED PROGRESS: Project the progress you expect to make on this project. The space provided is divided into 90 day periods and you are to indicate what percentage of the project should be completed during each three month period and in the narrative you are to describe specific accomplishments you expect to complete during each period. (If the project will be completed in less than one year, so indicate when it will be completed.)

APPENDIX A

Statement of Need

Since the Gault Decision has placed an entirely different burden on all juvenile courts, it is necessary that all courts have an obligation to keep up-to-date knowledge of decisions in our own state, as well as general criminal law procedure and modern evidence.

The Juvenile Court has a direct need for the Tennessee Digest, Tennessee Decisions, Sheppard's Tennessee Citations, Wharton's Criminal Law and Procedure, Wharton's Criminal Evidence and Criminal Law Reporter.

None of these sets of books are present in the law library of the Juvenile Court of Hamilton County and each is needed desperately.

- C. PATENTS: If any discovery or invention arises or is developed in the course of or as a result of work performed in a grantee program, the grantee shall refer the discovery or invention to the TLEPA which will determine whether or not patent protection will be sought, how any rights therein, including patent rights, will be disposed of and administered, and the necessity of other action required to protect the public interest in work supported with Federal funds, all in accordance with the Presidential Memorandum of October 10, 1963, on Government Patent Policy.
- D. DISCRIMINATION PROHIBITED: No person shall, on the grounds of race, creed, color, sex, or national origin, be excluded from participation in, be refused the benefits of, or be otherwise subjected to discrimination under grants awarded pursuant to PL 93-83 or under any project, program or activity supported by this grant. The grantee must comply with the provisions and requirements of Title VI of the Civil Rights Act of 1964 and regulations issued by the Department of Justice and the Law Enforcement Assistance Administration thereunder as a condition of award of federal funds and continued grant support. As required by Section 518)b) of PL 93-83, this grant condition shall not be interpreted to require the imposition in grant-supported projects of any percentage ratio, quota system or other program to achieve racial balance or eliminate racial imbalance in a law enforcement agency.
- E. USE OF FUNDS: Any funds awarded are to be expended only for the purposes and activities covered by the applicant's approved application and budget.
- F. TERMINATION OF AID: This grant may be terminated in whole or in part by the Tennessee Law Enforcement Planning Commission at any time the Commission finds a substantial failure to comply with the provisions of PL 93-83, or regulations promulgated thereunder, including these grant conditions or plan, application or contract obligations, but only after notice and hearing pursuant to Commission regulations and all procedures set forth in 510 and 511 of PL 93-83.
- G. INSPECTION AND AUDIT: The Tennessee Law Enforcement Planning Commission or any of its duly authorized representatives, shall have access for purpose of audit and examinations to any books, documents, papers, and records of the grantee, and to relevant books and records of subgrantees and contractors, which pertain to the project funded under this grant.
- H. MAINTENANCE OF RECORDS: All appropriate grant records and accounts will be maintained and made available for audit as prescribed by the Commission.
- I. USE OF OTHER FEDERAL FUNDS PROHIBITED: This project will not be financed in whole or in part by other federal funds.

J U N E T E R M 1 9 7 6

(-12-)

- J. SUPPLANTING PROHIBITED: The federal funds herein awarded are not to supplant local funds, but are to be used to increase the amount of funds that would otherwise be available for this project.
- K. ALLOWABLE COSTS: The allowability of charges made to funds granted under Part C and Part E of Title I of the Act, as amended, shall be determined in accordance with the general principles of allowability and standards for selected cost items set forth in the Bureau of the Budget Circular No. A-87 entitled "Principles for Determining Cost Applicable to Grants and Contracts with State and Local Government" (May 9, 1968) and interpreted and amplified in the Tennessee Law Enforcement Planning Agency Financial Management Manual.
- L. WRITTEN APPROVAL OF CHANGES: Grantees must obtain prior written approval from Tennessee Law Enforcement Planning Agency for major project changes. These include (a) changes of substance in project activities, designs or research plans, set forth in the approved application, (b) changes in the project director or key professional personnel identified in the approved application, and (c) changes in the approved budget.
- M. FISCAL REGULATIONS: The fiscal administration of grants shall be subject to such further rules, regulations and policies, concerning accounting and records, payment of funds, cost allowability, submission of financial reports, etc., as may be prescribed by the Tennessee Law Enforcement Planning Commission, consistent with the purposes and authorizations of PL 93-83 including those set forth in the Tennessee Law Enforcement Planning Agency Financial Management Manual.
- N. CRIMINAL PENALTIES: Whoever embezzles, willfully misapplies, steals or obtains by fraud any funds, assets, or property which are the subject of a grant or contract or other form of assistance pursuant to this title, whether received directly or indirectly from the Law Enforcement Assistance Administration, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both. Whoever knowingly and willfully falsifies, conceals or covers up by trick, scheme, or device, any material fact in any application for assistance submitted pursuant to this title or in any records required to be maintained pursuant to this title shall be subject to prosecution under the provisions of Section 1001 of Title 18, United States Code. Any law enforcement program or project underwritten, in whole or in part, by any grant, or contract or other form of assistance pursuant to this title, whether received directly or indirectly from the Law Enforcement Assistance Administration shall be subject to the provisions of Section 371 of Title 18, United States Code.
- O. CLEAR AIR ACT VIOLATIONS: In accord with the provisions of the Clear Air Act, 42 U.S.C. 1857 et. seq., as amended by PL 91-604 and Executive Order 11602, subgrants or contracts will not be made to parties convicted of any offense under the Clear Air Act.

J U N E T E R M 1 9 7 6

P. RELOCATION PROVISIONS: The grantee shall assure that any program under which LEAA financial assistance must be used to pay all or part of the cost of any program or project which will result in displacement of any person shall provide that;

- (a) Fair and reasonable relocation payments and assistance shall be provided to or for displaced persons as are required in such regulations as are issued by the Attorney General of the United States.
- (b) Relocation or assistance programs shall be provided for such persons in accordance with such regulations issued by the Attorney General of the United States.
- (c) Within a reasonable period of time prior to displacement, decent, safe and satisfactory replacement must be available to the displaced person in accordance with such regulations as issued by the Attorney General of the United States.

The authority for this provision is found in the "Uniform Relocation Assistance and Real Property Acquisition Policy Act of 1970", PL 91-646; 84 Stat 1894.

Q. ENVIRONMENTAL IMPACT: Any application for subgrants, subcontracts, etc., involving; (i) the construction, purchase, lease or alteration of facilities; (ii) the implementation of programs involving the use of herbicides and pesticides; (iii) other actions determined by the Regional Administrators to possibly have a significant effect on the quality of the environment, must include either a draft environmental statement as required by Section 102(s)(c) of the National Environmental Policy Act or a declaration that the proposed action will not have a significant impact on the environment. Before accepting a negative declaration, Tennessee Law Enforcement Planning Agency will refer the application to the Law Enforcement Assistance Administration Regional Administrator who shall review the subgrant application and verify that an environmental statement is not necessary.

R. HISTORIC SITES: Before approving subgrant programs involving construction, renovation, purchasing or leasing of facilities the State Planning Agency shall consult with the State Liaison Officer for historic preservation to determine if the undertaking may have an effect on properties listed in the National Register of Historic Places. If the undertaking may have an adverse effect on the listed program properties the State Planning Agency must notify LEAA before proceeding with the Program.

S. RECORDING AND DOCUMENTATION OF RECEIPTS AND EXPENDITURES: Accounting procedures must provide for an accurate and timely recording of receipt of funds by source, of expenditures made from such funds, and of unexpended balances. Controls must be established which are adequate to ensure that expenditures charged to grant activities are for allowable purposes and that documentation is readily available to verify that such charges are accurate.

- T. APPLICABILITY OF STATE AND LOCAL PRACTICES: Except where inconsistent with federal requirements, State procedures and practices will apply to funds disbursed by the TLEPA and local procedures and practices to funds disbursed by such units. Bureau of the Budget Circular No. A-87, "Principles for Determining Costs Applicable to Grants and Contracts with State and Local Government," must be complied with by grantees with respect to the treatment of specific items and their cost allowability.
- U. CONTROL OF FUNDS AND TITLE TO PROPERTY: The title and control of Part E funds and title to property may not be transferred to private agencies, profit-making or otherwise, even though these may be utilized in the implementation of Part E efforts including the purchase of services and Part E funds and property will not be diverted to other than correctional uses.
- V. CONSTRUCTION GRANTS: All construction grants will also include all additional conditions set forth in the Supplemental Construction Form which must be attached to this application.
21. SPECIAL GRANT CONDITIONS: Special Conditions may be added to this grant application at the discretion of the TLEPA. Notice of such Special Conditions will be given at the time the Grant Agreement is delivered to the grantee, and such Special Conditions and Grant Agreement become a binding contractual commitment and are made an inseparable part of the approved application.
22. ASSURANCE OF COMPLIANCE WITH CIVIL RIGHTS ACT OF 1964: The applicant hereby agrees that it will comply with Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and all requirements imposed by or pursuant to that title, to the end that no person shall on the grounds of race, color, creed, sex, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives federal financial assistance from the department; and gives further assurance that it will promptly take any measures necessary to effectuate this commitment as more fully set forth in the standard grant conditions set forth above. This assurance shall obligate the applicant for the period during which federal financial assistance is extended to it by the department and is given in consideration of and for the purpose of obtaining the grant for which application is hereby made, and the United States shall have the right to seek judicial enforcement of this assurance.
23. PROJECT IMPLEMENTATION:
- (a) Within 60 days after the acceptance of the subgrant award, the subgrantee will submit a project implementation report specifying the steps taken to initiate the project and, if the project has not commenced, the reasons for delay and the expected starting date.

J U N E T E R M 1 9 7 6

(
(
-15-

(b) If a project is not operational within 90 days after date of award or scheduled project starting date, further special statement explaining delay in implementation must be submitted to the Tennessee Law Enforcement Planning Agency. TLEPA may either cancel the project, deobligating the awarded funds, or where warranted by extenuating circumstances, may request approval from the LEAA Regional Office to extend the implementation date of the project past the 90 day period.

24. ASSUMPTION OF COST: The applicant hereby agrees that should the project described herein prove to be valuable in reducing crime or improving the Criminal Justice System, the cost of such improvements will be assumed by the applicant after a "reasonable period of Federal Assistance." Minimum assumption of cost as established by the TLEPC reflects the following funding ratios:

First year of funding at 90/10 - Second year of funding at 80/20 - Third year of funding at 75/25 - Fourth and final year of funding at 50/50.

Applications of training, technical assistance and educational programs are exempt from the assumption of cost schedule as the TLEPC will make a determination on any annual basis regarding cost assumption for these projects.

In order for any court to function efficiently, the tenets which it is founded upon and the ever changing law must constantly be available for review and research. A basic library owned by the agency is a necessary tool to aid the court in performing its functions; therefore, the minimum recommended library of the State Attorney General for Juvenile Courts is requested for the Juvenile Court of Hamilton County. Publications requested are those which the Juvenile Court presently does not have available for staff use.

LANDFILL USE CONTRACT

THIS CONTRACT made and entered into by and between HAMILTON COUNTY, TENNESSEE (hereinafter referred to as County), and the CITY OF EAST RIDGE, TENNESSEE (hereinafter referred to as CITY), for the purpose of extending to City the right and privilege of use of the County's Sanitary Landfill located in the general area of Birchwood, Tennessee, and identified as the Hamilton County Sanitary Landfill; subject to the following stipulations:

1. The City will deliver to the Landfill refuse and garbage at its expense.

2. The City will pay to the County the following rates for the sanitary disposal of said refuse and garbage:

A. One and eighty hundreds dollars (\$1.80) per ton. Weight to be ascertained by scaling vehicles entering and leaving the landfill area.

B. Upon proper permit, signed by the City Administrator of the City, private citizens of City may be allowed disposal privileges at the rate of one dollar (\$1.00) for station wagons and pick-up trucks; two dollars (\$2.00) for trucks within the one-ton class; and net weights for trucks above one-ton classification to be determined as in sub-paragraph A above.

3. This contract shall cover the period from July 1, 1976, through June 30, 1977.

4. The City shall pay to County the entire amount of its allocation of funds from the State of Tennessee for solid waste disposal to be credited against the total due from the City to the County computed on the tonnage rate as above set out.

Dear Mr. Richard,

I am not able to make the bids on the two (2) 1976 Intermediate Cars. I am able to meet the specifications on these units, but we have stoped the 1976 line. At the present moment we do not have any units in stock that would meet these specifications. I would appreciate the chance to bid on any 1977 car. Hope I will get a chance to bid on another unit.

JUNE TERM 1976
RESOLUTION

NO. 676-10

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO ENTER INTO NEGOTIATIONS WITH THE STATE OF TENNESSEE, COMPTROLLER OF THE TREASURY AND/OR DIRECTOR OF THE DIVISION OF PROPERTY ASSESSMENTS, AND TO EXECUTE SUCH DOCUMENTS AND PAY CERTAIN AMOUNTS THEREUNDER, UNDER CERTAIN CONDITIONS, AS MAY BE NECESSARY TO FULLY COMPUTERIZE CERTAIN COUNTY TAX DATA.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, proper officials of Hamilton County entered into a contract on April 13, 1970, for the performance of certain services relative to the mapping and reappraisal program conducted in Hamilton County; and

WHEREAS, said services were performed and ownership mapping and reappraisal records were turned over to Hamilton County officials to be used as the basis for assessments for the year 1973; and

WHEREAS, the data processing program did not have computer assisted update capabilities to computerize the assessment and tax data of Hamilton County during the time of the performance of said contract; and

WHEREAS, EQUIFAX now has developed such systems as would enable local officials of Hamilton County to fully computerize its assessment and tax data to more efficiently maintain said ownership mapping and reappraisal program; and

WHEREAS, the State of Tennessee, by and through the Comptroller of the Treasury, Division of Property Assessments, will contract with local governments in order to provide such efficiency and computerized data, and will also provide grant funding for at least one-half (1/2) the cost thereof as well as long term, low-interest (not more than 2% per annum) lending of the remaining amount.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is authorized to enter into negotiations with the State of Tennessee, by and through the Comptroller of the Treasury and/or the Director of the Division of Property Assessments, for the purpose of entering into a contract with said State for the reasons hereinabove stated; and

BE IT FURTHER RESOLVED, that the County Judge is authorized to execute such documents relating to or proceeding from said negotiations and to pay amounts thereunder so long as such payments reflect no more than 2% per annum interest on no more than one-half (1/2) of the amounts received from said State for the purposes hereinabove mentioned.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the Public Welfare requiring it.

A RESOLUTION

No. 676-11

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO EXECUTE AND SUBMIT AN ATTACHED AND INCORPORATED GRANT APPLICATION TO THE U.S. DEPARTMENT OF HOUSING AND URBAN DEVELOPMENT FOR SOLID WASTE MANAGEMENT RELATED PURPOSES.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, solid waste management is becoming an increasingly complex and demanding task because of the volume generated by modern society and

WHEREAS, in Hamilton County this task is made difficult because of the location of the sanitary landfill, same being in the northeast sector, thereby causing waste collectors in the northwest portion to make 50 to 60 mile (roundtrip) excursions in order to dispose of collected waste, and

WHEREAS, the inevitable result has been further environmental degradation due to roadside dumping or trash burning, or inefficient and expensive operation to collectors, and

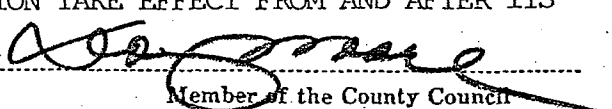

WHEREAS, the U.S. Department of Housing and Urban Development (HUD) provides funding for the development of solid waste transfer stations, which stations would greatly reduce the aforesaid environmental degradation and collection inefficiency, and

WHEREAS, the abovementioned HUD funding is provided Community Development Block Grant Discretionary sources, same being receivable upon application by qualifying entities such as Hamilton County, and

WHEREAS, a grant application is attached hereto and incorporated herein, same requesting \$69,000 for the acquisition of real property, development of transfer sites thereon and certain administrative and related costs, said application containing also a "Housing Assistance Plan", which plan is required by HUD of all grant applicants,

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL IN SESSION ASSEMBLED: That the County Judge is hereby authorized to execute and submit the attached and incorporated grant application to the U.S. Department of Housing and Urban Development for the purposes hereinabove described.

BE IT FURTHER RESOLVED THAT THIS RESOLUTION TAKE EFFECT FROM AND AFTER ITS PASSAGE, THE PUBLIC WELFARE REQUIRING IT.

J U N E T E R M 1 9 7 6

ON MOTION of Judge Moore, seconded by Councilman Mayfield, the foregoing Resolution was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting as follows: Councilman Fuller, "Aye"; Councilman Long, "Aye"; Councilman Mayfield, "Aye"; Councilman Ricketts, "Aye"; and Judge Moore, "Aye". Total present-5. Total absent-0.

(Judge Moore stated that this particular application includes not only a request for funds from HUD for two transfer stations for solid waste disposal (\$69,000 for acquisition of property and development of the sites) but also would establish certain guidelines for housing requirements in Hamilton County. These should enable builders to more easily obtain funding under 235-6, 7, and 8.)

May 5, 1976

Hamilton County Department of Community Development proposes the following Housing Assistance Plan (HAP) as part of the application for Community Development Block Grant Program-Metropolitan Discretionary Funds.

FARMER'S HOME 502 PROGRAM

Loans provided under this program by Farmers Home Administration may be used to purchase an existing structure or a newly constructed one or to build, rehabilitate, or relocate a single-family dwelling. Homes can be built on individual tracts or in subdivisions. The loan amount includes the cost of buying a "minimum but adequate site" and can be a 100% loan.

The size and cost must meet FmHA requirements.

To qualify, applicants must be without decent, safe and sanitary housing, and have sufficient income to make house payments, insurance premiums, taxes, maintenance, and other necessary living expenses.

Interest credit is limited to low income and is handled through the county office of FmHA. The maximum assistance, or interest credit, reduces the effective interest rate to not less than 1%. Loans may be amortized up to 33 years. Interest credits are not granted on a loan amortized over less than 25 years.

J U N E T E R M 1 9 7 6

REVISED 235 PROGRAM
(NEW CONSTRUCTION HOME-OWNERS MORTGAGE PAYMENTS ASSISTANCE)
FEATURES OF THE PROGRAM

Any family with an adjusted gross income of up to 80% of the area median is eligible for participation.

The subsidy is available to the purchaser of a newly constructed home or substantially rehabilitated dwelling with a mortgage not exceeding \$21,600 (\$25,200 in certain high cost areas) or \$25,200 (\$28,800 in certain high cost areas) for a family of five or more. The house can be a single-family detached, townhouse, condominium, or cooperative unit.

The homeowner must provide a minimum down payment of at least 3% of the first \$25,000 and 10% of any additional amount of the purchase price and all closing or transfer costs. The new homeownership program's down payment requirements are the same as those for the unsubsidized FHA programs and should ensure that participants have a significant cash investment in their homes and therefore a greater commitment to the property. That commitment was often lacking in the old program when the initial cash investment was only \$200.00.

Not more than 30% of the homes in any subdivision will be eligible for subsidy payments.

Direct cash subsidy payments are made by HUD to a mortgagee on behalf of a participating family to reduce mortgage interest costs to as low as 5%. The homeowner must, however, contribute at least 20% of adjusted gross income towards monthly mortgage, insurance, and tax payments on the house.

Subsidy payments can continue throughout the term of the mortgage, until the property is sold or until the homeowner, with 20% of adjusted gross income, can pay monthly mortgage, insurance and tax payments on the house.

J U N E T E R M 1 9 7 6

SECTION 8 EXISTING STANDARD UNITS
(THROUGH THE TENNESSEE HOUSING DEVELOPMENT AGENCY)

In order to qualify for Section 8 Existing Housing, the dwellings must be in decent, safe, and sanitary condition.

Various states, including Tennessee, have established statewide housing finance or development agencies to encourage the provision of housing for low and moderate income families. To enable these agencies to effectively develop programs to meet housing needs within their respective jurisdictions, set-asides under the Housing Assistance Payments Program may be provided through these agencies, rather than directly through HUD. In Tennessee the State Housing Development Agency is authorized to enter into Housing Assistance Payments Contracts under Existing Standard Units directly with the Owner. The contract may be for an initial term of not more than five years for any dwelling units, with provisions for automatic renewal for additional terms of not more than five years each. Since the contract under which housing assistance payments are made concerns a project financed by a loan or loan guarantee from a State agency, the total contract term may be equal to the term of the Housing Development Agency financing policy, but not to exceed forty (40) years for any dwelling unit which is the case in Tennessee

SECTION 8 RENTAL ASSISTANCE "SUBSTANTIAL REHABILITATION"

"Substantially Rehabilitated" housing means housing requiring substantial rehabilitation for which, prior to the start of rehabilitation, an Agreement To Enter Into Housing Assistance Payments Contract is executed between the Owner and the Department of Housing and Urban Development (HUD) or the Public Housing Agency. However, housing already undergoing rehabilitation may be eligible for participation if all subsequent actions are in compliance with HUD requirements of rehabilitated dwellings.

Substantial Rehabilitated projects shall be permitted only where:

- (1) HUD determines that there is not and there is not likely soon to be an adequate supply of existing housing which, with the aid of housing assistance payments provided under the Section 8 Housing Assistance Payments Program-Existing Housing, can meet the needs of eligible families; or
- (2) the proposed project is specifically approved by HUD in accordance with priorities established from time to time by HUD.

There is a need to acquire land and to establish two solid waste transfer stations in Hamilton County with collector, compactor, and transfer equipment.

There is a need for six cubic yard capacity containers to be placed at sites where there is indiscriminate dumping which constitutes an imminent threat to public health. In addition containers need to be placed at public schools, county parks, and other publicly owned locations to improve the collection process and to eliminate or reduce indiscriminate dumping. Three hundred thirty-two (332) complaints were received by the Health Department in 1974 relative to garbage and trash dumping. (Appendix A) There is a need to establish a system to monitor the effectiveness of the program pertaining to the useage of sites, volume of waste collected, reduction of indiscriminate dumping etc. A program to promote public awareness of solid waste deposit locations needs to be implemented.

PROGRAM NARRATIVE

Solid waste management is becoming an increasingly complex and demanding task because of the volume generated by modern society. Concurrent with the problems associated with volume is a growing public concern with the environment. There is extensive indiscriminate dumping of solid waste in the more rural areas of Hamilton County which causes pollution of neighboring streams, pollution of the immediate vicinity and, pollution of the land area down stream.

Hamilton County's land fill is located in the Northeast section of the County which makes it necessary for trucks serving residents in the Northwestern part of the County to cross the Tennessee River making a 50 to 60 mile round trip to the County landfill. This process is expensive in terms of energy expended because of the high cost of gasoline and oil. These high costs along with the sparse concentration of families in the rural areas of the County currently make solid waste collection in these areas impractical. The result is further environmental degradation from roadside dumping or trash burning.

Those County residents who are serviced by commercial collectors must pay for the high cost of hauling the solid waste to the distant landfill. This cost is significant to the low income residents. The same high costs apply to the municipalities that provide collection service to their residents. These costs are passed on to the residents in the form of higher taxes.

Statement of Needs (this project)

There is a need to establish two solid waste transfer stations in the Northwest and Southeast areas of Hamilton County (i.e., Census Tracts 103.02 and 113.01 or 113.01). The siting criteria are based on information from

J U N E T E R M 1 9 7 6

the Chathamoga - Hamilton County Health Department, required haul distance and frequency to the established County landfill, and population growth data. The Health Department received 332 complaints in 1974 and 468 complaints in 1975 relating to garbage and trash dumping. (Appendix A)

There is also a need to develop a program to promote public awareness of solid waste deposit locations and the problems caused by indiscriminate dumping.

Long Term Objectives (this project)

The long term objectives of this project will be the elimination or reduction of indiscriminate dumping of solid waste and the resulting pollution from it. The project could become the starting point of a county wide solid waste management system and a basis for a future resource recovery system. Another long term objective will be the elimination of blight and the enhancement of housing conditions.

Short Term Objectives (this project)

This project will greatly reduce the incidence of indiscriminate dumping upon its inception by providing two optimally sited transfer stations in Northwest and Southeast Hamilton County. It will reduce the cost of collection of solid waste by both private and municipal collectors thereby encouraging more participation by residents and service area expansion by collectors.

To accomplish these objectives, this project will provide for:

- (a) land acquisition
- (b) site preparation
- (c) site fencing
- (d) ramp construction
- (e) two six-cubic yard containers, one at each location for after-hours dumping
- (f) monitoring capability to evaluate the effectiveness of site usage in terms of volume of waste collected and reduction of the incidence of indiscriminate dumping

J U N E T E R M 1 9 7 6

-3-

and (g) record keeping for (b), above, and for administrative control (eg., required operating schedules.)

The County has the following solid waste collection equipment

at present:

2 road loading compactor trucks-20 cubic yard capacity

3 compactor trailers - 75 cubic yard capacity

71 waste containers - 6 cubic yards capacity

4 waste containers - 2 cubic yards capacity

2 waste containers - 4 cubic yard capacity

There is a limited solid waste collection system which operates with the "green box" containers at the schools, county park and other public buildings. The collection vehicles, are the two 20 cubic yard compactor trucks, which must make frequent and long trips to the land fill. The use of transfer stations with 75 cubic yard compactor trailers would greatly reduce the distance and time traveled by the small vehicles as well as the wear and the gasoline consumption.

The reduction in time and labor and equipment wear applies also to the incorporated municipalities within the County and to the private collectors.

The availability of transfer stations would also enhance their use by the area residents and eliminate some of the indiscriminate dumping now taking place. The reduction of dumping would provide a more viable community by reduction of blight and an improvement of the general aesthetic appearance of the community. Pollution of streams and ground water from leachate and the resulting pollution of well water supplies poses an imminent threat to health. The practice of burning trash at illegal dump sites such as abandoned strip mines also poses a threat to life and property from fires especially since these remote areas are devoid of any organized fire-fighting equipment available.

J U N E T E R M 1 9 7 6

The lack of an existing capability to transfer solid waste from the remote western and southeastern areas of the County has created a solid waste dumping problem with an associated potential health hazard. Abandoned strip mines are being used as dump sites. These dumps remain uncovered and no cover material is available nearby. As a result, the dump sites serve as breeding grounds for rodents, flies, and mosquitoes. The sites are often used for disposal of dead animals, thereby creating the hazard of zoonotic diseases. Since no absorption occurs in abandoned strip mine pits, a potentially hazardous leachate flows from them into open streams. The dumping sites are located in the most rural areas of the County, where the greatest number of private well water supplies are used. Contamination of the ground water by dump site leachate presents yet another potential health threat. The practice of burning waste in the abandoned strip mines poses the threat of fires with potential loss of life and property.

The remote rural areas of the county are areas of sub standard housing and concentrations of poverty level residents.

J U N E T E R M 1 9 7 6

ENVIRONMENTAL ASSESSMENT

II. Favorable Impact

The development of transfer stations in Northwest and Southeast Hamilton County will have a significant positive impact on the environment of these areas. These stations will greatly improve accessibility to a sanitary means of solid waste disposal to the individual residents as well as the commercial collectors. The absence of existing accessible disposal sites has led to much promiscuous roadside dumping. This dumping is accompanied by insect and rodent breeding, ground and surface water pollution from leachate, fire hazard, noxious odors, and erosion. The use of transfer stations, by residents, instead of dumps will reduce these environmental insults. In addition, the owners of dead animals will have an alternative to the common practice of burning the animal or allowing it to decompose on the ground, creating a potential health hazard.

Commercial collectors of solid waste will be able to serve their customers more efficiently as a result of the new stations. This will encourage expansion to the more remote areas where roadside dumping or burning are the only available methods of disposal. The shorter travel distance to the transfer station will result in a reduction in the energy resource consumption of the present system by eliminating the numerous long trips which must be made by small capacity collection vehicles. This will be accompanied by a lower amount of vehicular pollution and traffic noise.

A future benefit to the environment, made possible by a transfer station system is the capacity to recover and recycle the material and thermal resources found in solid waste. The overall benefit of this

project is the improvement of the environment for present and future housing in the Northwest and Southeast areas of Hamilton County.

II. Unfavorable Impact

Every precaution will be taken to assure proper operation of this project and proper maintenance of the related equipment. Should an exceptional circumstance arise, there is a possibility of temporary detrimental effects on the environment. Improperly handled solid waste may create problems of: odor, flies, rats, water pollution from leachate and scattered debris. The project staff will be made aware of the potential damage that might arise from too infrequent transfer and disrepaired equipment and will be required to take all necessary action to prevent it.

The operation of transfer stations unavoidably is accompanied by noise. Equipment maintenance will help to reduce the noise. To minimize the nuisance factor to adjacent sites, the stations will be operated only during daylight hours.

The use of vehicles for transport and compaction will result in air pollution. As mentioned in the previous section, the amount of pollution will be less with the transfer stations than without them.

There will be some scattering of solid wastes during the course of operation. This spillage will be contained by fencing and controlled by continual cleanup. Trash brought in by individual residents will be controlled by the staff. Facilities for after-hours disposal by individuals will be provided to prevent dumping outside the transfer station compound.

III. Alternatives

The only environmentally sound alternative to transfer stations is establishing new sanitary landfills in suitable areas throughout

the County. This alternative would be extremely expensive. In addition, it would degrade the landfill site and the adjacent land significantly more than transfer stations. It would also meet with stronger citizens opposition. A landfill site also would not provide as good an opportunity as transfer stations for resource reclamation.

It is doubtful that new landfills could be utilized to capacity. If new ones were developed, the existing County landfill, which is well-run, would be under-utilized also and would become financially endangered.

III. Probable Controversy

The siting of any solid waste handling or disposal facility provokes some citizen opposition about possible land degradation or devaluation. The transfer stations will be located in suitable sites that create a minimum of controversy. The existing landfill site is well accepted by the neighboring land owners and little concern should materialize from the increased utilization foreseen in this project. The private solid waste collection firms, that presently operate in the effected area, will realize more productive worktime and consequently should give full support to the project.

This project has been analyzed in order to determine if any adverse environmental impact would result from the project.

It has been found that "The Proposed Project will have no significant adverse effect on the environment."

DATA SOURCES AND METHODS USED

The Housing Assistance Plan for the balance of Hamilton County, exclusive of the City of Chattanooga, was derived by computing a total Hamilton County HAP and a separate City of Chattanooga HAP on the same computation base and then subtracting the numbers for the City of Chattanooga in order to obtain the balance of Hamilton County. In so doing, the following data sources and methods were uniformly employed.

- (1) CARCOG/SETDD Data Profile Series, Hamilton County which reflects 1975 data on the non-incorporated area of Hamilton County thereby providing more accurate estimates of housing conditions exclusive of City of Chattanooga annexations since 1970.
- (2) 1970 Census of Housing, Detailed and General Characteristics, which were updated to 1975 in the CARCOG/SETDD Data Profile Series for Hamilton County.
- (3) Chattanooga-Hamilton County Regional Planning Commission estimates of units physically, functionally and economically suitable for rehabilitation.

TABLE II:

HOUSING ASSISTANCE NEEDS OF LOWER INCOME HOUSEHOLDS

DATA SOURCES AND METHODS

Sections A and B of Table II were computed from the 1970 unpublished census report which cross tabulated inadequate households by size, race, elderly/non-elderly, income and occupancy status (owner-renter). The 1970 base was updated to reflect the changes in population in the CARCOG/SETDD Data Profile Series for Hamilton County, 1975. Households considered in inadequate living conditions are those in which one or more of the following conditions exist:

- (1) Lacking some or all plumbing facilities;
- (2) Overcrowded;
- (3) In renter occupied units, tenant paid more than 25 percent of income toward rent; and
- (4) In owner occupied units, house was built prior to 1939 and valued at less than \$7,500.

Only the inadequate households in the balance of Hamilton County, which were determined to be of lower income based on the 1974 definition of a family of four making below 80 percent the median income, were included. In addition, households assisted through federally assisted housing programs since 1970 were deleted as determined by "A Summary of Unmet Housing Needs of 'Poor' and 'Low and Moderate Income' Households Within the CARCOG/SETDD, 1974."

In addition, in breaking out the minority households, the same method utilizing the unpublished census report allowed an actual count of minority inadequate households in 1970 and was updated to reflect 1975 population changes.

The additional families expected to reside in the balance of Hamilton County as a result of planned employment was estimated by the Hamilton County Regional Planning Commission and the CARCOG/SETDD. Additional families expected to reside in the balance of Hamilton County who are already employed in the community was determined utilizing the HUD recommended formula based

J U N E T E R M 1 9 7 6

on "Characteristics of Workers by Residence and Place of Work for Standard Metropolitan Statistical Areas of 250,000 or More, 1970 Census".

- Number of income eligible families with workers working and living in community --	18,647	= 91.3%
- All income eligible families with workers working in community --	20,426	
- Number of income eligible families with workers commuting into the community --	1,779	= 8.7%
- All income eligible families with workers working in the community --	20,426	

*Net expected to reside = 450 + 10% increase = 495

(7.9% X 5694)

*75% of families in SMSA are income eligible while only 65%
of families in community are eligible, therefore net expected
to reside was increased by 10%.

Judge Moore stated that in accordance with the law of budgetary amendments, the Council announced the intention to reallocate \$8,517.00 of the County General Fund Budget from Hospital Services for the Indigent to Crippled Children's Service. Whereas, funding requirements for state welfare programs were different from estimates made for the original budget, the County General Fund Budget will be amended at the next meeting reallocating \$8,517.00 from Hospital Services for the Indigent to Crippled Children's Service.

Judge Moore said they were also announcing intention to amend the budget of the Department of Education to increase allocations for Transportation for \$19,000, for Operation of Plant for \$220,000 and Outgoing Transfer for \$4,000 or a total of \$243,000 increases and to decrease Administration - \$20,000, Health Services - \$8,000, Maintenance of Plant - \$60,000, Fixed Charges - \$32,000, and Capital Outlay - \$123,000, total of \$243,000 decreases.

Mrs. Virginia Warren, President of the Chattanooga Education Association, said that she was speaking in opposition to Judge Moore's plans to change the distribution of tax money to the city and county schools. Mrs. Warren stated that in a recent survey of employees of the Chattanooga School Board over 99% of the people employed voted against Judge Moore's plan. Mrs. Warren stated that children are our greatest asset, and their education is of prime importance.

Mr. Julian Atwood of the Welfare Committee of the Chattanooga Education Association presented copies of a budget proposed by the teachers to the Council members (see copy attached).

Mr. Atwood stated that he is a teacher employed by the city schools but he is a county resident. He said that he has two children, one in a County kindergarten this past year and another who will go to kindergarten this year. Mr. Atwood said with the present appropriation for education the kindergarten program will probably be cut. Mr. Atwood stated that he is also a taxpayer and a homeowner. He said that he is willing to pay more than they are suggesting for education. He said that he appreciated the opportunity to present these facts today. Mr. Atwood said that the city is in Hamilton County and that children are unable to vote and that teachers represent them--the Council and voters represent them. Mr. Atwood said we are buying for them quality education. He said you cannot pay Pinto prices and drive a Cadillac. He said that five years from now the educational quality will be less. He said that teachers need the raise indicated in the proposal that he had handed to the Councilmen. He pointed to the salary scale on page 2 which they are proposing for this year. There is a \$2,000 increase at the top of the scale and very little at the bottom. Mr. Atwood said this is not much in light of the inflation we have faced for the last two years. He added that the teachers had only gotten a small increase last year and they have experienced a loss in buying power. He said that teachers have no expense accounts on which to draw and have no stock options. He asked that the Council consider the fact that in comparison with salaries across the nation, teachers here are quite minimally paid. He said that in Michigan a teacher with a bachelor's degree begins at \$11,343 and the top salary is \$18,422. With a master's degree they begin at \$13,033 and the

J U N E T E R M 1 9 7 6

top is \$21,327. Mr. Atwood said that teachers here in comparison are grossly underpaid. Mr. Atwood said that the 4.9 million dollar increase they are asking does not include fringe benefit items. Mr. Atwood said that they wanted to encourage the Council to do what they can to fund education in Hamilton County and to provide what they can for quality education for students in this area. Mr. Atwood said that speaking from personal experience and from some of the teachers he knows they must earn supplements to their salaries at odd jobs. Mr. Atwood said that he worked last year for about 25% of his income as a clerk in a store. One teacher that he knows works in her off hours at a Milk Jug store. Mr. Atwood said that this must affect the quality of education because no one can work until 9 o'clock or 11 o'clock at a second job and then face his duties the next day as well. Mr. Atwood said that he beseeched the Councilmen as representatives of the taxpayers and the children to do everything they can to see that this County has quality education.

