RESOLUTION THAT THE CHATTANOOGA-HAMILTON COUNTY HEALTH DEPARTMENT BE AND THE SAME IS HEREBY REQUESTED TO INVESTIGATE AND REPORT TO THIS COURT OF THE EFFECTS UPON THE WELFARE OF THIS COMMUNITY OF THE PRESENT DISCHARGE INTO CHICKAMAUGA LAKE AND THAT THE COUNTY MANAGER BE REQUESTED TO MAKE A REPORT TO THIS COURT OF TENTATIVE CONCLUSIONS WITH RESPECT TO THE POSSIBILITY OF OTHER METHODS OF DISPOSING OF THE EFFLUENT NOW BEING DUMPED UPSTREAM etc

WHEREAS in the Chattanooga Times of Friday, June 22, 1945, there was considerable publicity given statements by the State Commissioner of Conservation, Honorable Paul S. Mathes who is also a member of a Tennessee Pollution Control Board established by the General Assembly in 1945; and

WHEREAS reference was made to action on the part of the Pollution Control Board with respect to discharges of industrial effluent from the Volunteer Ordnance Works into Chickamauga Lake and specifically that "The Department of Health . . . ruled some time ago that it would be injurious to the health of the people in Chattanooga for this red water to be dumped into the Lake"; and

WHEREAS the members of this Court are informed that the intake pipe in the Tennessee River through which the water for general consumption in the City of Chattanooga is drawn is upstream and thus above the mouth of South Chickamauga Creek;

BE IT FURTHER RESOLVED that if one of the reasons for the building of the Volunteer Ordnance Works on the present site was to meet heavy demands for water and to afford a place to discharge effluent, that also be reported so that the community may not have a feeling of injury from an industry that was sought for its effect on local trade and commerce, it being recognized that industrial development carries with it some detriments to the natural resources used by industry.

RESOLUTION ON THE DEATH OF THE HONORABLE WILEY COUCH. 1888--1947.

To The County Court of Hamilton County, Tennessee. at its session held on May 5th 1947.

Your Memorial Committee, appointed by the County Judge Pro Tem at your last meeting, begs to submit the following on the passing of County Judge Wiley O. Couch, who died on April 4th 1947, at his home on Duane Road in Chattanooga, Tennessee, His death came after a valiant but futile fight against ill health, which developed in mid-November of 1946. It came in spite of the fact that he sought and obtained the services of the country's foremost doctors. His malady developed so rapidly that it was necessary for him to tender his resignation as County Judge two weeks prior to his death.

Judge Couch was born on the 4th day of March, 1888, on his father's farm on the Tennessee River at Bean Rock, a small community near Guntersville, Alabama. He lived the life of a farmer boy and received his education at the nearby Albertville (Alabama) Agricultural College.

His father was a Confederate veteran, and even in his early life he absorbed from him a loyalty to the Democratic party which never wavered or faltered until his death.

As a lad of seventeen he came to Chattanooga where he was first employed by E. R. Betterton, Sr., for whom he worked for ten years. or more.

Shortly after war was declared with Germany in April, 1917, he entered the United States Army. He was assigned to a chemical warfare company, which was attached to the famous First Division of the American Expeditionary Forces, where he saw active service against the enemy with this outstanding unit of America's first army to see action on European soil in the history of this nation. After the Armistice was signed he served for a while with the Army of Occupation in Germany and was stationed near Coblenz. He was discharged May 1919.

Upon his return to his old home he began, and constantly maintained thereafter, his close association with his comrades in arms. Most of his closest friends were men who had seen service in the armed forces of the United States in World War I. He was active in American Legion, and soon became one of its leaders and was Commander of the Davis King Summers Post of the Legion in 1930.,

Judge Couch was a man of remarkable business ability: Shortly after his return from France he and his brother, the late W. H. Couch, bought the Kelly Cigar and Tobacco Company. In a remarkably short period of time this company dominated the wholesale tobacco business in this community. He retained his interest in this company until his death, and at his death his sister, Mrs. Grace Holley, was a part owner. In 1927 he and George Jones bought from the Cash-Melton Hardware Co., the Chevrolet automobile business, which they operated with pronounced success until the business was sold to other parties shortly before the depression of 1932. He was interested in various other businesses, particularly the Radio Sales Company. His associates in this successful enterprise at the time of his death were his close friends, E. R. Betterton, recently Mayor of Chattanooga, Joe Richardson, County Trustee and J. E. Kunz.

