BUDGET
FISCAL YEAR
ENDING JUNE 30, 1957
HAMILTON COUNTY, TENNESSEE

July 18, 1956

Hon. Wilkes T. Thrasher, Chairman
and
Members of the Hamilton County Council
Chattanooga, Tennessee

Re: 1956-57 Budget

Dear Council Members:

Herewith is the proposed budget for the fiscal year ending June 30, 1957.

It will be noted that the Department of Education School Fund will receive a 1¢ increase in the tax rate over the past year in order to meet the budget as requested for the school fund.

Also, there is an increase of 1¢ in the proposed rate for Insurance and Public Building Fund necessary to meet payments due in this fiscal year.

The rate for Health and Welfare is reduced by 1¢ and the Building, Keeping and Repairing Bridge Fund is reduced by 1¢ because the funds available are sufficient for this year's program.

It has seemed advisable to maintain the 40¢ rate on General Bond Interest and Redemption Fund in order to afford sufficient revenue to give the County the highest possible bond rating.

The over-all tax rate remains the same and the total rate of \$2.18 inside the City of Chattanooga and \$2.42 outside the City of Chattanooga.

This recommended budget is submitted for your consideration and approval.

Respectfully submitted,

W. T. Brooks
County Manager

Paul Wilbanks
Member of the County Council

ON MOTION of Councilman Wilbanks, seconded by Councilman Osborne, the foregoing Resolution was adopted on a Roll Call vote, all members of the Council being present and voting "Aye".

ON MOTION of Councilman Eldridge, seconded by Councilman Osborne, that Milton Tindell be appointed to the Hamilton County Beer Commission. The foregoing Motion was adopted on a Roll Call vote, all members of the Council being present and voting Aye.

ON MOTION of Councilman Wilbanks, seconded by Councilwoman Wells, that letter read before the County Council by Mrs. Conner be accepted and made a part of the Minutes.

Honorable Judge Wilkes Thrasher; County Manager, Mr. Walter Brooks; and Members of the Hamilton County Council:

the State and Federal Government is now in the process of locating an interstate highway in Hamilton County. This said proposed highway is now located in some of the most valuable and expensive residential property in the county.

The said owners for years in a small way has built much needed traffic roads in the North Concord, Hickory Valley section and many fine homes have been built along these roads. One road in particular is Longview, a main road to several going subdivisions and other points. The way the highway is now surveyed in the North Concord Woods, the further development of fine home sites is seriously impaired. These desirable home sites are much needed for future growth as well as for developments at the present time.

While it is true the owners' existence depends upon the sale of land; nevertheless, we have used this land in such a way that the people who have built these homes have been protected in their investment as well as the county for tax purposes; thus making a community that adds much to our way of life.

S E P T E M B E R T E R M 1 9 5 6

We, the respectful owners, ask this honorable body to discuss with the State and Federal Highway Engineering Departments the possibility of moving this line East on the owners' property so that we can save as many home sites West of the line, and, as soon as practical, start essential roads for the continued development of this section.

To this most honorable body we prayerfully and sincerely ask you to do what you can with this request.

Jesse P. Conner

Mrs. Jesse P. Conner

and
Members of the Hamilton County Council

Re: 1957-58 Budget

Dear Council Members:

Herewith is the proposed budget for the fiscal year ending June 30, 1958.

You will note there is no change in the Department of Education School Fund but the School Transportation is increased .01 for the School Bus Service.

The Teachers Retirement Fund was reduced .02 and this transferred to the County Fund to implement the Social Security for the teachers.

The General Bond Interest and Redemption Fund has been reduced .07 due to the fact the Debt Service for the fiscal year 1957-58 is \$1,104,049.26 as compared to \$2,512,050.97 for the fiscal year 1956-57.

The Rural Bond Interest and Redemption Fund has been increased .04 due to increase in Debt Service.

The County Fund was increased .04. Two cents (.02) transferred from Teachers Retirement Fund. The additional .02 was made necessary by the demands of the various increases for charity organizations.

The Health and Welfare Fund was reduced .01 because of increase in assessed valuation.

We have eliminated the .05 Pike Fund levy as it only applies to territory outside the City of Chattanooga and with the City of Chattanooga annexing so much of the territory we consider it only fair to relieve the "Outside" taxpayers of this burden.

The over-all tax rate will be \$2.11 inside the City of Chattanooga and \$2.33 outside the City of Chattanooga.

This recommended budget is submitted for your consideration and approval.

Respectfully submitted,

W. T. Brooks
County Manager

THOMAS S MYERS, COUNTY ATTORNEY
 HAMILTON COUNTY, TENNESSEE
 HAMILTON NATIONAL BANK BUILDING
 CHATTANOOGA, TENNESSEE

April 16, 1958.