Judge Moore stated that it was a privilege to have present today the Mayor of the City of Chattanooga, Pat Rose.

Mayor Rose told Judge Moore and the Council that he was privileged to have with him the Burgermeister of Chattanooga's sister city, Hamm, Germany. Mayor Rose said that they had just been extended the privilege of touring the new Justice Building with Sheriff Newell and had seen one of the most modern installations in this country. Mayor Rose said that they appreciated the hospitality of Sheriff Newell. Mayor Rose asked Brother and Mrs. Heimbeck and Hugh Jackson to come forward. He said these people were on a mission of good will to further the sister city program. Mayor Rose said that they met the City Commission yesterday, and they were glad that they were extended the opportunity to meet with the Council of Hamilton County today. Mayor Rose said that he did not know that there would be such a fine reception of people and he did appreciate Judge Moore's arranging for it. (There was a large delegation of Hamilton County teachers present supporting more funds for the school budget.)

Mayor Rose introduced Hugh Jackson of W. F. Jackson Manufacturing Company, who is president of the Sister Cities Association.

Mr. Jackson introduced Burgemeister Heimbeck and Mrs. Heimbeck to the assembled group.

Judge Moore told them that it was a tremendous pressure for the Council to welcome them to Hamilton County. Judge Moore explained to Mr. Heimbeck that the Council was made up of four Councilmen and the County Judge and that this is the governing body of Hamilton County. He introduced each of the Councilmen to the Heimbecks. He said that he would like to make each of them a member of the Order of Tennessee Squires of Hamilton County, and he presented to each the official seal of Hamilton County in the form of a key ring. Judge Moore told them that he would look forward to seeing them again when they are able to come to Chattanooga.

Mayor Rose told the Heimbecks that Judge Moore was also a member of the Sister Cities Association. He said that they try to work together--that as Mayor he gave them the key to the city and then Judge Moore gave them the key ring.

A RESOLUTION

NO. 676-12

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO ENTER INTO AND EXECUTE AN ATTACHED AND INCORPORATED LEASE AGREEMENT WITH THE BARONESS ERLANGER HOSPITAL, AN AGENCY OF HAMILTON COUNTY, RELATING TO CERTAIN REAL PROPERTY HEREIN DESCRIBED.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Resolution No. 176-32, same being "A Resolution to authorize the County Judge to execute an Offer to Purchase Real Property and to pay certain amounts thereunder for the purposes (therein) described", was approved by this County Council on January 21, 1976; and

WHEREAS, pursuant to the authority of said Resolution, Hamilton County executed certain documents and acquired Lots 1, 2, 3, 15, 16, 17, 18, 19 and 20, Block 1 of Weike and Patten's Addition #2 in the City of Chattanooga, same being the situs whereon exists certain structures commonly referred to as the "Fillauer Building" and the "Old Drugstore Building"; and

WHEREAS, in order to maximize the utilization of said property, Hamilton County desires to lease certain designated portions thereof so as to, among other things, provide for the health care of its citizenry consistent with its role as the governing body of Hamilton County; and

WHEREAS, the Baroness Erlanger Hospital, an agency of Hamilton County, is desirous to be a tenant within and upon the aforementioned real property so as to further provide health-related services to the residents of Hamilton County.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to enter into and execute the attached and incorporated Lease Agreement with the Baroness Erlanger Hospital, an agency of Hamilton County, same to be concerning the real property hereinabove described.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

Member of the County Council

LEASE AGREEMENT

WHEREAS, the County of Hamilton of the State of Tennessee is the owner of certain below-described real property, same having been purchased in fee simple by said County for a price of Four Hundred Fifty Thousand Dollars (\$450,000.00), and

WHEREAS, aforesaid County, being desirous to maximize the utilization of said property, has already leased certain portions thereof and desires to lease the remaining portions so as to provide the most economical return from its aforementioned purchase and so as to provide for the health care of its citizenry consistent with its role as the governing body of Hamilton County, and

WHEREAS, the Baroness Erlanger Hospital of 241 Wiehl Street in the City of Chattanooga, State of Tennessee, an agency of Hamilton County, being desirous to acquire leasehold space within said property of Hamilton County so as to further provide health-related services to the residents of said County, does hereby covenant and agree with said County as follows:

1. The aforesaid County of Hamilton shall be hereinafter referred to as the "LESSOR" and the aforesaid Baroness Erlanger Hospital shall be referred to as the "LESSEE".
2. The LESSOR agrees to lease to the LESSEE certain real property located within the City of Chattanooga, County of Hamilton, State of Tennessee, the location being described more particularly as follows:
 - A. (1) The ground floor within the "Fillauer Building", same being the currently existing main structure located within Block 1 of Wiehl and Patten's Addition #2 and which is distinct and separate from another structure thereon and which latter structure is commonly known as the "old drugstore", less the spaces designated within said main structure for the use of the Fillauer Orthopedic Company.

J U N E T E R M 1 9 7 6

- (2) All of the second floor of the "Fillauer Building", and
 - (3) The adjacent structure commonly known as the "old drugstore" building.
- B. The total area leased within the "Fillauer Building" is approximately 6,050 square feet - first floor; the second floor is approximately 10,500 square feet and the "old drugstore" building is approximately 6,000 square feet.
3. The term of the lease shall be five (5) years, commencing July 1, 1976, and, unless otherwise provided, terminating July 1, 1981. The LESSOR grants to the LESSEE an option to renew said lease for a term of an additional five years, the terms of such renewal to be mutually agreed upon at such time of renewal by LESSOR and LESSEE.
 4. The LESSEE shall negotiate with other tenants and/or lessees of LESSOR for parking spaces for vendors of LESSEE, whereupon the agreed upon allocation shall be submitted to LESSOR for its approval, thereupon to become binding upon the agreeing parties until such time as the LESSOR shall notify said parties of a change in said agreement.
 5. The LESSEE shall pay for all utilities of the building and its occupants. Once the internal spaces are remodeled and/or reconstructed for occupancy, the LESSEE herein agrees to maintain the entire building and its contents at no charge to the LESSOR during the lease term.
 6. A. The LESSOR will install partition walls and purchase the air-conditioning chillers and unit for said "Fillauer Building"; such installation is to be according to the representations shown upon a schematic diagram of the leased premises, a copy of such diagram is attached hereto. For renovation of spaces, the LESSOR is to provide craftsmen and the LESSEE is to reimburse the LESSOR for the cost of materials utilized to complete renovation of spaces. There is to be a joint cooperation to coordinate the remodeling of the facilities between the LESSOR and the LESSEE.

J U N E T E R M 1 9 7 6

- B. The LESSOR is to remove the metal structure located adjacent to the "Fillauer Building" on Hampton Street.
- C. Space rearrangements after the initial move to the "Fillauer Building" by the LESSEE shall be solely the responsibility of the LESSEE and all costs incurred by it will be borne by it. Such work will not commence until prior written approval is given by the County Judge of LESSOR.
7. Rent shall be \$1 per year prepaid together with the LESSEE paying for all utilities and building maintenance as indicated in paragraph 5.
8. LESSEE will be given occupancy and usage of the lease premises no later than July 1, 1976.
9. In the event the leased premises be destroyed or otherwise rendered nonuseable for the purposes herein intended, upon determination thereof by LESSOR, then the LESSOR shall be held harmless by the LESSEE and this lease agreement shall be at an end.
10. In the event that LESSOR decides to alter or change the use to which this property is utilized, which altering or changing may prevent the LESSEE from carrying out its business or other allowable uses, then the LESSOR will, prior to implementing or progressing upon any actions pursuant to the decision herein-
above mentioned, provide to LESSEE notice of such intention and decision no less than 365 days in advance of any such alteration or change; further provided, that following such notice period this lease will be at an end and the LESSEE will be released from any and all obligations hereunder and the LESSOR will be held harmless by the LESSEE.
11. In the event of breach of any of the above terms and conditions of this lease by either party hereto, LESSOR and LESSEE agree that the harmless party shall have all the rights and privileges in Law and in Equity under the laws of the State of Tennessee and failure by either party to promptly seek judicial remedy for any such breach shall not be deemed acquiescence thereto.

RESOLUTION

NO. 676-13

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO ENTER INTO NEGOTIATIONS WITH THE STATE OF TENNESSEE, COMPTROLLER OF THE TREASURY AND/OR DIRECTOR OF THE DIVISION OF PROPERTY ASSESSMENTS, AND TO EXECUTE SUCH DOCUMENTS AND PAY CERTAIN AMOUNTS THEREUNDER, UNDER CERTAIN CONDITIONS, AS MAY BE NECESSARY TO FULLY COMPUTERIZE CERTAIN COUNTY TAX DATA.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, proper officials of Hamilton County entered into a contract on April 13, 1970, for the performance of certain services relative to the mapping and reappraisal program conducted in Hamilton County; and

WHEREAS, said services were performed and ownership mapping and reappraisal records were turned over to Hamilton County officials to be used as the basis for assessments for the year 1973; and

WHEREAS, the data processing program did not have computer assisted update capabilities to computerize the assessment and tax data of Hamilton County during the time of the performance of said contract; and

WHEREAS, EQUIFAX now has developed such systems as would enable local officials of Hamilton County to fully computerize its assessment and tax data to more efficiently maintain said ownership mapping and reappraisal program; and

WHEREAS, the State of Tennessee, by and through the Comptroller of the Treasury, Division of Property Assessments, will contract with local governments in order to provide such efficiency and computerized data, and will also provide grant funding for at least one-half (1/2) the cost thereof as well as long term, low-interest (not more than 2% per annum) lending of the remaining amount; and

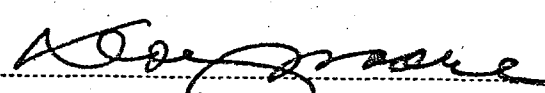

WHEREAS, the expected cost of completing the computerization of assessing and appraisal real property data assembly and programming will be in an amount not to exceed One Hundred Ninety Thousand Dollars (\$190,000.00), half of which total sum may be funded by the State of Tennessee as hereinabove mentioned, and the other half of which may be financed by said State for Hamilton County as hereinabove set forth:

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is authorized to enter into negotiations with the State of Tennessee, by and through the Comptroller of the Treasury and/or the Director of the Division of Property Assessments, for the purpose of entering into a contract with said State for the reasons hereinabove stated; and

BE IT FURTHER RESOLVED, that the County Judge is authorized to execute such documents relating to or proceeding from said negotiations and to pay amounts thereunder so long as such payments reflect no more than 2% per annum interest on no more than one-half (1/2) of the amounts received from said State for the purposes hereinabove mentioned, but in no event will the total cost exceed One Hundred Ninety Thousand Dollars (\$190,000.00).

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

RESOLUTION

NO. 676-14

TITLE A RESOLUTION TO APPROVE CERTAIN TERMINOLOGY CHANGES IN THE HAMILTON COUNTY OCCUPATIONAL SAFETY AND HEALTH PROGRAM AND TO AUTHORIZE THE COUNTY JUDGE TO CERTIFY SAME TO APPROPRIATE STATE OFFICIALS.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, by Resolution dated September 18, 1974, and recorded in County Council Minute Book 20, Page 188, including EXHIBIT "A" thereto which was incorporated therein by reference thereto as fully and completely as though copied therein verbatim, this Council unanimously passed a resolution establishing an Occupational Safety and Health Program, divising rules and regulations, and providing for persons responsible for the implementation of such program; and

WHEREAS, by motion made, seconded and unanimously approved on April 21, 1976, this Council adopted an Administrative Organization Plan for general County government, which plan redefined administrative relationships; and

WHEREAS, the Hamilton County Director of Occupational Safety and Health has recommended that certain terminology changes be made in the Program adopted September 18, 1974, so as to comport with the Plan approved April 21, 1976, such recommendation being as follows:

- (1) That under Part III, Section C, Page 3 of EXHIBIT "A" of the September 18, 1974, Resolution, the words "County Manager" be changed to read "Safety Director";
- (2) That under Part VI, Section A, Subsection 1 of EXHIBIT "A" of the September 18, 1974, Resolution, the words "County Manager" be changed to read "Safety Director";
- (3) That, excluding the aforementioned references, wherever else within said Program as contained in EXHIBIT "A" of said September 18, 1974, Resolution, the words "County Manager" appear, same be changed to read "County Judge"; and

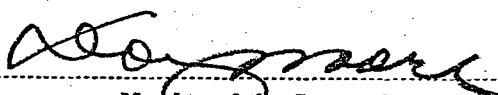

WHEREAS, such terminology changes will in no manner effect or alter the Occupational Safety and Health Program in Hamilton County but will update it and conform same to the policies of this Council.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the recommendation of the Director of the Occupational Safety and Health Program, as set forth hereinabove, are hereby approved and that the Resolution dated September 18, 1974, and recorded in County Council Minute Book 20, Page 188, including EXHIBIT "A" thereto, is hereby amended as provided in the third paragraph hereinabove of this Resolution; and

BE IT FURTHER RESOLVED, that the County Judge is hereby authorized to certify same to appropriate officials in the Tennessee Department of Labor, Division of Occupational Safety.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

PRIVATE CHAPTER NO. 263

SENATE BILL NO. 2416

By White, Person

Substituted for: House Bill No. 2372

By Murphy (Shelby)

AN ACT to amend Chapter 230 of the Acts of 1905, as amended by Chapter 640, Private Acts of 1911, and Chapter 818, Private Acts of 1929, the same being the act creating the board of jury commissioners in counties of the state having a population of 150,000 or over, according to the federal census of 1900, or any subsequent federal census; to provide for alternate method of providing names for jury venires.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Chapter 230 of the Acts of 1905, Section 7, as amended, is hereby further amended by numbering the present section 7 (a) and adding a new subsection as follows:

SECTION 7 (b) In addition to the foregoing method of providing names for jury venires, the following alternate method is authorized.

In event the judges find that the roll of all the registered voters in such counties is so tabulated and arranged that names can be selected therefrom by mechanical or electronic means in such manner as to assure proportionate distribution of names selected without opportunity for the intervention of any human agency to select a particular name, then and in that event, such judges may authorize the jury commission to obtain names for jury venires from such source and by such method, under such rules as may be prescribed by the judges.

Such rules may prescribe intervals and time of selection of names other than those set out elsewhere in this section in order to facilitate the process provided in this subsection.

The means of providing names for jury venires as otherwise provided by this section shall remain available to the courts and may be used at any time when any of the judges find the means provided by this subsection are impractical or by all the judges whenever they determine such other method is preferable.

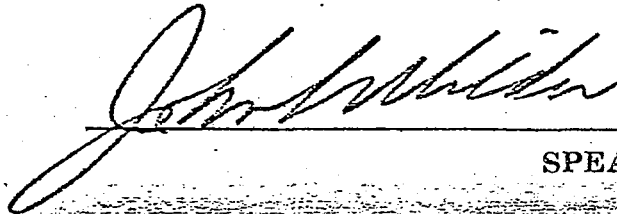

SECTION 2. This act shall have no effect unless it is approved by a two-thirds ($\frac{2}{3}$) vote of the governing body to which it may apply before September 1, 1976. Its approval or nonapproval shall be proclaimed by the presiding officer of the county governing body and certified by him to the Secretary of State.

SECTION 3. For the purpose of approving or rejecting the provisions of this act, it shall be effective upon becoming a law, the public welfare requiring it. For all other purposes, it shall become effective upon being approved as provided in Section 2.

A RESOLUTION

NO. 676-16

TITLE A RESOLUTION TO COMPLETE THE GENERAL MERIT SYSTEM OF HAMILTON COUNTY BY ADOPTING THE REVISED CLASS SPECIFICATIONS, ALLOCATION LIST AND GENERAL PAY PLAN, AND TO REPEAL RESOLUTIONS IN CONFLICT THEREWITH.

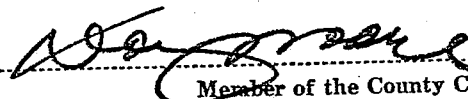

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, this County Council adopted a Personnel Policy, being Resolution No. 675-26, as amended by Resolution No. 875-2, and repealed the Policy Manual part thereof by Resolution No. 576-7, replacing in lieu thereof Personnel Rules and Regulations, so as to establish a General Merit System for Hamilton County; and

WHEREAS, the Director of Personnel has completed revision of the unrepealed, aforementioned portions of the Personnel Policy, same being the class specifications, the allocation list, and the general pay plan, said revision thus completing the General Merit System for Hamilton County and having applicability to all employees of all Departments, Divisions, Offices, and all wholly County supported agencies and offices, including those fee offices or other agencies that may likewise adopt same and be included therein upon agreement of the County Council thereto.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the revised portions of the Personnel Policy, same being the class specifications, the allocation list, and the general pay plan, as maintained and available for review during normal business hours in the office of the Director of Personnel, are hereby adopted, with applicability as mentioned above, and all previous Resolutions, or portions thereof, in conflict therewith are hereby superseded and repealed.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the Public Welfare requiring it.

NO. 676-17

TITLE A RESOLUTION AUTHORIZING THE COUNTY JUDGE TO NEGOTIATE WITH THE UNIVERSITY OF TENNESSEE COLLEGE OF MEDICINE, CLINICAL EDUCATION CENTER, AND TO EXECUTE SUCH DOCUMENTS AS WILL PROVIDE A LEGAL BASIS FOR THE OPERATION OF SAID CENTER IN THE CHATTANOOGA-HAMILTON COUNTY HEALTH DEPARTMENT BUILDING.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the need for family practice physicians is evident in Hamilton County, thus encouraging local efforts to meet this vital health care requirement; and

WHEREAS, graduate physicians often remain in the geographical area where they have undertaken Residency training, thus inducing local efforts to provide encouragement to programs of residency; and

WHEREAS, the University of Tennessee College of Medicine, Chattanooga Clinical Education Center (CEC) provides graduate medical education, especially family practice physician education, and is desirous of locating its program center in the Chattanooga-Hamilton County Health Department building, said structure being ideally situated for medical training purposes; and

WHEREAS, location of aforementioned CEC program in said Health Department building would provide a higher rate of building utilization, thus benefitting the County in a sound fiscal manner.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to negotiate with the University of Tennessee College of Medicine, Chattanooga Clinical Education Center, and to execute such documents as will provide a legal basis for the operation of said Clinical Education Center in the Chattanooga-Hamilton County Health Department building.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

RESOLUTION

NO. 676-18

TITLE A RESOLUTION TO APPOINT THE PERSONNEL ADVISORY BOARD MEMBERS CONSISTENT WITH THE PERSONNEL RULES AND REGULATIONS OF HAMILTON COUNTY.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the Personnel Rules and Regulations of Hamilton County, Section 201, provide that a Personnel Advisory Board shall be appointed by the County Council, and that each Councilperson shall appoint a member thereto; and

WHEREAS, aforesaid section also provides that these appointees shall be "public spirited persons of recognized standing and have a known interest in the improvement of public administration and in the impartial selection of efficient government personnel"; and

WHEREAS, pursuant to the abovementioned authority, each member of the County Council has designated a person meeting the requirements and qualifications as set forth therein.

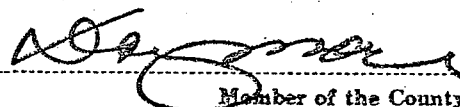

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL IN SESSION ASSEMBLED: That the following persons are hereby appointed to the Personnel Advisory Board:

- (by County Judge Moore): William C. Haisten
- (by Councilman Mayfield): Paul Shepherd
- (by Councilman Ricketts): Don E. Hedrick
- (by Councilman Fuller) : Melvin F. Powell
- (by Councilman Long): W. G. (Bill) Powell

BE IT FURTHER RESOLVED, that the abovenamed appointees shall serve upon the Personnel Advisory Board for the term as specified in Section 203 of the Personnel Rules and Regulations of Hamilton County and shall follow such provisions otherwise applicable to members of said Board and contained within said Rules and Regulations.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the Public Welfare requiring it.

(Judge Moore stated that a portion of the Hamilton County Personnel Acts which they have adopted requires that members of a Personnel Advisory Board be appointed prior to July 1. Judge Moore said that the Councilmen had been more diligent than he had and the four of them had each designated a member of the committee. Judge Moore promised that he would have a name for the committee when the Council reconvenes this meeting on June 29, but in the interim the four already appointed could be voted on.)

(Just before the meeting was adjourned Judge Moore advised his appointment to the committee is William C. Haisten, and that, without objection, his name would be added to the committee as his appointment. No objection was made and Judge Moore stated that the committee is now complete.)

Judge Moore asked if there were any delegations to appear before the Council.

John Henderson, president of the Hamilton County Education Association, said that the teachers were present again today to ask that the Council fully fund the education budget. Mr. Henderson said that he could not emphasize enough the need for this funding because without this funding education in Hamilton County will fall further and further behind. He asked that the Councilmen consider what will happen and told them that it was their decision.

Jim Booth, immediate past president of the HCEA, asked that the Council consider moving the meeting which is to be held on June 29th to a place that would seat more people. He said that there will be a much larger turnout of teachers at that meeting and it might be to the Council's advantage to have more space for them.

Judge Moore stated that it was necessary to recess this meeting until later in June so that the budget could be considered then. He said that setting the time as June 29 would enable the Council to get as much fiscal information as possible from the State concerning funding, etc.

ON MOTION of Councilman Mayfield, seconded by Councilman Ricketts, that the records of the County Court Clerk's Office for May, 1976, be accepted, treat same as read, approved, and filed and made a matter of record. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Total absent-0.

Councilman Fuller suggested that if none of the Council members objected, a larger meeting place should be secured for the June 29th meeting, a place where more people could be seated and which would be quieter.

Judge Moore said that he had anticipated this and had found out that the Tivoli is under repair. He asked if Mr. Booth had any suggestions.

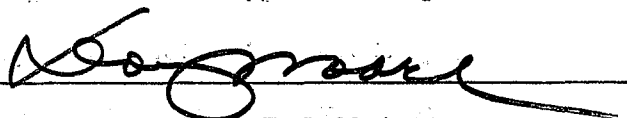

Mr. Booth suggested that Red Bank High School would meet these requirements and he felt sure the Superintendent and Mr. Eldridge would make it available.

Judge Moore said that the Council would adjourn until June 29th at 10 a.m. at Red Bank High School.

Mr. Henderson asked if the Council would have any open meetings concerning the budget before that time.

Judge Moore told Mr. Henderson that was the meeting they would have.

NO. 676-31

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO SIGN AND SUBMIT AN ATTACHED GRANT APPLICATION TO THE TENNESSEE LAW ENFORCEMENT PLANNING AGENCY FOR CERTAIN SECURITY-PROTECTIVE PURPOSES AND TO PAY THE COUNTY BUY-IN SHARE THEREFORE.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, pursuant to the provisions of "The Crime Control Act of 1973", (42 U.S.C. 3701), the Tennessee Law Enforcement Planning Agency receives and distributes funding for certain approved programs and purposes; and

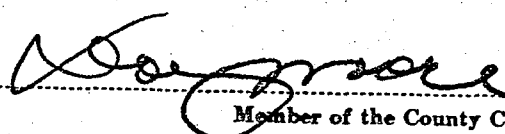

WHEREAS, in order to insure that the confidential deliberations of law enforcement and other governmental personnel are protected so as to avoid prejudicial divulgence to those elements that might seek to obstruct, interfere with, or evade the processes of justice and government, it is necessary to provide the aforesaid personnel with protective security mechanisms; and

WHEREAS, a grant application to the aforesaid Planning Agency would provide \$42,000 in funding for the purpose of purchasing certain security devices, this total including \$2,100 as the County buy-in share thereof.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to sign and submit the attached grant application to the Tennessee Law Enforcement Planning Agency for the purposes hereinabove described and to pay the County buy-in share therefor.

6. Project Summary: Summarize, in the space provided, the most important parts of the project, including goals, impact, scope, and evaluation.

Hamilton County Sheriff's Department has applied for a grant for a County-wide Narcotics Task Force. "Undercover" agents will be used to purchase drugs in order to develop a legal case against those who sell drugs. Optimum security is necessary in these dealings. A bug and wiretap detection system will provide optimum security for "undercover" agents in their assignments.

The system will include the capability for multi-tone sweep which accomplishes sweep for bugging devices requiring more than a single tone to active, such an infinity transmitter ("harmonica bug"). It will also contain a telephone line tap locator which will pin point and document the exact location of a tap on any telephone line up to 50,000 feet away.

In addition to providing security for the Narcotics Division the bug and wiretap detection system could be used to make a sweep of other government offices such as the offices of the County Judge and his staff, the Sheriff's Department, the District Attorneys Office, the Grand Jury and any other agency which feels the need to optimize its security.

Records will be maintained on use of this equipment, bugs or wiretaps detected, legal action taken (if any), etc.

The project evaluation will be made based on the evaluation of the above mentioned data.

APPLICATION FOR ACTION GRANT

11. IDENTIFICATION OF PROBLEM: Describe nature, scope, and degree of the problem. This description explains your justification for submitting the grant application. Use meaningful facts and data to support need. (If additional space needed, attach additional sheets and number them 2a, 2b, etc.)
-

Ultimate security is almost impossible in today's highly technical world but optimum security can be provided through sophisticated detection equipment.

The undercover agents of the Narcotics Task Force need to have optimum security in their role as buyers of drugs. They must be free of the danger of bugs or wiretaps on their lines by the criminal element.

Another important security situation exists in many government offices which deal with crime and the criminal elements. These must be free of the danger of bugs or wiretaps and include such offices as the County Judge and his staff, the Sheriffs' Department, the District Attorneys offices, the Grand Jury and others.

-3-

12. PROJECT OBJECTIVES: This is a statement of needs to solve the problem. Give a concise statement of each of the objectives of the proposed project which are precise statements of the kinds of improvements sought. (If additional space is needed, attach additional sheets and number them 3a, 3b, etc.)
-

The objective of this project is to provide optimum security from bugs and wiretaps for undercover narcotics agents in their role as "buyers" of drugs.

Another objective of this project is to provide optimum security from bugs and wiretaps for government agencies such as offices of the County Judge, the Sheriff's Department, the District Attorney, the Grand Jury and others.

13. MEANS OF ACHIEVING THE OBJECTIVES: Describe the general method, procedure, or strategy for obtaining the objectives of the project and describe the operation of the project. (If additional space is needed, attach additional sheets and number them 4a, 4b, etc)
-

The bug alert equipment which is easily portable can detect the existence of a bugging device concealed on a person who enters your presence or one that is planted in your room. The equipment gives a warning signal by signal light that your conversation is being transmitted to someone else or to a recording device outside your room.

The telephone analyzing system detects a tap or a bug on a phone system by measuring a change in electronic values, whether of impedance, capacitance, voltage, current or other parameters. It can determine whether a tap or bug exists and, if so, which kind, and the line tap location can pin-point and document the exact location of a tap on any telephone line up to 50,000 feet away.

The wiretap defeat system detects and cancels out wiretaps on any form extension of a phone. It knocks out telephone "bugs" and telephone operated room "bugs", and wiretap transmitters.

14. PROJECT EVALUATION: Describe the procedure of measuring the degree to which each objective of the project will be achieved. (If additional space is needed, attach additional sheets and number them 5a, 5b, etc.) Be sure to include the following:

A.) Evaluation objectives:
To evaluate threats to security by measuring use of bug and wiretaps detection system, bugs or wiretaps detected, legal action taken (if any) etc.

B.) Date Sources:
Records will be maintained on the data and location of use of equipment, bugs or wiretaps detected, legal action taken (if any).

C.) Method of obtaining Data:
Data will be compiled from Narcotics Division Records and Reports and tabulated monthly.

D.) Analysis of Data:
Data will be analyzed and summarized on a monthly, quarterly, and annual basis for the evaluation of the project. This will be the responsibility of the Project Administrator, Thomas F. Santich.

15. PROJECTED PROGRESS: Project the progress you expect to make on this project. The space provided is divided into 90 day periods and you are to indicate what percentage of the project should be completed during each three month period and in the narrative you are to describe specific accomplishments you expect to complete during each period. (If the project will be completed in less than one year, so indicate when it will be completed.)

PERIOD	% COMPLETED	PROJECTED PROGRESS DURING THIS PERIOD

- C. PATENTS: If any discovery or invention arises or is developed in the course of or as a result of work performed in a grantee program, the grantee shall refer the discovery or invention to the TLEPA which will determine whether or not patent protection will be sought, how any rights therein, including patent rights, will be disposed of and administered, and the necessity of other action required to protect the public interest in work supported with Federal funds, all in accordance with the Presidential Memorandum of October 10, 1963, on Government Patent Policy.
- D. DISCRIMINATION PROHIBITED: No person shall, on the grounds of race, creed, color, sex, or national origin, be excluded from participation in, be refused the benefits of, or be otherwise subjected to discrimination under grants awarded pursuant to PL 93-83 or under any project, program or activity supported by this grant. The grantee must comply with the provisions and requirements of Title VI of the Civil Rights Act of 1964 and regulations issued by the Department of Justice and the Law Enforcement Assistance Administration thereunder as a condition of award of federal funds and continued grant support. As required by Section 518)b) of PL 93-83, this grant condition shall not be interpreted to require the imposition in grant-supported projects of any percentage ratio, quota system or other program to achieve racial balance or eliminate racial imbalance in a law enforcement agency.
- E. USE OF FUNDS: Any funds awarded are to be expended only for the purposes and activities covered by the applicant's approved application and budget.
- F. TERMINATION OF AID: This grant may be terminated in whole or in part by the Tennessee Law Enforcement Planning Commission at any time the Commission finds a substantial failure to comply with the provisions of PL 93-83, or regulations promulgated thereunder, including these grant conditions or plan, application or contract obligations, but only after notice and hearing pursuant to Commission regulations and all procedures set forth in 510 and 511 of PL 93-83.
- G. INSPECTION AND AUDIT: The Tennessee Law Enforcement Planning Commission or any of its duly authorized representatives, shall have access for purpose of audit and examinations to any books, documents, papers, and records of the grantee, and to relevant books and records of subgrantees and contractors, which pertain to the project funded under this grant.
- H. MAINTENANCE OF RECORDS: All appropriate grant records and accounts will be maintained and made available for audit as prescribed by the Commission.

- J. SUPLANTING PROHIBITED: The federal funds herein awarded are not to supplant local funds, but are to be used to increase the amount of funds that would otherwise be available for this project.
- K. ALLOWABLE COSTS: The allowability of charges made to funds granted under Part C and Part E of Title I of the Act, as amended, shall be determined in accordance with the general principles of allowability and standards for selected cost items set forth in the Bureau of the Budget Circular No. A-87 entitled "Principles for Determining Cost Applicable to Grants and Contracts with State and Local Government" (May 9, 1968) and interpreted and amplified in the Tennessee Law Enforcement Planning Agency Financial Management Manual.
- L. WRITTEN APPROVAL OF CHANGES: Grantees must obtain prior written approval from Tennessee Law Enforcement Planning Agency for major project changes. These include (a) changes of substance in project activities, designs or research plans, set forth in the approved application, (b) changes in the project director or key professional personnel identified in the approved application, and (c) changes in the approved budget.
- M. FISCAL REGULATIONS: The fiscal administration of grants shall be subject to such further rules, regulations and policies, concerning accounting and records, payment of funds, cost allowability, submission of financial reports, etc., as may be prescribed by the Tennessee Law Enforcement Planning Commission, consistent with the purposes and authorizations of PL 93-83 including those set forth in the Tennessee Law Enforcement Planning Agency Financial Management Manual.
- N. CRIMINAL PENALTIES: Whoever embezzles, willfully misapplies, steals or obtains by fraud any funds, assets, or property which are the subject of a grant or contract or other form of assistance pursuant to this title, whether received directly or indirectly from the Law Enforcement Assistance Administration, shall be fined not more than \$10,000 or imprisoned for not more than five years, or both. Whoever knowingly and willfully falsifies, conceals or covers up by trick, scheme, or device, any material fact in any application for assistance submitted pursuant to this title or in any records required to be maintained pursuant to this title shall be subject to prosecution under the provisions of Section 1001 of Title 18, United States Code. Any law enforcement program or project underwritten, in whole or in part, by any grant, or contract or other form of assistance pursuant to this title, whether received directly or indirectly from the Law Enforcement Assistance Administration shall be subject to the provisions of Section 371 of Title 18, United States Code.
- O. CLEAR AIR ACT VIOLATIONS: In accord with the provisions of the Clear Air Act, 42 U.S.C. 1857 et. seq., as amended by PL 91-604; and Executive Order 11602, subgrants or contracts will not be made to parties convicted of any offense under the Clear Air Act.

- P. RELOCATION PROVISIONS: The grantee shall assure that any program under which LEAA financial assistance must be used to pay all or part of the cost of any program or project which will result in displacement of any person shall provide that;
- (a) Fair and reasonable relocation payments and assistance shall be provided to or for displaced persons as are required in such regulations as are issued by the Attorney General of the United States.
 - (b) Relocation or assistance programs shall be provided for such persons in accordance with such regulations issued by the Attorney General of the United States.
 - (c) Within a reasonable period of time prior to displacement, decent, safe and satisfactory replacement must be available to the displaced person in accordance with such regulations as issued by the Attorney General of the United States.

The authority for this provision is found in the "Uniform Relocation Assistance and Real Property Acquisition Policy Act of 1970", PL 91-646; 84 Stat 1894.

- Q. ENVIRONMENTAL IMPACT: Any application for subgrants, subcontracts, etc., involving; (i) the construction, purchase, lease or alteration of facilities; (ii) the implementation of programs involving the use of herbicides and pesticides; (iii) other actions determined by the Regional Administrators to possibly have a significant effect on the quality of the environment, must include either a draft environmental statement as required by Section 102(s)(c) of the National Environmental Policy Act or a declaration that the proposed action will not have a significant impact on the environment. Before accepting a negative declaration, Tennessee Law Enforcement Planning Agency will refer the application to the Law Enforcement Assistance Administration Regional Administrator who shall review the subgrant application and verify that an environmental statement is not necessary.
- R. HISTORIC SITES: Before approving subgrant programs involving construction, renovation, purchasing or leasing of facilities the State Planning Agency shall consult with the State Liaison Officer for historic preservation to determine if the undertaking may have an effect on properties listed in the National Register of Historic Places. If the undertaking may have an adverse effect on the listed program properties the State Planning Agency must notify LEAA before proceeding with the Program.
- S. RECORDING AND DOCUMENTATION OF RECEIPTS AND EXPENDITURES: Accounting procedures must provide for an accurate and timely recording of receipt of funds by source, of expenditures made from such funds, and of unexpended balances. Controls must be established which are adequate to ensure that expenditures charged to grant activities are for allowable purposes and that documentation is readily available to verify that such charges are accurate. <

- T. APPLICABILITY OF STATE AND LOCAL PRACTICES: Except where inconsistent with federal requirements, State procedures and practices will apply to funds disbursed by the TLEPA and local procedures and practices to funds disbursed by such units. Bureau of the Budget Circular No. A-87, "Principles for Determining Costs Applicable to Grants and Contracts with State and Local Government," must be complied with by grantees with respect to the treatment of specific items and their cost allowability.
- U. CONTROL OF FUNDS AND TITLE TO PROPERTY: The title and control of Part E funds and title to property may not be transferred to private agencies, profit-making or otherwise, even though these may be utilized in the implementation of Part E efforts including the purchase of services and Part E funds and property will not be diverted to other than correctional uses.
- V. CONSTRUCTION GRANTS: All construction grants will also include all additional conditions set forth in the Supplemental Construction Form which must be attached to this application.
21. SPECIAL GRANT CONDITIONS: Special Conditions may be added to this grant application at the discretion of the TLEPA. Notice of such Special Conditions will be given at the time the Grant Agreement is delivered to the grantee, and such Special Conditions and Grant Agreement become a binding contractual commitment and are made an inseparable part of the approved application.
22. ASSURANCE OF COMPLIANCE WITH CIVIL RIGHTS ACT OF 1964: The applicant hereby agrees that it will comply with Title VI of the Civil Rights Act of 1964 (P.L. 88-352) and all requirements imposed by or pursuant to that title, to the end that no person shall on the grounds of race, color, creed, sex, or national origin be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives federal financial assistance from the department; and gives further assurance that it will promptly take any measures necessary to effectuate this commitment as more fully set forth in the standard grant conditions set forth above. This assurance shall obligate the applicant for the period during which federal financial assistance is extended to it by the department and is given in consideration of and for the purpose of obtaining the grant for which application is hereby made, and the United States shall have the right to seek judicial enforcement of this assurance.
23. PROJECT IMPLEMENTATION:
- (a) Within 60 days after the acceptance of the subgrant award, the subgrantee will submit a project implementation report specifying the steps taken to initiate the project and, if the project has not commenced, the reasons for delay and the expected starting date.