It would be difficult to estimate the number of persons in the business world in Chattanooga,

who are indebted to Judge Couch for giving them an opportunity to start in business. In many instances he would finance their original venture, and at all times In many instances he would finance their original venture, and at all times he gave to them his advice and encouragement.

In 1932 he first entered politics actively as a candidate for office. He was elected County Trustee without opposition and was twice re-elected without opposition. After his last term of office expired he returned to the active management of his business interests. He re-entered politics in 1941 as a member of the County Council, the Legislature meeting in that year having created this council to take over the administrative functions of the old County Court. In 1942 he announced as a candidate for County Judge against Judge Will Cummings, and in a spirited campaign was elected to this office. Since then, and until his death, he was the dominant political figure in Hamilton County, as well as the Third Congressional District. He also exercised great influence in the politics of the State of Tennessee. Many men holding both State and Federal positions owe these positions largely to the support of Judge Couch.

He made an outstanding record as County Judge. He bought James W. Gentry to this county as County Manager. The affairs of the county were handled during his administration strictly on a business basis. During his administration the bonded debt of the county was reduced by a million dollars, a surplus of approximately a million dollars was accumulated in the County Treasury and the county tax rate was reduced eight cents. In spite of this the schools, institutions, and highways and other county functions were maintained at a high level of efficiency. Extravagance and waste was largely eliminated. He demanded and obtained from the county employees an honest day's work in return for an honest day's work.

In spite of his many business and political activities he maintained an active interest in the civic affairs of the city and county. He was a Thirty-second Degree Mason, a past potentate of the Shrine, a member of the Knights of Pythias and the Benevolent and Protective Order of Elks. He was an active and faithful member of the Centenary Methodist Church.

In 1915 he married Miss Mabel Bradfield of Hot Springs, Arkansas, who survived him. He was also survived by his sister, Mrs. Grace Holley, his brother, Dr. E. H. (Zeke) Couch, of Gunterville, Alabama, three nieces, Mrs. Maxine Couch Davis of Gunterville, Miss Wilda Couch of Gunterville, and Mrs. Jeff Smith of Huntsville, and three nephews, Jack Holley of Chattanooga, and Robert and Owen Couch of Gunterville.

Judge Couch possessed literally a host of friends. Rarely, if ever before, have so many people paid tribute to the death of a citizen as they did to him on the occasion of his funeral. By nature he was a kindly and generous man, and attracted friends naturally. He was a loyal and devoted friend, an attentive and loving husband, a business man of honor and ability; a public servant of the highest order, and last, and more important than all, a Christian gentleman.

Premises considered, therefore;

(1) That the County Court of Hamilton County deplors the passing of Wiley O. Couch, and recognizes that in his going the County has lost one of its ablest citizens, and this Court a splendid leader.

(2) That the esteem in his he was universally held and the affectionate regard of the members of the Court for him causes each member to feel a personal loss in his death.

(3) That the court extends deep sympathy to his widow, his brother and sister, and other members of his family in their bereavement.

(4) That a copy of this memorial be spread upon the minutes of the County Court

of Hamilton County, and copy be furnished to the press of Chattanooga.

Respectfully submitted,

Phil B. Whitaker.

COUNTY OF HAMILTON) MONDAY. JANUARY 3rd, 1949.

BE IT REMEMBERED, That on this the 3rd day of January, 1949, a regular meeting of the Hamilton County Quarterly Court was begun and held at the Court House in the City of Chattanooga, Tennessee, when the following proceedings were had, to-wit:

Present and presiding, the Honorable Wilkes T. Thrasher, County Judge.

The County Court Clerk called the roll of the justices of the Peace, and the following answered to their names: Esquire Ragon, Brewer, Cotten, Curtis, Bork, Hall, Miller, Selcer, Anderson, Gahagan and Smith. Total 11, That being a quorum

The Minutes of the last meeting were read and adopted.

ON MOTION of Esquire Cotten, seconded by Esquire Smith, that the election of the Judge Pro Tem be deferred. The election to be held at the will of the court. Adopted by acclamation.

RESOLUTION ON THE ELECTION OF THE COUNTY SCHOOL SUPERINTENDENT.

WHEREAS, since 1943 the election of a County School Superintendent by the County Court has been governed by a Private Act, which limits the office to a term of two years contrary to the 4 year term General Law applicable to the State as a whole.

And whereas many legal authorities including our County Attorney have grave doubts as to the constitutionality of this Private Act, thereby placing anyone elected to the position of School Superintendent in a very insecure position.

