Honorable Chester L. Frost
County Judge
Court House
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office for the months of January and February 1962 were of a routine nature. However, the number of contacts and claims remain on the up-grade since the closing of the local VA Office in December 1961.

It is hoped the current session of Congress will make sorely needed amendments to the "new" pension law - especially in the area of "net worth" and income restrictions.

During the two mentioned months this office received 231 letters, completed 27 various government forms, personally interviewed 522 persons and transmitted 233 letters with attachments.

A condensed report covering out-of-office trips is attached.

Respectfully yours,

W. Earl Bland

PROPOSAL OF THE DEPARTMENT OF HIGHWAYS OF THE STATE OF TENNESSEE

TO THE COUNTY OF HAMILTON

WHEREAS, the Department of Highways of the State of Tennessee, hereinafter called "Department", desires to construct in the County of Hamilton, hereinafter called "County", a certain project which will form a link in the National System of Interstate and Defense Highways, the same being described as follows:

The construction of a section of Interstate Project I-24-2 (9) 111 in Hamilton County, beginning at a point in the Marion-Hamilton County Line at Survey Stations 328 + 86 E. B. Lane and 327 + 89 W. B. Lane, and extending Southeastwardly to the Tennessee-Georgia State line. The average length of the section of Project I-24-2 (9) 111 in Hamilton County is 0.261 miles.

This Proposal is accompanied by Department drawings for Project I-24-2 (9) 111 which show in detail the section of Interstate Highway referred to in this paragraph.

AND WHEREAS, said Department does not have the personnel with which to acquire the rights-of-way for said project and would be greatly handicapped in attempting to acquire the same without the assistance and cooperation of said County.

AND WHEREAS, the said County will benefit from the construction of said project and desires to cooperate with said Department to the end that the necessary rights-of-way may be acquired and the project may be constructed, protected and used as a controlled-access highway.

NOW THEREFORE, said Department hereby proposes to said County to enter into a contract under which said Department and said County agree as follows:

(1) Said County agrees to acquire in the manner herein set forth, for the uses and purposes hereinafter stated, all such lands, rights-of-way, rights, and easements which it may be necessary to acquire in order to construct said project, taking such title thereto as may be specified or shown on the plans in its name for the use and benefit of the Department of Highways of the State or in the name of the State for the use and benefit of the Department of Highways; said lands, rights-of-way, rights and easements to be acquired in accordance with the rules and regulations of the Bureau of Public Roads of the Department of Commerce, as set out in Policy and Procedure Memorandum 21-4.1; and such modification of the same as may hereafter be made by said Bureau of Public Roads, the same to be held, used and preserved in accordance with the provisions of the Federal-Aid-Highway Act of 1956, and in accordance with the rules and regulations of said Bureau of Public Roads, and in accordance with the policies of the Department of Highways.

(2) It is agreed that prior to the start of negotiations for the acquisition of such lands, rights-of-way, rights or easements, the same shall be appraised by at

J U N E T E R M 1 9 6 2

least two independent appraisers well versed in values of such properties and such appraisals shall be approved by said Department. Negotiations for the purchase of said lands, rights-of-way, rights or easements shall not be made by the same person who made the appraisal thereof. In the event any land, right-of-way, right or easement cannot be acquired at not to exceed the approved appraisal, the same will have to be condemned. No reimbursement will be made for any expenditure not made in accordance with the provisions of this paragraph; excepting, however, any expenditure made after approval in writing by said Department.

(3) Said Department agrees to employ, at its expense, attorneys necessary to handle condemnation cases and to pay all judgments which may be rendered in condemnation cases brought under this contract and to pay all recording fees, court costs, and witness fees of witnesses other than appraisers furnished by the County, and to pay to the various property owners, the consideration of all deeds, contracts or easements which may be secured by said County under this contract, and to this end it is agreed that the County will furnish said Department with an option covering all property or property rights which may be purchased in order that said Department may make available vouchers with which to close the transaction.