J U N E T E R M 1 9 7 6

ADJOURNED MEETING

-15-

(b) If a project is not operational within 90 days after date of award or scheduled project starting date, further special statement explaining delay in implementation must be submitted to the Tennessee Law Enforcement Planning Agency. TLEPA may either cancel the project, deobligating the awarded funds, or where warranted by extenuating circumstances, may request approval from the LEAA Regional Office to extend the implementation date of the project past the 90 day period.

24. ASSUMPTION OF COST: The applicant hereby agrees that should the project described herein prove to be valuable in reducing crime or improving the Criminal Justice System, the cost of such improvements will be assumed by the applicant after a "reasonable period of Federal Assistance." Minimum assumption of cost as established by the TLEPC reflects the following funding ratios:

First year of funding at 90/10 - Second year of funding at 80/20 - Third year of funding at 75/25 - Fourth and final year of funding at 50/50.

Applications of training, technical assistance and educational programs are exempt from the assumption of cost schedule as the TLEPC will make a determination on any annual basis regarding cost assumption for these projects.

ASSIGNMENT OF INTEREST

AGREEMENT

This Agreement, made this ____ day of June, 1976, by and between the COUNTY OF HAMILTON, State of Tennessee, having its general governmental offices principally located at 201 County Courthouse in the City of Chattanooga, and the SOUTHEAST TENNESSEE AREA HEALTH EDUCATION CENTER, a Tennessee corporation with its principal office located at 921 East Third Street, Suite 400 of the Chattanooga-Hamilton County Health Department, City of Chattanooga, State of Tennessee.

The abovementioned COUNTY OF HAMILTON shall be hereinafter referred to as ASSIGNEE, and the abovementioned SOUTHEAST TENNESSEE AREA HEALTH EDUCATION CENTER shall be hereinafter referred to as ASSIGNOR.

WITNESSETH

WHEREAS, ASSIGNOR and ASSIGNEE executed a Lease Agreement on the 17th day of June, 1975, a true and accurate copy of which is attached hereto and incorporated herein by reference, said Lease relating to ASSIGNOR (herein) utilization and occupation of certain office space and facilities within the aforementioned Health Department building, which building is titled to and controlled by ASSIGNEE (herein), and

WHEREAS, aforementioned and incorporated Lease Agreement provided that ASSIGNOR (herein) was to pay to ASSIGNEE (herein) certain amounts as rent in return for the utilization and occupation of aforementioned Health Department office space and facilities, and

WHEREAS, ASSIGNOR (herein) made no such rental payments to ASSIGNEE (herein) although repeated requests for same were made by ASSIGNEE (herein) and although no forgiveness or waiver or acquiescence in such non-payment was ever made by ASSIGNEE (herein) to ASSIGNOR (herein) or any agent or employee of same, and

J U N E T E R M 1 9 7 6

ADJOURNED MEETING

WHEREAS, ASSIGNEE ~~(herein)~~ continued to remain in occupation of aforesaid leased premises under aforementioned and incorporated Lease Agreement throughout the entire Lease term, which term officially commenced December 1, 1975, and would terminate November 30, 1978, and

WHEREAS, ASSIGNOR (herein) owes and remains indebted to ASSIGNEE (herein) in the amount of Twenty-Two Thousand Nine Hundred Dollars (\$22,900.00), which amount constitutes the full and complete present rent debt of ASSIGNOR (herein) to ASSIGNEE (herein), and which amount is neither disputed or excepted to in any regard by either of the parties herein and therein under said Lease, and

WHEREAS, while in occupation and utilization of the aforesaid leased premises pursuant to the attached and incorporated Lease Agreement of June 17th, 1975, ASSIGNOR (herein) maintained another Agreement, this latter being dated January 1st, 1975, and being between THE UNIVERSITY OF TENNESSEE, a public educational corporation with its principal office located at Knoxville, Tennessee, acting by and through its Medical Units, Memphis, Tennessee, and SOUTHEAST TENNESSEE AREA HEALTH EDUCATION CENTER ("SETAHEC" within said Agreement of January 1st, 1975, ASSIGNOR herein), a true and accurate copy of same attached hereto and incorporated herein by reference, and

WHEREAS, pursuant to the aforementioned Agreement of January 1st, 1975, ASSIGNOR (herein, "SETAHEC" therein) received, and continues to receive payments as consideration thereunder for services rendered to aforesaid University (for said University's Chattanooga Clinical Education Center), and

WHEREAS, ASSIGNOR vows and declares that it has no other sources of revenue and/or income other than the amounts owing to it from the abovementioned University pursuant to the incorporated Agreement of January 1st, 1975, and

WHEREAS, ASSIGNOR vows and declares that, owing to the lack of revenue and for other reasons, it will cease operation as an active corporation, but ASSIGNOR further declares and vows that, prior to discontinuing active corporate status, it will make every effort

to pay to ASSIGNEE the full and complete amounts of rent

hereinabove stated and mutually agreed upon as being true and accurate as of this present date, and to this end ASSIGNOR agrees with ASSIGNEE as follows:

1. ASSIGNOR hereby assigns, conveys and otherwise transfers any and all of its interest and rights relating to the lawful receipt of any and all amounts which may be, or will be due and owing to it, to the ASSIGNEE, same specifically including any and all amounts maturing or matured, to be owing or presently owed by the University of Tennessee pursuant to the abovementioned and incorporated Agreement dated January 1st, 1975.
2. ASSIGNOR hereby promises that any and all amounts received by it from other sources, whether presently known or unknown, will be held in trust and otherwise preserved for and transferred to the ASSIGNEE and that ASSIGNOR hereby assigns, conveys and otherwise transfers any and all of its interests and rights to any such amounts to the ASSIGNEE.
3. ASSIGNOR hereby agrees to hold any of its books, records, or other documents open and available to the ASSIGNEE or any agent of the ASSIGNEE for purposes of inspection, auditing or other review, and ASSIGNOR will preserve and maintain same until such time as the ASSIGNEE consents otherwise or until such time as the rental amounts owed to ASSIGNEE pursuant to the incorporated Lease Agreement of June 17th, 1975, are paid in full.
4. ASSIGNOR hereby agrees that it will make no claim to, or assert any rights or interests in any accounts, debts, contract rights or other such legal obligations as are hereby assigned, conveyed and otherwise transferred to ASSIGNEE.
5. ASSIGNEE hereby agrees to terminate aforesaid and incorporated Lease Agreement of June 17th, 1975, effective as of July 1, 1976, and shall make no further claim for rent from ASSIGNOR beyond that termination date, providing, of course, that ASSIGNOR completely vacate the premises leased pursuant to the hereinmentioned Lease at such effective date of termination.

ADJOURNED MEETING

This Indenture, Made this 17th day of June, 1975, between Hamilton County, a constitutional corporation within the State of Tennessee, a party of the first part (hereinafter referred to as LESSOR), and South East Tennessee Area Health Education Center, a non-profit corporation organized under the laws of the state of Tennessee, party of the second part (hereinafter referred to as LESSEE):

1. WITNESSETH, that the LESSOR hereby leases to the LESSEE, a portion of that property known as the Chattanooga Hamilton County Health Department Building 921 E. Third Street, Chattanooga, Hamilton County, Tennessee, and more particularly described as being that portion of the fourth floor, west wing of said building which is designated, delineated and set aside by the parties hereto, and containing 8,750 square feet.

2. The term of this lease shall be for a period of four (4) years commencing on the 1st day of December, 1974, and ending on the 30th day of November 1978. LESSOR covenants to keep the LESSEE in quiet possession of the premises during the said term.

3. The LESSOR agrees to maintain fire and other casualty insurance on the building consistent with policies and practices of Hamilton County. The LESSOR agrees to furnish maintenance service and utilities (subject to the provisions of paragraph 8 hereof).

4. Upon the termination of this lease by expiration thereof, the LESSEE will have the option to renew said lease year to year for the assumption of a pro-rate share of any needed renovation. In the event of any such renewal or

extension of this lease, the annual rental rate will be re-evaluated at the option of the LESSOR so as to adequately cover any increased cost to LESSOR in operation, or maintenance or otherwise.

5. The LESSOR hereby agrees to provide reasonable staff parking space to the LESSEE in the vicinity of Third and Palmetto Streets. LESSEE'S visitors may utilize parking space adjacent to the Health Department on an as available basis.

6. The LESSOR will permit the LESSEE to utilize the auditorium and conference room on a reasonable basis subject to the customary scheduling practice of the LESSOR.

7. The LESSEE agrees to furnish personal property insurance, and expressly relieves the LESSOR from any liability to the LESSEE for the LESSEE'S personal property whether or not any loss is the result of LESSOR'S negligence except if any such loss is covered by any valid and collectable insurance insuring the LESSOR therefor.

8. The LESSEE agrees to pay all costs of telephone installation, telephone service, including any charges for changes, relocation, or discontinuance of telephone service in the leased premises.

9. It is further agreed by and between the LESSOR and LESSEE that if at any time during the term of this lease, governmental funds and support to the LESSEE are substantially reduced or discontinued, the LESSEE may cancel this lease by giving 30 days written notice.

10. Upon the termination of this lease by expiration, cancellation or otherwise the LESSEE agrees and covenants with LESSOR to have the leased premises completely

vacated by the ~~31st day~~ following such termination and in the event said premises are not so vacated, the LESSEE shall be liable to LESSOR for additional rents on a pro-rata basis consistent with the rental terms of this lease agreement. The LESSEE further hereby expressly agrees that if said premises are not so vacated following the termination of this lease agreement then the LESSOR shall have the full power and authority without the necessity of applying to any Court to enter upon and to remove from said leased premises all property of any description whatsoever remaining in or upon said leased premises at the expense of the LESSEE, and have any such property stored at any public or private storage facility which LESSOR may choose at the expense of the LESSEE. If said property is not claimed by the LESSEE, its successors or assigns within thirty (30) days following such removal and all removal and or storage charges paid by LESSEE, its successors or assigns then said property may be sold at public or private sale without the necessity of any further notice to LESSEE its successors or assigns to satisfy all such charges.

11. The premises shall not be underlet for the whole, or in part, assigned or transferred, without the written consent of the LESSOR.

12. No demand of rent need at any time be made, on the premises or elsewhere, but it shall be the duty of the LESSEE to pay the same as moneys generally are paid when due, without demand. Failure to pay any installment of rent when due shall, at the option of the LESSOR, forfeit the lease.

13. If this lease should at any time become void or forfeited, no demand shall be necessary to recover possession of the premises.

14. Should the LESSEE continue to occupy premises after the expiration of said term, or after a forfeiture incurred, whether with or against the consent of the LESSOR, such tenancy shall be from month to month, and in no event from year to year. The LESSOR shall have the right at reasonable times to enter upon said leased premises for the purpose of making inspection thereof.

15. The LESSEE shall not undertake any alterations or repairs on the premises without the written consent of the LESSOR. The LESSOR shall not be held liable for the costs of any alterations or repairs made by or for the LESSEE.

16. LESSEE further covenants to return premises to LESSOR at the termination of this lease in as good repair as when received, ordinary wear and tear excluded.

17. WHEREAS THE PARTIES HERETO have, and do hereby agree that the rate of Seven (\$7.00) Dollars per square foot per year is a reasonable and fair market value for the space and service to be provided by LESSOR as hereinbefore provided; and WHEREAS the LESSOR does hereby agree to waive and forgive one-half (1/2) of said reasonable rental rate (\$3.50 per square foot per year) as LESSOR'S contribution and support of SETAHEC so long as this Lease Agreement remains in effect and provided the LESSEE faithfully fulfills all its duties, obligations, covenants and conditions thereof.

18. IN CONSIDERATION WHEREOF, the LESSEE hereby binds itself to pay the LESSOR rent at the rate of \$3.50 per square foot per year. The LESSOR will bill the LESSEE in advance quarterly in January, April, July and October of each year, and payment thereof shall be remitted by LESSEE to LESSOR on or before the 20th day following each billing.

IN WITNESS WHEREOF, the parties hereby by their authorized officers have executed this instrument on the day and date shown.

RESOLUTION

NO. 676-34

TITLE A RESOLUTION TO INCREASE JAILERS' FEES AND TO DIRECT THE COUNTY COURT CLERK TO CERTIFY SAME TO APPROPRIATE STATE PERSONNEL.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, pursuant to the provisions of Chapter No. 827 of the Public Acts of the General Assembly of the State of Tennessee for the year 1976, this governing body may increase jailers' fees up to five dollars (\$5.00) per day per state prisoner, provided that prisoner records are maintained in a manner acceptable to the Comptroller of the Treasury of the State; and

WHEREAS, the County Auditor has verified that Hamilton County prisoner records are so acceptable, and it is the desire of this Council to fix jailers' fees in accordance with said Chapter No. 827 of the Public Acts of 1976.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the jailers' fees are hereby increased to five Dollars (\$5.00) per prisoner per day for each twenty-four (24) hour period a prisoner is confined in the County Jail facilities, effective July 1, 1976; and

BE IT FURTHER RESOLVED, that the Hamilton County Court Clerk, the honorable William F. Knowles, transmit a certified copy of this Resolution to the Judicial Cost Accountant of the State of Tennessee, 1510 Andrew Jackson State Office Building, Nashville, Tennessee, 37219, as required by the provisions of Section 8-2508, Tennessee Code Annotated.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the Public Welfare requiring it.

SUBJECT: Jailers' Fees

DATE: June 21, 1976

Chapter 827 of the Public Acts of the General Assembly of 1976 amended Sections 8-2507 and 8-2508, Tennessee Code Annotated, relative to county jailers' fees.

Quarterly county courts are required by Section 8-2507, Tennessee Code Annotated, to establish the jailers' fees within each county. Pursuant to Chapter 827, Public Acts of 1976, jailers' fees may be legally fixed at a minimum rate of three dollars (\$3.00) per prisoner per day and a maximum rate of five dollars (\$5.00) per day. The effective date of this legislation is July 1, 1976.

Since Section 8-2507, Tennessee Code Annotated requires the county court to pass a resolution to establish the jailers' fees in each county, this is to advise that you, as County Fiscal Agent, should present to the July term of the Quarterly County Court an appropriate resolution to comply with the above noted statute.

A rate in excess of three dollars (\$3.00) may be established only in those counties where prisoner records meet minimum standards of the Comptroller of the Treasury. In the event your county establishes a rate in excess of three dollars (\$3.00) and there is not currently on file with the Comptroller of the Treasury a statement showing that your Sheriff's records have been approved, an examination will be made by personnel of the Comptroller's office to determine compliance with the minimum standards.

I am enclosing a copy of the minimum standards of the Comptroller of the Treasury and a sample resolution that may be used by your Quarterly County Court to establish jailers' fees. If you have any questions concerning this matter, please feel free to contact this office or Mr. E. B. Arnold, Jr., Judicial Cost Accountant, 1510 Andrew Jackson State Office Building, Nashville, Tennessee, 37219, Phone (615) 741-2475.

(Judge Moore stated that the bid of Scott Laboratories was lower than Eastman, but there was no familiarity with Scott equipment. Purchasing and the microfilming department agreed to try the equipment if Scott could provide it for evaluation, which Scott agreed to do. The money that would be used to purchase the equipment is a federal grant which terminates on July 27th, and Scott found that they could not produce the equipment for a trial within the prescribed time. For that reason Judge Moore said purchasing felt the Eastman bid should be accepted.)

COUNTY OF HAMILTON, TENNESSEE

FISCAL YEAR

1976 - 1977

J U N E T E R M 1 9 7 6

ADJOURNED MEETING

June 29, 1976

Honorable Don Moore, Chairman
and
Members of the Hamilton County Council
Chattanooga, Tennessee

Re: 1976-1977 Budget

Dear Sirs:

I submit herewith the proposed Budget for the fiscal year ending June 30, 1977.

Needs of education as presented by the County School Board and discussions with the City of Chattanooga will require that the tax rate be changed by adding 55¢ per \$100.00 of assessed valuation to the General Purpose School Fund levy. An addition of 20¢ per \$100.00 of assessed valuation to the County General Fund levy (to replace the 10¢ reduction made three years ago which required the use of fund balances and Revenue Sharing Funds in the operating budget, and an additional 10¢ to meet the fiscal results of inflation of the last two years) will make the new levies \$2.20 for the School Fund and 95¢ for the County General Fund.

The total County levy on property inside the City of Chattanooga will be \$3.71, inside other municipalities \$3.95 and outside all municipalities \$4.00 per \$100.00 of assessed valuation.

This Budget is submitted for your consideration.

Respectfully submitted,

Coy C. Browder
Director of Accounts

ON MOTION of Judge Moore, seconded by Councilman Ricketts, the foregoing Resolution was Adopted on a Roll Call vote, with the following members of the County Council being present and voting as follows: Councilman Fuller, "Aye"; Councilman Long, "Nay"; Councilman Mayfield, "Aye"; Councilman Ricketts, "Aye"; and Judge Moore, "Aye". Total "Aye" votes-4. Total "Nay" votes-1.

* * * * *

(Judge Moore read the attached statement concerning the budget and the tax increase. (See attached statement.)

Judge Moore demonstrated using charts (see attached charts) how the tax dollar is divided; i.e., what percentages come from each source and what percentages go to each part of the County Government. Judge Moore pointed out that 62.83% of the total tax dollar will now go to education, and remarked that this is almost 2/3 of the total tax dollar.)

BUDGET STATEMENT

BY

JUDGE DON MOORE

SLIGHTLY OVER ONE YEAR AGO, DURING THE HEIGHTH OF THE RECESSION, THIS COUNCIL ADOPTED A HOLD-THE-LINE BUDGET USING AVAILABLE FUND BALANCES AND FEDERAL REVENUE SHARING TO MEET THE INFLATIONARY RESULTS OF UNPRECEDENTED PRICE INCREASES. AT THAT TIME, WE ANNOUNCED WE WOULD BE FACING A SUBSTANTIAL PROPERTY TAX INCREASE IN THE 1976-1977 BUDGET.

AS YOU KNOW, EDUCATION IN HAMILTON COUNTY ALMOST IMMEDIATELY DEMANDED A PUBLIC HEARING, WHICH THE COUNCIL GRANTED.

SINCE THAT TIME NUMEROUS OTHER AGENCIES HAVE, FROM TIME TO TIME, PRESENTED THEIR BUDGETARY NEEDS TO THE COUNCIL, ENDING IN THE BUDGET HEARINGS THE THIRD WEEK IN JUNE. ALL OF THESE VARIOUS AGENCIES (INCLUDING REPRESENTATIVES OF BOTH THE CITY AND COUNTY SCHOOL SYSTEMS, JUVENILE COURT, THE LIBRARY, ERLANGER, THE HEALTH DEPARTMENT, BONNY OAKS, THE CHAMBLISS CHILDREN'S HOME, THE PSYCHIATRIC CLINIC AND THE JOSEPH JOHNSON MENTAL HEALTH CENTER) HAVE PRESENTED A PICTURE OF GREATER MONEY NEEDS.

THE ENTIRE COUNTY COUNCIL RECOGNIZES THAT OUR JOB IS TO DO JUSTICE TO THE VARIOUS NEEDS OF OUR CITIZENS FOR ESSENTIAL PUBLIC SERVICES, THE NEEDS OF OUR AGENCIES FOR ADEQUATE FUNDING, THE NEEDS OF OUR EMPLOYEES (INCLUDING TEACHERS) FOR ADEQUATE SALARY LEVELS, AND THE ABILITIES OF OUR TAXPAYERS TO PROVIDE AN APPROPRIATE FUNDING LEVEL.

BECAUSE WE ARE AN ELECTED BODY, DIRECTLY RESPONSIBLE TO THE PEOPLE WE SERVE (AND NOT SOME ARBITRARILY SELECTED BOARD ISOLATED FROM THE LIVING MAIN STREAM OF OUR SOCIETY), YOU KNOW WE

J U N E T E R M 1 9 7 6

ADJOURNED MEETING

PAGE 2

MUST ATTEMPT TO DO JUSTICE TO THE NEED FOR SERVICES MEASURED AGAINST THE ABILITY OF THE COMMUNITY TO PROVIDE THE MONEY TO PAY FOR THOSE SERVICES. THIS YEAR, PERHAPS MORE THAN MOST, WE ARE VERY CONSCIOUS OF THAT ESSENTIAL PRINCIPLE OF OUR DEMOCRACY.

I BELIEVE THAT YOU WILL SEE THAT THIS YEAR WE HAVE ONCE AGAIN ACTED ON THAT PRINCIPLE. FOR INSTANCE, THE BEST KNOWN DEMAND ON OUR TAX DOLLAR FOR THE COMING YEAR IS THAT OF OUR SCHOOL TEACHERS FOR HIGHER SALARY LEVELS. WITH THE BUDGET WE HAVE PROPOSED, THAT NEED CAN BE MET. LET ME REPEAT: WITH THE BUDGET WE HAVE PROPOSED, IT WILL BE POSSIBLE FOR THE BOARD OF EDUCATION TO GRANT THE TEACHERS OF HAMILTON COUNTY THE STATE-INITIATED 9 PERCENT PAY INCREASE, AS WELL AS PROVIDING FOR NECESSARY PERSONNEL AND BENEFITS FOR THE MANY OTHERS: FROM THE LIBRARY, THE HEALTH DEPARTMENT, ERLANGER HOSPITAL, BONNY OAKS SCHOOL, AND THE 80 ODD OTHER AGENCIES WE SUPPORT IN WHOLE OR IN PART.

AS YOU KNOW, AT THE CONCLUSION OF OUR BUDGET HEARINGS ALMOST TWO WEEKS AGO, OUR BUDGET DIRECTOR ESTIMATED THAT TO MEET COMPLETELY ALL THE REQUESTS FOR FUNDING WE WOULD HAVE TO RAISE THE PROPERTY TAX RATE BY \$1.50 PER HUNDRED OF EVALUATION. FOR COUNTY TAXPAYERS LIVING WITHIN THE CITY LIMITS OF CHATTANOOGA, THAT WOULD MEAN AN INCREASE OF BETTER THAN 50 PERCENT. SUCH AN INCREASE, EVEN AFTER SEVERAL YEARS OF NO TAX INCREASE, COULD HARDLY BE CALLED JUST. AFTER CAREFUL AND EXTENSIVE EVALUATION OF THE BUDGET REQUESTS, WE HAVE TRIMMED THE TOTAL COUNTY BUDGET TO THE POINT WHERE WE WILL NEED NOT A \$1.50 INCREASE, BUT ONLY HALF OF THAT, OR A 75 CENT INCREASE IN THE TAX RATE.

MORE THAN TWO-THIRDS OF THAT INCREASE WILL GO TO FUND EDUCATION IN THE CITY AND COUNTY SCHOOL SYSTEMS. WE HAVE PROPOSED

J U N E T E R M 1 9 7 6

ADJOURNED MEETING

PAGE 3

THAT THE SCHOOL FUND TAX RATE BE INCREASED BY 55 CENTS, FROM \$1.65 TO \$2.20 PER HUNDRED. SINCE THE MAJORITY OF OUR INDIVIDUAL TAX-PAYERS LIVE WITHIN THE CITY LIMITS OF CHATTANOOGA, THEY SHOULD KNOW THAT THIS 55 CENTS IS APPROXIMATELY EQUIVALENT TO THE AMOUNT THEY PAY IN CITY PROPERTY TAXES TO SUPPLEMENT THE AMOUNT REQUIRED BY LAW TO BE FUNDED BY THE CITY OF CHATTANOOGA FOR THE CITY SCHOOL SYSTEM OVER AND ABOVE WHAT THE CITY SYSTEM ALREADY RECEIVES FROM COUNTY GOVERNMENT. WITH THIS INCREASE IN THE COUNTY SCHOOL FUND TAX RATE, EDUCATION IN HAMILTON COUNTY WILL NOW RECEIVE ABOUT 62 PERCENT OF OUR TOTAL COUNTY BUDGET. THE REMAINING 20 CENTS OF THE TAX INCREASE WILL GO TO THE COUNTY GENERAL FUND, WHICH SUPPORTS 80 PLUS COUNTY AGENCIES ON 38% OF THE COUNTY BUDGET. TEN CENTS OF THAT INCREASE WILL REPLACE THE DIME REDUCTION MADE THREE YEARS AGO WHICH RESULTED IN OUR HAVING TO USE FUND BALANCES AND FEDERAL REVENUE SHARING FUNDS IN THE OPERATING BUDGET. THE OTHER 10 CENTS WILL BE USED TO HELP OFFSET THE EFFECTS OF INFLATION OVER THE LAST TWO YEARS.

I BELIEVE THAT THIS BUDGET EXPRESSES A RECENTLY ARTICULATED, BUT LONG HELD, ATTITUDE IN THIS COUNTY AND IN THIS NATION. IT IS AN AWAKENING TO THE HARD, BUT FRUITFUL REALITY OF THIS WORLD, WHERE NOTHING VALUABLE COMES WITHOUT HARD WORK, WHERE NOTHING VALUABLE COMES WITHOUT COST. SUCH AN ATTITUDE RECOGNIZES THAT IF SOME ONE OR SOME GROUP GETS ABSOLUTELY EVERYTHING HE WANTS, SOMEONE ELSE MUST LOSE JUST AS ABSOLUTELY. THAT KIND OF BRUTE SELF-CENTEREDNESS IS THE VERY OPPOSITE OF A MATURE CIVILIZATION. TO BORROW AN EXAMPLE USED THE OTHER EVENING BY GOVERNOR BROWN OF CALIFORNIA, THE BODY POLITIC CAN NO LONGER AFFORD THE UNHEALTHY NARROW SELF-INTEREST OF, FOR INSTANCE, HEALTH AGENCIES AND PUBLIC HOSPITALS THAT DEMAND THE MOST EXPENSIVE AND SOPHISTICATED EQUIPMENT, NO MATTER HOW LITTLE IT MIGHT

J U N E T E R M 1 9 7 6

ADJOURNED MEETING

PAGE 4

BE USED, NO MATTER HOW MUCH IT MIGHT COST THE PEOPLE IN PUBLIC FUNDS. WE MUST TEMPER OUR ASPIRATIONS, OUR HOPES, AND NEEDS TO THE FINITE FISCAL MEANS WE HAVE OF FULFILLING THEM. I BELIEVE THIS BUDGET, FORMED OUT OF THE CRUCIBLE OF THIS PUBLIC INSTITUTION, YOUR COUNTY COUNCIL, DOES EXACTLY THAT. I BELIEVE WE HAVE TEMPERED THE DESIRES OF THE VARIOUS COUNTY AGENCIES TO THE MEANS WE HAVE OF FULFILLING THEM.

Mr. Jim Booth of the HCEA asked if they were to assume that they would not get a chance to speak. Judge Moore told Mr. Booth that they had had ample opportunities to speak, at previous Council meetings and at the budget hearings, and that he had not anticipated that there would be any public statements at this meeting.

Mr. Booth pointed out that last year they were granted the privilege of making a statement at the meeting held at the Tivoli. Judge Moore said that this year they had had ample opportunities to be heard, but that last year they said they (the HCEA) had not.

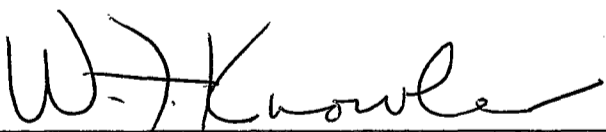

Mr. Booth asked Judge Moore if this was typical of his attitude toward education. (There was much applause from the assembled teachers following this remark and the teachers stood.)

Judge Moore told Mr. Booth that if this was typical of his attitude there would not have been proposals for a tax increase which was opposed by 90% of this community.

John Henderson, president of HCEA, said that they would have a statement to make later.

ON MOTION of Judge Moore, seconded by Councilman Ricketts, to Adjourn. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Total absent-0.

NO. 776-3

TITLE REZONING FROM URBAN RESIDENTIAL DISTRICT TO LOCAL BUSINESS DISTRICT A TRACT OF LAND LOCATED AT 10 LOWER CRAVENS TERRACE, BEING BETWEEN THE WESTERN AND EASTERN END OF LOWER CRAVENS TERRACE. THIS TRACT BEINGS AT A POINT IN THE EAST LINE OF LOWER CRAVENS TERRACE, SAID POINT BEING 130' SOUTHEAST OF SCENIC HIGHWAY, FRONTS 277' ON THE EAST LINE OF LOWER CRAVENS TERRACE AND EXTENDS NORTHEAST 210', THENCE NORTHWEST 45', THENCE NORTHEAST 75', THENCE NORTHEAST 106' TO LOWER CRAVENS TERRACE, THENCE SOUTHEAST AND NORTHEAST, ALONG THE SOUTH WEST LINE OF LOWER CRAVENS TERRACE, NOT OPEN, 196', THENCE SOUTHWEST 206.2', THENCE NORTHEAST 219' TO LOWER CRAVENS TERRACE, THE POINT OF BEGINNING.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Alvin E. Todd, Jr., petitioned The Chattanooga-Hamilton County Planning Commission to rezone a tract of land located at 10 Lower Cravens Terrace, and said Planning Commission after hearing recommended that said petition be denied; and

WHEREAS, Alvin E. Todd, Jr., requested that the County Council consider said petition and notice has been published in a newspaper in general circulation in Hamilton County that the County Council would hold a public hearing on July 7, 1976, concerning the passage of this Resolution as required by law, and such hearing having been held.

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE, IN SESSION ASSEMBLED: That the petition to rezone from Urban Residential District to Local Business District a tract of land located at 10 Lower Cravens Terrace, being between the western and eastern end of Lower Cravens Terrace. Mr. Todd was present. Several persons stood in opposition to the rezoning.

The planning Commission showed slides of the area, showing where the Todd property was located and pointing out where Ruby Falls, the Belmont Club, etc., were located.

Mr. Todd pointed out the predominance of commercial property surrounding his property. Mr. Todd said that within a half mile radius it was very heavily commercial. He said that one objection had been that there was bad ingress and egress. He stated that the entrance had been bad but was much better now that it had been re-done. Mr. Todd said that he had gotten with the State and with Engineer Taylor and had also talked with Dalton Roberts and the County Engineer. He said that there was a massive boulder that could not be blasted. He said that the State did help him with the entrance and even though it was steep there was a sign stating this. He said that there had been complaints that the sign was blocking visibility and he had consulted with the State and with the Park Commission about this and it was found that it was the foliage around the sign that was obstructing the view, and after this was cut there was a clear view of the highway. The State recommended hiring a man to direct traffic which Mr. Todd did and this man does give priority to the people who live on Cravens Terrace. Mr. Todd said there are only three property owners and possibly six or seven residences. Mr. Todd said that his original intention was to have a craft display. He said that the house is built in early American fashion and they felt it would be interesting to the public to have a craft exhibit showing hand-made articles. He said that was why they had asked for the commercial zoning. He said that there were about 1500 names of people on their register who have come and gone.

J U L Y T E R M 1 9 7 6

Mr. Todd said that July 4th was a rainy day and they closed the museum that day at great financial loss because they felt it would not be safe for traffic and to show their concern for safety they closed.

Mr. Todd said that he wanted to point out to the Council that they had a unique opportunity, that Todd House is under a court order at this time and the Council could exonerate them from this court action. Mr. Todd said that they have a full hearing to go through and then will have the right to appeal. He said that they had been operating since June 18th and that the museum is free. He said that some of their visitors had signed the petition against them not really knowing what it was. He said that people had been told they were a tourist trap. However, after they had seen the museum they asked that their names be removed from the petition. Mr. Todd said that he would like to know how many of those who signed the petition against them had actually seen the museum.

Councilman Fuller asked Mr. Todd how he managed to get the museum this far along without the proper zoning. Mr. Todd told him that the procedure was to write the Planning Commission and submit deeds to the property. Mr. Todd said that while doing this the Planning Commission told him that it was permissible to have a free museum with urban residential zoning. Mr. Todd said that they had to be chartered and had to choose either a non-profit or a profit charter. Because of the work they had to do on the property they chose the profit charter. Their neighbors took them to Chancery Court and the Judge ruled that with a profit charter they would have to have commercial zoning, but they could also charge admission. Mr. Todd said that they will appeal this, if necessary will go to the Supreme Court.

Judge Moore said that museums are permitted in urban residential zoning if the museum is not a profit making device. If the museum is operated for profit, then it must be commercially zoned. That was the reason for the Chancellor's ruling, since Mr. Todd had applied for a profit charter, then the museum would become a profit-making operation and commercial zoning would be required. General welfare or non-profit institutions are all right in urban residential.

J U L Y T E R M 1 9 7 6

Mr. Todd said that he had talked with Mr. Spears of the Siskin Foundation to get the museum included in that organization. Mr. Spears said that he would recommend this if the museum could prove that it could make \$30,000 a year.

County Attorney Jim Turner asked Mr. Todd if he was not the same gentleman who had called him (Mr. Turner) sometime ago and Mr. Turner told him the same thing the court told him.

Mr. Todd said this was true, that he had called to get Mr. Turner's opinion.

Mr. Turner said that he had told him, a building in a private name and operating for profit would have to get rezoning to commercial zone.

Mr. Todd said that they would probably have gotten a non-profit charter if they had been aware of all of this in time. He said that they did not call Mr. Turner until sometime after they had started all these proceedings. Mr. Turner said, "And when you talked to me you found out you had all these problems."

Judge Moore asked that the delegation opposing the rezoning please stand. Fifteen or twenty people stood. Mr. Robin Hood was representing the residents of Lookout Mountain who were opposing this. Mr. Hood presented copies of the petitions that were presented to the Planning Commission containing 90% of the landowners on the side of Lookout Mountain. Mr. Hood said that Mr. Todd had said that people were hoodwinked into signing the petition. Mr. Hood said that no one had asked to have his name removed from the petitions. He said that all of these people know where he lives and where he works and that he was easy to get in touch with if they wanted to find him. Mr. Hood said that in addition to the signatures of residents in the immediate area they had also obtained the signatures of over 400 residents on the top of Lookout Mountain. Mr. Hood asked if Mr. Todd was not a profit-making concern why had he asked for the zoning change. Also Mr. Hood asked if the museum is free why did he state that they had closed on July 4th at a great economic loss. Mr. Hood said that Chancellor Thrasher did not rule against the museum, did not say that it was commercial, solely on the fact that they have a profit-charter. The

J U L Y T E R M 1 9 7 6

ruling was based on testimony of several witnesses. Mr. Todd had told these people that he was planning to have a restaurant and a craft shop, etc. Concerning the 365 Club Mr. Hood said that he had letters from Mr. Mose (Siskin) and the attorney, Mr. W. D. Spears, and Mr. Spears stated in the letter he saw no satisfactory way to work this out and had advised Mr. Todd of this. In Mr. Todd's application for charter, it states that this is for profit and states the intention to operate a bar, restaurant, craft shop, etc., to make a profit. Mr. Hood asked the Planning Commission to run the slides again. He pointed out that the area is not heavily commercial, that it is mostly residential. Mr. Hood said that the commercial concerns that were there, like Ruby Falls, the Incline Railroad, and the souvenir stand at the railroad, had all been there for years, and for Mr. Todd to say that that makes the area heavily commercial is preposterous. Mr. Hood said that all the families that gave property to the Park Services did not intend to have it used commercially. Mr. Hood said that they had cut down all the trees beside the road. He said also that there is a great deal of traffic on Scenic Highway, people going to Ruby Falls, and a dangerous situation could be created.