And whereas Mr. Clark contends that under the provisions of this Private Act, he is entitled to a full two year term from the date of his election, which raised a legal question that can only be settled by our Courts or Legislative changes.

Now, therefore, be it resolved that we believe it would be very detrimental to the best interests of our school system to become involved in a law suit over this matter.

Be It Further Resolved that we go on record as asking our Legislative Delegation and State Senator to enact necessary legislation to clarify this controversial matter.

Be It Further Resolved that no action be taken by the Court at this time on the election of a School Superintendent.

Be It further resolved that this resolution be made a part of the minutes of this meeting and a copy furnished the Press.

ON MOTION of Esquire Gahagan, seconded by Esquire Ragon, the foregoing resolution was adopted by acclamation.

ON MOTION of Esquire Anderson, seconded by Esquire Selcer, that Charles D. Little be elected County Ranger.

To The Chairman and Members of the County Court, Hamilton County, Tennessee.

A few months back you chose Wallace Miller to serve on the School Board of this county.

This being a position of high honor and importance, it should not be sought or occupied by any other than a man of sterling character and highest integrity.

He should be strong enough to resist any temptation to use his position - or allow himself to be used by others - for personal gain at the expense of the well-being of the school children, whose welfare should be his chief concern.

Further, he should be a man of keen foresight and good judgment to see that tax payers of this county are not imposed upon by having to pay too much for property, materials or services which the school system may need; and also to look after the interests of teachers and other employees of the schools.

Members of Local 89, International Typographical Union, which he has served well and honorably in many official capacities during his membership of a quarter of a century feel that Wallace Miller measures up to the aforesaid qualifications and will be an example of what a member of a school board should be.

Therefore, be it resolved, That members of this Union, assembled in regular meeting March 6, 1949, express our thanks to the gentlemen of the County Court for honoring us by appointing Wallace Miller to this post.

IN MEMORY OF FRED ROBINSON.

He is not dead, this lovely friend- not dead.
 But in the path we mortals tread
 Got some few trifling steps ahead.
 And nearer to the end;
 So that we, too, once past the bend
 Shall meet again - face to face - this friend.
 Think of him still the same, I say,
 He is not dead - he is just away.

Suddenly, like a peal of thunder out of a clear sky, the Death Angel knelt at the side of Fred Robinson during the evening hours of Monday, June 27, 1949, and as the flaming sun was silently disappearing below the rim of the towering hills that surround Ooltewah, sped away with the soul of that great and noble character through the Portals into Life Eternal. Thus passed from our midst, an outstanding citizen, a beloved and devoted husband and father.

To those of us who are left behind, it seems impossible, even now, to realize that Fred Robinson is no longer with us, that the silver cord has been loosened and the golden bowl broken; and that another link in the chain of brotherly love and friendship has been severed. We find ourselves almost unconsciously visualizing him in the various contacts and relationships in which he was known, loved and honored by his fellowmen. His vibrant personality made him doubly welcome in any group. His rich qualities of mind and heart, his enthusiasm and devotion in the service of many causes, have impressed us all, and his place in many circles will be difficult to fill. Fred was, in every sense of the word, "a man's man". It was inevitable that with his unusual gifts, he would find recognition as a leader wherever men met together. He was a most ardent supporter of any activity that had for its sole objective the welfare of his fellowman, and was always willing to do his full share and more to brighten and enrich the pathways of those in need of his services.

On Wednesday morning, June 29, 1949, he was slowly and reverently committed to his final rest with the affection and admiration of his colleagues and friends.

He leaves his memory enshrined in the hearts of all.

May a copy of this memorial be spread on the records of this court, and a copy be sent to his widow and family with our love and best wishes.

RESOLUTION EXTENDING STATE HIGHWAY 8 LINKING WOODBURY, McMINNVILLE, DUNLAP, and CHATTANOOGA.

BE IT RESOLVED, by the Quarterly County Court of Hamilton County, Tennessee, in Quarterly Session Assembled:

This 2nd day of January, 1950, that this Honorable Court go on record in pledging their cooperation in extending State Highway 8, linking Woodbury, McMinnville, Dunlap, and Chattanooga, The proposed route would cut directly across the Cumberland escarpment to Dunlap. At present, to reach McMinnville from Dunlap, it is necessary to go North to Pikeville, then West over the plateau through Spencer. It is the consensus of opinion, that a substantial reduction in mileage between Chattanooga and the area centered on McMinnville, plus improved driving conditions, will open up a great trade territory now oriented more toward Nashville. The people of Sequatchie, Cannon, Warren, Van Buren, Coffee, and Hamilton Counties have long been strongly interested in completion of this Highway.

