CITY-COUNTY VETERANS SERVICE OFFICE

July 7, 1960

Honorable Wilkes T. Thrasher, Jr.  
County Judge  
Court House  
Chattanooga, Tennessee

Dear Judge Thrasher:

Claims filed through this office during the month of June, especially pension, far surpassed any other month this year. Of course, with many World War I veterans reaching the retirement age, and widows and minor children of World War II and the Korean Conflict now eligible for death pension, this year promises to be a busy one.

I am glad to report that Congress has extended the deadline for GI Loans, until July 25, 1961. The deadline was previously set for July 25, 1960.

In June this office received 62 letters, completed 78 VA Forms, interviewed 304 persons and transmitted 59 letters.

A report of outside activities is attached.

Respectfully yours,

W. Earl Bland  
W. Earl Bland  
City-County Service Officer

REPORT OF OUTSIDE ACTIVITIES FOR THE MONTH OF JUNE, 1960.

- June 6 Trip to Baroness Erlanger Hospital to file a pension claim for Mr. Charles G. Palmer. Mr. Palmer, who resides at 1513 Burns Avenue, is acutely ill and unable to speak. Mrs. Palmer executed the claim.
- June 15 Trip to 1510 Wheeler Avenue to file a claim for additional pension benefits for Mr. Ernest Lieker. Mr. Lieker is unable to visit the office because of the severity of his disabilities.
- June 17 Trip to 213 S. St. Marks Avenue to file an application for VA hospitalization for Mr. John K. Wilson. Mr. Wilson's disabilities warranted a house call.
- June 21 Trip to 1507 Duncan Avenue to consult with Mr. L. P. Sullivan pertaining to a pension claim.
- June 28 Repeat trip to 213 S. St. Marks Avenue to assist Mrs. John K. Wilson in completing additional VA Forms to be sent direct to the VA Hospital, Murfreesboro, Tennessee. Mr. Wilson's admission to that facility has materialized.

In November this office received 52 letters, completed 62 government forms, interviewed 286 persons and transmitted 71 letters.

A report of out-of office trips is attached.

In December 44 letters were received, 51 government forms were completed, 233 persons interviewed and 38 letters were transmitted.

A brief report of outside activities is attached.

Respectfully yours,

## JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on February 9, 1961, in the Court Center. This meeting had been postponed from February 2, 1961, by agreement of the members present at the January, 1961, meeting.

Members present were Mr. Bigger, Chairman, Mr. Porter, Dr. Stewart, Mrs. Hoyle, Mrs. Currey, Dr. Zuckerman, Mr. Leitner, and Mr. Watkins.

Invocation by Dr. Stewart.

Dr. Stewart moved the minutes be approved as published. Mr. Porter seconded. Carried.

M A R C H    T E R M    1 9 6 1

Mr. Porter reported the bill to amend the Workmen's Compensation Law has been adopted by Governor Ellington as an administration measure and was introduced into the legislature on February 7, 1961, as House Bill 372 and Senate Bill 281. The possibility of enactment appears good as the Youth Commission worked very hard on this. It also appears the local delegation is behind this measure.

Attention was called to the fact four members terms expire April 1st. These are Mr. Leitner, Mr. Porter, Mr. Valentine and Mr. Watkins. The latter two are filling out terms of members who resigned and Mr. Leitner is not eligible for re-election. Mr. Biggers appointed Dr. Stewart to be chairman of a nominating committee to select new members.

Mrs. Currey reported on a bill introduced into the Legislature calling for the legislative council to study the mental health needs of children in Tennessee. This bill was sponsored by Mrs. Albert Cocke, Episcopal Churchwomen of Tennessee. After some discussion of the aims of this bill, Mrs. Currey moved a resolution endorsing it be sent to each member of the Hamilton County delegation. Mrs. Holye seconded. Carried. Mr. Britt directed draft and mail the resolution.

Mrs. Currey raised the question of a night, male employee for Chambliss Home. Several factors enter into this, (1) because of prowlers, the female employees are afraid to answer the door at night, (2) defective children brought in by the police late at night are often too heavy for a woman to lift into bed.

Mr. Biggers appointed Mrs. Currey to determine the need for such a person and whether an alternate solution can be found.