Mr. Hood said that for egress the visitors to the museum must come up Cravens Terrace which was planned for ingress to the homes of the residents, Mr. Hood said that the road drops sharply away from the highway. Mr. Hood said that Mr. Fuller asked how Mr. Todd had gotten this far without the proper zoning. He said that the residents of the area were surprised too, that Mr. Todd had told them that he was building a residence and it was not until they got notices from the Planning Commission about the hearing that they had any idea a commercial project was going on. Mr. Hood said that Mr. Todd had previously had apartments in an area not zoned for them. Mr. Hood stated that this whole project came about when Mr. Todd got some beams from the Union Station when it was being demolished and built the house around them. Mr. Hood said he hacked the beams up and stained them to give them an antique appearance. Mr. Hood said that it is an attractive house but that it is fraud. Mr. Hood said that Mr. Todd calls it 1776-1976 Todd House and makes it sound like it has been there with the original contents since 1776. Mr. Hood said that Mrs. Paul Cobble, president of the Houston Museum, said

J U L Y T E R M 1 9 7 6

that it is an interesting project but it is not a museum. Mr. Hood said there were privies with more historical significance.

Mr. Hood introduced Mr. Damon Stegal, who lives across Scenic Highway from the Todd House. Mr. Stegal said that he had asked Mr. Todd what he planned to do with the white house at the end of the driveway. Mr. Todd told Mr. Stegal that he planned to turn it into a restaurant and said that if he got it built and started that it would be against the free enterprise system for the County to turn it down. Mr. Stegal said that he has a new home and likes to sit on his deck but he can't sit out there for the man Mr. Todd hired hollering, "Free, man!"

Mr. Hood said that they felt that the whole side of Lookout Mountain has been a landmark for centuries and that there is a lot of history there. He said if it were possible it would be good for the whole side to be a park. Mr. Hood said that they were concerned about traffic and the natural state of Lookout Mountain.

Mr. Hood introduced Mrs. Charles Hooker, who lives on Lookout Mountain and is the president of the Tennessee Association of Antiquities. Mrs. Hooker said that her objection is three-fold. She said that 1) she agrees with Mr. Hood that it is a fraud; 2) she is concerned over the desecration of Lookout Mountain, that she agrees with Mr. Todd that there is a great deal of commercialism; and 3) those of them on the mountain are concerned about the safety factor.

Mr. Todd asked if he had the opportunity of rebuttal and Judge Moore said that he could.

Mr. Todd said that someone told him before he came before the Council that on a scale of from 1 to 10 his chances were minus 1 and that he appreciated the man telling him this because it seemed to be true. Mr. Todd said that two ladies, one of whom was Mrs. Cobble, came to his home misrepresenting themselves, and were denied entrance. Mr. Todd said that he would continue operating as a free museum and would give the public the opportunity to see crafts. Mr. Todd said that they are a free public museum and their intentions are honorable. He said that 30 pages of signed names in their register do not think it is a fraud. He said that the old beams that were mentioned

J U L Y T E R M 1 9 7 6

were taken from the Union Depot which was built about 1858 and they are over 100 years old. He said that he was the only person to take any note of the fact that an old landmark like this was being torn down, but when the Terminal Station was to be demolished, someone took it over and made a restored area. Mr. Todd said as far as 1776-1976 was concerned some of the artifacts they have are quite old, something over 100 years old, that they have over 200 articles that are very old. Mr. Todd said that they are doing something for the community and they will continue to do it.

RESOLUTION

WHEREAS, Alvin E. Todd, Jr., on March 30, 1976, petitioned the Chattanooga-Hamilton County Regional Planning Commission to recommend to the Judge and Members of the County Council the rezoning from Urban Residential District to Local Business District a tract of land located at 10 Lower Cravens Terrace, being between the western and eastern end of Lower Cravens Terrace.

This tract begins at a point in the east line of Lower Cravens Terrace, said point being 130 feet southeast of Scenic Highway, fronts 277 feet on the east line of Lower Cravens Terrace and extends northeast 210 feet, thence northwest 45 feet, thence northeast 75 feet, thence northeast 106 feet to Lower Cravens Terrace, thence southeast and northeast, along the southwest line of Lower Cravens Terrace, not open, 196 feet, thence southeast 196 feet, thence southwest 190 feet, thence southwest 206.6 feet, thence northeast 219 feet to Lower Cravens Terrace, the point of beginning.

AND WHEREAS, the Planning Commission held a public hearing on this petition on May 10, 1976,

J U L Y T E R M 1 9 7 6

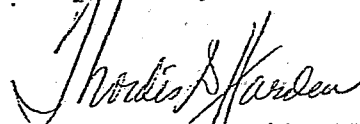

AND WHEREAS, Mr. Robin Hood was present, representing a large group of persons in opposition to the request. Mr. Hood presented a petition of 90% - 95% of the area residents who were opposed to the request. Mr. Hood stated that the proposed museum would not be a cultural institution, but would be merely a commercial venture. Mr. and Mrs. Tucker, of Scenic Highway, were also present in opposition. Mr. Tucker said that Mr. Todd, the applicant,

1976-051

asked him not to side with the opposition. Mrs. Tucker was told by Mr. Todd that he would go ahead with the project even if they were opposed to it. It was also mentioned by the opposition that there is a dangerous curve near the site that would present a traffic hazard.

NOW THEREFORE, BE IT RESOLVED that the Planning Commission, on May 10, 1976, recommended to the Judge and Members of the County Council that this petition be denied.

Attorney Richard Dietzen was present representing Mrs. Ponders. There were 3 people present in opposition to the rezoning.

Attorney Dietzen stated that Mr. and Mrs. Ponders were requesting that their property be rezoned to local business in order to construct a restaurant. Also inside the restaurant they plan to operate a gift shop. The property is located in an area that is largely agricultural, Mr. Dietzen said. The closest business zoning to this property is in Apison, where there is one service station and one grocery store. Other than that, East Brainerd Road at Ooltewah-Ringgold Highway is four miles away, and there are a few stores there. To find a restaurant, one has to go 7 miles to the East Brainerd Shopping Center at Graysville Road, Mr. Dietzen stated. Mr. Dietzen said that the Ponders had made an effort to determine if this restaurant would be well-received and they circulated a petition which has now been signed by 281 people in the area including a majority of the people living on East Brainerd Road, people who have lived in the area a long time; i.e., Bates, Liner, Luke Wilson, another Wilson family, Poe, Leech, Wheeler, and Bartlett, etc. Most of the area adjoining is agricultural, Mr. Dietzen said. He said that most of the people owning the few houses in the immediate area had signed the petition. Mr. Dietzen said they felt that a restaurant would not harm the area since there are many uses for agricultural zoning, including chicken and swine farms. Mr. Dietzen said if one objection was that the restaurant might sell beer, he wanted the Council to know that the Ponders had no intention of selling beer and if the Council wanted to make that a condition of the rezoning the Ponders would certainly agree to this restriction. Mr. Dietzen said that they felt since people are being urged to conserve energy and gasoline, trade centers should be made more accessible to the people, and certainly a restaurant 7 miles away would not be considered accessible. Mr. Dietzen introduced Mr. and Mrs. Ponders and said that the restaurant would be well-operated and would be an asset to the community.

Mr. Christian Cavets appeared in opposition to the rezoning. Mr. Cavets said that he was a disabled war veteran. He said that his wife was a native Tennessean and that he was from California. Mr. Cavets said that he owned

J U L Y T E R M 1 9 7 6

30 acres opposite the Pounders property and is now engaged in building a home of 4000 square feet which will cost \$95,000. Mr. Cavets said that the area is an attractive suburban area and he intends to upgrade the rest of the area in the future with like homes. Mr. Cavets stated that as a property owner and a veteran he felt that he had the right to speak up, even though he had been threatened about appearing. He said that the Pounders had a petition signed by people in the area and he felt that many of them had signed simply to be agreeable to an attractive lady (Mrs. Pounders). He said if they had given the matter some thought many of them would decide that the area should not become commercial. Mr. Cavets said that he had lived in New York and that he moved to California to get away from the filth, but after 27 years out there they again found themselves in the middle of dirt and smog. Mr. Cavets said that they had traveled extensively over Europe and he felt that there was no place more beautiful than Chattanooga, that the natural scenery is unmatched anywhere and nature is Chattanooga's greatest asset. He said that we were blessed with rural beauty and he was proud to live in a clean area. Mr. Cavets said that we are all fellow voyagers on the space ship earth and we should use the land wisely while here; we are merely trustees of the land for the next generation. We should preserve the land for future generations and to do otherwise is the height of selfishness, Mr. Cavets said, that we have abused this earth and we are now faced with shortages. Mr. Cavets said if we drop our guard for a minute we have started toward conditions that plague our cities, it creeps in with small commercial ventures. Mr. Cavets said that this is a perfect example of spot zoning. Mr. Cavets said that the Pounders were planning a restaurant, but he doubted if they had the training. Mr. Cavets said that he had spent 40 years in the food business before retiring, that he had run the commissary at Samuel Goldwin's Studio, and had also run several restaurants. Mr. Cavets said that he had made a study of the possibility of a restaurant being able to function and prosper in this area. Mr. Cavets said that he had done the same sort of thing for Denny's Restaurant. He said the results of his study were negative, that you need transient trade to operate a successful restaurant and since East Brainerd Road dead-ends 1 mile up the road, there is no transient trade.

J U L Y T E R M 1 9 7 6

Mr. Cavets said that the small population of Apison is not enough to sustain this business. He added that the town of Collegedale is three miles away but the people of Collegedale will not patronize any restaurant that serves meat, coffee, and colas. Mr. Cavets said that in spite of Mr. Dietzen's denial of this, beer and liquor would eventually be brought in because the restaurant would not be able to make a profit just on food. Mr. Cavets said that Ryall Springs is 7 miles toward town and there have been several small businesses open for short periods of time and then close. Rural areas suffer from this type of empty, boarded-up buildings and the area lends itself better to homes. He said that in order to preserve and contribute to ecology, it is better to let the business stay in areas already zoned. Mr. Cavets said this is only a small matter in a small corner of our world, but it is "our corner," and if everyone took care of our particular corner, then the world would be in better shape.

Mr. Dietzen questioned Mr. Cavets' statement that he was a disabled war veteran since he also stated that he had put in 40 years in the food industry.

Mr. Cavets said that being disabled had not stopped him from working.

Mr. Dietzen mentioned that the Cavets have several large dogs and monkeys, etc. He said that the Pounders felt that the restaurant would be helpful to the community and that most of what Mr. Cavets was talking about did not have anything to do with the fact that people, even rural people, have to eat like everybody else.

RESOLUTION

WHEREAS, Ruth A. Pounders, on April 15, 1976, petitioned the Chattanooga-Hamilton County Regional Planning Commission to recommend to the Judge and Members of the County Council the rezoning from Agricultural District to Local Business District a tract of land located in the 10800 Block of East Brainerd Road, being on the west line of East Brainerd Road between Camp Road and Prospect Church Road.

This tract begins at a point in the west line of East Brainerd Road, said point being some 1250 feet north of Camp Road, said point also being 100 feet north of the Pounders south property line, fronts 80 feet on the west line of East Brainerd Road and extends northwest, between parallel lines, 120 feet, being part of the C. D. Smith Estate.

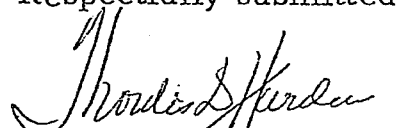

AND WHEREAS, the Planning Commission held a public hearing on this petition on May 10, 1976,

AND WHEREAS, present in opposition was Christian Cavets, who owns 35 acres directly opposite the site and another 30 acres on the same side of the road. He said the reason he was building in the area was because of the good environment and was opposed to any type of business in the area. He also said there were not enough people in the area to support a restaurant. A Mr. Rhinehart, who owns property south of the site, said that once spot zoning starts, there will be no stopping it. Also present in opposition was Esther Moore.

1976-069

NOW THEREFORE, BE IT RESOLVED that the Planning Commission, on May 10, 1976, recommended to the Judge and Members of the County Council that this petition be denied.

Respectfully submitted,

NO. 776-8

TITLE TO ESTABLISH A POLICY FOR DISPOSITION OF SURPLUS COUNTY OWNED PERSONAL PROPERTY.

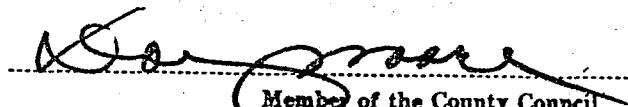

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the following policy is established for the disposition of surplus county owned personal property:

1. The head of any county department will submit to the County Director of Purchasing a form in triplicate outlining the appropriate description on any item that he considers surplus.
2. The Purchasing Director will determine if the property can be used by any other county department, and if so inform the other department head of its availability.
3. The Purchasing Director will send one copy of the disposition form to the Fixed Assets clerk for proper release from records, and one copy to the County Auditor.
4. The Purchasing Director will have all surplus property brought to one central location.
5. The Purchasing Director will separate surplus property into salable items and scrap items.
6. Scrap items may be sold to recognized scrap dealers at the best price available by phone.
7. Public notice will be posted of proposed sale of salable items, noting the place and date of sale.
8. Special notice may be given people or companies that the Purchasing Director may believe to be specially interested in any particular surplus items when higher dollar value items are for sale.
9. Any donations of surplus property to non-profit organizations must have County Council approval.
10. County employees will not be allowed to purchase surplus equipment.

BE IT RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it, and that all prior Resolutions in conflict herewith are hereby repealed.

KNOW ALL MEN BY THESE PRESENTS, That the undersigned, County of Hamilton,
one of the counties of the State of Tennessee

hereinafter called Grantor, for and in consideration of the sum of \$1.00 paid by the Electric Power Board of Chattanooga, herein called Board, acting for and on behalf of the City of Chattanooga, Tennessee, receipt of which is hereby acknowledged, and other considerations, do grant, sell and convey unto the City of Chattanooga, Tennessee, its successors and assigns, the perpetual right, privilege and easement to enter and to install, maintain, repair, rebuild, operate and inspect the underground and overhead electrical distribution system consisting of riser poles, duct lines, handholes, manholes, cable, wire, transformer pads, transformers, switches, fuses, anchors and guy wires, and other appurtenances (herein called installations), for the general underground and overhead transmission and distribution of electric current, together with reasonable rights of ingress and egress thereto as the Board may from time to time require upon and across the property owned by the Grantor, located in Hamilton County, Tennessee, and more particularly described as follows to wit:

A tract of land lying south of East Third Street and being the property described by deed of record in Deed Book 2040, Page 117, in the Register's Office of Hamilton County, Tennessee.

The easement, 16 feet in width, shall extend south of, along and parallel to the south ROW line of East Third Street as shown on a print of the Board's drawing dated May 12, 1976 attached hereto and made a part hereof.

This is not a conveyance of the fee in said land, but only the rights, privileges and easements herein set forth. This conveyance covers the underground and overhead electrical system as actually installed even though it may be at a reasonable variance with the plan attached hereto. The Grantor may continue to use the property in any way or for any purpose that will not interfere with the safe and reasonable operation and maintenance of the installations to be made by the Board upon or across the said land. However, the Grantor, his successors and assigns may not, without written consent from the Board, erect or allow to be erected any type building, sign or other structure upon or over the installations. This does not preclude the Grantor from construction of paved parking, curbs, sidewalks, or landscaping over any of these areas.

Should the Grantor require relocation of the said installations because of future developments, they may be moved to a mutually satisfactory location at the Grantor's expense, provided it is sound and feasible from an engineering viewpoint, and with a recordable instrument describing said relocation.

The Board agrees that in the exercise of the rights and privileges of this easement, it will not interfere unnecessarily or unreasonably with the normal flow of traffic on the premises of the Grantor and will replace any surface disturbed by it, in as good a condition as it was at the time of disturbance. However, the Board reserves the right to place or replace any of the said installations at any time it may desire.

The Grantor agrees that the sum paid shall cover all reasonable damages to the fee property incident to the entry, construction and maintenance of said installations, and said sum is in full satisfaction and settlement of all claims for damages incident thereto.

KNOW ALL MEN BY THESE PRESENTS, That the undersigned, Title Guarantee and

Trust Company, Trustee

hereinafter called Grantor, for and in consideration of the sum of \$1.00 paid by the Electric Power Board of Chattanooga, herein called Board, acting for and on behalf of the City of Chattanooga, Tennessee, receipt of which is hereby acknowledged, and other considerations, do grant, sell and convey unto the City of Chattanooga, Tennessee, its successors and assigns, the perpetual right, privilege and easement to enter and to install, maintain, repair, rebuild, operate and inspect the underground electrical distribution system consisting of riser poles, duct lines, handholes, manholes, cable, wire, transformer pads, transformers, switches, fuses and other appurtenances (herein called installations), for the general underground transmission and distribution of electric current, together with reasonable rights of ingress and egress thereto as the Board may from time to time require upon and across the property owned by the Grantor, located in Hamilton County, Tennessee, and more particularly described as follows to-wit:

A tract of land lying south of East Third Street

and being the property described

by deed of record in Deed Book 1953, Page 48, in the Register's Office of
& Deed Book 2038, Page 99,
Hamilton County, Tennessee.

The easement shall extend along and parallel south of to the south ROW line of East Third Street

~~the installations~~ as shown on a print of the Board's drawing dated May 12, 1976

attached hereto and made a part hereof.

This is not a conveyance of the fee in said land, but only the rights, privileges and easements herein set forth. This conveyance covers the underground electrical system as actually installed even though it may be at a reasonable variance with the plan attached hereto. The Grantor may continue to use the property in any way or for any purpose that will not interfere with the safe and reasonable operation and maintenance of the installations to be made by the Board upon or across the said land. However, the Grantor, his successors and assigns may not, without written consent from the Board, erect or allow to be erected any type building, sign or other structure upon or over the installations. This does not preclude the Grantor from construction of paved parking, curbs, sidewalks, or landscaping over any of these areas.

Should the Grantor require relocation of the said installations because of future developments, they may be moved to a mutually satisfactory location at the Grantor's expense, provided it is sound and feasible from an engineering viewpoint, and with a recordable instrument describing said relocation.

The Board agrees that in the exercise of the rights and privileges of this easement, it will not interfere unnecessarily or unreasonably with the normal flow of traffic on the premises of the Grantor and will replace any surface disturbed by it, in as good a condition as it was at the time of disturbance. However, the Board reserves the right to place or replace any of the said installations at any time it may desire.

The Grantor agrees that the sum paid shall cover all reasonable damages to the fee property incident to the entry, construction and maintenance of said installations, and said sum is in full satisfaction and settlement of all claims for damages incident thereto.

Judge Moore asked if there were any delegations to appear before the Council.

Mrs. Ray A. (Mildred) Wilson, of Roy Lane near Georgetown Road, said that she was appearing before the Council in hopes that she could get some help from them. She said that Roy Lane used to be kept up but since houses were built near them four years ago it has not been kept up and according to the people she called, the road had been taken off the record. Mrs. Wilson said that the road is only .2 or .3 of a mile long but it also serves the Larsons and the Spencers. She said that the tile had carried the water off until these other houses were built but now the tile is not of sufficient size to adequately take care of the water and that last Sunday the water was four (4) feet over the road and flooded their corn field and their basement. Mrs. Wilson said that when the Stones built their home, they diverted water from Blueberry Lane onto the Wilsons. Mrs. Wilson said that they had been advised to come before the Council to get help, and hoped that they would be able to get Roy Lane back on the records so that it would be kept up. Mrs. Wilson read a statement from Roger Larson, who lives on Roy Lane, in which Mr. Larson stated that the County right-of-way is the only access to his property and asked that it be maintained. Mrs. Wilson said that her other neighbor, Mr. Spencer, had intended to come to the Council meeting but was not able to be present. Mrs. Wilson asked Judge Moore if he and the Council had any advice.

Judge Moore told Mrs. Wilson that this was apparently a private road and that in the past the County would sometimes take care of them but now a law prevents their doing this, that there is a law against the use of County machinery on private property.

Mrs. Wilson said that they had been told by "three or four men" that it was wrong for these people to divert water onto the Wilson's property and she wondered if tiles could be put in for these houses on Blueberry Lane.

Judge Moore said that this might not help the problem "downstream" and he told Mrs. Wilson that the proper thing for her to do would be to take action against the adjoining property owners, that County government really

J U L Y T E R M 1 9 7 6

would not have anything to do with the water problem. Judge Moore said however that the Council could refer it to the County Engineer and get his recommendations and suggestions to improve the situation. Judge Moore asked the Council members if there were any objections to his doing this. Councilman Fuller said he thought it would be a good idea to get the suggestions of the County Engineer.

Mrs. Wilson asked if Judge Moore thought there was a possibility of getting the road put on record.

Judge Moore explained to Mrs. Wilson that in order to do this the road would first have to be brought up to County standards before the County could accept it. He told her that this would include plant mix, etc. Judge Moore stated that the County no longer has any dirt roads, that it was a problem keeping these up since they had to be graded every year, so now they are oiling and graveling the roads not already done as rapidly as possible in order to reduce the cost of upkeep each year. They feel that this will save money in the long run, Judge Moore stated, since oiling and graveling is cheaper than grading every year. Judge Moore told Mrs. Wilson that the County Engineer would check to see if her road could be accepted under County standards.

Mrs. Wilson said that she really didn't want to make so much commotion, that she would probably have to move out of the neighborhood if she took any action against the people whose water is flooding them.

Councilman Fuller told Mrs. Wilson that the builder of those houses would probably be the one responsible. County Attorney Turner told Mrs. Wilson that the ones who had caused this problem would be liable for damages. Mrs. Wilson told the Council that she appreciated their listening to her.

Judge Moore said that the Council was departing from its usual order of business in order to recognize someone whose headquarters has been around Main and Market but whose influence has been felt throughout the entire community by hundreds and hundreds of youth. Judge Moore said that Abe Zarzour has decided that it is time for him to retire and that he was honored by the City of Chattanooga for his activities on behalf of the many young people he has helped over the years and was made a Distinguished Citizen of Chattanooga. Judge Moore asked Mr. Zarzour to come forward and presented him an award as a Member of the Order of Tennessee Squires. Judge Moore told Mr. Zarzour that we were not looking forward to Mr. Zarzour's retirement from Main and Market and hoped to have continued activities with him.

Mr. Zarzour thanked Judge Moore and all the gentlemen of the Council for this honor.

Councilman Fuller said that he didn't think he had publicly ever stated that Mr. Zarzour was his father-in-law, although most people do know this. He said that sometimes in-laws don't get along too well, but he wanted to say that he loves Abe Zarzour as a man and is proud to be his son-in-law. Mr. Zarzour said that Councilman Fuller is the best son-in-law in the world.

RESOLUTION

NO. 776-13

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO EXECUTE AN ATTACHED AND INCORPORATED WARRANTY DEED WITH THE STATE OF TENNESSEE SO AS TO PROVIDE FOR THE OPERATION OF A HEALTH FACILITIES BUILDING, SAME FORMERLY BEING THE TUBERCULOSIS HOSPITAL.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Hamilton County and the City of Chattanooga, by conveyance made to the State of Tennessee on December 29, 1949, transferred certain real property to said State for the purpose of having said State construct and operate a hospital thereon; and

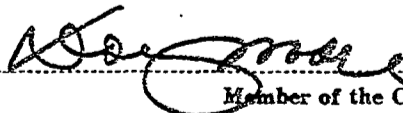

WHEREAS, pursuant thereto, a hospital was constructed and operated for the primary purpose of treating patients afflicted by the disease of tuberculosis; and

WHEREAS, in recent years, due to the successful local, state and national efforts for such aforementioned disease treatment, said hospital ceased to be utilized for hospital purposes and, pursuant to reversionary provisions within the conveyance abovesaid, title to said property will revert to said County and City; and

WHEREAS, said State seeks to continue to utilize the former hospital for health-related purposes and, towards this end, desires to make renovations and other improvements therein, yet requires a new conveyance in order to make such alterations and provide health-related services for the residents of Hamilton County, Tennessee, as well as other residents of surrounding Tennessee counties, with the stipulation that should such facility ever be used for other than health-related governmental purposes by the State of Tennessee, title thereto shall forthwith revert to Grantors.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL IN SESSION ASSEMBLED: That the County Judge is hereby authorized to execute a Warranty Deed, a copy of which is attached hereto and incorporated herein by reference, for the purposes hereinabove set forth.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

WARRANTY DEED

FOR AND IN CONSIDERATION of One Dollar cash in hand paid, receipt of which is hereby acknowledged, and other valuable consideration, to-wit: The operation by the Grantee herein of a Health Facilities Building on the hereinafter described real estate, THE CITY OF CHATTANOOGA, TENNESSEE, a Municipal Corporation, and HAMILTON COUNTY, TENNESSEE one of the Counties of the State of Tennessee, do hereby sell, transfer and convey unto the STATE OF TENNESSEE the following described real estate in the City of Chattanooga, Hamilton County, Tennessee, to-wit:

I. Tract One (1): Lots Five (5) and Six (6), Block E, Engleside Subdivision, as shown by plat recorded in Plat Book 9, Page 41, of the Register's Office of Hamilton County, Tennessee. According to said Plat said lots form one tract of ground fronting one hundred seventeen and 6/10 (117.6) feet on the east line of Chamberlain Avenue and extending back eastwardly, between parallel lines, and along the southern line of Sylvan Street one hundred thirty-five (135) feet. EXCEPT that part of said lot Six (6) used in rounding the corner of Sylvan Street and Chamberlain Avenue.

Tract Two (2): Lots Seven (7), Eight (8), Nine (9), Ten (10), Eleven (11), Twelve (12), Thirteen (13), Fourteen (14), Fifteen (15), Sixteen (16), Seventeen (17), Eighteen (18), Nineteen (19), Twenty (20), Twenty-One (21), Twenty-Two (22), and Twenty-Three (23), Block E, Engleside Subdivision, as shown by Plat recorded in Plat Book 9, Page 41, of the Register's Office of Hamilton County, Tennessee.

II. Being a part of the west twenty (20) acres of the southwest corner of the northwest quarter of Section Twenty-Three (23), Township Two (2), Range four (4), West of the Basis Line, Ocoee District, and more particularly described as follows: BEGINNING on the west line on twenty (20) acre tract at a point which is intersected by producing the north line of Milne Street, (formerly Robbins Street); thence eastwardly along the north line of said street, if produced or extended, a distance of one hundred sixty (160) feet; thence northwardly at right angles seventy-five (75) feet; thence westwardly at right angles one hundred sixty (160) feet to the west line of said twenty (20) acre tract; thence southwardly at right angles seventy-five (75) feet to the point of beginning, and being the same property conveyed to W. B. McBroom and wife, Grace W. McBroom, by two deeds, one from Fay B. Murphy and wife, Elizabeth Murphy, registered in Book F, Volume 18, Page 160, and one from W. B. McBroom and wife, registered in Book Q, Volume 18, Page 459 in the Register's Office of Hamilton County, Tennessee, together with all the improvements thereon and privileges and appurtenances to the same belonging, and all rents, issues and profits which may arise or be had therefrom. Said property is also known as Lot One (1) and the south one-half ($\frac{1}{2}$) of Lot Two (2), Block "E", Engleside Subdivision. EXCEPT any part of said property lying within the boundaries of (Derby Street) Chamberlain Avenue.

J U L Y T E R M 1 9 7 6

III. Being part of the property heretofore conveyed by J. R. Henderson and wife to Genevieve Allen Montague et al by deed recorded in Book U, Volume 17, Page 166, of the Register's Office of Hamilton County, Tennessee, to-wit: BEGINNING at a point on the east line of Chamberlain Avenue, also known as Derby Street, seventy-five (75) feet north of the north line of Milne Street, said point of beginning being in the north line of the property conveyed by Scott H. McBroom to M. A. Englehardt and wife by deed dated May 31, 1929, and recorded in Book F, Volume 24, Page 250, of the said Register's Office; thence northwardly along the east line of Chamberlain Avenue or Derby Street seventy-five (75) feet to the southwest corner of Lot Four (4), Block E, Engleside (Ingleside) Subdivision, as shown by Plat recorded in Plat Book 9, Page 41, of the said Register's Office; thence eastwardly along the south line of said Lot Four (4), Block E, Engleside Subdivision one hundred thirty-five (135) feet to the west line of Lot Eight (8), Block E, Engleside Subdivision; thence southwardly along the west line of said Lot Eight (8) seventy-five (75) feet to the northeast corner of property conveyed to M. A. Englehardt and wife by deed above mentioned; thence westwardly along the north line of said Englehardt one hundred thirty-five (135) feet to the point of beginning. The above described property is now shown on record in Plat Book 9, Page 41, as Lot Three (3) and the north one-half of Lot Two (2) Block E of said Engleside (Ingleside) Subdivision.

IV. Lot Four (4), Block E, Engleside Subdivision, as shown by Plat of Record in Plat Book 9, Page 41, of the Register's Office of Hamilton County, Tennessee. According to said Plat said lot fronts fifty (50) feet on the southeastern line of Derby Street and extends back southeastwardly between parallel lines, one hundred thirty-five (135) feet to the northwestern line of lots Seven (7) and Eight (8) of said Block.

V. Lot Twenty-Four (24), Block E, Engleside Subdivision, as shown by Plat of Record in Plat Book 9, Page 41, of the Register's Office of Hamilton County, Tennessee. According to said Plat said lot fronts (60) feet on the north line of Milne Street and extends back northwardly, between parallel lines, along the extreme eastern line of said Subdivision and along the eastern line of Lot Twenty-two (22) in said Block, one hundred-fifty (150) feet, more or less, to the south line of Lot Twenty-Three (23) in said Block.

VI. Lots one hundred thirty-three (133), one hundred thirty-four (134), one hundred thirty-five (135), one hundred thirty-six (136), one hundred thirty-seven (137), and one hundred thirty-eight (138), Plat of the Davis property Subdivision (sometimes called Englewood), as per Plat of Record in Book M. Volume 18, Page 472, of the Register's Office of Hamilton County, Tennessee. According to said Plat lots one hundred thirty-three (133), one hundred thirty-four (134), and one hundred thirty-five (135) together make one tract fronting one hundred fifty (150) feet on the southern line of Sylvan Street (now Englewood Street) and extending southwardly, between parallel lines, being the western line of an alley and the eastern line of the old Henderson tract one hundred forty-five (145) feet to the northern line of another alley, EXCEPT that part used in rounding the intersection of the two said alleys, and lots one hundred and thirty-six (136), one hundred thirty-seven (137), and one hundred thirty-eight (138) together make one tract fronting one hundred fifty (150) feet on the northern line of Milne Street and extending northwardly, between parallel lines, being the western line of an alley and the eastern line of the old Henderson Place one hundred forty-five (145) feet to the southern line of another alley, EXCEPT that part of said tract used in rounding the intersection of the two said alleys.

This property is conveyed by Grantors to Grantee so that Grantee may operate thereon a Health Facilities Building.

TO HAVE AND TO HOLD the same unto the STATE OF TENNESSEE, provided that should such property ever be used for other than health-related governmental purposes by the State of Tennessee, title thereto shall forthwith revert to Grantors as provided in Hamilton County Resolution No. 776-13, the terms of which are as incorporated herein by reference thereto as fully and completely as though copied herein verbatim. The City of Chattanooga, Tennessee and Hamilton County, Tennessee covenant that they are lawfully seized and possessed of said real estate, have full power and lawful authority to sell and convey the same, that the title is clear, free and unincumbered (except as hereinabove stated), and they will forever warrant and defend the same against all lawful claims.

IN WITNESS WHEREOF, THE CITY OF CHATTANOOGA, TENNESSEE has caused its corporate name to be hereunto subscribed by its Mayor, and its corporate Seal to be hereunto affixed by its Auditor, and HAMILTON COUNTY, TENNESSEE has caused its corporate name to be hereunto subscribed by its County Judge, and its corporate Seal to be hereunto affixed by its County Court Clerk, by authority of Resolutions adopted by the Board of Commissioners of the City of Chattanooga, Tennessee and the County Council of Hamilton County, respectively, this _____ day of _____, 19_____.

(Judge Moore stated that when the deed for this was originally prepared to the State for this property it included a reversionary clause that in the event this was no longer a hospital for a period of two years, the title and the property would revert to the City and the County. Judge Moore said that of course when this was done 20 years ago, no one dreamed that tuberculosis would become a relatively insignificant disease in the health field and that the hospital would not be needed. Judge Moore said that the State would like now to use the building as an area health center and could not because of the clause in the deed. Judge Moore stated that the State would now like a new deed that will enable them to proceed with this area health facility and that is the purpose of this Resolution. Judge Moore said this new deed also has a reversionary provision that if the facility is no longer used for health purposes the title would revert to the City and County.)

RESOLUTION

NO. 776-14

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO EXECUTE A PIPELINE EASEMENT TO THE COLONIAL PIPELINE COMPANY CONCERNING CERTAIN PROPERTY AT MOCCASIN BEND UPON CERTAIN TERMS.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

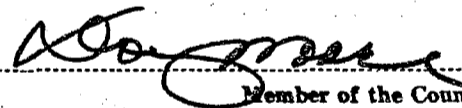

WHEREAS, the Colonial Pipeline Company desires to install 12" pipeline across unused property on Moccasin Bend, which property is jointly owned by Hamilton County and the City of Chattanooga; and

WHEREAS, the County Engineer and appropriate officials of the City of Chattanooga have determined that an easement be granted to said Company and have concurred in an appraisal of the property involved, same being \$38,964.00, one-half of which (i.e. \$19,482.00) would be received by Hamilton County; and

WHEREAS, complete descriptive data and appraisal information is on file at the County Engineer's offices, as well as a copy of the easement herein involved, and is open and available for public inspection during normal business hours.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is authorized to execute said joint pipeline easement with the City of Chattanooga to the Colonial Pipeline Company upon the terms hereinabove stated.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the Public Welfare requiring it.

IN CONSIDERATION of Thirty-Eight Thousand Nine Hundred Sixty-Four and no/100 (\$38,964.00) Dollars, cash in hand paid, same to be divided equally between the Grantors, the receipt of which is hereby acknowledged, THE CITY OF CHATTANOOGA, TENNESSEE, a Municipal Corporation, and HAMILTON COUNTY, one of the Counties of the State of Tennessee, Tenants in Common, (hereinafter referred to as GRANTORS), do hereby grant and convey unto COLONIAL PIPELINE COMPANY, a Delaware Corporation, its successors and assigns, (hereinafter referred to as GRANTEE), an easement for a pipeline right-of-way, with the right to construct, maintain, inspect, operate, protect, replace, repair, change the size of and remove a pipeline for the transportation of liquids and/or gases, upon and along a route on, over and through the following described lands, of which Grantors warrant they are the owners in fee simple, situated in the City of Chattanooga, Hamilton County, Tennessee, to-wit:

BEING a strip of land twenty (20) feet in width, being a permanent right-of-way ten (10) feet either side of the following described line: BEGINNING at a point of entry on the low water mark of the northeast line of the Tennessee River, said point of entry being 150 feet, more or less, easterly as measured at right angles, from Colonial Pipeline Company's existing line; thence, from said point of entry N 42 degrees 15' E a distance of 760 feet, more or less, to a point; thence, N. 66 degrees 42' E a distance of 633 feet to a point; thence, S 68 degrees 18' E a distance of 57 feet to a point; thence, N 66 degrees 08' E a distance of 2.148 feet to a point; thence, N 27 degrees 27' E a distance of 101 feet to a point; thence, N 05 degrees 48' E a distance of 749 feet to a point; thence, N 03 degrees 59' E a distance of 221 feet to a point; thence, N 02 degrees 24' E a distance of 580 feet to a point; thence, N 06 degrees 09' E a distance of 416 feet to a point; thence, N 08 degrees 13' E a distance of 127 feet to a point; thence, N 05 degrees 24' E a distance of 226 feet to a point; thence, N 04 degrees 09' E a distance of 487 feet to a point; thence N 02 degrees 24' E a distance of 497 feet to a point; thence, N 05 degrees 11' W a distance of 538 feet to a point; thence, N 07 degrees 51' W a distance of 168 feet to a point; thence, N 05 degrees 28' W a distance of 660 feet to a point; thence, N 02 degrees 17' W a distance of 309 feet to a point; thence, N 03 degrees 22' E a distance of 225 feet to a point; thence, N 40 degrees 49' E a distance of 61 feet, more or less, to a point of exit on the easterly property line of said Grantor's land, said point of exit being in the westerly right-of-way line of Moccasin Bend Road, 75 feet, more or less, northerly as measured along said right-of-way line from the southeast property corner of land conveyed to City of Chattanooga from Chattanooga Estates Company, dated October 27, 1952, and recorded in Book 1110, Page 641, in the Register's Office for Hamilton County, Tennessee.