I further move the adoption of this resolution, and it be spread upon the minutes of this Honorable Court and copies be sent Governor Gordon Browning and Commissioner E. W. Eggleston of this State.

ON MOTION of Esquire Cotten, seconded by Esquire Ragon, the foregoing resolution was unanimously adopted by acclamation.

WHEREAS, the said Clark's term of office expired and this Court duly elected Roy C. Smith to the said office in July, 1951, under and by virtue of the same Private Acts of the Legislature.

WHEREAS, since that election the Chancery Court of this County has decided in case

No. 31506 of that Court that the Private Act (under which this court elected each of the men to the office) is invalid because it violates section 8, article 11 of the Constitution of Tennessee;

WHEREAS, the said Clark remains in the said office.

WHEREAS, the election of Roy C. Smith to said office under the mentioned Private Act may be declared void and of no effect because of the unconstitutionality of the said Private Act;

WHEREAS, the said Clark was elected in 1943, again in 1945, 1947 and 1949 and on each occasion he was elected for a two (2) year term under and by virtue of the Private Act of 1943, as shown by the minutes of this Court;

WHEREAS, this court can no longer presume the Private Act valid since the Chancery Court decision; and

WHEREAS, the Public Acts of the State of Tennessee fix the term of the said office at four (4) years and it is the duty of this court to elect one to fill that office under such Public Acts;

WHEREAS, the County Commission, or Council, has reportedly prepared a budget for the coming fiscal year:

WHEREAS, the members of this Court have not been properly advised of the same so that we may intelligently approve or disapprove the same;

WHEREAS, this Court is expected to fix a tax rate sufficient to yield revenues adequate to support that budget, regardless of whether we concur or nonconcur in the advisability of such expenditures and regardless of whether we think it to the best welfare of our County;

WHEREAS, many of the members of this court have been advised by many attorneys of good reputation and standing in their profession that the Private Acts, and amendments thereto, under which the County Commission or Council was created and is operating, is unconstitutional;

WHEREAS, many of the members of this Court feel that they are not properly performing their duty in raising taxes, or fixing a tax rate, without knowing for what the money is to be spent or being given the opportunity of investigating the advisability of such expenditures;

WHEREAS, it is the duty of this Court to procure a Court test of the validity of the Private Acts pertaining to the County Council and which make it mandatory on the Court to arbitrarily fix a tax rate to support the budget of the Commission or Council;

WHEREAS, as long as the Private Acts creating and prescribing the powers, etc., of the County Commission, or Council, remain unchallenged, this Court must accept the budget of the Commission, or Council, and fix a tax rate accordingly, since the law presumes each act of the Legislature valid; and

WHEREAS, due to the many opinions given us that these Acts are invalid and due to our desire to sincerely perform our duty and not fix the tax rate for this County under compulsion or without complete understanding of the advisability and necessity therefor, several of the members of this Court inquired and were advised that Graham and Van Derveer, a legal partnership consisting of Raymond A. Graham and Joe Van Derveer, will represent this Court and this County in procuring a speedy Court test of the validity of these Acts, if this Court by proper action requests their services and representation;

A RESOLUTION BY THE QUARTERLY COUNTY COURT OF HAMILTON COUNTY, TENNESSEE, IN REGULAR MEETING ASSEMBLED, on the FIRST MONDAY IN JULY 1952:

WHEREAS, it is with a feeling of deep regret that the County Court has learned of the resignation of one of its leading members of the County School Board, MR. JOHN H. BROTBECK, due to ill health, and on the advice of his physician, and

WHEREAS, Mr. Brotbeck has served on the School Board since 1948, being originally elected to fill out the unexpired term of Mr. Edwin O. Martin, and at the expiration thereof being re-elected without opposition for a full term. The character, ability and experience of Mr. Brotbeck, as well as his avail-ability and ready access to the

Court House from the Title Guaranty & Trust Company office, made him an especially valuable man to the School Board, in the important duties assigned to him, and he has rendered outstanding service to the County, the School Children, their parents and the Tax Payers, of Hamilton County in this highly important position, and