Mr. Leitner moved such a person, if needed, be hired on a trial basis provided funds can be found to pay him. (There being no budgeted item for this.) Mrs. Hoyle seconded. Carried.

Mr. Leitner appointed of the Budget committee.

Mr. Watkins moved Mr. Leitner draft a future salary bill for the Juvenile Judges position with a salary figure the same as the Circuit Judges. Mrs. Currey seconded. Carried.

Meeting Adjourned

Respectfully submitted,

Leo B. Britt

CITY-COUNTY VETERANS SERVICE  
OFFICE

May 24, 1961

Honorable Chester L. Frost  
County Judge  
Court House  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office during the month of April were routine. Claims filed for veterans and their dependents were at a peak as compared to April, 1960.

The GI Loan program in Chattanooga and Hamilton County has improved slightly. The primary reason for this is the reduction in discounts charged to the seller. Currently FHA is 3% and GI 5%.

In April this office received 61 letters, completed 86 VA Forms, interviewed 269 persons and forwarded 96 letters.

A report covering out-of-office activities is attached.

Respectfully yours,

W. Earl Bland

COPY OF LETTER FROM A. L. BENDER, COUNTY MANAGER, TO JUDGE FROST, COUNTY JUDGE

June 30, 1961

Hon. Chester L. Frost, Chairman  
Members of the Hamilton County Council  
Chattanooga, Tennessee

Re: 1961-62 Budget

Dear Judge Frost and Council Members:

Submitted is the proposed budget for the Fiscal Year ending June 30, 1962.

You will note there is a change in the tax levy both inside and outside the City of Chattanooga. Outside the City the total tax rate must be raised .17¢ and inside the City the tax rate must be raised .10¢ in order to meet our requirements for the budget year. You will note there is a .07¢ tax difference outside the City due to our increased obligations of our Rural Debt Service Fund for building of schools in the past years.

The over-all tax rate outside the City will be \$2.70 and inside the City \$2.41. A break down of tax increases is as follows:

Department of Education	.02
General County Fund	.07 $\frac{1}{2}$
Health & Welfare	.00 $\frac{1}{2}$

The above increase is effective both inside and outside the City of Chattanooga. The increase of .07¢ for Rural Debt Service Fund is effective only outside the City.

In order to meet the increased needs of Teachers' Retirement, Pensions, Social Security, Hospitals and Retirement of Bonds for Schools, etc., it was necessary to increase the School Fund levy to \$1.46 $\frac{1}{2}$ , Health and Welfare .07¢ and General County Fund .37 $\frac{1}{2}$ .. The levy for the other funds remain the same as for the previous year.

This recommended budget is submitted for your consideration and approval.

Respectfully submitted,

A. L. Bender

Chester L. Frost  
Member of the County Council

ON MOTION of Judge Frost, seconded by Councilman Osborne, the foregoing Resolution was unanimously adopted on a Roll Call vote, the following members of the County Council being present and voting "Yea": Councilman Eldridge, Councilman Osborne, Councilman Turner, Councilwoman Wells and Judge Frost. Total present - 5. Absent - 0.

THE Statement with Reference to 1961-62 Tax Rate given by Judge Frost is hereby made a part of these minutes:

STATEMENT WITH REFERENCE TO THE 1961-62 TAX RATE FOR HAMILTON COUNTY.

It is with sincere regret the Hamilton County Council must increase the tax levy in Hamilton County for the coming year, and in the very beginning we wish to state this action is necessary to meet our obligations heretofore made, and to provide the very minimum services for our people. The levy for the coming fiscal year of 1961-62 will be increased to \$2.70 per \$100.00 valuation in the County outside the City of Chattanooga, and to \$2.41 per \$100.00 valuation inside the said City. This means the tax levy is increased 17¢ per \$100.00 valuation on property outside the City of Chattanooga, and 10¢ per \$100.00 valuation on property inside the City limits of Chattanooga. With this general statement, I wish to make the following explanation:

First: With reference to the 1961-62 levy as it relates to property outside the City limits of Chattanooga, and for the moment with particular attention to that levy for "Rural Bond Interest and Redemption Fund".

a. Heretofore there has been a levy of 17¢ per \$100.00 valuation for several years on that property which is outside the City of Chattanooga, to take care of the interest and payments on bonds issued for funds used exclusively on County Schools, and from which there was no division made with the City of Chattanooga. Practically every County School has used a part of these rural bond funds. However, I must state that the levy as made for this fund has not been sufficient to meet the debt requirement since the