(4) Said County agrees to pay, without any reimbursement from said Department, all salaries or fees of County employees and officials, and of all appraisers, attorneys, other than attorneys used for condemnation, title checkers, buyers and other persons used by the County in appraising, passing upon title or acquiring such property or property rights. Said County agrees to employ qualified personnel to perform the functions and work mentioned above and to permit said Department to pass upon the qualifications of such persons prior to their employment.

(5) It is agreed that property belonging to the County not held or used for highway or road purposes will be paid for at the approved appraised value, provided Federal participation in the payment of the same can be secured; provided, however, that no compensation will be paid to the County for lands used or held for highway or road purposes.

(6) Said County agrees, whenever necessary, in order that said project may be constructed in accordance with the plans, to the extent of its authority, to open, close and change the grade of highways and roads, to authorize and require the adjustment of utility facilities and railroad tracks and to make such other use of its police powers and rights as may be required or desirable in order that said project may be constructed.

Honorable Chester L. Frost, Chairman,
Members of the Hamilton County Council
Chattanooga, Tennessee

Re: 1962-1963 Budget

Dear Judge Frost and Council Members:

I submit herewith the proposed budget for the
Fiscal Year ending June 30, 1963.

You will note there is no change in the total
tax rate, either inside or outside the City of Chattanooga,
however, it was determined necessary to change the
insurance levy to 2¢ rather than 1¢ in order to
safely take care of our needs. This change may be
accomplished by reducing the Health and Welfare levy
by 1¢ to 6¢.

The levy for the other funds remain the same as
last year, and I am pleased to submit this budget for
your consideration.

Respectfully submitted

Honorable Chester L. Frost
County Judge
Court House
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office for the months of April and May 1962 were quite regular. A number of various claims were filed with the Veterans Administration and other governmental agencies.

At this writing Congress has still not presented the President with an approved bill to increase disability compensation for veterans. Therefore, they are still optimistic.

During the mentioned months this office received 223 letters, completed 277 government forms, interviewed 517 persons and forwarded 212 letters with attachments.

A brief report of outside activities is attached.

Respectfully yours,

W. Earl Bland

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on Tuesday, September 4, 1962, in the Juvenile Court Center. Members present were: Dr. Stewart, presiding; Mrs. Soper; Mr. Porter; Mr. Watkins; Mrs. Winston; Mrs. McCallie; Dr. Zukerman; Mrs. Currey. Dr. Veith, county council, was also present.

INVOCATION GIVEN BY DR. STEWART.

The chairman directed the minutes reflect the fact a meeting was held in August, 1962, but a quorum was not present. Those present were Mrs. McCallie, Mrs. Currey, Dr. Zukerman and Mr. Evans.

Mr. Porter brought to the attention of the commission a letter from a Mrs. O'Neal who was voicing an objection to the Department of Public Welfare removing a foster child (Duggan) from her home and returning it to the natural mother. This child had been in Chambliss Home a year before the D.P.W. placed the child in Mrs. O'Neal's home. Mrs. O'Neal has rendered a remarkable service to this child during the several years the child was in her care, particularly since it is handicapped. Britt explained the action taken was a judgemental one on the part of the D.P.W. and the Court could not intervene unless it could be shown the child was either dependent or neglected in the home of the natural mother.

Mrs. Soper reported on the children sent to Camp Ocoee during the past summer.

Mrs. Currey reported Mr. Lou Williams had completed the board for the proposal Halfway House for girls and hoped to be in operation soon.

Dr. Stewart reported on recent activities of the Public Relations Committee. There has been a recent TV program on which Dr. Stewart, Dr. Zukerman and Mrs. Currey appeared. Marion Peck's article on the work program produced excellent financial response.

Detention-Chambliss Committee- Water fountains have been installed in the Detention Unit, the gift of private citizens. The United Church Women and Kosmos Women provided an instruction for Chambliss home during the summer months.

Dr. Zukerman has arranged a new program thru Erlanger for the VD examination for the girls brought to Detention. The recent death of the Doctor making these examinations at the Health Department had created a serious breakdown in service.

The question of graduate scholarships for Negro College graduates referred to Professor Geraghty and Mrs. McCallie for further study.