WHEREAS, the loss of Mr. Brotbeck, IS RECOGNIZED AS A Distinct loss to the School Board, for it is difficult to obtain men of his calibre to serve on this Board, and this fact is fully recognized by every members of the County Court, who feels that it is fitting at this time that we extend our thanks to Mr. Brotbeck for the good and valuable services he has rendered as a member of the Hamilton County School Board, and to wish for him a speedy and complete recovery of his good health, NOW THEREFORE

BE IT RESOLVED, That the Quarterly County Court of Hamilton County, go on record as extending its appreciation and thanks to retiring School Board Member John H. Brotbeck for his faithful and valuable services on the Hamilton County School Board;

FURTHERMORE, that it be ordered that this Resolution be spread upon the minutes of the Quarterly County Court of Hamilton County, Tenn., that a copy of same be furnished Mr. Brotbeck and that copies also be furnished the local newspapers.

BE IT FURTHER RESOLVED that this Resolution take effect at the time of its passage, the Public Welfare requiring it.

ON MOTION of Esquire Bork, seconded by Esquire Curtis, that the resolution on the resignation of Mr. Brotbeck be made a matter of record. ADOPTED BY ACCLAMATION.

A RESOLUTION BY THE QUARTERLY COUNTY COURT OF HAMILTON COUNTY, TENNESSEE, PAYING TRIBUTE TO JOHN H. ALLEN, A MEMBER OF THE HAMILTON COUNTY BOARD OF EDUCATION.

BE IT RESOLVED, by the Quarterly County Court of Hamilton County, Tennessee, in Quarterly Session Assembled, That

WHEREAS, John H. Allen is retiring as a member of the Hamilton County Board of Education, and

WHEREAS, this Court is desirous of paying tribute to his service to the schools and people of Hamilton County, and

WHEREAS, he has served continuously on the Board of Education of Hamilton County, for fifty years, beginning in 1902 as a member of the Third School District of the Third Civil District composed of North Chattanooga, Moccasin Bend, Mountain Creek and Red Bank. At that time members of the Board only served a term of two years. The Board of the Third School District consisted of three members, namely Sherman Beck, Vol Godsey, and John H. Allen. The Board was nominated by the people in the August elections. John H. Allen served some six years on this board until all the school districts of Hamilton County were consolidated. Then, he became a member of the advisory board and continued his service as such until 1926 when he became a member of the Board of Education, as now constituted by law, and has continued until his retirement at this time, being July 7, 1952.

This court believes that this is a record for not only Hamilton County, but the State of Tennessee, if not the United States, for one man to serve continuously on a school board for fifty years.

Mr. Allen gave to Hamilton County and its schools fine service, always having the interest of the schools at heart and as a member of the school board his interest in the schools was never questioned. For a school Board to be composed of such men as John H. Allen is a guarantee to the people that the schools will be operated according to the highest standards of education and to the best interest of the people. As a member of the School Board, he served the schools of Hamilton County faithfully and well.

BE IT FURTHER RESOLVED, That a copy of this resolution be spread on the minutes of the Court, a copy delivered to Mr. Allen and a copy to the Press.

BE IT FURTHER RESOLVED, That this resolution take effect from and after its passage, the public welfare required it.

BE IT REMEMBERED, That on this the 5th day of October, 1953, a regular meeting of the Hamilton County Quarterly Court was begun and held at the Court House, in the City of Chattanooga, Tennessee, when the following proceedings were had, to-wit:

Present and Presiding, the Honorable Harry L. Brewer, County Judge Pro Tem.

The clerk called the roll of the Justices of the Peace and the following, constituting a quorum, answered to their names: Esquires Brewer, Cotten, Curtis, Bork, Hall, Miller, Selcer, Anderson, Gahagan and Smith. Total 10.

The Minutes were read and approved.

ON MOTION of Esquire Cotten, seconded by Esquire Hall, that the resignation of Mr. Elbert S. Long, as member of the Board of Education, be accepted and spread upon the minutes of the Court.

TO THE QUARTERLY COUNTY COURT OF HAMILTON COUNTY, TENNESSEE.

During the years that I have served on the Hamilton County Board of Education, I have had but one interest -- that is the welfare of the children in the school in general, and to the best of my ability have worked long, hard and diligently toward that end. During this period I have devoted much time and effort in trying to improve that system and feel that much has been accomplished by the Board in the way of new buildings, increased enrollments, attendance and standards. Every member of the Board has also worked long, hard and diligently and harmoniously in an effort to accomplish these same objects. The records and proceedings are a matter of public record and are open to inspection to all interested persons.