1957-58 budget, and each year since then there has been a drain on the Rural Bond Interest and Redemption Sinking Fund to meet the requirements of this debt service. Last year the total remaining funds were withdrawn, being the sum of \$143,182.75, to supplement the revenue raised from the levy of only 17¢. This year there is no sinking fund from which we can draw these funds, and Hamilton County must meet its obligations, and the only way we can do this, is to make sufficient levy on that property outside the City of Chattanooga. Last year the Rural Debt Service hit what we call the beginning of "peak years" and we must make a levy sufficient to carry us through these years. Our Director of Accounts and Budgets together with our County Auditor, has prepared a debt schedule, and as best we can, we have anticipated our increased assessments, and we feel we can meet our requirements from year to year by increasing our levy for this Rural Bond Interest and Redemption Fund from the 17¢ per \$100.00 valuation as heretofore levied to 24¢ per \$100.00 valuation. This 7¢ increase will barely meet our needs now, but if we have a normal increase in our assessments and no further Rural Bonds are issued, we will be able to meet our obligations and then reduce this levy by some 10¢ after the fiscal year of 1970-71. I add again, there is no other source of revenue under the law whereby we can secure funds to meet this obligation that was made some years ago.

b. In passing I must mention that the additional 5¢ difference between the levy on property outside the City of Chattanooga, is the road tax for County Pikes as is prescribed by legislative act.

Hence, the difference between the levy on the property inside the City of Chattanooga, and that on the outside of said City limits, is accounted for by the 24¢ levy to pay for the funds heretofore used on County School construction only, and the other 5¢ levy is to be used on the County Roads exclusively.

Secondly: With reference to the increased levy on all property in Hamilton County I want to make this general explanation:

a. Last October, before our people voted on the Seven Million Dollar Bond Issue for School purposes, I released a report prepared by our County Auditor which showed the sale of these bonds at one time, under certain conditions, would require a tax increase of some 16¢ to 17¢ per \$100.00 valuation. At that time the County Council in open meeting, which was reported in our daily papers, called attention to the possibility of a tax increase of from 13¢ to 17¢ if the people voted favorable on the issue. Supt. McConnell made a similar statement before Civic Clubs and on television, and both newspapers editorially discussed the bond issue in the light of an increase in the tax levy. Yet, our people very wisely voted to issue these bonds because the school facilities were badly needed.

b. Sometime later the County Council was advised in a private meeting by the School Board and by Supt. McConnell that there would be a substantial increase in the request of the School Department this year, and many of you will recall that every effort was made by us to secure permissive legislation from the Legislature in Nashville, that would permit the people of Hamilton County the right to go to the polls and vote on whether they desired to broaden the tax base or not. We wanted the people to have the privilege of voting on whether they had rather pay a part of the cost of schools by a sales tax, rather than place the additional burden for more funds on the real property owners. We felt then, and we feel now, that the people should have this right. However, despite our every effort, the proposed legislation was tabled in the final days of the

J U N E T E R M 1 9 6 1

Legislature and now the people of Hamilton County and the County Council have no choice as to how funds may be raised to properly operate our schools and other functions of the county government. These funds must come from proper property levy.

c. On June 7, 1961, we sold Four Million Dollars in School Bonds and One Million Dollars in General Improvement Bonds, and we were able to sell these bonds at the lowest interest rate any bonds have been sold by our County in some ten years. However, because of this sale of bonds, we have the additional burden of interest paying on this issue during the coming fiscal year.

d. Many of you expressed your approval of the legislation at the last session of the Legislature in Nashville that provided a minimum pension of \$100.00 per month for all of our retired teachers. The Council was also pleased, however, we find this is another item of expense for which we must make proper levy against the property of our citizens.

e. The building of the much needed additional wing at Erlanger hospital resulted in an additional request for funds and your Council is appropriating some \$50,000.00 additional to this important function for the coming year. We are also increasing our appropriation to the City-County Health Department to cover the additional cost of the operation of the new Health Center. Likewise, there is an increased appropriation for the Guidance Clinic, the Speech and Hearing Aid Clinic, and to the Medical Aid to the Aged Indigent.

f. The one new item in our budget this year is the sum of \$1,235.96 for Capital Improvements, and this item is simply looking ahead to what we know must be looked after. The statute provides for the governing body of the County to make proper appropriation for building, repairing, and taking care of the courthouse, jails, and other county building. This is the minimum sum to meet our needs in this county function, and we are of the opinion the appropriation should be made in this manner under the law.