Meeting Adjourned
Respectfully submitted

N O V E M B E R T E R M 1 9 6 2

ON MOTION of Councilman Mayfield, seconded by Councilmen Turner and Eldridge, the foregoing Resolution was unanimously denied by Acclamation, and to include in the motion an agreement made at a prior Council meeting on March 18, 1959, concerning the provision for a 180 foot buffer zone between residential property and the property of the American National Bank and Trust Company. All members of the County Council were present.

Following the action of the County Council in denying the rezoning from Rural Residential District to Wholesale and Light Industry District of a lot at the South-east corner of Elmdorf Street and Benton Avenue; an additional motion was made by Councilman Turner, seconded by Councilman Eldridge, that these minutes reflect the agreement made on March 18, 1959, at which time the zoning of other property in this area was approved for light industry by the County Council. On March 19, 1959, the Chattanooga Times printed the following article which reflects the agreement between the County Council and T. A. Lupton, Jr. to provide a buffer zone of 180 feet between residential property and property of the American Bank and Trust Company, which was rezoned to light industry only.

"Chattanooga Times, Thursday,
March 19, 1959, P. 3: Col. 4

ZONING WRANGLE IS COMPROMISED

Bank Tract In Amnicola Is Re-
Classified For Light Industry Only

Wrangling over rezoning that would permit establishment of an industrial park in the Amnicola area ended in a compromise Wednesday.

The County Council voted, 4 to 1, to reclassify a tract of some 27 acres owned by the American National Bank and Trust Co. from rural residential to light industry only.

Home owners of the sector protested a rezoning permitting all types of industry on the site.

They agreed, at a conference outside the Council's meeting, to the light-industry category, and also asked that the petitioner set up a buffer strip 100 feet wide between the industrial park and their lots.

Buffer Strip Provided

T. A. Lupton, Jr., Chairman of the Industrial Committee of 100, pointed out that East Park Avenue, which is unopened, already provides a buffer zone 180 feet wide.

Just prior to the settlement on the American Bank property, the Council voted without dissent to rezone some 40 acres owned by Georgia Industrial Realty Co. in the area for full industrial use.

The two tracts are on Riverside Drive at Cushman Street and running north to Wilder St.

David M. Eldridge, Jr., was the councilman voting against rezoning the American Bank Tract.

Lupton promised the group two weeks ago, when the Council first took up the issue, that no obnoxious plants would be permitted in the bank property."

Since the above agreement was not incorporated in the Council minutes of March 18, 1959, and since Councilmen Eldridge and Turner are the only remaining members of the Council holding office at this time, it is desired the above agreement be incorporated in the minutes for future information and use by the County Council or any other governing body which will handle zoning matters for Hamilton County.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on November 13, 1962, at the Juvenile Court Center. The meeting was postponed one week due to the regular meeting day falling on election day. Members present were: Dr. Stewart, chairman; Mrs. Soper; Mr. Evans; Mrs. McCallie; Dr. Zuckerman; Mrs. Currey.

Invocation by Dr. Stewart.

Minutes of October meeting approved as published.

Mr. Britt raised the question of continuing the liability insurance due to the premium increasing about \$50.00. The new premium is \$279.89. Mr. Evans moved it be carried one more year. Mrs. Currey seconded. Carried.

Mrs. Currey - Detention Home and Community Resources Committee - reported that, Mr. Lou Williams had his committee formed and working on the proposed Half-way House for girls. Several houses have been inspected and one seems adequate for this purpose. Kiwanis Club will contribute this year and may assist for a longer period. The Junior League is also considering sponsoring this for a three year period.

Mr. Siskin has contributed a flagpole to the court center and the American Legion will furnish the flag. Col. Van Dyke Ochs will give the children and detention home staff a lecture on flag etiquette.

Mr. Selmon T. Franklin, Jr., personally paid for repairs to the floor of the Chambliss Home addition, and Mr. Logan, the contractor, refused payment and requested his costs be contributed to Chambliss to be used for the children. This was done by Mr. Franklin.

The problem of the mentally ill child in our community was discussed at some length. No concrete recommendations were made.

There being no other reports, the meeting adjourned.