OPINION OF THE COUNTY ATTORNEYS ON THE FOLLOWING RESOLUTION

PASSED BY THE COUNTY COUNCIL ON APRIL 2, 1958.

THE RESOLUTION IS AS FOLLOWS:

"On motion of Councilman Osborne, seconded by Councilwoman Wells, that the County Attorney be requested to give an opinion on whether or not bids were to have been made on printing of Report to Taxpayers forms."

In order to give you the proper opinion on this matter it is necessary to quote Section 18 - Chapter 156 of the Private Acts of 1941, known as the County Council Act, which is as follows:

"Be it further enacted, That no contract, except for personal services, involving the expenditure exceeding Five Hundred (\$500.00) Dollars, nor several proposed contracts aggregating more than Five Hundred (\$500.00) Dollars, for the same general work or kind of work, supplies or equipment, shall be awarded until after at least one advertisement in some newspaper published in the County at least ten (10) days before such contract is awarded or supplies purchased, and then only to the lowest and best bidder. Said bids shall be sealed and filed with the Manager, who shall publicly open them on the date specified and not prior thereto. No entire project or purchase involving the same type of work, equipment or supplies shall be split into small contracts.

No contract shall be awarded or purchase made involving the expenditure of One Hundred (\$100.00) Dollars or more and less than Five Hundred (\$500.00) Dollars, unless two or more competitive bids have been secured, and then only to the lowest and best bidder.

Purchases and contracts involving an expenditure of less than One Hundred (\$100.00) Dollars shall be made in conformity with the rules and regulations adopted by the Council.