J U L Y T E R M 1 9 7 6

Together with the right of unimpaired access to said pipeline and the right of ingress and egress on, over and through Grantors' abovementioned land for any and all purposes necessary and incident to the exercise by said Grantee of the rights granted hereunder, with the further right to maintain said right-of-way herein granted clear of trees, undergrowth and brush; said access shall, however, be over established roads or driveways at points designated by the City of Chattanooga and Hamilton County, Tennessee.

IT IS UNDERSTOOD that this easement is granted upon condition that said Pipeline Company shall keep said pipeline in a safe and proper condition; shall hold said City and County harmless from any and all liability on account of death or injury to persons or loss or property damage as result of the failure of said Pipeline Company to keep said pipeline in a safe and proper condition; that the Pipeline Company hold the Grantors harmless in case of damage to the pipeline upon exercising reasonable care, and when occasions arise for the Grantors to do work within its vicinity; that the Pipeline Company provide any and all future easements or adjustments for road, street or draining crossings when requested by Grantors; that the Pipeline Company replace or repair any and all damages to same or storm sewers, streets, fences or existing permanent sod.

IT IS FURTHER UNDERSTOOD and agreed that as a condition of this grant if it is necessary to construct public improvements of any kind and nature within the easement hereinbefore granted or adjacent thereto with which this easement would interfere, Grantee will relocate, or encase at its own expense, said pipeline at a point or points so as to permit said public improvements to be constructed.

In addition to the above condition, Grantee agrees to repair or to pay for any actual damage which may be done to growing crops, timber, fences, buildings, or other structures directly caused by Grantee exercising any rights herein granted; provided, however, that after the first pipeline has been installed Grantee shall not be liable for damages caused on the right-of-way by keeping said right-of-way clear of trees, undergrowth, brush, structures and obstructions in the exercise of its rights granted herein.

Any pipeline constructed by Grantee across any portion of the above described land which is under cultivation or used for recreational purposes shall, at the time of the construction thereof, be buried to a depth as will not interfere with Grantors' use of said land for existing or future recreational purposes which shall not interfere with Grantee's use, nor for normal cultivation required for the planting and tending of crops; EXCEPT, that Grantee, at its option, may construct its pipeline above the channel of any natural or man-made stream, ravine, ditch or other water course.

TO HAVE AND TO HOLD said rights and right-of-way, easements, estates and privileges unto said Grantee, its successors and assigns, so long as said right-of-way and easements are used for the purposes herein granted.

RESOLUTION

NO. 776-15

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO EXECUTE A CORRECTED DEED FOR CERTAIN PROPERTY JOINTLY SOLD BY HAMILTON COUNTY AND THE CITY OF CHATTANOOGA AND ERRONEOUSLY DESCRIBED AT TIME OF SALE.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

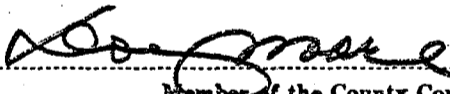

WHEREAS, on April 13, 1972, (by Deed recorded in Book 2088, Page 12, in the Register's Office of Hamilton County,) Hamilton County and the City of Chattanooga jointly conveyed certain property located in said County to Annie Mae Smartt; and

WHEREAS, said Deed is irregular or erroneous in that the property is improperly described to convey the land intended by the parties to be conveyed, stating in the aforementioned deed of record that the subject property was, "Lot S .25..." rather than "Lot N .25...", and

WHEREAS, both parties desire to correct said error.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to execute a corrected deed, a copy of which is attached hereto and incorporated herein by reference, correction therein being as hereinabove stated.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the Public Welfare requiring it.

J U L Y T E R M 1 9 7 6

Judge Moore said that a Solid Waste Study had been authorized in conjunction with the Chattanooga State Technical Institute. Judge Moore said this was an appropriate time for the study because of the traffic problems that will be caused with the advent of the construction of a new bridge and this study will enable the County to locate solid waste transfer stations in the best possible places.

Mr. Richard Marsh of Chattanooga State Tech said that Dr. Branch had intended to come to present the results of the study but was unable to be there. Mr. Marsh said that the study was conducted with the assistance of Everett Boyce and Gail Thornton and was funded in part through Title I. Mr. Marsh said they worked with the citizens in identifying the problems. He said one of the first things they discovered was that they were not the first ones to have made such a study, that the State, the County, and some municipalities had already studied this problem in depth. This previous data was readily made available to them, and was of much help to them. Mr. Marsh said that in Hamilton County there are three land fill sites: 1 for the City at Summitt, 1 at Birchwood for the County, and 1 private one at Daisy. He said that there are quite a few illegal dump sites. Mr. Marsh showed a drawing on which were marked in different colors the legal and illegal dump sites. Mr. Marsh said there is an especially heavy concentration of illegal dump sites in the northern part of the County, north of the river.

Mr. Marsh said their suggestions are three-fold: 1) a transfer site at Soddy and 1 in the Southeast area; 2) then 2 additional transfer sites, 1 for East Ridge and 1 for Sale Creek; 3) 150 green boxes for trash and garbage. Mr. Marsh said this would make it possible for people to dispose of their trash in a convenient & legal manner. Mr. Marsh said these boxes are picked up, taken to the transfer sites, and then

J U L Y T E R M 1 9 7 6

to the sanitary landfills. Mr. Marsh said they are not proposing any new landfill areas, that the three existing ones can handle the waste if properly supplied. Mr. Marsh said if these three steps are adopted, Hamilton County can reduce or eliminate illegal dump sites. He said these are a menace to health and also an eyesore in one of the most beautiful spots of our country. Mr. Marsh said the County could also obtain substantial savings if these three steps are put into effect.

Judge Moore told Mr. Marsh the County is grateful to Chattanooga Tech for this study. He introduced Mary Ann Carter, Director of Public Relations, who was present at the meeting.

Mr. Marsh presented the Council with the report.

Judge Moore asked if there were any delegations to appear before the Council. There were none.

NO. 876-5

TITLE A RESOLUTION TO RATIFY EXECUTION BY THE COUNTY JUDGE OF A LEASE AGREEMENT REGARDING CERTAIN PROPERTY AT AND INCLUDING ENGEL STADIUM.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, a "Letter of Intent", regarding the leasing of property at and including Engel Stadium by a corporation formed by Mssrs. Woodrow W. Reid, J. Mark Reid and other investors, was transmitted by the County Judge on the 19th of November, 1975, to Mssrs. Reid, said letter approved by the County Council upon motion made (County Council Minute Book 22, Pgs. 710-712); and

WHEREAS, subsequent thereto a lease agreement was prepared, a true and accurate copy thereof attached hereto and incorporated herein by reference, and, pursuant to said letter, has been executed by the County Judge, attested by the County Court Clerk and approved by the County Attorney, same thereafter forwarded to appropriate officials of the City of Chattanooga for similar execution, attestation and approval, thence to be delivered to Mssrs. Reid for appropriate corporate signing.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the execution of the attached and incorporated lease agreement by the County Judge pursuant to the intent hereinabove stated, is hereby ratified in its entirety.

AUGUST TERM 1976

LEASE AGREEMENT

This Lease Agreement, made and entered into this _____ day of _____, 1976, between the CITY OF CHATTANOOGA, TENNESSEE, a municipal corporation existing under the laws of the State of Tennessee, and HAMILTON COUNTY, TENNESSEE, a constitutional county of the State of Tennessee, hereinafter referred to as "Lessors," and _____ a Tennessee corporation, hereinafter referred to as "Lessee";

WITNESSETH:

Whereas, the Lessors are the owners of a facility known as Engel Stadium located in the City of Chattanooga, Hamilton County, Tennessee, and desire that said facility be utilized as a baseball stadium for a Class AA baseball team; and

Whereas, the Lessors desire to lease said facility for utilization as a baseball stadium and are aware that certain renovation must be done to said facility; and

Whereas, the Lessee desires to lease the said facility for utilization as a multi-use facility, the primary use being as a baseball facility; and

Whereas, Lessee has formed a corporation for this specific purpose and has acquired an AA baseball franchise to utilize said facility and realizes that certain renovation must be done to said facility to place it in operable condition;

NOW, THEREFORE,

In consideration of the premises and in consideration of the mutual covenants, terms and conditions as hereinafter stated, Lessors do hereby lease and demise and let to the Lessee, its

AUGUST TERM 1976

successors and assigns the following described premises, as shown on metes and bounds description marked Exhibit A and a drawing marked Exhibit B, attached hereto and made a part hereof, together with the appurtenances thereto located on the site known as Engel Stadium.

To have and to hold the same, together with all rights, privileges and appurtenances thereto, unto the said Lessee, beginning on the date first above written. The term of this Lease Agreement will be for a period of five (5) years, commencing on the date first above written.

Lessee is hereby granted an option to renew this Lease for one (1) successive five (5) year period under the same terms and conditions set forth herein, which option shall be deemed to be exercised if Lessee does not notify Lessor to the contrary more than one hundred eighty (180) days before the date of the basic term granted herein expires.

In further statement hereof, Lessors hereby inform the Lessee, who expressly understands, that during the term of this Lease, the Lessor may become engaged in a major modification and/or public works program to adequately provide services to the residents of the City of Chattanooga and the County of Hamilton. The progressive application of these plans could necessitate the surrender of the demised premises to the Lessors before the expiration of the basic five (5) year term of the Lease Agreement or during any extension thereof, a fact which Lessee recognizes and accepts as a condition hereof and, therefore, agrees to surrender said premises to Lessor upon demand. However, the Lessors shall give the Lessee six (6) months written notice to vacate in the event said premises are needed as hereinabove provided. In said event, Lessee shall yield up said premises and improvements constructed thereon at the expiration of said six (6) months notice without Lessors resorting to the process of law.

Lessors hereby covenant with Lessee, its successors and assigns that Lessors are the true and lawful owners of said premises

AUGUST TERM 1976

and are seized of same in fee simple and have a good right and full power to lease the same in the manner and to the extent set out herein and that same are unencumbered.

It is further mutually covenanted and agreed between the parties as follows:

(1) The Lessee agrees to initially invest a sum not less than Seventy-Five Thousand and No/100 (\$75,000.00) Dollars in the renovation of said Engel Stadium. Said investment and renovation is to begin immediately upon the execution of this Lease Agreement so that the facility will be available for use as an AA baseball stadium for the coming 1976 baseball season. Further, it is understood by the parties that the Lessee may be required to spend additional sums above the Seventy-Five Thousand and No/100 (\$75,000.00) Dollars for said renovation; therefore, it is agreed that the Seventy-Five Thousand and No/100 (\$75,000.00) Dollars figure is not a limitation on funds that can be spent on said renovation of the stadium.

(2) Lessee shall pay to Lessors, for the use and enjoyment of said facility, a rental fee which shall be a percentage of the gross, or total, receipts from or in connection with activities to be conducted at or in connection with said facility, these percentages being as follows: one (1%) percent of the first One Hundred Thousand and No/100 (\$100,000.00) Dollars of gross receipts; two (2%) percent of the next Fifty Thousand and No/100 (\$50,000.00) Dollars of gross receipts; three (3%) percent of the next Fifty Thousand and No/100 (\$50,000.00) Dollars of gross receipts; and three and one-half (3½%) percent of all gross receipts in excess of Two Hundred Thousand and No/100 (\$200,000.00) Dollars. "Gross receipts" as used herein shall mean all revenues of whatever source without reservation or deduction.

Said payments shall be made to the Lessors on a quarterly basis, the first payment to be made at the end of the first quarter in which gross receipts are realized by the Lessee. Said payments shall be divided by Lessee equally between the City of Chattanooga

AUGUST TERM 1976

by certified check to the City Treasurer and Hamilton County by certified check to the Office of the County Judge. Lessee agrees, upon request from either or both Lessors or either or both of Lessor's representatives (or their duly authorized agent or agents) to make available its books, records, and accounts of each and every activity or use produced on, of, or in connection with the leased premises during the term of this lease or of the option, if exercised.

(3) The term of this Lease Agreement shall be, as hereinbefore stated, for five (5) years, with an option to renew for an additional five (5) years. Said term shall begin the day and date hereinbefore set out. It is further agreed by the parties that this Lease Agreement shall be subject to renegotiation at the request of the Lessee, at any time, upon the showing of a genuine financial hardship on the part of the Lessee. It is understood by the parties that said renegotiation shall deal with the payments made to the Lessors by the Lessee and the actual financial burden and/or hardship being experienced by the Lessee and not to the other terms of said Agreement unless the parties specifically agree in writing to renegotiate all the terms of said Agreement.

(4) Lessee further agrees that the University of Tennessee at Chattanooga shall have rent free use of the Engel Stadium field for baseball purposes during the daylight hours, when said facility is not otherwise in use for Lessee's AA baseball team. Every effort will be made by Lessee to work with the University of Tennessee at Chattanooga so that a schedule of available times can be worked out that is practical for the utilization of said facility, keeping in mind and understanding that the AA baseball team shall have first priority on the utilization of said facility.

(5) The Lessors agree that said leased facility shall be a multi-use facility and that Lessee may use and utilize same for activities not related to baseball but as hereinafter limited and restricted. Lessee agrees that the utilization of said facility for non-baseball and/or entertainment activities shall, as a condition precedent thereto, be upon the prior written approval (obtained by

AUGUST TERM 1976

Lessee not less than fifteen (15) days prior to each individual use - which time period may be waived by agreement of Lessors' said representatives - by Lessee's written request to Lessor's said representatives setting out in detail such proposed non-baseball and/or entertainment activity or use in adequate time for due consideration thereof by Lessors' said representatives) of the Commissioner of Public Utilities, Grounds and Buildings of the City of Chattanooga (or such designee as he may from time to time provide) and the County Judge of Hamilton County (or such designee as he may from time to time provide) so that there shall be no undesirable or unacceptable use, nor any competitive or conflicting use by a non-baseball and/or entertainment activity with those other facilities that are owned, leased or rented by or to, maintained, and/or operated by the Lessors, any of their respective agencies, or their lessees. Lessee agrees to submit in writing to the Lessors' said representatives, as provided for in this paragraph, each application on an individual use basis for any activity or use other than such professional baseball use or baseball use by the University of Tennessee at Chattanooga, as hereinbefore provided. It is further agreed that the Lessors' said representatives shall endeavor to coordinate the scheduling of non-baseball and/or entertainment activities within the Chattanooga-Hamilton County area so that a maximum utilization of acceptable non-baseball and/or entertainment activities or uses of all of the hereinabove described facilities can be achieved, within the terms of this agreement.

(6) Lessee accepts said Engel Stadium facility as is and agrees to renovate and maintain said facility as an operable Class AA baseball stadium capable of being utilized by the public and the professional and other users thereof in a safe and workable condition. Lessee further agrees:

- (a) To pay all charges for water, gas, electric power and sewage service consumed on the demised premises during the terms of this Agreement, at regularly established rates and shall as an expense, install all necessary metering devices;

AUGUST TERM 1976

- (b) To keep and maintain the demised premises in good condition, order and repair during the term of this Agreement, and to surrender the same upon the expiration of said term in the condition in which they are required to be kept, reasonable wear and tear and damage by casualty not caused by negligence excepted;
- (c) To make whatever alternations, additions and/or improvements to the demised premises that are required to be made so that same may be utilized as a Class AA baseball facility and to submit prior thereto in adequate time for due consideration thereof, for the consent of Lessors' said representatives, any major structural alterations of said facility, which consent shall not be unreasonably withheld;
- (d) To observe and comply with any and all requirements of the constituted public authorities and with all federal, state or local statutes, ordinances, regulations, resolutions, and standards applicable to Lessee or its improvements and/or use of the demised premises;
- (e) To be solely responsible, with regard to each and every public assembly to be held or conducted on the leased premises, for compliance with all terms and provisions of Tennessee Code Annotated §§ 53-5701 through 5713, as they may from time to time be amended, and will not suffer any violations of such statutes, where applicable.
- (f) To use the demised premises and improvements thereon during the term hereof for lawful business purposes and will not make, suffer or permit any unlawful use or occupancy of said premises;
- (g) To purchase from reputable and solvent companies licensed to do business in the State of Tennessee fire and extended coverage insurance, if obtainable, on all the fixed improvements erected by Lessee on the demised premises to the full insurable value thereof, it being understood and agreed for the purposes hereof that the term "full and insurable value" shall be deemed to be that amount for which a prudent owner in like circumstances would insure similar property, but in no event an amount in excess of Lessee's cost of renovating said fixed improvements to their usable condition. Lessors shall be named as additional names insureds (co-insureds) as their interests may appear, and Lessee shall furnish Lessors during the term hereof with proper certification or certificates evidencing that such insurance is in force and that said policy cannot be cancelled or materially modified except upon ten (10) days advance written notice to Lessors.
- (h) Lessors shall cooperate with Lessee in connection with the collection of any insurance moneys that may become due in the event of loss and the carrier or carriers shall be directed by Lessors

AUGUST TERM 1976

to turn over the proceeds of the insurance to Lessee at such time as Lessee may have completed the repair or installation of the improvements destroyed by any hazard insured against; Lessors further covenant and agree that if this Lease is forfeited by Lessee for any of the reasons set forth herein, all such policies of insurance and all such insurance moneys due at the time of said forfeiture shall belong one-half to each of the Lessors, free and clear of any claim or interest thereon or thereto on the part of Lessee or anyone claiming through or under it.

(7) Lessors and their said representatives, authorized officers, employees, agents, contractors, sub-contractors and other representatives shall have the right to enter upon the demised premises to inspect same at reasonable intervals during regular business hours to determine compliance with the terms and conditions of this Agreement.

(8) Lessee shall indemnify and hold Lessors forever harmless from and against all liability, loss or expense imposed upon Lessors by reason of legal liability (including claims therefor) for injuries to persons (including wrongful death) and damages to property caused by Lessee's use or occupancy of the demised premises or otherwise by Lessee's operations or activities on such premises (including all baseball as well as all non-baseball and/or entertainment activities or uses) as such relates to utilization by the public generally, or by Lessors including their said representatives, or by specific users, or by third parties under contract with Lessee, provided that Lessors shall give Lessee prompt and timely notice of any claims made against Lessors which may result in a judgment against Lessors because of such injuries or damages, and promptly deliver to Lessee all papers, notices, documents, summons and other legal process whatsoever served upon Lessors or their agents, and provided further that Lessee and its insuror, or either of them, shall have the right to compromise and defend all claims, actions, suits and proceedings to the extent of Lessee's interest therein so long as such actions by Lessee is not detrimental to the interests of Lessors therein; and in connection therewith the parties hereto agree to faithfully cooperate with each other and with Lessee's insuror in the defense thereof.

AUGUST TERM 1976

(9) Lessee shall carry public liability insurance with responsible insurance underwriters, insuring Lessee and Lessors against all legal liability for injuries to persons (including wrongful death) and damage to property caused by Lessee's use and occupancy of the demised premises otherwise caused by Lessee's activities and operations on said premises, with liability limits of not less than \$100,000.00 for any one person and not less than \$300,000.00 for any accident involving injury (including wrongful death) to more than one person, and not less than \$25,000.00 for property damage resulting from any one accident. Lessee shall furnish Lessors with a certificate of such insurance, which shall provide that Lessors are an insured under said policy, and that said policy cannot be cancelled or materially modified except upon ten (10) days advance written notice to Lessors.

(10) The Lessors covenant and agree that:

- (a) Lessors are the lawful owners of the property demised hereby, that they have lawful possession thereof, and have good and lawful authority to execute this Lease; and
- (b) Throughout the term hereof, Lessee may have, hold and enjoy peaceful and uninterrupted possession of the premises and rights herein leased and granted, subject to performance by Lessee of its obligations herein.

(11) In addition to cancellation provisions hereinabove mentioned, Lessors shall have the right upon written notice to Lessee to cancel this Agreement in its entirety, upon or after the happening of one or more of the following events, if said event or events shall then be continuing:

- (a) If Lessee shall make a general assignment for the benefit of creditors, or file a voluntary petition in bankruptcy or a petition or answer seeking its reorganization of the readjustment of its indebtedness under the federal bankruptcy laws or any other similar law or statute of the United States or any state, or government, or consent to the appointment of a receiver, trustee, or liquidator of all or substantially all of the property of Lessee;

AUGUST TERM 1976

- (b) If by order of decree of a court of competent jurisdiction Lessee shall be adjudged bankrupt or an order shall be made approving a petition seeking its reorganization, or the readjustment of its indebtedness under the federal bankruptcy laws or any law or statute of the United States or any state, nation or government, provided that if any such judgment or order be stayed or vacated within ninety (90) days after the entry thereof, any notice of cancellation given shall be and become void and of no effect;
- (c) If by or pursuant to any order or decree of any court of governmental authority, board, agency, or officer having jurisdiction, a receiver, trustee or liquidator shall take possession or control of all or substantially all of the property of Lessee for the benefit of creditors, provided, that if such order or decree be stayed or vacated within sixty (60) days after the entry thereof or during such longer period in which lessee diligently and in good faith contest the same, any notice of cancellation shall be and become null, void and of no effect;
- (d) If Lessee shall voluntarily abandon and discontinue the conduct and operation of its service at Engel Stadium for a continuous period of sixty (60) days between April 15 and September 1 of every year this lease is in force.
- (e) If Lessee shall fail to pay the rental charges or other money payments required by this instrument and such failure shall not be remedied within thirty (30) days following receipt by Lessee of written demand from Lessors so to do;
- (f) If Lessee shall default in fulfilling any of the terms, covenants or conditions to be fulfilled by it hereunder and shall fail to remedy said default forthwith if in violation of Paragraph (5) hereinabove upon either oral or written demand by either or both Lessors' said representatives, or within thirty (30) days following receipt by Lessee of written demand from either or both of Lessors' said representatives so to do, or if, by reason of the nature of such default the same cannot be remedied within thirty (30) days following receipt by Lessee of written demand from either or both of Lessors' said representatives so to do, then, if Lessee shall have failed to commence the remedying of such default within said thirty (30) days following such written notice, or having so commenced, shall fail thereafter to continue with diligence the curing thereof;
- (g) If Lessee shall abandon any of the premises leased to it hereunder for a continuous period of sixty (60) days at any one time except when such abandonment be caused by fire, earthquake, war, strike or other calamity beyond Lessee's control.

AUGUST TERM 1976

In the event of any cancellation or termination of this Agreement by Lessors all fixed improvements erected or installed in or upon the demised premises and all renovation of existing facilities by Lessee shall become the absolute property of Lessors, as if this Lease Agreement had expired by lapse of time.

(12) Lessee shall have the right, upon written notice to Lessors, to cancel this Agreement in its entirety upon or after the happening of one or more of the following events, if said event or events shall then be continuing:

- (a) The issuance by any court of competent jurisdiction of an injunction, order or decree preventing or restraining the use by Lessee of all or any substantial part of the demised premises or preventing or restraining the use of Engel Stadium for usual baseball purposes in its entirety, or the use of any part thereof which may be used by Lessee and which is necessary for Lessee's operations as a baseball stadium for an AA baseball team, which remains in force unvacated or unstayed for a period of at least one hundred and twenty (120) days;
- (b) The default of Lessors in the performance of any of the terms, covenants or conditions to be fulfilled by it under this instrument and the failure of Lessors to cure such default within a period of thirty (30) days following receipt of written demand from Lessee so to do, except that if by reason of the nature of such default, the same cannot be cured within said thirty (30) days, then Lessee shall have failed to commence to remedy such default within said thirty (30) days following receipt of such written demand, or having so commenced, shall fail thereafter to continue with diligence the curing thereof;
- (c) The inability of Lessee, on or after ninety (90) days after Lessee's first professional regular season baseball game played in Engel Stadium, to conduct its professional baseball business at Engel Stadium in substantially the same manner and to the same extent as theretofore conducted, continuing for a period of at least ninety (90) days, because of (i) any law, or (ii) any rule, order, judgment, decree, regulation or other action or non-action of any governmental authority, board, agency or officer having jurisdiction thereof;
- (d) If the fixed improvements renovated upon the demised premises shall be totally destroyed or so extensively damaged that it would be impracticable or uneconomical to restore the same to their previous condition as to which Lessee shall be the sole judge. If any such case, the proceeds of insurance, if any, payable by reason of such loss shall be apportioned between Lessors (who shall divide their portion equally between them) and Lessee, Lessors receiving the same proportion of such proceeds as the then expired portion of the

AUGUST TERM 1976

lease term bears to the full term hereby granted, and Lessee receiving the balance thereof. If the damage shall result from an insurable cause and shall be only partial and such that the said fixed improvements can be restored to their prior condition within a reasonable time, then Lessee shall restore the same with reasonable promptness, and shall be entitled to receive and apply the proceeds of any insurance covering such loss to said restoration, in which event this Lease Agreement shall not be cancelled but shall continue in full force and effect, and in such case any excess thereof shall belong to Lessee;

(e) The taking of the whole or any part of the demised premises by the exercise of any right of condemnations of eminent domain.

(13) The fixed improvements to be constructed and renovated by the Lessee pursuant to this Lease Agreement are estimated to involve an approximate cost of Seventy-Five Thousand and No/100 (\$75,000.00) Dollars. As soon as practicable following renovation, Lessee shall submit to Lessors' said representatives an itemized statement certified by an officer of Lessee, showing the actual cost of said renovation, and shall, if so requested by either or both of Lessors' said representatives, produce copies of all invoices and other records in connection therewith. Said itemized statement shall, unless disputed in writing by either or both of Lessors' said representatives within sixty (60) days next following receipt thereof from Lessee, constitute prima facie evidence of the cost shown therein, it being contemplated by the parties hereto that Lessee shall fully amortize said actual costs on a straight line basis without allowance for salvage, commencing with the date on which the renovation of said facility is completed and is ready for use and occupancy by Lessee, and extending over the balance of the basic five (5) year term plus the five (5) year renewal term of this Agreement. In the event of any cancellation or termination of this Lease Agreement prior to the expiration date of the basic term hereof and the five (5) year renewal option for any cause other than destruction of the facilities thereon or a breach or default by Lessee hereunder, Lessors shall promptly purchase or cause to be purchased from Lessee all of said fixed improvement renovations at a cash price equal to Lessee's actual cost

AUGUST TERM 1976

as above set forth, less depreciation as aforesaid to the nearest complete month of the term then lapsed under this Agreement.

(14) Nothing contained in this Agreement shall be deemed to limit or restrict in any way such lawful rights as Lessee may have in the future to maintain claims against the federal, state, county or -unicipal government, or any department or agency thereof, or against any interstate body, commission or authority, or other public or private body exercising governmental powers, for damages or compensation by reason of the taking or occupation, by condemnation or otherwise, of all or a substantial part of the demised premises, including fixed improvements thereon, or of all or a material part of said premises which adversely affects Lessee's use and enjoyment of the demised premises for the purposes hereinabove set forth; Lessors hereby agree to refrain from hindering, opposing or obstructing the maintenance of any just claim of said nature by Lessee, except Lessor will only be obligated and required to purchase that portion of the unamortized cost of the renovations on demised premises as are not collected as a result of a claim or claims as covered in this paragraph. Lessee shall not use or permit the use of the demised premises or any part thereof for any purpose or use other than as authorized by this Agreement.

(15) Lessee shall cause to be removed any and all liens of any nature arising out of or because of any construction performed by Lessee or any of its contractors or sub-contractors upon the demised premises or arising out of or because of the performance of any work or labor upon or the furnishing of any materials for use at said premises, by or at the direction of Lessee, meaning that the cost of all improvements will be free and clear of all liens and encumbrances so as not to interfere with Lessor's ownership of the improvements at the expiration of the basic five (5) year term plus five (5) year renewal option.

(16) Any notice or other communication from any of the parties to the other pursuant to this Agreement shall be deemed sufficiently given or communicated if sent by Registered Mail, with proper postage and registration fees prepaid, addressed to the party

NO. 876-6

TITLE A RESOLUTION TO DONATE TITLE TO A SURPLUS VEHICLE TO THE NORTH HAMILTON COUNTY RESCUE SQUAD UPON CERTAIN TERMS AND CONDITIONS.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the North Hamilton County Rescue Squad purchased a certain vehicle, Tennessee title No. 20470087, conveyed same to Hamilton County on May 2, 1975, and has thereafter utilized same for rescue-related purposes, with said vehicle being maintained, serviced and insured by Hamilton County thereafter; and

WHEREAS, it is the existing policy of Hamilton County to accept certain specific vehicles in good condition and repair for utilization in rescue-related activities, to be assigned to specific rescue squads with maintenance, servicing and insuring by Hamilton County and without any right (actual or implied) of reconveyance to the donor in the event said vehicles should become surplus (including becoming economically nonmaintainable or unrepairable) even though such vehicle may have been donated by a particular rescue squad (and purchased from its own funds), but that in this particular instance and under the specific circumstance of desirability of exchanging an older unit for a newer unit at no additional cost to Hamilton County, it is advantageous to Hamilton County to permit said exchange; and

WHEREAS, said Rescue Squad requests that said vehicle be declared surplus and reconveyed to said squad so that same may be thereupon sold and the proceeds therefrom utilized towards acquisition of another vehicle which would be more suitable for the missions and goals of said squad; and

WHEREAS, said Rescue Squad is a non-profit organization qualifying for donations of surplus property pursuant to Resolution No. 776-8, which Resolution established a policy for the disposition of county-owned, surplus personal property; and

WHEREAS, the Purchasing Agent and Director of Civil Defense concur in the surplus status and desired disposition of said vehicle, provided that certain stipulations as to the disposition are set forth.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the title and possession to the subject vehicle is hereby donated to the North Hamilton County Rescue Squad, and the County Director of Purchasing is hereby authorized to execute the conveyance thereof as aforesaid upon the Certificate of Title of said vehicle, upon the following terms and conditions:

- A. That said Rescue Squad first comply with the filing requirements of Chapter No. 696 of the Public Acts of 1976, and
- B. That said vehicle be sold in a commercially reasonable manner and the proceeds therefrom be applied to the purchase of a vehicle suitable for similar rescue-related utilization, and

AUGUST TERM 1976

G R A N T

THIS AGREEMENT is entered into this 1st day of July, 1976 between THE TENNESSEE DEPARTMENT OF PUBLIC HEALTH, DIVISION OF FAMILY PLANNING SERVICES, hereinafter referred to as the Department, and THE CHATTANOOGA-HAMILTON COUNTY HEALTH DEPARTMENT, hereinafter referred to as the Grantee.

W I T N E S S E T H

WHEREAS, it is the desire of the above agencies to continue to maintain the Chattanooga-Hamilton County Health Department Family Planning Program, with headquarters in the Chattanooga-Hamilton County Health Department, 921 East Third Street, Chattanooga, to coordinate and implement this county-wide medical services program.

WHEREAS, the Grantee has experience and expertise in matters relating to Family Planning in Hamilton County.

WHEREAS, the Grantee is unable to finance in entirety the expenses for providing all of the necessary facilities and personnel for the purpose of conducting a comprehensive family planning contraceptive program.

WHEREAS, a Federal grant has been made available to the Department through the Department of Health, Education and Welfare for financing this program effective from July 1, 1976 through June 30, 1977.

WHEREAS, an intra-departmental contract has been made available between the Division of Family Planning Services and Medicaid for financing this program effective from July 1, 1976 through June 30, 1977.

WHEREAS, an inter-departmental contract has been made available between the Department and the Tennessee Department of Human Services for Title XX funds to finance this program from July 1, 1976 through June 30, 1977.

AUGUST TERM 1976

WHEREAS, the Department operates in compliance with Title VI of the Civil Rights Act of 1964 as amended and the Fair Labor Standards Act of 1974, therefore, the Grantee will function in accordance with these stated provisions.

NOW, THEREFORE, the parties hereto agree to the following:

I. THE GRANTEE AGREES:

- A. To conduct the program as a functional part of the Tennessee State Plan for Family Planning Services in compliance with medical and operational standards and guidelines mandated by Region IV, Health, Education and Welfare and the Tennessee Department of Public Health.
- B. To conduct the program as a functional part of the Southeast Regional Plan for Family Planning Services in keeping with objectives established by provider agencies and consumers of services within the region and approved by the Department and Region IV, Health, Education and Welfare for funding.
- C. To operate Family Planning Services in Hamilton County as described in the Grantee's proposal which provides, among other things, that the Hamilton County Health Department will increase its active patient load to at least 4,000 by June 30, 1977 by providing quality care to more persons and assuring a better patient retention and follow-up rate. During the year 350 medical clinics will be available to patients and a patient reminder system will operate to provide patient contact one to two days prior to an appointment. Patients requesting special services such as infertility or sterilizations will be referred to an appropriate provider. (Details in Exhibit A)

AUGUST TERM 1976

- D. To maintain and furnish to the Department such financial and statistical records, reports, and expenditures relating to funds paid under this contract on a quarterly basis in a format and detail stipulated by the Department within thirty (30) days after the close of the quarter. Said financial and statistical records and reports shall be so maintained as to be subject to periodic audit by the appropriate state and federal auditors.
- E. To obtain approval from the Department and the appropriate federal agency of any budget revision in accordance with federal regulations.
- F. To provide notification to the Department of any budget revision prior to the submittal of expenditure reports reflecting said revision.
- G. To obtain prior approval from the Department of any program and/or budget revision which would alter objectives and accomplishments of the program. This would assure a sufficient basis for program evaluation by the Department.
- H. To conduct procurement procedures for supplies, equipment or other bidable items to assure a system of maximum open and free competition based upon performance specifications which do not unduly restrict competition. Any items of equipment purchased for fifty dollars (\$50.00) or more shall be in accordance with the attached budget and title to the equipment shall remain with the Department. It is further agreed that the Grantee shall mail copies of vendor invoices, indicating serial numbers, of such equipment to: Tennessee Department of Public Health, Property and Procurement (Inventory), 255 Cordell Hull Building, Nashville, Tennessee 37219.

AUGUST TERM 1976

Be it further resolved that G.C.I. Contracts, negotiated by the Division of Purchasing and available to the State and other governmental agencies, shall be utilized where applicable.

- I. To pay family planning personnel in agreement with the Grantee's approved Merit System and job specifications at a level which is the same as the level on which comparable employees of the Grantee are to be paid and to otherwise provide the same level of employee benefits to family planning personnel as are provided to other employees of the Grantee. It is understood that the Grantee shall maintain appropriate personnel records, i.e., time, attendance, leave, etc., for review by the Department or other appropriate agency.

II. THE DEPARTMENT AGREES:

- A. To reimburse the Grantee, with the approval of the Director of Accounts and through the Hamilton County Government, subject to the availability of State and Federal funds, on a reimbursable/estimated needs basis, a maximum of \$220,000 during a twelve month period in accordance with the Budget of the Project which is attached and incorporated herein as a part of this contract. (Exhibit B) Of this amount \$120,000 must be revenue generated from third party reimbursement sources. Failure to earn at the anticipated level will automatically reduce the amount of funds payable to the Grantee by the unearned amount.
- B. To extend to the Grantee the option to re-budget and expend all excess revenue earned through third party reimbursement sources prior to the ending of the twelve-month period through contract amendment procedures. This option viable provided the Grantee will or has accomplished program objectives by the conclusion of the contract period.

A U G U S T T E R M 1 9 7 6

- C. To make payment to the Grantee on a quarterly basis, as determined on the basis of a quarterly certified statement of expenditures/estimated needs submitted by the Grantee. Such statement must be itemized in accordance with the approved budget with listings on a quarterly basis showing total expenditures less matching fund portion (must be at least ten percent for all funds except Medicaid).
- D. To monitor and evaluate the objectives for delivery of services and to provide the Grantee with monthly patient and revenue data to assist them in statistical and financial reporting.

III. COMPENSATION/REIMBURSEMENT

The Grantee shall submit expenditure/estimated needs reports in the format stipulated (Exhibit C) to the Department on a quarterly basis, within thirty (30) days after the close of the quarter. At the close of the contract period, a final annual expenditure report shall be submitted by the Grantee to the Department no later than sixty (60) days after the close of the year.

If the amount of funds paid to the Grantee exceeds the total actual expenditures of the Grantee, the excess shall be returned to the Department within fifteen (15) days after the final annual expenditure report has been submitted, unless approval is given for application of these funds to the next program year budget. Any underpayment by the Department shall be reimbursed to the Grantee by the Department within fifteen (15) days upon receipt of certified expenditure reports denoting the underpayment. Reimbursement to the Grantee by the Department will not exceed the amount stipulated in the contractual agreement.