Many other items could be discussed in this statement, but we feel we have covered most of the subjects that needed explaining. I want to assure you people that many long hours have gone into the preparation of this budget. The Council has met numerous times. We have held open meetings and listened as courteously as we know how to the requests of our citizens representing the various organizations. And, with minor exceptions, we must say that all who appeared made out a good case for the funds they sought. However, unable to give all that was requested, we have to the best of our ability, given to the various organizations and functions all that our limited revenue would permit.

The Council met with the Mayor and the City Commissioners and we discussed the needs of the various agencies that receive appropriations jointly from the City and County. We found this group very-co-operative and desirous of doing the best they could with the funds at hand. It is our suggestion in the future, that all the agencies who share jointly in these funds present their request before a joint meeting of the City Commission and the County Council, and thus prevent the duplication of a presentation of their needs.

We have not attempted to specifically cover all items in the budget, but simply wanted to make the explanations we have made, and wish to say again we are sorry the tax increase is necessary, but feel the levy made is the very minimum under which we can operate and meet the needs of the people and honestly meet the obligations that have been made heretofore.

J U N E    T E R M    1 9 6 1

In closing I wish to say that the members of the Council, Mrs. Wells, Mr. Turner, Mr. Eldridge and Mr. Osborne together with Manager Bander have all worked hard in making this Budget, and each one has given of his or her talent, energy and time. Mr. DeArmond, our Auditor, has been most helpful in preparing schedules and doing other necessary work. Finally, Mr. Duane Giddings is due a special word of commendation for his very fine and untiring work on this Budget. He and his staff have done an excellent job.

We appreciate the fine and wonderful people who came before us and made requests, and we are very sorry we could not in every instance give all they requested. We realize all our people will not approve of either the reduction of a request for a particular function of service, or, with the tax increase, but again, we want to assure you we are using our best judgment, and hope the people of our County will join with us in our efforts to make Hamilton County a better place to live.

Respectfully

Chester L. Frost

CITY-COUNTY VETERANS SERVICE OFFICE  
814 Lindsay Street  
Chattanooga, Tennessee  
August 24, 1961

Honorable Chester L. Frost  
County Judge  
Court House  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office during the month of July were quite regular. A number of claims were filed with the Veterans Administration.

Dependent parents who are apparently entitled to death compensation face the task of accurately estimating their income or face the prospect of deferred payments. This is the result of the relatively new sliding-rule schedule of payments. Some fail to apply because of the imposed restrictions.

During July this office received 74 letters, completed 97 VA Forms, interviewed 217 persons and transmitted 86 letters.

A report of outside activities is attached.

Respectfully yours,

CITY-COUNTY VETERANS SERVICE OFFICE

September 27, 1961

Honorable Chester L. Frost  
County Judge  
Court House  
Chattanooga, Tennessee

Dear Judge Frost:

During the month of August the activities of this office were for the most part routine. Various claims were filed with the Veterans Administration.

Since the Social Security laws have recently been changed, permitting a person to now qualify at the age of 62, more disabled will retire at an earlier date.

In August this office received 83 letters, completed 92 VA Forms, interviewed 212 persons and submitted 89 letters.

A report of out-of-office trips is herewith attached.

Respectfully yours,

/s/ W. Earl Bland

## CITY-COUNTY VETERANS SERVICE OFFICE

814 LINDSAY STREET

CHATTANOOGA 3, TENNESSEE

October 19, 1961

W. EARL BLAND  
SERVICE OFFICER  
PHONE AM 7-6206

Honorable Chester L. Frost  
County Judge  
Court House  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office during the past month of September consisted primarily of claims filed with the Veterans Administration. As usual other inquiries and claims were filed with other governmental agencies.

Although the veteran's service organizations anticipated the passage of a number of important bills during the past session of Congress, nothing of importance became law. Two insurance bills and one compensation proposal never reached the Congress for consideration, having been detained by the House Committee on Veterans Affairs.