I do not feel the present controversy is to the best interests of the children of our school system and now, as in the past, am willing to do all within my power to help them. Certain elements seem to feel that if I resign from the Board, the existing controversy will subside. Now, as in the past, having the best interest of our County's children at heart and willing to sacrifice anything for them, I will gladly do so, if their interests will be best served.

I, therefore, tender my resignation as a member of the Hamilton County Board of Education effective the 5th day of October, 1953.

Elbert S. Long.

RESOLUTION ON THE DEATH OF ESQUIRE J. F. BORK.

RESOLUTION ON THE DEATH OF JOSEPH F. BORK.

WHEREAS, Hamilton County has suffered a great loss in the death of Joseph F. Bork, on December 25th, 1953.

Joseph F. Bork added much to the spiritual and civic life of this community and of that particular part where he lived -- East Brainerd.

At his death he was 58 years of age and was recognized as a leader of his community, endowed with wisdom of a man of that age, but also with the vigor and energy of a much younger man.

He was the founder of the East Brainerd Water Works, and since 1936 has served as its Treasurer and General Manager.

In 1945 he was elected as a member of the County Court of Hamilton County, and held this office from then until his death. In such capacity he has served not only his district but the whole County faithfully and well. His wise counsel and cheerful co-operation will be sorely missed by each and every member of the Court.

He has always been prominent in the County, City of Chattanooga, and in particular, in his community of East Brainerd. He was a former president of the East Brainerd Civic League, and past president of the East Brainerd Optimist Club. He was also a member of the Board of Directors of Chattanooga Federal Savings and Loan Company.

For a considerable time, under the administration of Governor McCord, he held the important position of supervisor of the office of the State Department of Finance & Taxation, in this area.

He was a member of the American Legion and a veteran of World War I, He was a member of Our Lady of Perpetual Help Catholic Church.

Aside from his interest in political, spiritual and civic matters, he was a real family man, being a devoted father and husband.

There survive him his widow, Mrs. Hazel Bork; two sons, Joseph F. Bork, Jr., and Harry Bork of Chattanooga, one daughter, Miss Betty Bork, a student of University of Chattanooga.

He will indeed be missed by not only his many friends, but all others who have had the pleasure of his association.

THEREFORE BE IT RESOLVED, by the County Court of Hamilton County, Tennessee, in Session Assembled; That it has suffered the loss of one of its most useful and beloved members.

BE IT FURTHER RESOLVED, That it expresses its heart-felt sympathy to Mrs. Bork, to her three children and all members of the family in their great loss, and its appreciation for the good works and deeds of Joseph F. Bork.

BE IT FURTHER RESOLVED, That this resolution be made a part of the minutes of this meeting and be spread on the minutes of the County Court, and a copy be sent to Mrs. Bork with our deepest sympathy.

Jess D. Gahagan.
Chairman.

Office of Hamilton County Tax Assessor

James A. Sherrill, Assessor

Chattanooga, 2 Tennessee

Honorable Wilkes T. Thrasher,
County Judge,
Chattanooga, Tennessee

Dear Judge:

I have accepted a position at Dunnellton, Florida and am forced to tender my resignation as Tax Assessor of Hamilton County to be effective June 15, 1955.

It has been a privilege to serve the people of this county and a pleasure to be associated with my fellow officials in the county government and particularly my co-workers in the assessor's office, three of whom are capable of being good assessors, namely, Harris H. Black, Smith P. Johnson and William G. Randall. I am happy to recommend all of my associates in the office of my successor as being efficient, honest, loyal and trustworthy, with the sincere hope they will be retained in their respective capacities.

Our re-assessment has been completed and installed and is now in its third successful year. Needless to say, I am proud of this accomplishment. The assessing office of Hamilton County now ranks as one of the best in the entire nation. I am grateful to you for your splendid cooperation through most of my tenure in office and also to the members of the various county councils with which I have worked, also to the mayors and members of the city commissions who have supported our work during the re-assessment program.

I am not unmindful of the close relationship between the assessing office and the Trustee and his excellent staff. For their cooperation, assistance and patience I will always be grateful. To the people of this county, to the Press and its representatives I can simply say thanks for their support, cooperation and many acts of kindness during my term as an official of this county.

Sincerely yours,

Jim Sherrill

Dear Judge Thrasher:

About two years ago the County Court appointed me to fill the unexpired term of Elbert S. Long, on the Board of Education. I was happy to offer my services & do what I could.