AUGUST TERM 1976

IV. TERM AND PROVISIONS

The Term of the agreement will begin on the 1st day of July, 1976 and shall extend through the 30th of June, 1977 subject to the availability of state and/or federal funds to finance the same in accordance with the grant. The Grantee warrants that no part of the total grant amount provided herein shall be paid directly or indirectly to any officer or employee of the State of Tennessee, as wages, compensation, or gifts, for acting as officer, employee, subcontractor, or consultant to the Grantee in connection with any work contemplated or performed under or in connection with this grant.

This grant shall be modified by mutual agreement in writing setting forth amendments specifically, and subject to approval and signatures affixed to this document.

This grant shall be terminated for cause by either party upon sixty days prior notice in writing to the other party. Failure of the Grantee to perform stated activities, submit statistical and financial reports on a timely basis or to expend funds in accordance with the condition of this grant shall be sufficient cause for termination of this grant by the Department.

This grant is not binding upon either party until approved and signed by the appropriate State Departments.

IN WITNESS WHEREOF, THE CHATTANOOGA-HAMILTON COUNTY HEALTH DEPARTMENT has caused its name to be hereunto subscribed by its duly authorized official and the TENNESSEE DEPARTMENT OF PUBLIC HEALTH has executed this contract by its Commissioner at Nashville, Tennessee.

TITLE: AUTHORITY FOR THE COUNTY JUDGE TO REFUND THE PURCHASE PRICE OF \$820.72 PLUS PROPERTY TAX PAYMENTS OF \$48.00 TO TITLE GUARANTY AND TRUST COMPANY, TRUSTEE FOR CARL GIBSON, FOR PROPERTY HERETOFORE CONVEYED IN WHICH HAMILTON COUNTY HAD NO INTEREST.

~~Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:~~

WHEREAS, on September 13, 1967, Hamilton County conveyed unto Title Guaranty and Trust Company, as Trustee for Carl Gibson, some parcels of land as recorded in Book 1747 Page 303 Register's Office of Hamilton County, Tennessee; and

WHEREAS, the parcels therein described did not properly belong to Hamilton County and such conveyance was therefore null and void; and

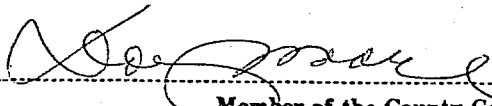

WHEREAS, the aforesaid grantee and/or beneficiary of the trust paid the sum of \$820.72 for the purchase of said properties, together with property for the years 1968 through 1972 in the total amount of \$48.00;

NOW, THEREFORE, BE IT RESOLVED by the Hamilton County Council in session duly assembled that Title Guaranty and Trust Company, as Trustee for Carl Gibson, be refunded out of the County General Fund the total sum of \$868.72 upon warrant drawn by the County Judge.

BE IT FURTHER RESOLVED that a copy of this Resolution be furnished the Assessor of Property and the County Register for correction of their records.

BE IT FURTHER RESOLVED that this Resolution take effect from and after its passage, the public welfare requiring it.

The Honorable Don Moore

Hamilton County Court House
Chattanooga, Tennessee 37402

Dear Judge Moore & Members of the County Council:

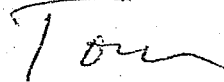

The bids for moving the books, materials and equipment from the present library to the new location were opened July 22, 1976 with the low bid submitted by Library Relocation Consultants of Bloomington, Indiana, in the amount of \$29,100. Bid tabulation is enclosed and the amount is within the budget established for moving (\$30,000). The low bid has been accepted by the Board of Directors of the Chattanooga-Hamilton County Bicentennial Library and we request action by the County Council at its next meeting in order that the bidder may be notified of the bid award.

A copy of the specifications were submitted to the County Attorney on June 30, 1976.

The low bidder is highly qualified, widely experienced and can get the task accomplished in record time. This firm moved the University of Tennessee at Chattanooga Library and comes highly recommended. Moving library collections is the sole business of this company.

Thank you for your prompt attention in this matter.

Sincerely yours,

J. Thomas Mann, Chairman

NO. 876-13

TITLE A RESOLUTION TO ESTABLISH A COUNTY COUNCIL POLICY RELATING TO PRELIMINARY APPLICATIONS FOR FEDERAL ASSISTANCE BY THE DEPARTMENT OF COMMUNITY DEVELOPMENT.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the qualitative growth of the Community Development Office has resulted in, among other things, an efficient and comprehensive method of reviewing federal assistance programs for potential application and benefit to Hamilton County; and

WHEREAS, federal guidelines require that applicants for assistance submit certain preliminary forms and data to the funding source agency, which preliminary applications must include an authorization for submission by the appropriate local governing body; and

WHEREAS, federal guidelines further require that those applicants whose preliminary applications are tentatively approved must thereafter submit final applications, which final applications must include a specific authorization for submission by the appropriate local governing body; and

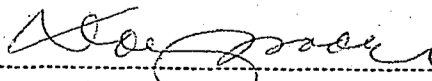

WHEREAS, numerous efforts in obtaining approval of federal assistance in programs and funding do not receive favorable federal approval because of the qualifications contained or implicit in the federal law and/or regulations, but which determination thereon is made subjectively by the reviewing federal agency upon the receipt by said federal agency of an expressed intent, usually known and designated as a preliminary application, from local governments.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That there is hereby established a federal assistance application policy, as follows:

- A. That, upon the approval of the Director of Community Development, federal assistance applications of a preliminary nature are hereby authorized to be prepared; and
- B. That, upon the review and approval of the County Judge, said preliminary applications are hereby authorized to be executed by said County Judge and are further authorized to be submitted to the appropriate federal funding source agency; and
- C. That, after consideration, review and approval of the preliminary application by the appropriate federal funding source and/or reviewing agency, every final application shall thereafter be prepared by the Community Development Department under the direction of the Director thereof, and shall then be submitted to the County Council for its consideration and approval on an individual basis.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

(Judge Moore stated that this Resolution is desirable because of a requirement by the Federal government that in order to be approved and allowed to make final application for Federal assistance, a pre-application must be filed. Judge Moore said it has gotten to the point that you have to have permission to file an application. Judge Moore said often pre-applications are made and never heard from again and Judge Moore said this is all somewhat unduly burdensome but is necessary. He stated that this Resolution will permit the County to file a pre-application and if this is accepted then an application will be filed later.)

NO. 876-20

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO ENTER INTO AND EXECUTE AN ATTACHED AND INCORPORATED CONTRACT WITH MSSRS. FIELD AND REINHART FOR THE PURPOSE OF PROVIDING WASHINGTON, D. C. REPRESENTATION JOINTLY TO HAMILTON COUNTY AND THE CITY OF CHATTANOOGA IN FEDERAL-RELATED MATTERS, AND TO AUTHORIZE THE COUNTY JUDGE TO PAY THE COUNTY SHARE THEREFOR.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, it behooves Hamilton County and the City of Chattanooga to have a joint representative in Washington, D. C., for the purpose of representing the County and City in Federal legislative matters and also for the purpose of coordinating County and City efforts in obtaining favorable legislation; and

WHEREAS, such coordination is further desirable for the purpose of promoting County and City interests in special matters involving Federal agencies or the United States Congress, in the conduct of special research, in advising the County and City relative to Federal activities and to possible funding sources for community agencies and in assisting County and City officials in other matters, and in following and expediting federal agency approval of pending grant applications; and

WHEREAS, Mssrs. John Field and William Reinhart are highly experienced in providing such Washington representation for local entitles and would provide the aforementioned coordination, promotion, assistance, follow-up, and expediting, among other services, jointly to the County and City for an annual total fee of \$33,500, same to be paid in equal parts by the County and City, according to the terms and conditions contained in the attached contract.

NOW, THEREFORE, BE IT RESOLVED, BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to enter into and execute a contract, a copy of which is attached hereto and incorporated herein by reference, on behalf of Hamilton County, with Mssrs. Field and Reinhart, and said Judge is further authorized to make such payment thereunder as represents the Hamilton County share thereof.

THIS AGREEMENT, made this _____ day of August, 1976, effective July 1, 1976, by and between the CITY OF CHATTANOOGA AND HAMILTON COUNTY, TENNESSEE, acting jointly, hereinafter called "City and County" and JOHN FIELD and WILLIAM REINHART, acting jointly, hereinafter called "Washington Representative":

WITNESSETH:

WHEREAS, The City Commission of Chattanooga and the County Council of Hamilton County, have determined that it is in the best interests of the City and County to have a joint Washington Representative for the purpose of representing the City and County in Federal legislation and coordinating City and County efforts in obtaining favorable legislation; and

WHEREAS, such coordination is desirable for the purpose of promoting City and County interests in special matters involving Federal agencies or the United States Congress, in the conduct of special research, in advising City and County relative to Federal activities and to possible funding sources for community agencies, and in assisting City and County and its officials in other matters; and

WHEREAS, the parties desire to enter into an agreement covering the aforesaid Washington Representative goals and purposes:

NOW, THEREFORE, the parties hereto mutually convenient and agree as follows:

1. Washington Representative shall, by and through its own facilities and personnel, plan, organize, and supervise special representation for City and County at the Federal government level through research and information provision and representation.

AUGUST TERM 1976

2. Washington Representative shall provide City and County with the following services

- (a) Undertake the representation in Washington of City and County interests, under the direction of the Mayor and County Judge or their designated representatives (from time to time), before all appropriate Federal agencies.
- (b) Confer in Chattanooga with appropriate City and County officials concerning City and County federal program interests on a regular and scheduled basis.
- (c) Monitor all federal aid programs with a view toward conveying timely information and analysis concerning such programs to appropriate County and City officials in Chattanooga and Hamilton County.
- (d) Advise and assist the City and County in preparing and expediting applications for Federal Grants-in-aid.
- (e) Maintain effective liaison with the policy committees and activities of the United States Conference of Mayors, the National League of Cities and National Association of Counties as they affect the interests of the City and County, without additional travel expenses unless specifically authorized in writing by the Mayor or County Judge.
- (f) Be available to consult with the Mayor, the City Commission, and County Judge and County Council

and other appropriate City and County officials on the development of a comprehensive strategy to strengthen and broaden the efforts of the City and County to maximize federal resources for City and County Programs.

- (g) Represent the interests of City and County in legislative matters in Washington.
- (h) Be available at the request of the Mayor and/or County Judge to provide technical assistance and consultation to any agency of City and County, including community agencies funded by City and County, in their efforts to deal with federal guidelines and regulations regarding federal aid programs, including involvement with state and regional agencies.

3. Washington Representative shall be free to undertake other assignments provided they do not conflict with the interest of City and County, and that they do not conflict with the priorities established by City and County. Washington Representative agrees it will not undertake the representation of any additional city without the proper written approval of the Mayor and County Judge.

4. Washington Representative shall provide appropriate administrative support and Washington-based facilities at its own expense, including travel and related costs between Chattanooga/Nashville and Washington for 18 trips per year (12 trips by William Reinhart from Nashville to Chattanooga and 6 trips from Washington to

Chattanooga by John Field). Any other travel and related costs requested by City or County will be reimbursed over and above the contract.

5. City and County agree to pay Washington Representative for the aforementioned services the total sum of \$33,500 for a one (1) year period beginning July 1, 1976, and ending June 30, 1977, payable in equal quarterly installments of \$8,375.00, the first payment to begin July 1, 1976. Before any payment shall come due, Washington Representative shall furnish City and County with bills and vouchers in the number, form and content and accompanied by such supporting data as City and County may require with payments expected to be at the end of each quarter. Anything in this agreement to the contrary notwithstanding, the total sum of any and all payments to Washington Representative shall in no event exceed 33,500.00, unless specifically authorized by the Mayor and County Judge for services or travel expenses undertaken on behalf of the City and County.

6. Washington Representative shall report from time to time to the Mayor and County Judge as required by them, on the progress of its duties and responsibilities as set forth herein.

7. In its performance of this contract, Washington Representative shall not discriminate nor permit discrimination against any person because of race, color, religion, sex, or national origin, and shall take affirmative action to keep balanced racial and sexual composition of the office. In the event of such discrimination this contract may be terminated.

AUGUST TERM 1976

8. Neither this contract nor any sums to become due hereunder shall be assigned or assignable by act of Washington Representative unless first agreed to in writing by the Mayor and the County Judge.

9. It is agreed that this contract shall be forthwith terminated and ended at the option of City and County both as respects the services to be rendered and the duties to be performed by Washington Representative and as respects the compensation to be paid for said services upon written notice of not less than thirty (30) days for non-performance, malfeasance, or misconduct.

10. It is understood that William J. Reinhart and John G. Field will jointly perform the services at Washington Representative under this contract. It is agreed that City and County shall have the option to renew this contract for a subsequent period of one (1) year or more at its or their sole discretion.

IN WITNESS WHEREOF, City and County have hereunto set their corporate name and seal by its officer thereunto duly authorized, and Washington Representative has hereunto set its name the day and first year above written.

(Judge Moore said this particular contract has been suggested because of the great deal of Federal Program activity and one of those activities happens to be the new Federal Work Program which Congress recently passed and which will require among other things that any program approved must be under contract within 90 days from the date of approval. Mssrs. Field and Reinhart have already met with the City and County representatives and were briefed both on what the expected requirements of the contract will be and also what the expected program will be. The City and County are hopeful that an attempt at having direct Washington representation to follow up on the grant request will enable us to get more of our applications processed in frankly a more rapid fashion than is characteristic. More often than not after you file an application, it sits on somebody's desk for months before their memory is tickled enough to get the application processed.)

NO. 876-21

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO EXECUTE AND SUBMIT A GRANT APPLICATION TO THE TENNESSEE LAW ENFORCEMENT PLANNING AGENCY FOR PROVIDING FUNDING FOR THE CHATTANOOGA-HAMILTON COUNTY CRIMINAL JUSTICE COORDINATING COUNCIL AND TO PAY THE COUNTY SHARE THEREFOR.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, pursuant to the provisions of "The Crime Control Act of 1973" (42 U.S.C. 3701), federal funds are provided through the Tennessee Law Enforcement Planning Agency for various purposes, including support for local criminal justice coordinating council programs; and

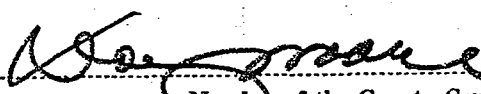

WHEREAS, the Chattanooga-Hamilton County Criminal Justice Coordinating Council is responsible for the formulation, development and coordination of comprehensive criminal justice plans and programs which are countywide in scope and include staff activities as follows:

- A. the researching of pertinent data necessary for the preparation of grant applications and for the completion of Planning Agency questionnaires;
- B. the preparation and appropriate submission of grant applications;
- C. the provision of expert assistance in the administration of various projects, and in the preparation of quarterly reports;
- D. the advising of local agencies as to policy and procedure required by higher agencies; and

WHEREAS, grant funds in the total amount of \$39,270.00 are available for the continued operation of the said Coordinating Council, which amount includes \$1,964.00 in County Share funds.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to execute and submit a grant application, a copy of which is available for review in the office of the Director of Community Development, for the purposes hereinabove stated, to the Tennessee Law Enforcement Planning Agency and to pay the County share of \$1,964.00 therefor.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

TITLE: TO EXTEND DISCHARGE DATE OF MOBILE HOME COMMITTEE FROM SEPTEMBER 1, 1976 TO NOVEMBER 1, 1976, WHICH AMENDS RESOLUTION NO. 576-11 DATED MAY 19, 1976.

~~Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—~~

WHEREAS, the Hamilton County Council in session duly assembled on May 19, 1976, adopted Resolution No. 576-11 creating a committee for the study of Hamilton County zoning regulations effecting mobile homes; and

WHEREAS, said Resolution provided that the existence of said committee would expire September 1, 1976, and that said committee would be discharged from further duties; and

WHEREAS, said committee has asked that this discharge date be extended to November 1, 1976.

NOW, THEREFORE, BE IT RESOLVED, by the County Council in session duly assembled that Resolution No. 576-11 adopted May 19, 1976, be and hereby is amended so as to change the discharge date of September 1, 1976 as set forth in Paragraph "D" to November 1, 1976.

(Judge Moore stated that it was expected when the Resolution was originally passed in May that the Mobile Home Study Committee would be able to make a recommendation by September 1. At the present time it appears that it may extend beyond September 1st, before a final determination has been made by the Committee and recommendations from the Committee to the Council are complete. But it is likewise anticipated that the date of November 1st, will be particularly adequate for them to complete their studies and make a recommendation to the Council.)

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO EXECUTE A CONTRACT WITH THE STATE OF TENNESSEE FOR THE PURCHASE OF A HURST TOOL AND TO PAY THE COUNTY SHARE THEREFOR.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, accident and/or disaster occurrences are critical situations which necessitate prompt actions by emergency medical and rescue-trained personnel in order to save life and minimize bodily injury; and

WHEREAS, such situations make time of the essence in the most vital sense, requiring that proper rescue tools and equipment be immediately available, especially in situations when the victims are trapped within vehicles and must be removed therefrom prior to the rendering of any medical services; and

WHEREAS, the State of Tennessee has acquired a limited number of Hurst Tools ("Jaws of Life") and will provide one (1) to Hamilton County for utilization within said County, same being ideally designed for the removal of accident victims from vehicular trappings; and

WHEREAS, said Hurst Tool may be purchased on a match-cost basis from the State, the total cost being approximately \$5,200.00 and the County share thus being approximately \$2,600.00.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to enter into and execute a contract with the State of Tennessee and to pay the County Share for the purchase of a Hurst Tool to be used within Hamilton County for the purposes hereinabove stated.

(Judge Moore stated that the Hurst Tool is more commonly referred to as the "Jaws of Life". It is used in automobile accidents to help extricate those who are trapped in automobiles. The City of Chattanooga has a couple of these devices that they utilize but there are none for utilization outside the city limits of Chattanooga. It is anticipated that this particular tool will be assigned to the Rescue Squads and be available for them to use in the event of the need for extricating a trapped victim in an automobile accident. The total price of the Hurst Tool is \$5,200. It will be divided between the County and State, \$2,600 each.)

(Judge Moore stated that the Justice Building has a number of Telesentry cameras that are activated by motion within given areas for security purposes. The warranty period has expired under which the Telesentry System was installed. It is now necessary that the County enter into a maintenance agreement which together with the cost of some vidicon tubes, (that is the tube that is the heart of the system which will have to be replaced annually), amounts to \$8,200. Maintenance in the Justice Building is considerable. It is one of those situations were the more complicated you get, the more it cost, and this is further evidence of that. We, in fact, pay for equipment rather than personnel in many cases and this is one of them.)

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the United States Soil Conservation Service (U.S. SCS) has heretofore provided Hamilton County with soil mapping service on a scale of one inch to one hundred feet (1":100') and one inch to four hundred feet (1":400'), which mapping determines soil suitability for various development uses, and

WHEREAS, the U.S. SCS has determined that it will no longer provide this service without compensation and/or the provision of an inexperienced soils scientist by Hamilton County, said scientist being utilized by SCS as a replacement for an experienced soils scientist, the latter being required to provide the 1":100' and 1":400' maps needed by Hamilton County,

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: that the Director of Personnel is hereby authorized to create a job position for and to employ a soil scientist and to make such designations within the class specifications, allocation list and general pay plan as will provide for same, provided, however, that qualification requirements and compensation levels will be comparable to those utilized by the U.S. Soil Conservation Service, there hereby being appropriated a sum not to exceed \$13,000 for the first year's salary and fringe benefits therefor; and

(Judge Moore stated that for a number of years Hamilton County has utilized the services of the U. S. Soil Conservation Service without charge and mapping for development purposes in Hamilton County. That particular mapping provides for mapping at the scale of 1 inch per 100 feet. Standard mapping is 1 inch to 400 feet, but that particular scale is inadequate to provide soil absorption data that is necessary for building in the County. The old system was the percolation test. They were as accurate as the engineer chose them to be. It depended in a large part upon what time of year the test was made. It could be made during a dry spell and the percolation test results could be quite favorable. If made during a wet period, the ground obviously would not absorb the water at the same rate as it would during a dry period. They were highly inaccurate and we did get away from that a number of years ago. It appears that now we are going to have to pay for service that here before has been offered by the Federal Government without cost and in that connection it will be necessary that we provide a person to be trained by the U. S. Soil Conservation Service. That person will be employed by the County and assigned to the Federal Government. In exchange, the Federal Government will provide a trained Soil Scientist who will give us mapping service at 1 inch per 100 feet.)

RESOLUTION

NO. 876-27

TITLE ACCEPTING THE BID OF HART'S AUTO PARTS CO. FOR AN AIR COMPRESSOR AMOUNTING TO \$797.00.

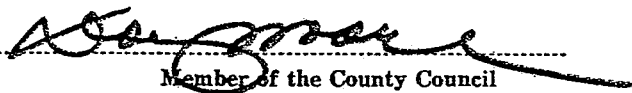

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, BIDS WERE RECIEVED IN RESPONSE TO PUBLIC ADVERTISEMENT FOR AN AIR COMPRESSOR FOR THE ENGINEERING DEPT.

WHEREAS, THE BID OF HART'S AUTO PARTS CO. FOR \$797.00 WAS CONSIDERED TO BE THE LOWEST AND BEST BID RECEIVED.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL IN SESSION ASSEMBLED: THAT THE BID OF HART'S AUTO PARTS CO. FOR \$797.00 IS HEREBY ACCEPTED, SAID BID BEING THE LOWEST AND BEST. SAME TO BE PAID OUT OF COUNTY GENERAL FUND.

BE IT FURTHER RESOLVED THAT THIS RESOLUTION TAKE EFFECT FROM AND AFTER ITS PASSAGE, THE PUBLIC WELFARE REQUIRING IT.

Member of the County Council

Action taken Adopted

ON MOTION of Judge Moore, seconded by Councilman Ricketts, the foregoing Resolution was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting as follows: Councilman Fuller, "Aye"; Councilman Long, "Aye"; Councilman Mayfield, "Aye"; Councilman Ricketts, "Aye"; and Judge Moore, "Aye".
Total present-5. Total absent-0.

* * * * *

(Judge Moore stated that this is the lowest and best bid and is under \$1,000, as another bid is here, but quotations were called for and were at an amount higher than the \$1,000 limitation. When put out to bid, they came in under \$1,000 limitation, thus the reason for having the bids on the agenda for today.)

AUGUST TERM 1976

Sealed bids for the following computer software will be received by mail until AUG. 6, 1976 11:00 A.M. by:

Paul Richard
Director of Purchasing
Hamilton County, Tennessee

Item 1: Software enhancement to the current I.B.M. Disk Operating Systems.

With the following features:

1. Automatic volume sensing- This feature allows the operations staff to mount tapes and disks on any available unit while the system assumes the function of resolving the specific device assignment. This amounts to dynamic device assignment.
2. Relocatable loader- This feature provides execution time relocatability to otherwise non self-relocating programs; therefore a program need be catalogued only once on the core image library to be executed in any partition.
3. Procedure Library Support- This feature permits the cataloging of standard job control statements on the D.O.S. systems pack for direct retrieval upon call.
4. Resident Transient Support- This feature would allow the including at link edit time any repeatedly called transient during execution time.
5. Blocked Fetch- This feature improves the performance of fetching or loading all modules from the core image library.
6. System Transient Optimizer- This feature is used to construct a type of load list, in the available space remaining above the supervisor; to eliminate the scanning of the Core Image Library again and again for these transients.
7. Job Accounting- A complete job accounting data collection, data reduction and basic reporting system with user exits and data editing capabilities should be included.
8. A utility program should be included that could be run to optimize the physical location of all phases cataloged on the core image library to achieve maximum performance benefits.
9. C.P.U. Load Balancing- This is a feature that would allow programs being run in a lower priority partition to obtain small amounts of C.P.U. time when required to improve their I/O bound jobs.

ON MOTION of Judge Moore, seconded by Councilman Ricketts, the foregoing Resolution was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting as follows: Councilman Fuller, "Aye"; Councilman Long, "Aye"; Councilman Mayfield, "Aye" Councilman Ricketts, "Aye"; and Judge Moore, "Aye". Total present-5. Total absent-0.

* * * * *

(Judge Moore stated that these are the lowest and best bids as meeting specs with one slight variation in that a Pontiac automobile was chosen that complied with the needs and this was done to meet the State requirements for funding, in order to pay for the van which came in at a slightly increased bid price.)

(Judge Moore stated that there were no widows on this particular piece of property. It is the highest and best offer.)

Judge Moore asked if there were any delegations to appear before the Council.

Carolyn Anderton, a former employee of the Hamilton County Nursing Home, said she wanted to bring to the attention of the Council the Hamilton County Nursing Home and how our tax money is being put to use out there. Unless you work at the place, you really can not say until you go out there and see with your own eyes what is going on. Mrs. Anderton said she thought it was time that the Council knew what was going on and do some kind of investigation without them being warned. Mrs. Anderton thought that anyone should be able to go into the Nursing Home and find it in order. She stated that it was not. There were several things Mrs. Anderton thought should be brought to the attention of the Council. One was that there was not a doctor on call 24 hours a day and there were critical patients. There are bugs climbing the walls. Mrs. Anderton said that there were things that aides were doing that should be done by an RN, such as the doctoring of bed sores and giving medication.

Councilman Fuller asked Mrs. Anderton if she had registered these complaints with the Administrator of the Nursing Home.

AUGUST TERM 1976

Mrs. Anderton stated that it did not do any good to go to that man. There are several who went to him, but all they do is take the charge nurse's word. Mrs. Anderton stated that the little people do not count out there.

Councilman Fuller asked Mrs. Anderton if the other people with her were former employees or employees.

Mrs. Anderton answered yes.

Judge Moore stated that the Council would be glad to transmit their questions and see what kind of response they get.

ON MOTION of Councilman Mayfield, seconded by Councilman Ricketts that the records of the Sheriff's Office for June 1976, be accepted, treat same as read, approved, and filed and made a matter of record. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Total absent-0.

RESOLUTION

WHEREAS, James F. and Dorothy J. Turner, on May 19, 1976, petitioned the Chattanooga-Hamilton County Regional Planning Commission to recommend to the Judge and Members of the County Council the rezoning from Agricultural District to Single Lots Mobile Home District a tract of land located on the north line of Lee Pike, east of Pendergrass Road.

This tract begins some 1800 feet east of Pendergrass Road, fronts 426.58 feet on the north line of Lee Pike and extends northeast 1725.26 feet, thence southeast 326.9 feet, thence northeast 314.66 feet, thence southeast 1230.07 feet, thence northeast 1718.8 feet, thence northwest 1697 feet, crossing Emory Road at 950 feet, thence southwest 641.6 feet, thence northwest 1197.6 feet, thence southwest 848.6 feet, thence southeast 1039.93 feet, crossing Emory Road at 400 feet, thence southwest 791 feet, thence southwest 1693.23 feet to Lee Pike, the point of beginning, excluding therefrom the right-of-way of Emory Road.

AND WHEREAS, the Planning Commission held a public hearing on this petition on July 12, 1976,

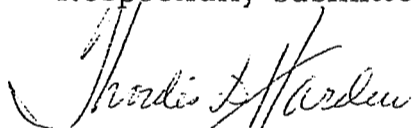

S E P T E M B E R T E R M 1 9 7 6

AND WHEREAS, a Mr. Citty called the Planning Commission office in opposition to the rezoning, stating as his reasons: (1) the school bus did not serve the area, (2) questioned whether the Sale Creek Volunteer Fire Department would have enough water to serve a mobile home subdivision, and (3) hunting dogs were sometimes left loose at night and might be a hazard.

1976-097

NOW THEREFORE, BE IT RESOLVED that the Planning Commission, on July 12, 1976, recommended to the Judge and Members of the County Council that this petition be approved.

Respectfully submitted,

All Motorola radio equipment and parts, other than tubes, vibrators, batteries, crystals and "PERMAKAY" filters, are guaranteed by Motorola for a period of one year against defects in design, material and workmanship.* The warranty period will start with the installation date, but not later than 60 days from receipt of equipment, or, if the installation date cannot be established, with date of shipment. Motorola's "PERMAKAY" filters are unconditionally guaranteed for the life of the equipment. Motorola's crystals are unconditionally guaranteed by Motorola for a period of three (3) years. Tubes carry their own standard manufacturer's warranty of 90 days or 1000 hours whichever first occurs, except receiving tubes purchased through the Parts Depots which carry a discount in lieu of warranty. Vidicon camera tubes carry a warranty of 90 days or 1000 hours, whichever first occurs, provided normal operation and precautions have been observed. Video Monitor picture tubes carry a one year standard warranty. Dry batteries are not included in the warranty policy. Nickel-Cadmium batteries carry the manufacturer's guarantee varying from one (1) to five (5) years, depending on the type. All Motorola equipment meets the FCC engineering standards.

REQUESTED STATEMENTS

proposal

The telephone lines needed for remote control and encoding to the Highway Department Base Station is a standard 600 Ohms D.C. loop phone line.

The Highway Department Base will need to be modified to operate remote control for the EOC. Our service people will install the needed equipment in the station without any "out of service" time.

Motorela guarantees 100% coverage 95% of the time for the alert monitors as per the bid request.

All equipment will be supplied in the color as shown in the equipment brochures. Our optional equipment bid includes a Minitor Alert Monitor which can be had in White or Red at no extra cost.

Motorela will train each user as often as needed for 90 days after installation. If possible we would like to make a recording on a casset at each school explaining the proper use of the equipment. This can be done also at the EOC.

We will supply one operation manual per monitor and pager. We will provide two service manuals with each different type equipment.

SYSTEM DESCRIPTION

In this bid we will provide 95 or more Alert Monitors with two function (individual and group call) signaling. Each unit is equipped with decoder, on light, call light, reset switch, volume control, squelch control, NiCad Battery with charger and automatic change over, and antenna as required. Units will be delivered and installed at each school with training and check out being made at that time.

Eight Pagecom Pagers will be provided with two function decoding. Each unit is equipped with decoder, tone & voice, volume control, reset button, NiCad battery and charger. Check out and training will be performed upon delivery.

One encoder is bid which contains it's own D.C. Remote Control equipment for controlling the Base Station. The unit will be supplied with a microphone, 900 call encoder, and related equipment needed to modify the Base Station.

If desired, Motorola will loan a Base Station to Civil Defense for a reasonable amount of time if they desire to go ahead and license the equipment bid to comply with the future plans for the EOC.

The School Monitors can be set up for all units to be called individually or in groups and then be activated at one time by the dispatcher pressing one button on the encoder. This can also be done with the pagers. Our equipment has not been designed to give three function (individual, group, all call) signaling. We have found through experience that this need is not justifiable nor is it practical. The users whom we know that started with three function signaling have found that it is expensive to maintain and has a poor reliability factor. The two function signaling has provided them with simplicity of operation. Those which started and paid the price for three function have since modified or replaced the equipment with two function equipment.

Gentlemen:

Motorola is pleased to have this opportunity to bid on your School Warning System for the EOC. We have spent much time analyzing your needs and designing equipment to meet these needs.

We feel that through our years of experience and service to other Civil Defense Agencies in your area has proven our ability to fulfill the requirements for School Warning Systems. We take much pride in these Systems and would be glad to show them to you.

Motorola feels sure that after you analyze the bids, you will find ours to be the best. We await with much anticipation, the opportunity to serve your needs.

Again we thank you for this opportunity to bid and ask that if you have any questions, please feel free to call.

Dear Mr. Browder:

At a special meeting on June 28, 1976, the Chattanooga Board of Education approved our participation in the Early Warning System by purchasing receivers for all of our centers. The original proposal was for 60 receivers in the amount of \$9,780. In reviewing our needs we find that we should have three additional receivers to cover some of our plants that house a number of employees but are not instructional centers, so we would like to request that you purchase an additional three receivers for us. It is our understanding that the County will make the purchase and will then bill the Chattanooga Board of Education for its share of the cost.

Very truly yours,

Dear Mr. Richard,

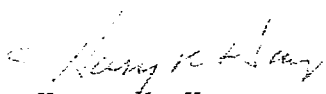

I am enclosing specifications and a new bid price on the seven FM radio units that were bid August 10, 1976. I was advised by your Department that my bid exceeded the amount available by the Grant, upon reviewing figures on the Grant and the figures on my computation of the bid, I was able to determine that I duplicated on one set of figures which considerably increased the cost to the County. This having been corrected I re-submit a bid price of \$1538 per completed unit; and this price can be reduced even more if all four channels are not required at this time. It can be reduced ^k an additional \$100 per radio, which will bring the total cost down for the seven units \$700.

Also I noted that there were no specifications mentioned under 108 Bulk Film for Poloroid indicating whether this was the 108 +2 or the 108 Film. The Standard 108 color film has a less vibrant color upon developing and as it is an older model film it is \$25 cheaper per case. If you choose the 108 plain you can subtract \$25 from the bid or a total of \$225 per case of Fifty packages of film.

The above bids were for Grants #421A-76-5.04-E3 and #10A-76-5.04-E1. Total requested would be seven FM Voice Personal Portable Radios with Vehicle Charger. My bid also includes A UHF5DB High Gain Antenna, which is not called for in the bids but is called for in the radios. If this is not necessary you can subtract \$20 from that bid also per unit.

If I can be of any further service please do not hesitate to call or contact my office at 875-4974.

Sincerely yours.

NO. 976-10

TITLE ACCEPTING THE BID OF HAJOCA CORP. FOR ONE (1) COMMERCIAL WATER HEATER, \$975.00

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, BIDS WERE RECEIVED IN RESPONSE TO PUBLIC ADVERTISEMENT FOR ONE (1) COMMERCIAL WATER HEATER FOR THE CHAMBLISS HOME.

WHEREAS, THE BID OF HAJOCA CORP. FOR \$975.00 WAS CONSIDERED TO BE THE LOWEST AND BEST BID RECEIVED.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: THAT THE BID OF HAJOCA CORP. IS HEREBY ACCEPTED, SAID BID BEING THE LOWEST AND BEST. SAME TO BE PAID OUT OF COUNTY GENERAL FUND.

BE IT FURTHER RESOLVED THAT THIS RESOLUTION TAKE EFFECT FROM AND AFTER ITS PASSAGE, THE PUBLIC WELFARE REQUIRING IT.

Member of the County Council

Action taken Adopted

ON MOTION of Judge Moore, seconded by Councilman Ricketts, the foregoing Resolution was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting as follows: Councilman Fuller, "Aye"; Councilman Long, "Aye"; Councilman Mayfield, "Aye"; Councilman Ricketts, "Aye"; and Judge Moore, "Aye".
Total present-5. Total absent-0.

(Judge Moore stated that this particular bid is actually under the \$1,000 limit (items under the \$1,000 do not have to go through the Council) but when prices were quoted over the telephone they were over the \$1,000 limit. This same thing had happened at the last Council meeting, Judge Moore stated, and is another example of how the bidding process works to the benefit of the citizens of Hamilton County.)

NO. 976-15

TITLE: AUTHORITY FOR THE COUNTY JUDGE TO EXECUTE QUIT-CLAIM DEED WITH THE CITY OF CHATTANOOGA TO CONVEY CERTAIN PROPERTY TO C. H. BIRDWELL AND WIFE THELMA BIRDWELL FOR THE SUM OF \$604.87 BEING THAT PROPERTY OWNED BY THE BIRDWELLS HERETOFORE PURCHASED BY THE COUNTY AND CITY FOR NON-PAYMENT OF PROPERTY TAXES.

Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled

WHEREAS, C. H. Birdwell and wife Thelma Birdwell have owned the real estate in Hamilton Count as hereinafter described pursuant to deed recorded July 1, 1950, registered in Book 1026, Page 564, in the Register's Office of Hamilton County, Tennessee; which property was sold in 1974 for back taxes by Chancery Court sale, Docket No. 11064, item 1026; old parcel no. 182-11-6 and new parcel no. 167-0-K-13; and

WHEREAS, C. H. Birdwell has advised that at the time of sale he had had no knowledge of past due taxes; that during said period of non-payment his father and mother had lengthy illnesses resulting in the subsequent death of his father; and that he had recently learned their home and property are now jointly owned by the City of Chattanooga and Hamilton County and that the two year period of equity of redemption has expired; and

WHEREAS, the County Council is of the opinion that a conveyance by quit-claim deed is equitable and just upon payment of the amount due at the time of sale in the amount of \$604.87;

NOW, THEREFORE, BE IT RESOLVED, by the County Council in session duly assembled that the County Judge be and hereby is authorized to execute a quit-claim deed jointly with the City of Chattanooga conveying the property hereinafter described unto C. H. Birdwell and wife Thelma Birdwell upon their payment to the Clerk and Master of the Chancery Court the sum of \$604.87 representing City and County property taxes as set forth in aforesaid Chancery cause action, which includes attorneys' fees, court costs, penalty and interest. Said property is described as follows:

Lots 1, Part 2, Block 1, T.P. Davis Add. to St. Elmo Plat Book 2, Page 6.