During September this office received 93 letters, completed 18 VA Forms, interviewed 218 persons and transmitted 94 pieces of mail.

A report of outside activities is attached.

Respectfully yours,

W. Earl Bland

James F. Turner  
Councilman

Chattanooga, Tennessee

To the Superintendent of Roads  
Hamilton County, Tennessee

Dear Sir:

The undersigned, the Cincinnati, New Orleans & Texas Pacific Railway Company, is the owner of various properties shown on the attached three drawings, No. 9/1594, No. 45673, and No. 9/1591. The petitioner would show that all the roads colored in

D E C E M B E R T E R M 1 9 6 1

green on Drawing No. 45673 were abandoned by action of the County Council of Hamilton County, Tennessee, on June 2, 1954, by resolution found in County Council Record Book 3, page 198. The petitioner would show that all portions of roads shown in green on Drawing No. 9/1594 were abandoned by action of the County Council of Hamilton County, Tennessee, on June 2, 1954, by resolution found in County Council Record Book 3, page 198, with the exception of "Chickamauga Road located on property acquired through Ashley Black heirs adjacent to property owned by Ernest Igou." The petitioner would show that the reason why the closing of this portion of Chickamauga Road was excepted from the action of the County Council of January 2, 1954, was that a lawsuit had been filed in the Chancery Court of Hamilton County, Tennessee, by adjoining landowners seeking damages from the petitioner, the Cincinnati, New Orleans & Texas Pacific Railway Company. The petitioner would show that said litigation resulted in judgments for the adjoining landowners and that said judgments have been paid in full and that adjoining landowners no longer have any complaint relative to the closing of that portion of Chickamauga Road or Avenue shown in green on the attached Drawing No. 9/1594. The petitioner would show that all portions of roads shown in green on Drawing No. 9/1591 have not yet been abandoned by the County Council of Hamilton County, Tennessee.

The petitioner would show that all portions of roads shown in red on Drawings Nos. 9/1591, 9/1594 and 45673 have been relocated by the petitioner and that the petitioner does now hereby petition the Superintendent of Roads of Hamilton County, Tennessee, to take over and accept for County maintenance all roads shown in red on the attached three Drawings, Nos. 9/1591, 9/1594 and 45673, which said roads have been relocated and improved by the petitioner. The petitioner does hereby tender to Hamilton County seven (7) deeds for easements for highway purposes over and along any properties of the petitioner where said new roads have been located. The tender of said seven (7) deeds is conditioned upon the acceptance by Hamilton County of said roads for County maintenance.

The petitioner does hereby further petition the Superintendent of Roads of Hamilton County, Tennessee, under Chapter 204, page 795; Section 17, page 805 of said Chapter of the Acts of the General Assembly of the State of Tennessee for 1953, passed April 1, 1915, and approved April 3, 1915, to abandon all roads shown in green on Drawing No. 9/1591 attached hereto and made a part hereof, and that the areas encompassed in said roads revert in equal shares to the present owners of abutting property. The petitioner does further petition the Superintendent of Roads to now abandon that portion of Chickamauga Road or Avenue shown in green on Drawing No. 9/1594 acquired from the Ashley Black heirs adjacent to the Ernest Igou property, and that the area encompassed within said portion of said road revert in equal shares to the present owners of abutting property.

The Cincinnati, New Orleans & Texas Pacific Railway Company, the petitioner, is

## D E C E M B E R T E R M 1 9 6 1

the sole owner of the property on either side of all of the roads to be abandoned. It does hereby agree to hold harmless the County of Hamilton and the State of Tennessee, from any damage or claim for damage by reason of the closing of said roads.

This 16 day of November, 1961.

CINCINNATI, NEW ORLEANS & TEXAS  
PACIFIC RAILWAY COMPANY

By Frank S. Worthington  
Vice-President

I, W. H. Lonas, Superintendent of Roads of Hamilton County, Tennessee, do certify and state that I am acquainted with the roads hereinabove described in the foregoing Petition and the attached Drawings, and that the County of Hamilton in the State of Tennessee does abandon for road purposes the roads as shown in green on Drawing No. 9/1591 and that portion of Chickamauga Road or Avenue shown in green on Drawing No. 9/1594 acquired from the Ashley Black heirs adjacent to the Ernest Igou property, subject to the approval of the County Engineer and the County Council of Hamilton County, Tennessee, and I do further certify and state that I have checked the deeds of easement tendered by the petitioner, the Cincinnati, New Orleans and Texas Pacific Railway Company, and I find that said deeds convey easements in all property necessary for Hamilton County to take over the maintenance of the sections of roads shown in red on the attached three Drawings, Nos. 9/1591, 9/1594 and 45673. Therefore, I do further certify and state that the County of Hamilton in the State of Tennessee does accept and take over for maintenance all public roads shown in red on the three Drawings aforesaid, which are attached hereto, subject to the approval of the County Engineer and the County Council of Hamilton County, Tennessee.