Respectfully submitted,

Leo B. Britt,
Secretary

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on December 4, 1962, in the Juvenile Court Center with the following members present; Dr. Stewart, chairman; Mrs. Winston; Mrs. Soper; Mrs. Currey; Mr. Watkins; Mrs. McCallie; Prof. Geraghty.

Invocation by Dr. Stewart.

Minutes of previous meeting corrected to add Mrs. Winston as present and then approved.

Community Resources Committee: Mrs. Currey reported the flag dedication ceremony would be held December 10, 1962, at 10:00 A.M. American Legion to be in charge of the ceremony and to contribute the flag. The pole and it's installation contributed by the Siskin Brothers. The commission expressed it's thanks to Mrs. Currey for her work on this project.

She also reported a gift of \$200.00 to be used for the benefit of the children in Chambliss Home. How playground equipment seems to be the most urgent item not covered by the budget.

Professor Geraghty reported on meeting with various department heads of the University and that the way is clear for cooperation between the University and the Juvenile Court in the area of students doing volunteer work in the shelter units. The court is to prepare and develop the type program needed on a teaching basis and prepare a schedule. This is definitely not to be a Big Brother situation. BEA has also agreed to take the Juvenile Court as a project and to start after January 1, 1963.

Meeting adjourned.

Respectfully submitted

Leo B. Britt,
Secretary

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on January 8, 1963, in the Juvenile Court Center with the following members present; Dr. Stewart, chairman; Mrs. Soper; Mrs. McCallie; Mrs. Currey; Prof. Geraghty; Dr. Zuckerman; Mrs. Winston. Also present was Mr. Bradbury, superintendent of the detention unit.

Minutes approved as published.

Since the last meeting, the flag pole has been installed. The flag is raised daily except when foul weather prohibits. Mrs. Currey moved that a letter of thanks be sent to the Siskin brothers, for their contributions. Geraghty seconded. Carried.

Geraghty stated that Dr. Utley of the University of Chattanooga faculty would handle the details of student assignment to the detention unit. Some will be education majors, some physical education majors, and there is a possibility of some student testing of children in detention.

In the absence of Mr. Porter, legislative chairman, Mr. Britt reported on a salary bill that had been prepared and submitted to the delegation. Mrs. Currey moved that a resolution be prepared stating the commission's position, and a copy sent to each member of the delegation. Each member of the commission is to sign the resolution. Mrs. McCallie seconded. Carried.

Mrs. Currey, Community Resources Committee, reported excellent progress on the Half Way House. Any immediate publicity is to be referred to Mr. Lou Williams for clearance. Dr. Stewart stated this was to be the subject of the February meeting of the Ministerial Association.

Mrs. Soper reported gifts of \$150.00 for to be used to assist those children in detention.

Mr. Britt reported (for Evans) the work done on the traffic court proposal. The primary thought is to move those juveniles old enough for a license, to a traffic court for trial of any traffic offenses they may be charged with. The commission expressed its appreciation for the excellent work done by Mr. Evans on this matter.

Dr. Zuckerman reminded us of the fact he is chairman of the nominations committee.

Meeting adjourned.

Respectfully submitted,

Leo B. Britt,
Secretary

February 18, 1963

W. EARL BLAND
SERVICE OFFICER
PHONE AM 7-6206Honorable Chester L. Frost
County Judge
Court House
Chattanooga, Tennessee

Dear Judge Frost:

During the months of November and December 1962 the activities of this office were of a routine nature. Many claims were filed with the Veterans Administration, and as mentioned in the previous report, VA hospitalization remains the chronic and acute problem.

With the complexity of the present pension law, a large number of cases become quite involved, taking into account the value of the estate, income, sale of real property, etc. And then with graduating monthly pay rates for widows and veterans, payments that are badly needed are sometimes delayed.

During the elapsed period, this office received 137 letters, completed 206 government forms, interviewed 227 persons and transmitted 131 letters.

A condensed report of outside activities is attached.