BE IT FURTHER RESOLVED that upon payment of said sum the Clerk and Master, after deducting court costs and attorneys' fees, shall divide the remainder unto the City of Chattanooga and Hamilton County in accordance with their respective interests in and to the taxes due, plus penalty and interest.

BE IT FURTHER RESOLVED that a copy of this Resolution be furnished to the Clerk and Master of the Chancery Court, the Assessor of Property, and County Trustee, and the Register of Deeds.

BE IT FURTHER RESOLVED that this Resolution take effect from and after its passage, the public welfare requiring it.

TITLE AUTHORITY FOR THE COUNTY JUDGE TO ENTER INTO AND EXECUTE THE ATTACHED AND INCORPORATED PERMIT AGREEMENT FOR THE USE OF HIGHWAY RIGHT-OF-WAY WITH THE TENNESSEE DEPARTMENT OF TRANSPORTATION AND THE CITY OF CHATTANOOGA FOR THE PURPOSES AND UPON THE UNDERSTANDINGS SET FORTH HEREINABOVE, THE HAMILTON COUNTY COST THEREFOR TO BE PAID FROM THE COMMUNITY DEVELOPMENT APPROPRIATION.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the Hamilton County Office of Community Development, in conjunction with the Office of the County Engineer and in coordination with appropriate officials of the City of Chattanooga, have, in response to demonstrated community interest and for the purposes of safety, economy and public welfare, conducted feasibility studies regarding the establishment and development of bicycle lanes upon area roadways; and

WHEREAS, the aforesaid officials of Hamilton County and Chattanooga have respectively recommended to the Chief Executives thereof that a bikeway be created upon designated areas of Highway 58, commencing at the Highway 58-Highway 153 cloverleaf and extending north to the vicinity of Central High School in the Harrison community; and

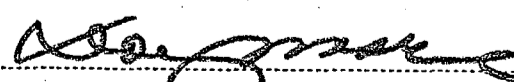

WHEREAS, Highway 58 is State Route No. 58 and is, accordingly, subject to right-of-way controls promulgated by the Tennessee Department of Transportation, therefore necessitating the concurrence and approval of said Department regarding alterations in the utilization of said State Route; and

WHEREAS, in order to accomplish the purpose of establishing the aforementioned bicycle lanes, a tripartite Permit Agreement For the Use of Highway Right-of-Way has been proposed, a copy of which is attached hereto and incorporated herein by reference, it being understood that, following the execution of same by the signatory parties thereto, the City of Chattanooga will construct same and will be reimbursed by Hamilton County for those portions of the total cost which are incurred within Hamilton County and without the boundaries of said City, provided, however, that in no event will the total cost to Hamilton County exceed \$2,500.00.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to enter into and execute the attached and incorporated Permit Agreement For the Use of Highway Right-of-Way with the Tennessee Department of Transportation and the City of Chattanooga for the purposes and upon the understandings set forth hereinabove, the Hamilton County cost therefor to be paid from the Community Development appropriation.

PERMIT AGREEMENT FOR THE USE OF HIGHWAY RIGHT-OF-WAY

WHEREAS, the Department of Transportation of the State of Tennessee, hereinafter called "the State," in order to more fully utilize rights-of-way for all citizens of the State, agrees to permit the use of parts of the paved surfaces of State Highway No. 58 in the City of Chattanooga, Tennessee, and in Hamilton County for the use of bicycle riders along Highway No. 58; and

WHEREAS, the City of Chattanooga, Tennessee, and Hamilton County desire to establish bicycling lanes on each side of State Route No. 58 in the outside lanes closest to the curbs, which lanes having been designated on the latest plans of Project F-060-1-(8) of State Route No. 58 as emergency lanes from a point immediately east of the ramps of State Route No. 58 to a point east of Central High School where said Project No. F-060-1-(8) ends and the multiple lanes are transitioned into the two-lane highway; and

WHEREAS, the City of Chattanooga and Hamilton County resolved that it is in the best interest that bicycle lanes be established for residents and citizens of their jurisdictions;

NOW, THEREFORE,

The State does hereby permit the City of Chattanooga and Hamilton County to use the two curb-side lanes of State Highway No. 58 as bicycle lanes, subject to the following conditions:

- (1) It is understood that this permit shall be valid until canceled by either of the parties giving the other sixty (60) days written notice of such cancellation.

S E P T E M B E R T E R M 1 9 7 6

(2) The City of Chattanooga and Hamilton County within the jurisdiction of each shall be responsible for marking said lanes and placing signs designating said lanes as bicycle lanes and placing suitable signs and warning devices to warn motor vehicles of the lanes used by bicycles and the caution to be used in crossing same to enter abutting private property and to enter the center lanes of the highway from private property.

(3) The City of Chattanooga and Hamilton County within the jurisdiction of each shall be responsible for drainage structures and drop inlets along the lanes used as bicycle lanes and be responsible to secure same to be traveled over by bicycles and not interfere with highway drainage these structures are designed for.

(4) The City of Chattanooga and Hamilton County within the jurisdiction of each shall be responsible for maintenance of the bicycle lanes, including, but not limited to, maintenance of markings, warning devices and signs, drainage structures and drop inlets; and further, each shall be responsible for keeping the pavement and lanes in a clean, swept condition within their respective jurisdiction.

(5) Should the State cancel this permit, no compensation will be made by the State to the other parties.

(6) Should this permit be cancelled, the City of Chattanooga and Hamilton County agree to restore the public highway right-of-way to its original condition, within their respective jurisdictions.

(7) The City of Chattanooga and Hamilton County specifically agree to hold the State of Tennessee and the Department of Transportation harmless against any damages resulting from their use of the highway for bicycle lanes pursuant to this

(Judge Moore said that this Resolution will permit the construction of a bike-way along Highway 58. Since this is a State Highway it is necessary for the State Department of Transportation to participate in the contract by permitting the construction of the bike-way by the city and the county. The city will actually do the work and bill the County for that portion outside the limits of the city.)

~~Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:~~

WHEREAS, a new term of office is being commenced by Sheriff Jerry Pitts September 1, 1976; and

WHEREAS, T.C.A. 8-2208 provides for the County to furnish operational funds for newly elected fee officials until such office earns adequate fees;

NOW, THEREFORE, BE IT RESOLVED by the Hamilton County Council in session duly assembled that the County Trustee shall pay upon warrants issued by the County Judge such monthly sums as designated in the warrants for the operational expenses of the Sheriff's Office, the total of such warrants not to exceed the sum of One Hundred Thousand (\$100,000.00) Dollars. Such advanced sums for said operational expenses are to be repaid to the Hamilton County General Fund within the term of office by Jerry Pitts, Sheriff.

BE IT FURTHER RESOLVED that this Resolution take effect from and after its passage, the public welfare requiring it.

Member of the County Council

S E P T E M B E R T E R M 1 9 7 6

ON MOTION of Judge Moore, seconded by Councilman Ricketts, the foregoing Resolution was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting as follows: Councilman Fuller, "Aye"; Councilman Long, "Aye"; Councilman Mayfield, "Aye"; Councilman Ricketts, "Aye"; and Judge Moore, "Aye". Total present-5. Total absent-0.

* * * * *

Judge Moore stated that this is the usual method of permitting incoming elected officials in fee offices to obtain funds for operating expenses.

Councilman Fuller asked if this was just a loan.

Judge Moore said yes, and it would have to be repaid.

S E P T E M B E R T E R M 1 9 7 6

Judge Moore asked if there were any delegations to appear before the Council on matters other than zoning. There were none.

ON MOTION of Councilman Mayfield, seconded by Judge Moore, that the records of the Trustee's Office for March - July, 1976; Criminal Court Clerk for March - July, 1976; Register's Office for April - July, 1976; Clerk and Master for September, 1975 - July, 1976; Circuit Court Clerk for March - July, 1976; Sheriff's Office for July, 1976; and County Court Clerk's Office for July, 1976 be accepted, treat same as read, approved, and filed and made a matter of record. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Total absent-0.

TITLE A RESOLUTION TO APPROVE CERTAIN STIPULATIONS REQUIRED BY THE SOIL CONSERVATION SERVICE IN ORDER TO PROVIDE STREAM CHANNEL REPAIR WORK TO THE POSSUM CREEK, AND TO AUTHORIZE THE COUNTY JUDGE TO TAKE REQUIRED ACTIONS IN CONNECTION HEREWITH.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the U. S. Department of Agriculture has allocated funds to be administered by the Soil Conservation Service for emergency treatment assistance to protect lives and property from floodwater, erosion and sediment discharge; and

WHEREAS, pursuant to this allocation, said Service could provide stream channel repair work upon the Possum Creek if Hamilton County would agree to certain stipulations, same being:

1. That Hamilton County accept sponsorship for, and request the emergency assistance be made available by the said service;
2. That Hamilton County acquire the necessary permits, land and water rights, licenses and clearances needed for the installation of the emergency treatment measures by the service on the property of individual landowners located within the county;
3. That Hamilton County accept all financial and other responsibilities resulting from its failure to obtain, or delay in obtaining adequate permits, land and water rights, licenses and clearances needed for the aforesaid measures;
4. That Hamilton County designate an individual to assist in establishing work priorities, acquire land rights, coordinate proposed emergency work with all concerned individuals and groups, especially with disaster and environmental groups, and perform other duties of Hamilton County in these regards;
5. That, if approved, a copy of this Resolution be provided the Soil Conservation Service;
6. That Hamilton County will hold and save the United States free from damages due to the approved work; and

WHEREAS, the Possum Creek of Hamilton County has a need for the aforementioned assistance.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That Hamilton County Council hereby agrees to and approves the aforementioned stipulations regarding the emergency treatment assistance to be provided by the Soil Conservation Service upon the Possum Creek, and authorizes the County Judge to make such requests, acquisitions and designations as are required to carry out the project mentioned herein.

AGREEMENT

BETWEEN

HAMILTON COUNTY

AND

THE ADULT BASIC EDUCATION OF CHATTANOOGA PUBLIC SCHOOL SYSTEM

THIS AGREEMENT, made and entered into this _____ day of _____, 19____, by and between Hamilton County, hereinafter referred to as "County", and the Adult Basic Education of Chattanooga Public School System, referred to as "Basic Education."

WITNESSETH:

WHEREAS, the County, desires to provide certain educational-related services to certain persons who are confined or otherwise incarcerated at the Hamilton County Women's Detention Unit so as to enable said persons to prepare themselves for reintegration into local society in a positive manner; and

WHEREAS, Basic Education, being of the Chattanooga Public School System, with expertise and ability in the rendering of educational-related services to adults within the Chattanooga-Hamilton County area, desires to provide such services to such persons within the aforementioned area who desire same.

NOW, THEREFORE, in order to accomplish the expressed desires set forth above, the County and Basic Education agree as follows:

1. The County agrees to provide adequate facilities within the Hamilton County Women's Detention Unit for the educational instruction of certain persons confined therein, said facilities to be made available to a designated instructor from and of Basic Education during certain time periods, said periods being from 9 a.m. to 12 noon on Mondays and Fridays for a total period of fifty (50) weeks, whether consecutive or otherwise.

THIS AGREEMENT IS MADE AND ENTERED INTO THIS _____ DAY OF _____, 19____.

2. The County ~~will pay, as consideration for the~~ instructional services to be rendered by Basic Education, an amount which shall not exceed and which shall initially be Six Dollars and Fifty Cents (\$6.50) per hour for each hour of instructional service rendered by Basic Education; provided, however, that in no event will the County be liable to pay for more than six (6) hours of said services within any seven-day period.

3. The County will provide necessary supplies and equipment and other related operating-expense amounts for the purposes hereinabove stated; provided, however, that the County may require the requisition and purchase of such supplies and equipment to be made by and through the Hamilton County Department of Community Development in accordance with the practices and procedures normally followed by the County, and, further provided, that the County reserves the right to refuse to purchase any item or group of items at its discretion, and may also set a total amount or limit upon any and all expenditures for any of the purposes herein mentioned.

4. Basic Education agrees to provide one (1) certified instructor to provide the educational-instructional services mentioned hereinabove.

a. It is understood that Mrs. Ann Eichelman will be this person.

b. If, for any reason, Mrs. Eichelman's services are no longer desired by the County or are unable to be rendered on behalf of Basic Education, a replacement will be provided by Basic Education, which replacement shall be acceptable to the County.

5. Basic Education will provide supervision for the instructional periods mentioned above through the Supervisor of Adult Basic Education.

S E P T E M B E R T E R M 1 9 7 6

6. Basic Education will comply with all the rules, regulations and requirements deemed necessary by the County to be observed in order to insure the success and completion of this agreement, specifically such time period requirements as are mentioned herein.

IN AGREEMENT WITH EACH AND EVERY PROVISION SET FORTH HEREINABOVE, WE HEREBY EXECUTE THIS AGREEMENT WITH FULL AUTHORITY AND ABILITY TO DO SAME ON BEHALF OF THE RESPECTIVE PARTIES WE REPRESENT:

This indenture made this _____ day of _____, 1976 between Hamilton County, a constitutional cooperation within the State of Tennessee, a party of the first part (hereinafter referred to as LESSOR), and Tennessee Department of Public Health, organized under the laws of the State of Tennessee, party of the second part (hereinafter referred to as LESSEE):

1. WITNESSETH, that the LESSOR hereby, leases to the LESSEE, a portion of that property known as the Chattanooga-Hamilton County Health Department building, 921 East Third Street, Chattanooga, Hamilton County, Tennessee, and/or particularly described as being that portion of the ground floor, east wing of said building, which is designated, delineated and set aside for laboratory and storage space by the parties hereto and containing 5,600 square feet.
2. The term of this lease shall be for a period of one year commencing on the first day of July 1976 and ending on the 30th day of June 1977. LESSOR covenants to keep the LESSEE in quiet possession of the premises during the said term.
3. The LESSOR agrees to maintain fire and other casualty insurance on the building consistent with policies and practices of Hamilton County. The LESSOR agrees to furnish maintenance service and utilities. (Subject to the provisions of paragraph eight hereof.)

AUG 23 1976

S E P T E M B E R T E R M 1 9 7 6

4. Upon the termination of this lease by the expiration thereof, the LESSOR will have the option to offer renewal of said lease, year-to-year, to LESSEE. In the event of any such renewal or extension of this lease, the annual rental rate will be reevaluated at the option of the LESSOR so as to adequately cover any increased cost to LESSOR in operation, or maintenance or otherwise.
5. The LESSOR hereby agrees to provide reasonable staff parking space to the LESSEE in the vicinity of Third and Palmetto Streets. LESSEE'S visitors may utilize parking space adjacent to the Health Department on an "as available" basis.
6. The LESSOR will permit the LESSEE to utilize the auditorium and the conference rooms on a reasonable basis subject to the customary scheduling practice of the LESSOR.
7. The LESSEE agrees to furnish personal property insurance consistent with policies and practices of the State of Tennessee.
8. The LESSEE agrees to pay all cost of telephone service, including any charges for changes, relocation, or discontinuance of telephone service in the leased premises.
9. It is further agreed by and between the LESSOR and LESSEE that if at any time during the term of this lease governmental funds and support to the LESSEE are substantially reduced or discontinued the LESSEE may cancel this lease by giving 30 days written notice. The LESSEE may cancel this lease for convenience upon 60 days written notice.

S E P T E M B E R T E R M 1 9 7 6

10. Upon the termination of this lease by expiration, cancellation or otherwise the LESSEE agrees and covenants with LESSOR to have the leased premises completed vacated by the 31st day following such termination and in the event said premises are not so vacated, the LESSEE shall be liable to LESSOR for additional rents on a pro-rata basis consistent with the rental terms of this lease agreement.
11. The premises shall not be underlet for the whole, or in part, assigned or transferred, without the written consent of the LESSOR.
12. If this lease shall at any time become void or forfeited, the LESSOR shall give the LESSEE notification of intent to recover possession of the premises.
13. Should the LESSEE continue to occupy the premises after the expiration of said term, or after a forfeiture incurred, whether with or against the consent of the LESSOR, such tenancy shall be from month-to-month, and in no event year-to-year. The LESSOR shall have the right at reasonable times to enter upon said leased premises for the purpose of making inspection thereof.
14. The LESSEE shall not undertake any alternations or repairs on the premises without the written consent of the LESSOR. The LESSOR shall not be held liable for the cost of any alterations or repairs made by or for the LESSEE.
15. LESSEE further covenants to return premises to LESSOR at the termination of this lease in as good repair as when received, ordinary wear and tear excluded.

S E P T E M B E R T E R M 1 9 7 6

16. LESSEE agrees to save and hold LESSOR harmless from any and all actions or claims, of every kind and/or character, which may arise out of LESSEE'S operation and/or lease of said property.

IN CONSIDERATION WHEREOF, The LESSEE hereby binds itself to pay the LESSOR rent at the rate of \$2.27 per square foot per year not to exceed the total of \$12,734. The LESSOR will bill the LESSEE in arrears on a monthly basis and payment thereof shall be remitted by LESSEE to LESSOR on or before the 20th day following each billing.

IN WITNESS WHEREOF, the PARTIES hereto by their authorized office have executed this instrument on the day and date shown.

SHERIFF PITTS WOULD PREFER TO HAVE ALL FORDS, THE FIVE (5) 1976 MODELS IN STOCK AND THE FIVE (5) 1977 MODELS TO BE DELIVERED IN FOUR (4) TO SIX (6) WEEKS. HIS REASON BEING THAT THE COST OF MAINTENANCE, REPAIR AND UPKEEP IS LESS ON FORDS.

IN THE OVERALL BID, ONLY FORD AND PLYMOUTH MET THE SPECIFICATIONS FOR FULL SIZE CARS, ALL THE OTHERS WERE INTERMEDIATE CARS. PLYMOUTH IS ONLY \$105.00 LESS PER UNIT ON THE 1977 MODELS.

RESOLUTION

NO. 976-22

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO EXECUTE AND SUBMIT A GRANT APPLICATION TO TENNESSEE DEPARTMENT OF HUMAN SERVICES FOR THE PURPOSE OF FUNDING A COMPREHENSIVE SERVICES PROGRAM TO PROVIDE CARE TO CHILDREN IN CRISIS SITUATIONS, AND TO AUTHORIZE SAID JUDGE TO PAY THE COUNTY SHARE THEREFOR.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, there is currently no central service agency to provide comprehensive services to children in a crisis situation involving their health, safety or general welfare; and

WHEREAS, many services are provided by the community-at-large for children, but there is no central intake point, coordination, 24-hour service, or the ability to provide alternatives to institutional and/or legal involvement of the child at the time of crisis; and

WHEREAS, in order to meet the needs of children during crisis periods, and to better coordinate existing programs and the various alternatives currently existing, a Comprehensive Emergency Services (CES) program is required within Hamilton County; and

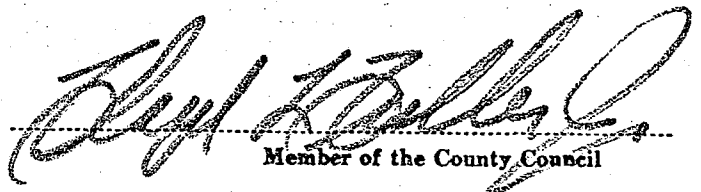

WHEREAS, said CES program would provide 24-hour service for emergency situations as mentioned above, and would coordinate existing services in a manner which better meets the needs of our children and which better utilize the treatment and care alternatives presently available within Hamilton County; and

WHEREAS, a grant application, if submitted to and approved by the Tennessee Department of Human Services, pursuant to the provisions of Title XX of the Social Security Act, would provide \$27,785.00 for the operation of said CES program during the remainder of this Fiscal Year, of which amount the County share would be \$173.66.

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to submit a grant application to Tennessee Department of Human Services for the purpose of funding the operation of a Comprehensive Services Program within Hamilton County in accordance with the provisions of a document which details same and which is entitled "Title XX Comprehensive Emergency Services For Children Proposal", is on file in the office of the County's Director of Community Development, and which is incorporated herein by reference as fully and completely, as though copied herein verbatim, and said Judge is further authorized to pay the County share therefor.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

HAMILTON COUNTY GOVERNMENT

The Hamilton County governing body is the COUNTY COUNCIL, created in 1941. All legislative and policy-making powers and duties in connection with County Government are vested in the Council, except those pertaining to the operation of the County and City school systems, and to officials elected by the people in accordance with the State Constitution and State Laws. The Council consists of the County Judge and 4 Councilmen, all of whom are elected at large by all voters in Hamilton County. The Judge is the County's chief executive officer, and is chairman of the Council, has a vote in its deliberations, and exercises general supervision

over County functions and over all expenditures, including signing all payable warrants. He receives a salary for his services as Judge and Fiscal Agent.

The County Council is specifically empowered to set the County tax rates after receiving budget estimates from all County departments and agencies; adopt a budget of all County expenses and appropriate funds for all lawful purposes; borrow in anticipation of current revenue; provide for appointing and fixing duties and salaries of County employees; adopt a system of social security in keeping with acts of Congress and the State legislature; contract with attorneys for special services; consolidate and coordinate various departments of County government; provide for investigation the official conduct of any officer or employee; settle, compromise, and pay just claims against the County upon approval of the County Attorney and Auditing Department; and exercise all powers of eminent domain, and the institution, defense, and conduct of litigation in behalf of the County.

The County Judge is elected for a term of 8 years. Members of the Council serve 4 years. Regular public meetings are held the first and third Wednesdays of the month in the County Council Room at the Courthouse. Special meetings are held on the call of the County Judge. The County Court Clerk serves as Secretary of the Council and as Secretary of the Quarterly Court. One of the 4 Councilmen serves as Vice-Chairman.

S E P T E M B E R T E R M 1 9 7 6

County Judge: 8 years, beginning September 1, 1974.

Chief Administrative Officer of Hamilton County, Chairman of the County Council, Chairman of the County Court, Fiscal Agent for Hamilton County in various ways.

County Council Members: 4 years, beginning September 1, 1974. Handle all matters relating to the operation of Hamilton County that may come under the jurisdiction of the County Council.

Juvenile Court Judge: 8 years beginning September 1, 1974. Cases involving offenders through 17 years of age. Approves all clerks, probation workers, and other employees of the Juvenile Court.

Juvenile Court Commission: 12 members, unpaid. 3 staggered 2 year terms. Advisory body for the Juvenile Court, appoints its own successors subject to the approval of County Council. The Juvenile Judge and the Director of Court Services are ex-officio members on the Commission.

2. Description of Existing Program:

- a. The purpose and philosophy of the Juvenile Court is mandated by law. See Appendix A.
- b. The following services are provided by the Hamilton County Juvenile Court: Intake and Legal Counseling; Probation and Social Services; Volunteer Services; Detention and Foster Home Services. For a detailed description of these services see Appendix B.
- c. The Hamilton County Juvenile Court provides services to youth under the age of 18 years. Services are

-4-

provided to children or youths who are delinquent, unruly, dependent or neglected. For a detailed description of clients served in each of these areas, see Appendix B.

d. Facilities:

The present facilities of the Hamilton County Juvenile Court are located at 224 North Highland Park Avenue, Chattanooga, Tennessee. The Court facilities are composed of 4 separate complexes. The main complex is the Court Building which houses: The Court Room; Administrative Offices; Intake Department; Probation Department; and Clerical Staff. The second complex is the Detention Unit, which provides temporary shelter for pre-delinquent and delinquent youth. The third complex is the Chambliss Home, which provides temporary shelter for the dependent and neglected youth. The fourth complex is the Volunteer Services Building which recruits and coordinates volunteer workers for the Court.

3. Proposed Program Need and Background:

There is currently no central service agency to provide comprehensive services to children in a crisis situation. Many services are provided by the community at large for children but the services are lacking a central intake point, coordination, 24 hour service, and the ability to provide alternatives to institutional and/or legal involvement, of the child at the time of crisis. In 1975, Juvenile Court was involved in a legal situation with 224 children.

S E P T E M B E R T E R M 1 9 7 6

-5-

Approximately 183 of these children, could have been served by the proposed program. In 1975, the Hamilton County Department of Human Services received approximately 90 calls per month reporting either abused or neglected children. The Department of Human Services is required by law to investigate each report. Under present circumstances, there is often a delay in investigating the alleged situation, and procedures for providing emergency shelters or care for the children are cumbersome because there is a lack of coordination or definition of responsibilities between the involved agencies.

It is currently necessary to institutionalize a child left without supervision even temporarily because there are no other alternatives. The child must remain in the institution while referral is made to the Department of Human Services and an investigation of the home environment is completed. The home investigation normally takes more than 30 days to complete.

Under the present operating procedures, there is no method of follow-up after a child has entered the social or legal system. Each agency performs its service without being aware of the services provided by other agencies in the County. A lack of needed services for the child or expensive duplication of services often results from an uncoordinated system.

4. Proposed Program Goals and Objectives:

Comprehensive Emergency Services (CES) is defined as a child welfare service designed to meet any family crisis

S E P T E M B E R T E R M 1 9 7 6

-6-

or impending crisis which requires social intervention for purpose of planning to protect children whose health, safety, and/or welfare is endangered. Primary emphasis in a CES program is on children who will reach the attention of the Juvenile Court, as neglected or abused, unless there is immediate casework intervention.

a. The CES program will meet the Title XX Program goals of:

1. Preventing and remedying neglect, abuse or exploitation of children unable to protect their own interests or preserving, rehabilitating, or reuniting families.
2. Preventing or reducing inappropriate institutional care by providing for community based care, home based care, or other forms of less intensive care.
3. Securing referral or admission for institutional care when other forms of care are not appropriate.

b. The objectives of the Hamilton County CES Program are to:

1. Reduce the number of children being removed precipitously from their homes;
2. reduce the number of children going through the legal system unnecessarily;
3. plan orderly placements for children who need placement;
4. set goals for children who come into emer-

S E P T E M B E R T E R M 1 9 7 6

-7-

gency care with the goal of returning to their parents or relatives;

5. develop placements that better meet the needs of children who must remain in care.

c. The criteria for the attainment of these objectives are based on:

1. a 35% reduction in the number of Neglect and Depency(N & D) petitions;
2. a 25% reduction in the number of families with one or more children named on N & D petitions
3. a 30% increase in the number of complaints and referrals where no petition was required;
4. a 51% decrease in the number of children placed in institutional care;
5. a 50% reduction in the number of children placed at Chambliss Home or the Detention Unit as a result of N & D petitions.

See Comparative Statistics of 1975 in Appendix C.

5. Description of Proposed Program:

The proposed program is a Comprehensive Emergency Service for children in crisis which provides coordinated care during a crisis period. The program utilizes services currently available; expands intake and emergency services to 24 hours; coordinates services currently offered; and determines lines of responsibility. The program involves the following components:

1. Emergency Intake
2. Child Advocacy Team
 - a. Emergency Investigation
 - b. Immediate Planning

S E P T E M B E R T E R M 1 9 7 6

-8-

- c. Temporary Crisis Solution
 - d. Referral to Follow-Through
3. Caretaker/Homemaker Services
 4. Foster Care Placement
 5. Follow-up and Outreach

The C.E.S. Program is explained in detail in number 8. A Flow Chart is in Appendix D.

6. Persons to be Served:

Persons to be served are children under 18 years of age who need protective services directed toward the goals of preventing or remedying neglect, abuse, or exploitation. Protective Services are available without regard to gross annual income. A child is automatically eligible for one of the services if he needs it. Hamilton County Department of Human Services and the Juvenile Court receive approximately 100 calls per month indicating that this program should serve at least 75 families per month. It is anticipated that this number will increase if the citizens of the County become familiar with the service. An important component of the program will be to familiarize the public with the program.

7. Geographic Area:

The program base is located in inner-city Chattanooga. It will have two actual bases of operation. The first at the Department of Human Services located on 11th Street in the Pound Building. The second at the Juvenile Court located in the Highland Park area of Chattanooga. Most of the calls are expected to be in the Core-City of Chattanooga. Both locations are within 30 minutes of the most distant part of the County.

Hamilton County is divided into the east and west sections by the Tennessee River. The west section is bounded on north by the Hamilton - Rhea County line, and on the west by the Hamilton-Sequatchie County line, and the Hamilton - Bledsoe County line. The east section of Hamilton County is bounded on the north by the Hamilton - Meigs County line, on the east by the Hamilton - Bradley County line, on the south by the Tennessee - Georgia State line, and on the west by the Tennessee River. Consisting of an area of 587 square miles, Hamilton County is dominated by the "Ridge and Valley Province" of the Appalachian highlands with a series of parallel ridges and intervening valleys playing a major role in the overall development pattern of the area. The County is bounded by the 2,000 feet Cumberland Plateau to the west and by the 1,495 feet White Oak Mountain range to the east. Both mountain rims rise from the valley floor which has an elevation of approximately 650 feet above sea level. The southwestern portion of the County (Metropolitan, Chattanooga) is divided in a north-south direction by Missionary Ridge, which has an elevation of 1,000 feet; Lookout Mountain rises to 2,150 feet; and Signal Mountain to 2,000 feet in the far western segment. Approximately bisecting the County in a north-south direction, the Tennessee River forms a vital feature of the geographic picture. The City of Chattanooga occupies both banks of the river, primarily downstream from Chickamauga Lake, part of the Tennessee Valley Authority system of multipurpose reservoirs.

Hamilton County contains the fourth largest population concentration of the state, this includes the City of Chattanooga and nine other incorporated municipalities. Hamilton County

S E P T E M B E R T E R M 1 9 7 6

-10-

has a total population of 255,077 based on the 1970 Census. Outside the major population growth centers, the county still consists of largely rural and heavily wooded areas often with steep sloping terrains. See Appendix E for map of County.

8. Method of Service Delivery:

The Hamilton County C.E.S. Program will provide 24 hour intake services. The program is a joint effort between the Hamilton County Juvenile Court and the Hamilton County Department of Human Services. Service components are each described in the following paragraphs but only the services provided by the Juvenile Court are applicable to this proposal.

Between the hours of 12 midnight and 8 A.M. Tuesday through Friday and from 12 midnight Saturday through 8 A.M. Monday and a Child Advocacy Team will be on call. At all other times, the Juvenile Court will have a Child Advocacy Worker available at the Juvenile Court.

All calls will be received by the Department of Human Services. As a call is received and the nature of the complaint is determined to require the protective service unit, the intake worker will notify a caseworker and a court worker. The Child Advocacy Team will visit the site of the alleged offense. The Team will determine whether the complaint is valid and plan appropriate, immediate action.

Emergency Caretaker and Homemaker Service: Caretakers and Homemakers will be provided by the Department of Human Services. The Caretaker/Homemaker service will operate on their usual schedule during the working day and be on-call at night, and during weekends and holidays.

Caretakers will be called in to keep one or more children in

S E P T E M B E R T E R M 1 9 7 6

-11-

their home in a crisis situation when a relative can not be located to care for the child or children until the return of a parent. The Caretaker will be responsible for the safety and protection of the children.

The Homemaker Service will be used to (a) support the Caretakers, or (2) provide long-term support to the family. The Homemakers will support the family and teach child rearing techniques and homemaker skills to the parents, particularly the mother.

The Caretaker/Homemaker Service is a particularly important component in the program because it allows children to be maintained in their home during a crisis situation. The Caretaker/Homemaker Service decreases the child's trauma during a crisis situation and aides the parents in the development of more adequate skills for dealing with their life style. The service ultimately prevents or decreases the incidence of repeated complaints.

Emergency Foster Care Services: Foster care services will provide a home for a child when the Child Advocacy Team determines that removal from the home is necessary. The Juvenile Court Advocacy Worker has the responsibility of making the final determination of removing a child from his home. When removal from a home is necessary the Child Advocacy Team will select the best placement for the child at the time of the call. The available options will be: 1) to place the child with a relative if one can be located; 2) Chambliss Home if the child is less than 13 years old; or 3) in the Attention Wing of the Detention Unit if the child is 13 years old or older. As the program develops, Emergency Foster Care Home Services which can house a child during a crisis period, will be developed. The Foster Care

-12-

Homes will be approved by the Department of Human Services and will be available to receive children on a 24 hour basis. Emergency Foster Care will be for short-term care only.

Follow-Through and Outreach: In cases of child abuse, the Child Advocacy Team will remove the child from the home and the Juvenile Court Worker will have the responsibility and the authority to obtain medical examinations and treatment. The Department of Human Services will begin a preliminary investigation to determine the cause of abuse and whether legal action should be initiated. When legal action is not required, counseling will be initiated and referral made to other agencies/service providers as appropriate. When legal action is initiated, the Department of Human Services will determine whether a Dependency & Neglect Petition in behalf of the child and/or charges of child abuse against the abuser should be filed. Once proceedings are initiated, the Court Worker assumes responsibility for all legal aspects, and final determination of the case will be decided by the Juvenile Court Judge.

In cases of child neglect, the Department of Human Services will investigate the case and determine whether social services or legal action is appropriate. If legal action is taken, a Dependent and Neglect Petition on behalf of the child is filed and responsibility for the case is assumed by the Juvenile Court. If social services are determined to be needed, the Department of Human Services assumes responsibility for the case. Social services include counseling, economic advice, homemaker service, and referral to other appropriate agencies and/or service providers. The Department of Human Services continues to be res-

possible for the case until full alleviation of the circumstances are assured. At the conclusion of a case, the Department of Human Services is responsible for notifying all concerned agencies and/or providers.

See Appendix D for Client Flow Chart.

9. Community Involvement:

On January 14-15, 1976, the Tennessee Department of Human Services held a workshop on Comprehensive Emergency Services for Children in Crisis. Mrs. Jeanne M. Bowman, Deputy Commissioner, conducted the workshop. Workshop participants were volunteers, law enforcement agencies, institutions, child health service agencies, emergency assistance organizations, concerned community groups, and counseling service agencies. At the end of the workshop, it was decided that the community should form a committee to study the feasibility of developing a C.E.S. A committee was established and the first meeting was held February 19, 1976. See Appendix F for committee information and participants of the committee. This CES project is the result of the committee findings.

10. Consumer Involvement:

Does not apply to Protective Services.

11. Staff:

This is a cooperative program between agencies, the Hamilton County Department of Human Services and the Hamilton County Juvenile Court. This proposal is requesting funding for the Juvenile Court portion of the program. The following job descriptions are for the personnel that are funded by the Juvenile Court. The Child Advocacy Workers will be funded

RESOLUTION

NO. 976-25

TITLE A RESOLUTION TO AUTHORIZE THE COUNTY JUDGE TO SUBMIT A GRANT APPLICATION ON BEHALF OF HAMILTON COUNTY TO THE U. S. DEPARTMENT OF LABOR FOR THE PURPOSE OF FUNDING A DEMONSTRATION PROJECT IN CONJUNCTION WITH THE CITY OF CHATTANOOGA AND IN COORDINATION WITH THE TENNESSEE DEPARTMENT OF EMPLOYMENT SECURITY SO AS TO BETTER SERVE THE UNEMPLOYED CITIZENS OF HAMILTON COUNTY.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the City of Chattanooga and Hamilton County, as the two prime sponsors for the Comprehensive Employment Training Act (CETA) programs within the jurisdiction of Hamilton County, and in cooperation with the local office of the Tennessee Department of Employment Security, desire to submit a grant application to the United States Department of Labor in order to receive federal funding for a demonstration project having the following goals:

- A. to establish a common data source and Management Information System so as to provide a central source regarding all job applicants within said County;
- B. to develop a joint City-County Job Development and Job Placement program; and

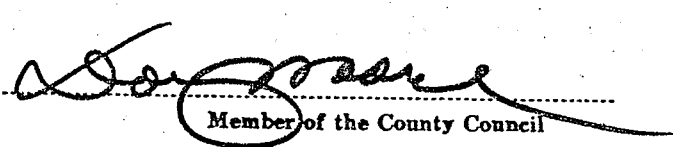

WHEREAS, the funding and establishment and development of these aforementioned programs would enable the unemployed citizens throughout our County to contact a single agency and thereby be immediately enrolled, referred or otherwise considered for any of the various programs relating to employment that currently exist within the State, County or City; and

WHEREAS, the abovementioned grant application would not obligate local governments in any fiscal manner, yet could potentially greatly enhance their respective levels of efficiency and thereby provide enormous tax-dollar savings to all our citizens:

NOW, THEREFORE, BE IT RESOLVED BY THIS COUNTY COUNCIL, IN SESSION ASSEMBLED: That the County Judge is hereby authorized to execute and submit, on behalf of Hamilton County, a grant application to the United States Department of Labor for the purposes hereinabove described and as more particularly detailed in a document which is entitled "The City of Chattanooga and the County of Hamilton, Tennessee, Proposal for the Development of Linkages with the Tennessee Department of Employment Security", which is on file in the office of the County's Director of Community Development, and which is incorporated herein by reference thereto as though fully and completely copied herein verbatim!