However, my own plans have changed to such an extent that I can no longer hold up my end of the obligation. Since my retirement from active business in Chattanooga, I only spend a few months a year there - Even those few months are not consecutive. In fairness to other members of the board I cannot longer hold my position. I, therefore regretfully submit my resignation for the earliest possible acceptance.

Sincerely,
 John Kruesi.

WHEREAS, in all states requiring county financial contributions the counties

WHEREAS, most, if not all, of Tennessee Counties have reached the point in taxation beyond which an increase in ad valorem taxes will be confiscatory, and

A large portion of the increase included in the above proposed tentative school budget for 1959-60 is under the area of Instruction and this is because of the fact that teachers will be getting a raise from the State in the amount of \$100.00 per year and also the Board is asking for forty-five additional teachers. Approximately one hundred eighteen new classrooms have been or will be completed between the beginning of the present school year and the opening of the next school term. You may wonder why only forty-five additional teachers are being asked for with this many additional rooms. I wish to state that eighteen of the new classrooms will be in the new White Oak Elementary School and the children who will be placed in those rooms are now being instructed in the churches in White Oak. We have also completed the Sawyer School and the old building has been abandoned. In several schools, where additions are being built, classes are being conducted in improvised rooms.

Another item of importance to the Department of Education is included under Capital Outlay in the amount of \$51,000.00. This is necessary in order to match Federal money which will be made available through the National Defense Act of 1958.

Report to County Judge, Court and Council - Page 4
April 6, 1959

SCHOOL TRANSPORTATION BUDGET - The Hamilton County Board of Education in adjourned session March 31, 1959 approved a tentative transportation budget for 1959-60 in the amount of \$379,383.55. This will necessitate an increase of approximately \$32,000.00 above the budget for the current school year, however, I wish to point out that two items included in the proposed budget were taken out of the transportation budget during the current year and paid from the school funds and they are now being transferred to the transportation budget, where they belong. This budget does not include any increase for the bus drivers.

I am happy to report that our building program is progressing nicely and within the next sixty days we hope to have all of the projects, which are a part of the present \$4,500,000 available to the county schools, under construction. This program is being made possible as a result of the Referendum approved by the voters of Hamilton County in 1958 and the authorization of the Hamilton County Council in June 1958.

I am grateful to you for your cooperative spirit and the interest you have shown in our schools and trust that we continue to serve you even better in the future than we have in the past.

Respectfully yours,

Sam P. McConnell

RESOLUTION OF THE DEATH OF THE LATE JUDGE WILKES T. THRASHER.

WHEREAS, on March 3rd, 1960, death removed from the office of County Judge Wilkes T. Thrasher, Sr., one of its most beloved, honored and distinguished public officers and a leading citizen of the City of Chattanooga, County of Hamilton and State of Tennessee, and,

WHEREAS, at the time of his death he was actively engaged in his public career in which he has achieved success, honor and fortune in the eyes of his fellow citizens. While serving on the Hamilton County Court from 1924 until 1941, in 1936 Judge Thrasher

was elected County Register in which post he served until 1947, when the County Court elected him County Judge. In 1948 he was elected in a county-wide election to serve out the remaining two years of that term. Judge Thrasher, a democrat, won re-election in 1950 and in 1958, where he was serving at his untimely death.

WHEREAS, deceased was born on June 14, 1893, in Chattanooga, Tennessee, and after receiving his early educational training in the local schools of the County, he graduated from the Knoxville College of Law in 1924, immediately returning to Chattanooga and entering public service.

WHEREAS, through persistent effort, tact and ability these are the things that Judge Thrasher has accomplished to his death for the people of Hamilton County and the City of Chattanooga. He succeeded and instituted the Reeves Taxation Plan; he secured a double "A" Bond rating for Hamilton County; he was instrumental in securing new industry. Judge Thrasher was the leader in securing the bridge across Chickamauga Dam, which the 1955 Legislature named the Wilkes T. Thrasher Bridge. State-wide he was active in politics and headed the Tennessee County Service Association made up of County Judges in the State of Tennessee. He initiated a modern accounting system, and worked untirely to secure the new mental hospital on Moccasin Bend. Since 1958, six and one-half million dollars has been spent on the Hamilton County school building program under his watchful eye.