Respectfully yours,

W. Earl Bland

HAMILTON COUNTY DEMOCRATIC WOMAN'S CLUB
CHATTANOOGA, TENNESSEE

*Meeting held
February 19*

February 19, 1963

Honorable Dave Eldridge, Councilman
Hamilton County Courthouse
Chattanooga, Tennessee

Dear Councilman Eldridge:

The Hamilton County Democratic Woman's Club held its regular meeting today at the Hotel Patten.

On the agenda for round-table discussion was the subject of the proposed new nursing home for Hamilton County. The majority of our membership is of the opinion that more time and thought should be given to the matter of the location.

We therefore appeal to you to delay your decision on this important subject until a little later date, as we are not sure that the contemplated location would be for the best interests of the patients or of the citizens of our county.

We feel that a more centrally located site may be found which would be better available to employees, visitors and relatives, and perhaps more convenient to patients who are not confined strictly to beds or rooms.

Thank you for your consideration.

Sincerely yours,

HAMILTON COUNTY DEMOCRATIC WOMAN'S CLUB

Mrs. Lee Bryant
Mrs. Lee Bryant,
President

VICE-CHAIRMAN

STATE OF TENNESSEE

DEPARTMENT OF PUBLIC WELFARE

STATE OFFICE BUILDING
NASHVILLE 3FRANK G. CLEMENT
Governor

April 2, 1963

Hon. Chester L. Frost
County Judge, Hamilton County,
Chattanooga, Tennessee

Dear Judge Frost:

This Department has submitted to the U. S. Department of Agriculture a plan to place in operation the pilot food stamp program for Hamilton, Grundy, Marion and Sequatchie Counties. The plan, if approved, will require financing from federal, state, and local sources.

The following statement gives estimates of the funds required to place this program in operation in Hamilton County:

<u>Staff and Expenses</u>	<u>Cost Per Month</u>
4 Food Stamp Workers	\$1,300.00
Accounting and Issuing Unit*	750.00
1 Sr. Account Clerk	
2 Clerical Positions	
Travel and Supplies	<u>270.00</u>
Total Cost	\$2,320.00
Federal Share	750.00
State Share	630.00
Hamilton County's Share	<u>940.00</u>
Total Cost	\$2,320.00

*16 days a month

We believe that the estimates are fairly accurate, however, they may vary some from month to month and no doubt will increase as salaries of employees increase.

Under this plan the state will furnish all of the equipment required by the workers and the Accounting and Issuing Unit. In addition, the state will supply the office space for the food stamp workers. The county will be required to furnish office space for the Accounting and Issuing Unit which will be in your county sixteen days per month.

I hope you will be in a position to let this office know in the next few days if your county can participate according to the estimates submitted. We estimate it will take from thirty to forty-five days to place the plan into operation.

If you have any questions or would like to discuss the plan in more detail, please feel free to call.

Sincerely yours,

M. C. Caudill
Commissioner

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held February 5, 1963, in the Juvenile Court Center, with the following members present: Dr. Stewart, presiding; Mr. Evans; Mrs. McCallie; Dr. Zuckerman; Mrs. Currey; Mr. Valentine; Mr. Porter; Judge Barker.

Invocation by Dr. Stewart.

Minutes approved as mailed.

Dr. Zuckerman, Nominations Committee, reported on the people the committee was considering for nomination to the commission. After careful consideration of the nominees, all were referred back to the committee for further consideration and report back at the next meeting.

Mr. Porter, Legislative Committee, reported the delegation was not in full agreement on the proposed salary bill and wanted further recommendations from the commission. Also the Bar Association board of governors has recommended \$12,000.00 as the salary. After further discussion, Mr. Porter moved the resolution adopted at the last meeting be amended to read \$12,000.00 as a minimum amount. Mr. Evans seconded. Carried.

Mr. Evans reported on his activities in regards the proposed traffic court. His committee approached this problem by (1) proposing an amendment to the Juvenile section of the code and, (2) proposing the creation of a second division of the city court. He further stated the Bar Association approved this, the Safety Council approved, and the City Judge approved. The bills are in the hands of the local delegation.

There being no further business, the meeting adjourned.

Respectfully submitted,

Leo B. Britt,