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

Program Narrative

and

Program Planning Summary

I. NEEDS AND OBJECTIVES

The City of Chattanooga and Hamilton County, Tennessee, as the two prime sponsors for CETA programs within the jurisdiction of Hamilton County, Tennessee, and in cooperation with the local office of the Tennessee Department of Employment Security, are filing this grant application for a demonstration project using the integrated function of Design C of the SGA as a base for its project. To better serve the population of Hamilton County, the City, the County, and TDES will establish a coordinated intake system for all three agencies. By establishing such a system, a potential client may be enrolled by or referred to the two prime sponsors or the TDES by any of the intake personnel of the three agencies. The two prime sponsors under this arrangement will be responsible for the employability development and training of eligible CETA enrollees, and the Department of Employment Security would be responsible for all job development and placement services. The City, County, and TDES will establish a common data source and Management Information System for the three agencies, by extending the City of Chattanooga Management Information System to include enrollees of all the agencies, and to establish computer terminals at the Hamilton County Manpower Office and the TDES offices allowing direct access to the City of Chattanooga computer and its information system. Under this concept, common intake and enrollment forms as well as management forms will be developed and used by all three agencies.

S E P T E M B E R T E R M 1 9 7 6

Currently the two prime sponsors and the TDES coordinate on a referral basis with job development being conducted by the Hamilton County CETA program for its own enrollees, while TDES does all of the job development and placement services for the City with the exception of OJT. The proposed design will allow for only one unit of job developers working for the three agencies made up from personnel of the three agencies. The placement activities would be the responsibility of the Employment Security staff.

By use of common intake and enrollment forms and direct access to the computer and the job bank, all three agencies will have the most current and accurate information on the enrollees under CETA and the opportunities for training or job placement that are currently available. By having a common information system, the agencies will be able to avoid any duplication of services to the clients. In addition, the use of the information system and the establishment of the Central Information Center will allow for the most accurate and the most current information as it applies to CETA activities by the three agencies within Hamilton County. The MIS will provide the prime sponsor with information necessary to avoid duplication and to make any decisions necessary to improve services to the eligible CETA population.

II. RESULTS OR BENEFITS EXPECTED

The proposed project will avoid any duplication of services and allow for the maximum utilization of the services of the three

S E P T E M B E R T E R M 1 9 7 6

agencies by CETA clients. The project will allow the Employment Security to operate job development and placement, which is their specialty and should insure better rates of placement than has been the case for the prime sponsors in the past. The prime sponsors will be responsible for training and employability development with this as the emphasis of the program; and by having access to the job bank, more clients should be able to enter the labor market as full time employees.

The establishment of a Central Information Center within one month after the inception of the grant will be a target objective. In conjunction with this, the Management Information System will be in place and serving the three agencies within one month after the awarding of the grant, and it will continue for 12 months, the term of the grant.

The job development and placement services of the TDES will begin complete operation for the prime sponsors within 15 days from the inception of the grant, and the program can be measured by the goals set forth on the PPS. The success of the program will be measured against the goals listed in the PPS.

III. APPROACH

A. Plan of Action

1. The intake and assessment of clients will continue to be conducted by the three agencies involved; however, they

S E P T E M B E R T E R M 1 9 7 6

will have access to the Central Information Center, the job bank, and the MIS, enabling the intake interviewers to complete the necessary forms for the agency involved and make a direct referral to that agency without the intake process being duplicated again.

The use of common data sources and the same computer for information through direct access to the computer by the agencies does away with the three different systems now in use by the agencies and allows a complete picture of CETA services throughout the county to be readily available at any time.

The job development and placement will be carried out by the TDES as the prime sponsors determine the job readiness of a client. These three main functions will be conducted by the three agencies by the merger of some staff persons, the addition of others, and the appointment of a project coordinator responsible to the board of directors, as appointed by the Mayor, the County Judge, and the Commissioners of TDES. The coordinator will have as his responsibility the program operations as conducted under this grant to insure that there is no duplication of effort and to coordinate the activities of the three agencies involved.

S E P T E M B E R T E R M 1 9 7 6

2. Each agency has carried out the functions mentioned above individually during FY 1976. There have been referrals to TDES from the prime sponsors and from TDES to the prime sponsors, but that has been the extent of the cooperation and coordination during the past fiscal year.

3. Under the current programs (FY 1976), the prime sponsors are responsible for intake, assessment, training, job development and placement of CETA enrollees. The ES staff does intake and assessment of its clients as well as job development and placement. Under the proposed model, the prime sponsor staff will be responsible for intake, assessment, employability development and training. The ES staff will be responsible for job development and placement, and in addition ES may do intake for the prime sponsors. It will be the responsibility of the program coordinator to see that all of the proposed activities are utilized and that the coordination and linkages between the agencies function at the highest level.

S E P T E M B E R T E R M 1 9 7 6

4. Intake and assessment will be done by the agencies as they have in the past with the exceptions being that all the agencies have access to the Central Information Center and common intake forms will be utilized allowing a coordinated intake to be done by any of the three agencies.
5. See attached Enrollee Flow Chart.

S E P T E M B E R T E R M 1 9 7 6

6. The clients will receive the best available service for which he/she is eligible through the coordinated system of intake, training, job placement and job development. Through the Central Information Center and the job bank, counsellors will have up-to-the-minute data on training and jobs. This will enable the client to receive the best possible mix of services from the prime sponsors and the Employment Security. The overall system will benefit from the elimination of duplication of services and the concentration by the agencies on the services which they are best equipped to provide. The common Information System will allow for an instantaneous assessment of the success of the program in aiding CETA clients.

7. The proposed system will eliminate the duplication of services as mentioned earlier and will allow the prime sponsor to concentrate on the employability development and training of eligible CETA clients. The MIS will allow the agencies to know exactly how the program is progressing toward planned goals and whether a change in emphasis is needed to improve the program for all the citizens of the county.

S E P T E M B E R T E R M 1 9 7 6

8. Duplication of services will be eliminated in Job Development, Job Placement and Information Systems. With a Central Information Center providing instantaneous information to the agencies or the clients, the referral time to agencies will be drastically reduced. Since intake may occur at any of the agencies, this referral time is reduced also.

10. The two prime sponsors will enter into a formal agreement with the TDES as soon as the proposed grant is executed. The negotiations have reached an agreement on the proposed project which requires only the awarding of the grant to allow the formal contract between the City, the County and the TDES to be signed and become operational.

Four preliminary planning conferences have been held in the development of this proposal. All have included the Area Supervisor of the state Employment Security Office, and representatives of the two Prime Sponsors, and the last, in which final accord was reached, was also attended by Mayor Rose, County Judge Moore and Mr. Ron Hammontree, representing the Commissioner of Employment Security.

A letter from the Commissioner's office outlining the extent of TDES involvement in the planning of the project as well as TDES support of the proposal, will be sent under separate cover to the Regional Office. A subcontract proposal between the Prime Sponsor and TDES is in preparation and will be forwarded within a few days to the Regional Office.

S E P T E M B E R T E R M 1 9 7 6

C. Coördination and Cooperation

Upon the awarding of the grant, the two prime sponsors will enter into a formal agreement with the TDES for the program objectives as outlined in this proposal. This formal agreement will be accomplished at once after the grant is signed. The remaining details, such as appointing the coordinator, the reprogramming of the computer, the establishment of a central information center, the use of common intake and related forms, the establishment of centrally coordinated system of job development and placement, and the location of data terminals at all of the county CETA offices, all of the Employment Security offices, in addition to the present city offices, will occur within 45 days after the grant has been awarded.

IV. GEOGRAPHIC AREAS TO BE SERVED

The proposed project will serve the eligible citizens of Hamilton County, Tennessee, and the eligible persons who reside in Chattanooga, Tennessee. Since both the City of Chattanooga and the balance of Hamilton County are eligible prime sponsors and in fact serve as prime sponsors for CETA programs, the persons undergoing training by each of the prime sponsors must meet the

S E P T E M B E R T E R M 1 9 7 6

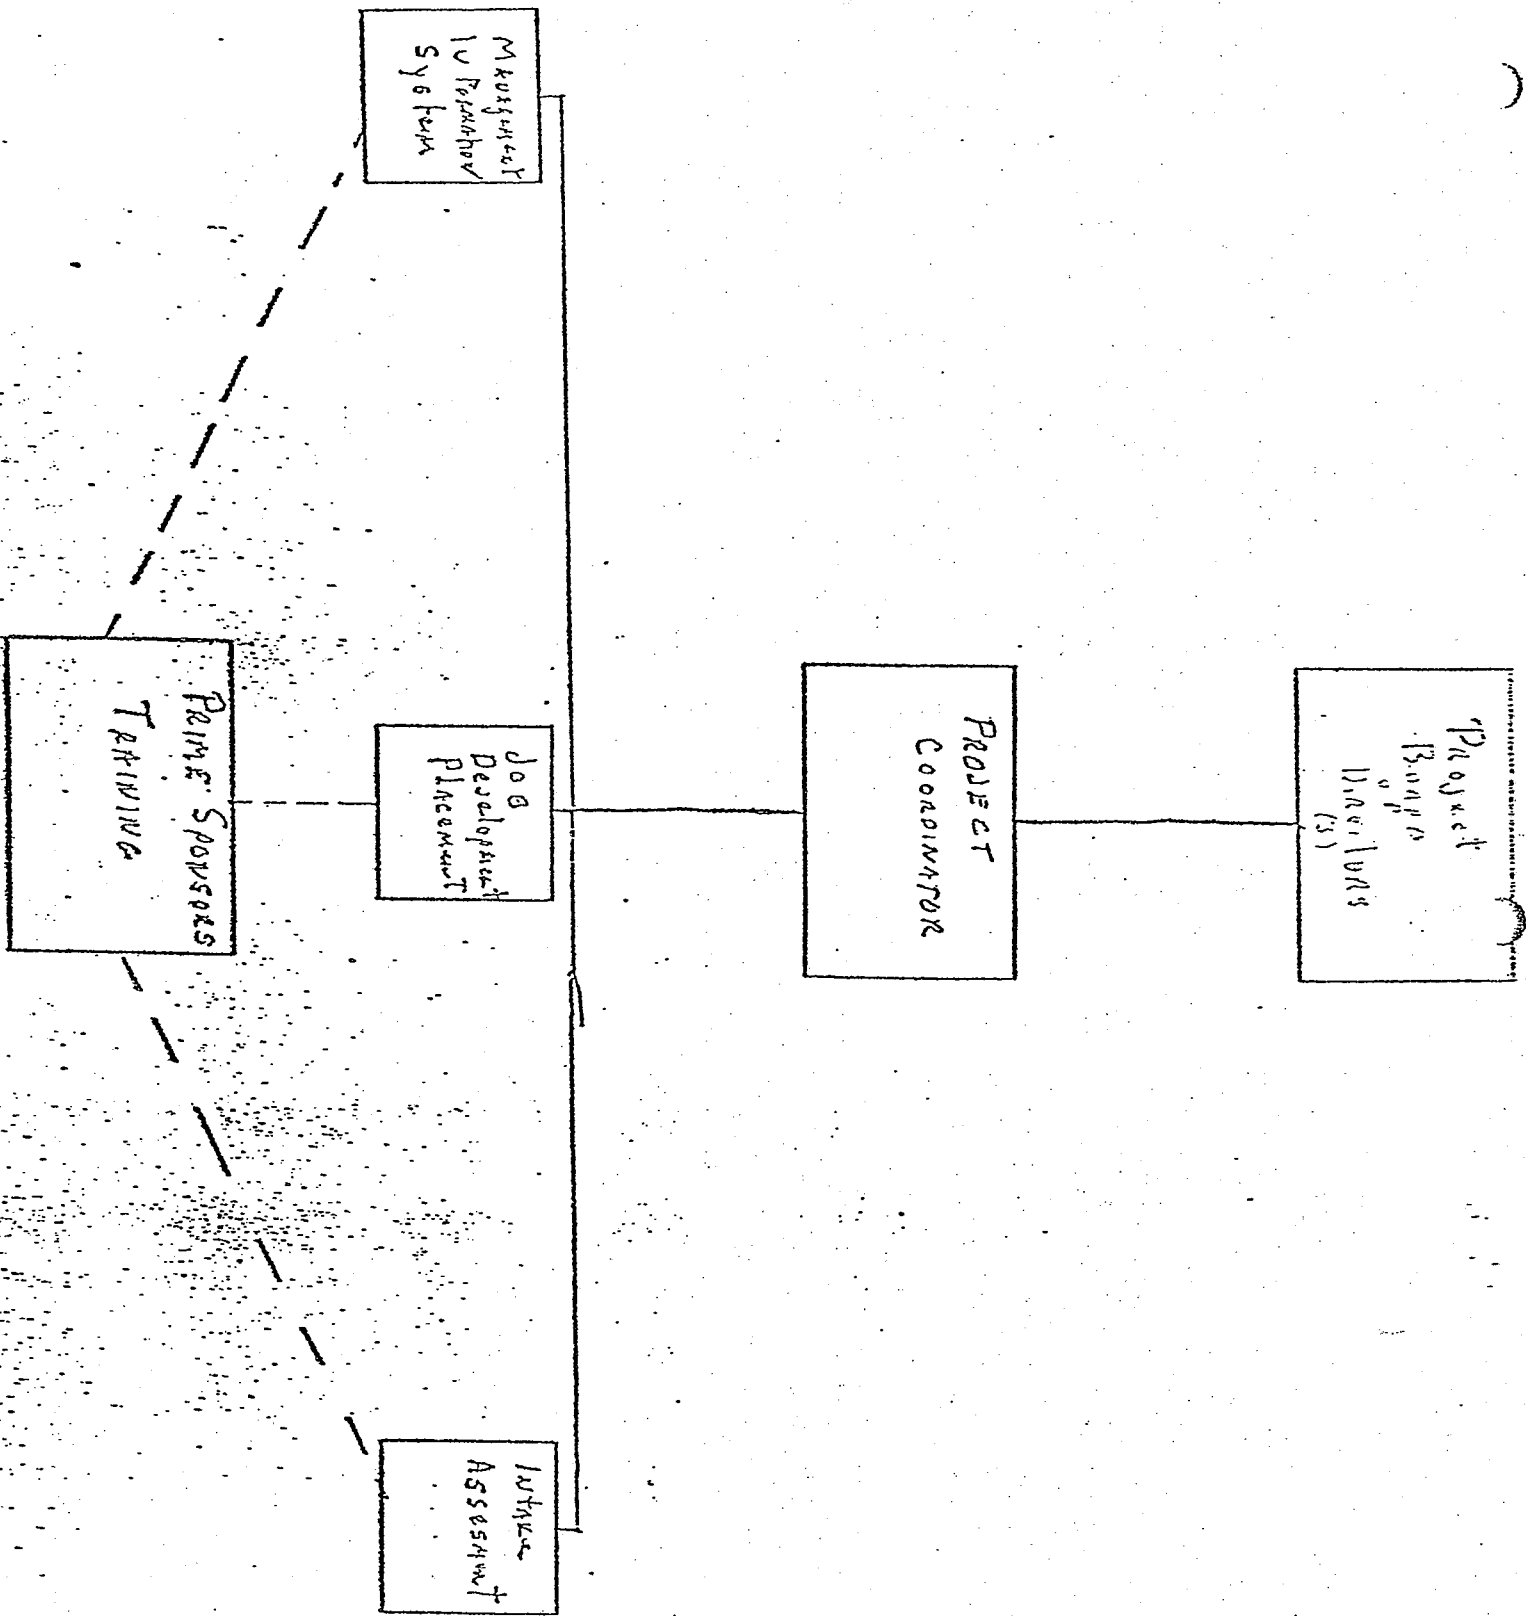

residing requirements of the CETA programs. Attached are the Civilian Labor Force Projections for 1977, the 1977 Population Projections and the unemployment rates for CY 1975 and the first quarter of CY 1976. All of this data was taken from the Annual Planning Report of the Tennessee Department of Employment Security.

V. PROGRAM ADMINISTRATION

The organizational structure that will administer the proposed project and the lines of authority are shown on the following charts. As noted on the chart, a board of directors is responsible for the conduct of the proposed project. The board of directors will consist of 3 persons. One person will be appointed by each prime sponsor and one person will be appointed by the Commissioner of Employment Security to be responsible for the program operations and monitoring and evaluation of the program. The board of directors will in turn appoint a coordinator for the project who will be responsible for the day-to-day operation of the program and will insure the cooperation and coordination of the three agencies involved.

Three additional staff will be required to man the Central Intake Information Center and seven intake counselors will be required under this grant to staff the Intake Centers previously described. Job Development and Placement will require an additional three job developers and ES officers will need two contact personnel to assure coordination of this intensified effort with regular ES job developers and local employers. The Coordinator of the project will oversee all phases of the project and report to the Board monthly or as required on its problems and progress.

UNNECESSARILY ELABORATE PROPOSALS

Unnecessarily elaborate brochures or other presentations beyond that sufficient to present complete, effective proposals are not desired. Elaborate artwork, expensive paper, binders, visual and other presentation aids are neither necessary nor wanted.

CONTINGENT FEE

The grantee warrants that: (a) It has , has not , employed or retained any company or person (other than a full-time, bona fide employee working solely for the offeror) to solicit or secure this grant, and (b) has , has not , paid or agreed to pay any company or person (other than a full-time bona fide employee working solely for the offeror) any fee, commission, percentage, or brokerage fee contingent upon or resulting from the award of this grant; and agrees to furnish information relating to "(a)" and "(b)" above as requested by the Contracting Officer. (For interpretation of the representation, including the term "bona fide employee," see Code of Federal Regulations, Title 41, Subpart 1-1.5.)

If the offeror, by checking the appropriate box, has represented that it has employed or retained a company or person (other than a full-time bona fide employee working solely for the offeror) to solicit or secure this contract; or that it has paid or agreed to pay any fee, commission, percentage, or brokerage fee to any company or person, contingent upon or resulting from the award of this contract, it shall furnish, in duplicate, a completed Standard Form 119 to the office issuing this solicitation. It may accompany its offer with a signed statement (a) indicating when such completed form was previously furnished, (b) identifying by number the previous solicitation or contract, if any, in connection with which such form was submitted and (c) representing that the statement in such form is applicable to this offer.

FEDERAL REPRESENTATIVE

The U. S. Department of Labor, Employment and Training Administration, shall appoint a Federal Representative to monitor performance under this grant. The Federal Representative will represent the grant contracting officer in the program phases of work but will not be authorized to change any of the terms and conditions of the grant. Such changes, if any, shall be accomplished only by the grant officer, through a properly executed modification of this grant.

ASSURANCES AND CERTIFICATIONS

A. General Assurances

1. The applicant assures and certifies that:

a. It will comply with the requirements of the Comprehensive Employment and Training Act (CETA) of 1973, as amended (P.L. 93-203, 87 Stat. 839 and P.L. 93-567, 88 Stat. 1845), hereinafter referred to as the Act, and with the regulations and policies promulgated thereunder; and

b. It will comply with OMB Circular number A-95 and Federal Management Circulars (FMC) 74-4 and 74-7, as those circulars relate to functions such as the utilization of funds, the operations of programs, and maintenance of records, books, accounts, and other documents under the Act.

2. The applicant further assures and certifies that if the regulations promulgated pursuant to the Act are amended or revised, it shall comply with them or notify the Assistant Regional Director for Manpower (ARDM) within 30 days after promulgation of the amendments or revision that it cannot so conform, so that the ARDM may take appropriate action including termination, if necessary.

3. In addition to the requirements of 1 and 2 above and consistent with the regulations issued pursuant to the Act, the applicant makes the following further assurances and certifications:

a. It possesses legal authority to apply for the grant; that a resolution, motion, or similar action has been duly adopted or passed as an official act of the applicant's governing body, authorizing the filing of the application, including all understandings and assurances contained therein, and directing and authorizing the person identified as the official representative of the applicant to act in connection with the application and to provide such additional information as may be required (sections 102(a); 701(a)(9) and (10)).

b. It will comply with Title VI of the Civil Rights Act of 1964, (P.L. 88-352), and in accordance with Title VI of that Act no person in the United States shall on the grounds of race, color, sex, or national origin, be excluded from participation in, be denied the benefits of, or be otherwise subjected to discrimination under any program or activity for which the applicant receives Federal financial assistance and will immediately take any measures necessary to effectuate this agreement.

c. It will comply with Title VI of the Civil Rights Act of 1964, (42 USC 2000d) prohibiting employment discrimination where (1) the primary purpose of a grant is to provide employment or (2) discriminatory employment practices will result in unequal treatment of persons who are or should be benefiting from the grant-aided activity.

d. No person with responsibilities in the operation of any program under the Act will discriminate with respect to any program participant or any applicant for participation in such program because of race, creed, color, national origin, sex, age, political affiliation or beliefs (section 703(1) and 712).

e. It will comply with the requirements of the provisions of the Uniform Relocation Assistance and Real Property Acquisition Act of 1970 (P.L. 91-646) which provides for fair and equitable treatment of persons displaced as a result of Federal and Federally-assisted programs.

f. It will comply with the provisions of the Hatch Act which limit the political activity of employees.

g. It will comply with the requirement that no program under the Act shall involve political activities (section 710).

h. It will establish safeguards to prohibit employees from using their positions for a purpose that is or gives the appearance of being motivated by a desire for private gain for themselves or others, particularly those with whom they have family, business, or other ties (section 702(a)).

i. It will give the Department of Labor and the Comptroller General through any authorized representative the access to and the right to examine all records, books, papers, or documents related to the grant (section 713(2)).

j. Participants in the program will not be employed on the construction, operation, or maintenance of that part of any facility which is used for religious instruction or worship (section 703(3)).

k. Appropriate standards for health and safety in work and training situations will be maintained (section 703(5)).

l. Conditions of employment or training will be appropriate and reasonable with regard to the type of work, the geographical region and the proficiency of the applicant (section 703(4)).

m. Provision of workmen's compensation protection to participants in on-the-job training, work experience, or public service employment programs under the Act at the same level and to the same extent as other employees of the employer who are covered by a State or industry workmen's compensation statute; and provision of workmen's compensation insurance or medical and accident insurance for injury or disease resulting from their participation to those individuals engaged in any program activity

under the Act, i.e., work experience, on-the-job training, public service employment, classroom training, services to participants, and other activities, where others similarly engaged are not covered by an applicable workmen's compensation statute (sections 703(6) and 208(4)).

n. The program will not result in the displacement of employed workers or impair existing contracts for services or result in the substitution of Federal funds for other funds in connection with work that would otherwise be performed (section 703(7)).

o. Training will not be for any occupations which require less than two weeks of pre-employment training, unless immediate employment opportunities are available in that occupation (section 703(8)).

p. Training and related services will, to the extent practicable, be consistent with every individual's fullest capabilities and lead to employment opportunities which will enable participants to become economically self-sufficient (sections 703(9) and 105(a)(6)).

q. Institutional skill training and training on the job shall only be for occupations in which the Secretary or the prime sponsor has determined there is reasonable expectation for employment (section 703(10)).

r. CETA funds will, to the extent practicable, be used to supplement, rather than supplant, the level of funds that would otherwise be available for the planning and administration of programs under the eligible applicant's grant (section 703(11)).

s. It will submit reports as required by the Secretary and will maintain records and provide access to them as necessary for the Secretary review to assure that funds are being expended in accordance with the purposes and provisions of the Act, including the maintenance of records to assist the Secretary in determining the extent to which the program meets the special needs of disadvantaged, chronically unemployed, and low income persons for meaningful employment opportunities (sections 703(12) and 311(c)).

t. The program will, to the maximum extent feasible, contribute to the occupational development or upward mobility of individual participants (section 703(13)).

u. The program has adequate administrative and accounting controls, personnel standards, evaluation procedures, availability of in-service training and technical assistance programs, and other policies as may be necessary to promote the effective use of funds (section 703(14)).

v. The program makes appropriate provision for the manpower needs of youth in the area served (section 703(15)), and will assure that:

(1) Individuals receiving training on the job shall be compensated by the employer at such rates, including periodic increases, as may be deemed reasonable under regulations prescribed by the Secretary, but in no event at a rate less than that specified in Section 6(a)(1) of the Fair Labor Standards Act of 1938 or, if higher, under the applicable State or local minimum wage law. Wages in the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, and the Trust Territory of the Pacific Islands shall be consistent with the Federal, State, or local law otherwise applicable (section 111(b)).

(2) Persons employed in public service jobs under this Act shall be paid wages which shall not be lower than whichever is the highest of (a) the minimum wage which would be applicable to the employee under the Fair Labor Standards Act of 1938, if Section 6(a)(1) of such title applies to the participant and if he were not exempt under section 13 thereof. Wages in the Commonwealth of Puerto Rico, the Virgin Islands, American Samoa, and the Trust Territory of the Pacific Islands shall be consistent with the Federal, State, or local law otherwise applicable; (b) the State or local minimum wage for the most nearly comparable covered employment, or (c) the prevailing rates of pay for persons employed in similar public occupations by the same employer (section 208(a)(2)).

w. It will comply with the labor standards requirements set out in section 706 of the Act.

x. Services and activities provided under this Act will be administered by or under the supervision of the applicant (sections 105(a)(1)(B) and 205(c)(1)).

y. No funds made available under the Act shall be used for lobbying activities in violation of 18 USCA 1913.

z. If the applicant is financed by letter of credit:

(1) Letter of credit cash drawdowns will only be initiated when actually needed for its MA grant(s) disbursements;

(2) Timely reporting of cash disbursements and balances will be made to the Manpower Administration as required;

(3) It will impose the same standards of timing and amount upon any secondary recipients including the furnishing of reports of cash disbursements and balances.

3. Additional Assurances for Title I Programs

In carrying out programs under Title I of the Act, the applicant assures and certifies that:

S E P T E M B E R T E R M 1 9 7 6

-32-

1. Manpower services, including job development, will be provided to those most in need of them including low income persons and persons of limited English-speaking ability, and that the need for continued funding of programs of demonstrated effectiveness is considered in serving such persons (section 105(a)(1)(D)).

2. Programs of institutional skill training shall be designed for occupations in which skill shortages exist (section 105(a)(6)).

3. The plan meets all the requirements of section 105(a) and the applicant will comply with all provisions of the Act (section 105(b)).

4. It will make such arrangements as are prescribed by regulation to assist the Secretary in carrying out his responsibilities under sections 105 and 108 of the Act (section 105(a)(7)).

5. Special consideration will be given to the needs of eligible disabled veterans, special veterans, and veterans who served in the Armed Forces and who received other than a dishonorable discharge within four years before the date of their application. Each prime sponsor in selecting participants for programs funded under Title I of the Act, shall take into consideration the extent that such veterans are available in the area. Specific effort should be made to develop appropriate full or part-time opportunities for such veterans. The prime sponsor should utilize the assistance of the State and local veterans employment service representative in formulating its program objectives.

On a continuing and timely basis, information on job vacancies and training opportunities funded under Title I of the Act shall be provided to the State and local veterans employment service representative for the purpose of disseminating information to eligible veterans (section 104(b) of Emergency Jobs and Unemployment Assistance Act of 1974).

C. Additional Assurances Relating to Public Service Employment Programs

For public service employment activity, the applicant further assures and certifies that:

1. Special consideration will be given to the filling of jobs which provide sufficient prospects for advancement or suitable continued employment by providing complementary training and manpower services designed to (1) promote the advancement of participants to employment or training opportunities suitable to the individuals involved, whether in the public or private sector of the economy, (2) provide participants with skills for which there is an anticipated high demand, or (3) provide participants with self-development skills; except where exempt under the provisions of section 604 of the Act, provided, however, that nothing contained in

this paragraph shall be construed to preclude persons or programs for whom the foregoing goals are not feasible or appropriate (sections 205(c)(4) and 604).

2. To the extent feasible, public service jobs shall be provided in occupational fields which are most likely to expand within the public or private sector as the unemployment rate recedes except where exempt under section 604 of the Act (sections 205(c)(6) and 604).

3. Special consideration in filling transitional public service jobs will be given to unemployed persons who are the most severely disadvantaged in terms of the length of time they have been unemployed without assistance, but such special consideration shall not authorize the hiring of any person when any other person is on lay-off from the same or any substantially equivalent job (section 205(c)(7)).

4. No funds will be used to hire any person to fill a job opening created by the action of an employer in laying off or terminating the employment of any other regular employee not supported under the Act in anticipation of filling the vacancy so created by hiring an employee to be supported under the Act (section 205(c)(8)).

5. Due consideration will be given to persons who have participated in manpower training programs for whom employment opportunities would not otherwise be immediately available (section 205(c)(9)).

6. Periodic review procedures established pursuant to section 207(a) of the Act will be complied with (section 205(c)(17)).

7. Agencies and institutions to whom financial assistance is made available under this title have undertaken or will undertake, analyses of job descriptions and reevaluations and, where shown necessary, revisions of qualification requirements at all levels of employment, including civil service requirements and practices relating thereto, in accordance with regulations prescribed by the Secretary, with a view toward removing artificial barriers to public employment of those whom it is the purpose of the Act to assist (section 205(c)(18)).

8. Where appropriate, it will maintain or provide linkages with upgrading and other manpower programs for the purpose of (1) providing those persons employed in public service jobs who want to pursue work with the employer, in the same or similar work, with opportunities to do so and to find permanent, upwardly mobile careers in that field, and (2) providing those persons so employed who do not wish to pursue permanent careers in such field, with opportunities to seek, prepare for, and obtain work in other fields (sections 205(c)(19) and 604).

S E P T E M B E R T E R M 1 9 7 6

-34-

9. The program will, to the maximum extent feasible, contribute to the elimination of artificial barriers to employment and occupational advancement, including opportunities for the disadvantaged (section 205(c)(21)).

10. Not more than one-third of the participants in the program will be employed in a bona fide professional capacity (as such term is used in section 13(a)(1) of the Fair Labor Standards Act of 1938), except that this paragraph shall not be applicable in the case of participants employed as classroom teachers, and the Secretary may waive this limitation in exceptional circumstances (section 205(c)(22)).

11. Jobs will be allocated equitably to local governments and agencies taking into account the number of unemployed persons within their jurisdictions and the needs of the agencies (section 205(c)(23)).

12. The jobs in each job category in no way infringe upon the promotional opportunities which would otherwise be available to persons currently employed in public service jobs not subsidized under the Act, and assure that no job will be filled in other than an entry level position in each job category until applicable personnel procedures and collective bargaining agreements have been complied with (section 205(c)(24)).

13. Jobs are in addition to those that would be funded by the sponsor in the absence of assistance under the Act (section 205(c)(25)).

D. Additional Assurances for Title II Programs. All assurances in C above apply to activities funded under Title II. In addition, the applicant will assure that:

(1) Only persons residing within the areas of substantial unemployment qualifying for assistance will be hired to fill jobs created under Title II of the Act and the public services provided by such jobs shall, to the extent feasible, be designed to benefit the residents of such areas (section 205(c)(3)).

(2) All persons employed under any program, other than necessary technical, supervisory, and administrative personnel, will be selected from unemployed and underemployed persons (section 205(c)(20)).

(3) Special consideration shall be given to eligible disabled veterans, special veterans, and veterans who served in the Armed Forces and who received other than a dishonorable discharge within four years before the date of their application. Each eligible applicant selecting participants for programs funded under Title II of the Act, shall take into consideration the extent that such veterans are available in the area. Specific effort

S E P T E M B E R T E R M 1 9 7 6

- 35 -

should be made to develop appropriate full or part-time opportunities for such veterans. In order to insure special consideration for veterans, all public service employment vacancies under Title II, except those to which former employees are being recalled, must be listed with the State employment service at least 48 hours (excluding Saturdays, Sundays, and holidays) before such vacancies are filled. During this period, the employment service may refer those veterans specified above. If sufficient numbers of veterans are not available, the employment service, upon request, may also refer members of other significant segments. All other applicants are to be referred after the 48-hour period (section 205(c)(5)). The eligible applicant should utilize the assistance of State and local veterans employment representatives in formulating its program objectives.

Each eligible applicant shall, on a continuing and timely basis, provide information on job vacancies and training opportunities funded under Title II of the Act to State and local veterans employment representatives and to other veterans organizations for the purpose of disseminating information to eligible veterans (section 104(b) of Emergency Jobs and Unemployment Assistance Act of 1974).

E. Additional Assurances for Title VI Programs. All assurances in C above apply to activities funded under Title VI. In addition the applicant will assure that:

1. Only persons residing in the area served by the eligible applicant under Title VI of the Act will be hired to fill jobs created under the Act and that the public services provided by such jobs shall, to the extent feasible, be designed to benefit the residents of such areas except that funds allocated under Title VI of the Act (section 603(a)(2)(B)), to an area of substantial unemployment shall only be used to provide project and program opportunities to persons residing in those areas of substantial unemployment (section 603(a)(2)).

2. All persons employed under any program, other than necessary technical, supervisory, and administrative personnel, will be selected from among unemployed and underemployed persons and that under Title VI preferred consideration shall be given, to the maximum extent feasible, consistent with provisions of the Act, to unemployed persons who have exhausted unemployment insurance benefits, to unemployed persons who are not eligible for unemployment insurance benefits (except persons lacking work experience) and to unemployed persons who have been unemployed for 15 or more weeks.

F. Special Certification for State Grantees. A State grantee further assures and certifies that it will comply with the requirements and provisions of section 106 and section 107 of the Act.

(Judge Moore stated that this Resolution will permit the City of Chattanooga, Hamilton County and the Tennessee Department of Employment Security to operate, either jointly or as agents for each other, intake areas for unemployed for Chattanooga or Hamilton County and to provide that a single person could act for all these agencies -- City County and State. This will be tied into the City Data Processing and will provide on-line entry system for intake and job analysis. This should be an improvement over the split system, Judge Moore stated, and is a Pilot Program which it is hoped will be funded by the Federal Department of Labor.)

S E P T E M B E R T E R M 1 9 7 6

Judge Moore stated that the next business was the consideration of a new allocations list for Personnel.

ON MOTION of Judge Moore, seconded by Councilman Ricketts, the foregoing Motion was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting as follows: Councilman Fuller, "Aye"; Councilman Long, "Aye"; Councilman Mayfield, "Aye"; Councilman Ricketts, "Aye"; and Judge Moore, "Aye". Total present-5. Total absent-0.

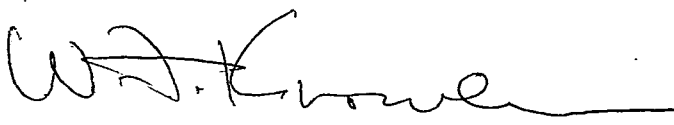

Judge Moore said the next Motion was to authorize the County Attorney to take action to enforce zoning against Johnny Dill. Mr. Dill was sent a letter on September 8, 1976, citing the violation. Judge Moore said that it appears that Mr. Dill is operating the garage out of zoning, he has been notified, and he has refused to comply. This Motion will authorize the County Attorney to take the action necessary.

ON MOTION of Judge Moore, seconded by Councilman Mayfield, to authorize the County Attorney to take the action necessary to enforce zoning against Johnny Dill. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Total absent-0.

Judge Moore asked if there were other delegations to appear before the Council. There were none.

ON MOTION of Councilman Long, seconded by Councilman Fuller, to Adjourn. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Total absent-0.