WHEREAS, he gave unstintingly and graciously of his time and money for civic betterment whether of a charitable, religious or public nature, identified himself with all moral movements for the uplift and improvement of his community, state and nation, always loyal and faithful to his church and its activities, an interested and active member of several civic clubs having for their public mission and general upbuilding, improvement and betterment of conditions and affairs, always standing for those things that make life better, happier and sweeter -- for churches and schools, for law and order and all other things that add to the spiritual values of life, and one thing that he prided himself in was restoring baseball to Chattanooga. The durable Courthouse warrior was one of five incorporators of the Youth Foundation which raised money for restoring the Lookouts.

Judge Thrasher was a member of the following organizations of our City and County. A member of the Masons, Scottish Rite, Alhambra Shrine, Royal Order of Jesters, Elks Club, Eagles Club, Moose Club, American Legion and V.F.W. He was a member of the Central Presbyterian Church.

The County Judge is survived by his wife, Mrs. Wilkes T. Thrasher, a son, Attorney Wilkes T. Thrasher, Jr., a daughter, Mrs. Ralph Baldwin, and two grandsons, Wilkes T. Thrasher, III, and James Pratt Thrasher, two brothers, Paul and Eugene Thrasher of Chattanooga, and four sisters, Mrs. Ruth Murphy, Mrs. Maggie Burgess, Mrs. Heiskell Whitaker and Mrs. Irma Keith.

WHEREAS, his departure will be missed by those of us who remain because no more shall we be greeted, uplifted and inspired by his genial and hospitable nature, his ever thoughtfulness, his wise counsel and judgment, his warm hand shake, and his lovable fellowship, his uncanny and remarkable memory that retains names, faces and incidents, and that inspirational leadership for civis, moral and spiritual good that radiated from his heart.

THEREFORE, be it resolved by the members of the County Court of Hamilton County, Tennessee, that we lament the passing from among us of this distinguished citizen and political leader whose death has left a vacancy that will be hard to fill, and whose memory will linger with us in the passing of the years, and

"Fellow Members of the Hamilton County Quarterly Court:

"On September 1, 1966, I will complete my second term on this Court, and I want to say I have enjoyed these 12 years of service.

"However, there are now a few circumstances, over which I have no control, that make it inadvisable for me to seek a third term. Therefore, I will not make the race in 1966.

"I wanted to make this announcement before this group of friends with whom I have worked, and I make it this early for two reasons. First, it will give the citizens ample time to select someone to serve them in this position; and, secondly, it will give any citizen of the Third District who is interested in the position, time in which to make plans to seek the office.

"I want to thank each of you, and the others I have served with for making my work on this Honorable Court a pleasure.

Sincerely,

/S/ John W. Helms, Sr."

ON MOTION of Esquire Cole, seconded by Esquire Crutchfield, that the meeting adjourn.

Schools, Membership of Hamilton County School Board, Membership on Tax Equalization Board, and any and all other positions that are elected or Appointed by The Quarterly County Court.

At the October, 1969 meeting, the Quarterly County Court authorized the County Judge to appoint a Committee to study and develop procedures for screening individuals under consideration by the County Court for election or appointment to any position or office to be filled by the County Court. Thereafter, Judge Frost announced that he had appointed Esquire Phil Livingston, Esquire W. C. Markham, Esquire E. W. Godbey, Esquire Addison Webb and Esquire Bob Long. On January 5, 1970, the said Committee made a report and submitted a form to be studied by the membership, wherein certain specific questions were to be answered by anyone under consideration for election or appointment by the Court. At the April, 1970 meeting of the Court, action was delayed until the July, 1970 meeting.

After study and with due deliberation, on motion of Esquire Livingston, and seconded by Esquire Markham, the form entitled "Quarterly Court Questionnaire" was unanimously adopted by said Court. A copy of said Questionnaire is made a part of this order.

After Roll Call it was noted by Judge Chester L. Frost that the Quarterly County Court of Hamilton County now has only ten(10) members, and that under a Supreme Court decision the Court is allowed to transact its business with a majority of the Court members present and voting.

Judge Frost explained that under a 1969 legislative act, the Court will have to be reapportioned to include two members from each of the county's seven legislature districts and one from the county at large for a total of 15 members.

The three vacancies were caused by the resignations of Esquire Bob Long and Esquire Luke Wilson, when they were elected to the County Council, and the death of Esquire Tom Crutchfield. These vacancies that now exist will not be filled at this time.

ON MOTION of Esquire Hall, seconded by Esquire Livingston, to dispense with the reading of the minutes of the previous meeting, treat same as read, approved, filed and made a matter of record.