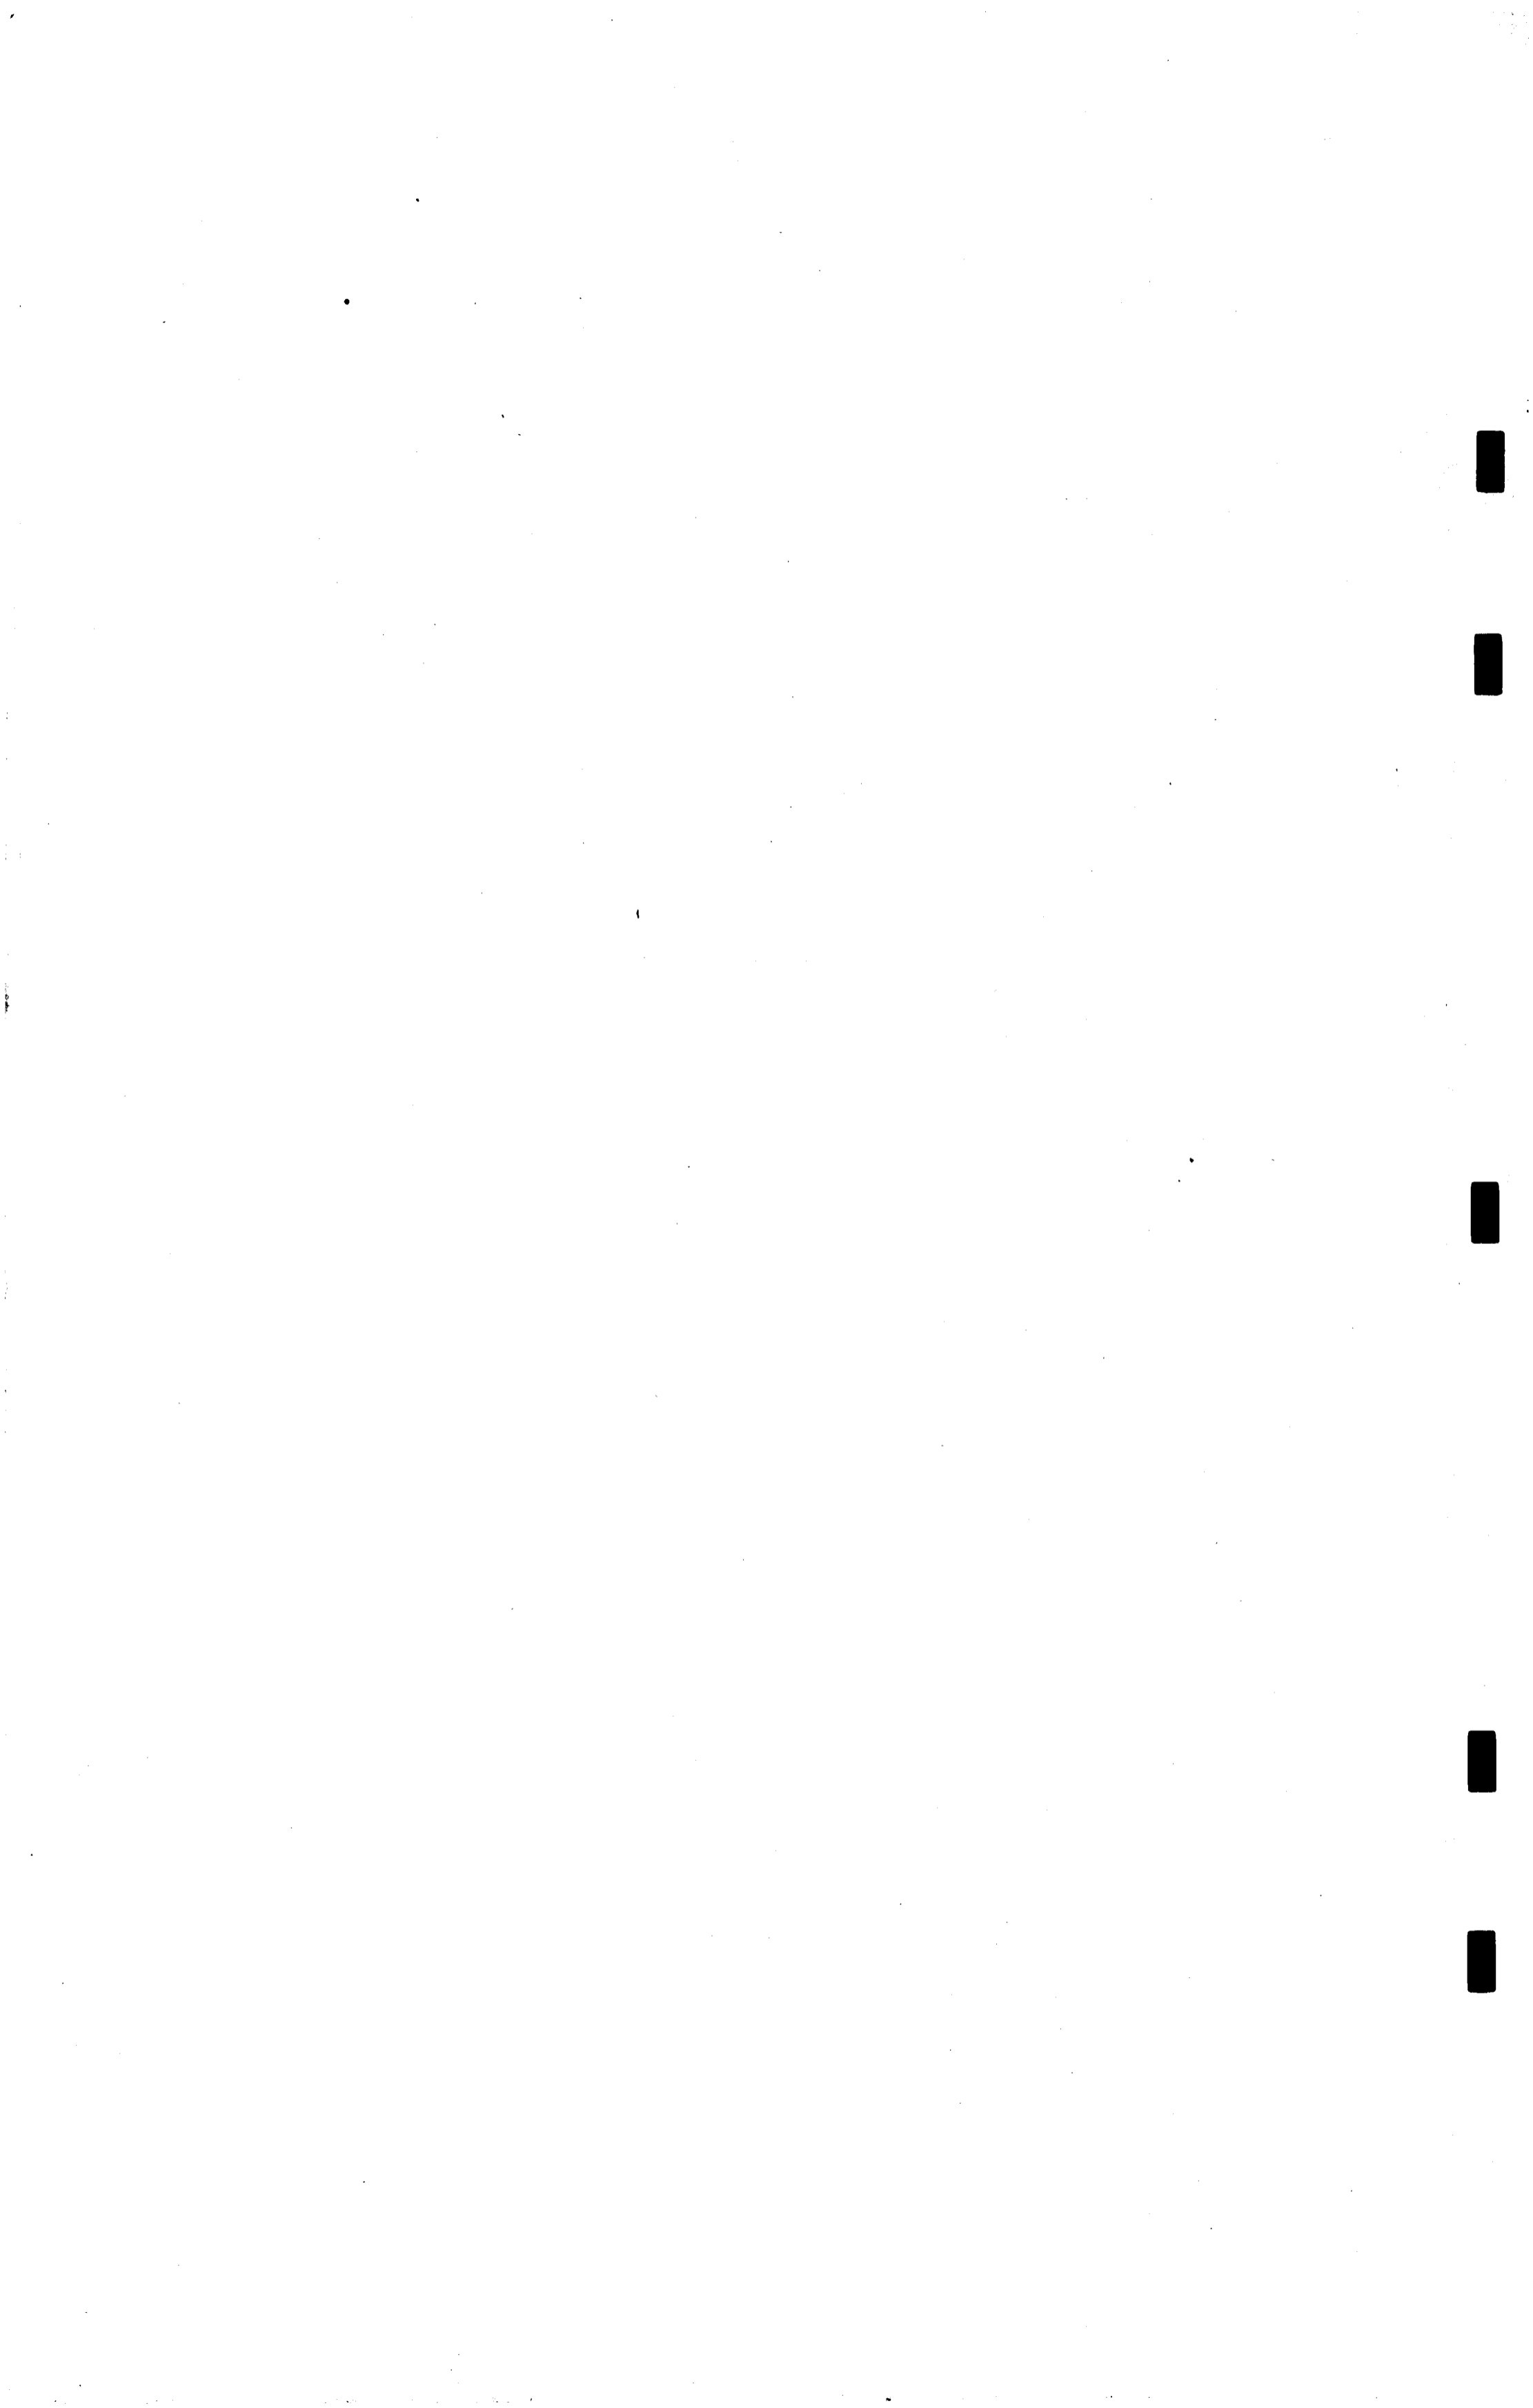

The Council may by Resolution authorize the Manager to execute contracts specifically designated in the resolution."

It is the opinion of the County Attorneys that no contract, except for personal services, involving the expenditure exceeding Five Hundred (\$500.00) Dollars, nor several proposed contracts aggregating more than Five Hundred (\$500.00) Dollars, for the same general work or kind of work, supplies or equipment, shall be awarded until after at least one advertisement in some newspaper published in the County at least ten (10) days before such contract is awarded or supplies purchased, and then only to the lowest and best bidder.