W. H. Lonas  
Superintendent of Roads of

H. Lonas, Superintendent of Roads of Hamilton County, Tennessee, in granting the relief sought in the said Petition as to the closing of the roads shown in green on Drawing No. 9/1591 and that portion of Chickamauga Road or Avenue as shown in green on Drawing No. 9/1594, acquired from the Ashley Black heirs adjacent to the property of Ernest Igou; and I do further approve the action of Mr. W. H. Lonas, Superintendent of Roads of Hamilton County, Tennessee, in taking over and assuming the maintenance of the portions of roads shown in red on the three said Drawings Nos. 9/1591, 9/1594 and 45673 attached hereto.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on November 2, 1961 at the Juvenile Court Center with the following members present, Dr. Zuckerman; Mrs. Soper; Mr. Harris; Mrs. Currey; Mr. Porter; Mrs. Boyle; Dr. Stewart. In the absence of the Chairman, Mr. Britt presided.

Invocation by Dr. Stewart.

Dr. Stewart moved the minutes of the previous meeting be approved as published. Mr. Porter seconded. Carried.

Mrs. Currey called attention to the Legislative Council hearings on the Resolution directing that body to study the problems of mentally ill and emotionally disturbed children. Commission members need to familiarize themselves with scope and purpose of the study and be prepared to submit resolutions to the Legislative Council in those areas the Court meets the problems.

Mr. Porter suggested Dr. Zuckerman contact Dr. Nat Winston to determine if the Mental Health Department has changed its thinking on expanding Moccasin Bend to include a facility for children anytime soon.

Mrs. Soper, Detention Committee, suggested the possibility of an additional man in the detention unit be investigated. Due to population pressures in the unit, the presence of only one man on duty during the morning creates an explosive situation. The Commission agreed to check on this further. Mrs. Soper also reminded the members Christmas Cards were now on sale that were made by the children in the unit.

The question of continuing the liability coverage for the Commission members was referred to Mr. Porter for study by his committee. He is to also check on the laws governing the sale of small arms to young people. At the present an unusually large segment of the teenage group is in the habit of carrying pistols.

Meeting adjourned

Respectfully submitted

Dear Mr. [Name]:

Reference is made:

Activities of this office during the month of November were of a routine nature. A number of cases were satisfactorily concluded.

It is noted that the Chattanooga Sub-Region VA Office will cease to exist after December 29, 1961. It is anticipated that at least 90% of the veterans and their survivors who availed themselves of the services of the local VA office will now resort to this office.

This office has received 121 letters, and listed 177 correspondents, interviewed 1236 persons and performed 121 cases with assignments.

A brief report of notable activities is herewith attached.

Very respectfully,  
W. Earl Bland

My Commission expires:

My Commission Expires November 18, 1963

Within this fiscal year there has been some changes in our purchasing procedures, as well as a considerable reduction in the work load of the County Purchasing Department. This reduction of work was brought about by the Department of Education assuming responsibility for the purchase of their own supplies, with the exception of coal, floor wax and cleaner, which they requested the County to purchase for them. It should be noted that the present law provides for the School Department to purchase the supplies needed by that Department.

The County Council has discussed at length purchasing procedures and problems, and we have some plans with reference to the Purchasing Department in the future. As a matter of fact, we have decided to move this Department back to the Court House because we believe it can better serve the needs of the people in this location.

We have a number of applications for the position of Purchasing Agent on file from well qualified citizens. However, after much consideration, we have decided that inasmuch as the work load of the office has been considerably reduced this year, that we can well defer employing a full time Purchasing Agent at this time. Therefore, we contemplate no change in the personnel in the Department for the balance of this fiscal year.
