Any related family law matter, including but not limited to an order of protection and/or a divorce, shall be assigned to the Part or Division of the Court in which the case is first filed. If a Court or Courts recuse from a case, then that case will be reassigned pursuant to the procedure adopted by this Judicial District and consistent with the Tennessee Supreme Court Rules. All Petitions for Orders of Protection shall be assigned in rotation such that two (2) Petitions are assigned to Circuit Court followed by one (1) Petition assigned to Chancery Court. This rotation is subordinate to the prior case filed rule contained in this section. If cases controlled by Rule 42.01 of the Tennessee Rules of Civil Procedure are pending in different divisions of Circuit Court and/or Chancery Court, all such cases will be transferred for discovery, unless otherwise ordered, to the Court in which the case with the lowest docket number (case filed first) is pending. [Adopted effective September 1, 2017.]

13.06 FINAL REPORT ON ADOPTION

The final report in response to the Court's Order of Reference shall be filed at least three (3) days before the final hearing. [Adopted effective September 1, 2017.]

17.09 INVENTORIES AND ACCOUNTINGS

(a) Inventories and accountings may be waived (i) if the Will so provides or (ii) if all of the residuary beneficiaries or legatees file waivers excusing the personal representative from the requirement. If a residuary beneficiary is under a disability or the estate is insolvent, a final accounting cannot be waived. A Sworn Statement in Lieu of Final Accounting is required even if accountings are waived.

(e) Upon failure to file accountings within the time required by law, the Court may revoke letters issued to a personal representative and appoint the Public Administrator or a successor personal representative.

17.11 FEES AND EXPENSES

(a) Court approval of legal fees and expenses is required in all circumstances unless: (i) they are approved in writing by all interested parties or their legal guardians and (ii) they do not exceed the percentages of the estate value set out in one of the following schedules, which are presumed reasonable in the absence of objection:

Guidelines For Professional Conduct

Guidelines for Professional Courtesy and Conduct for the Practice of Law in Hamilton County, Tennessee

Whereas, the guidelines herein embody the principles to which most lawyers already adhere but are set forth here for ease of reference to benefit the community, practicing lawyers, the courts, and new members of the bar; and

Whereas, in furtherance of these fundamental concepts, and in the spirit of the applicable rules of civil and criminal procedure and rules of professional conduct, and in keeping with the long tradition of professionalism among and between members of the bar; it is

Resolved, the following guidelines are set forth for the practice of law in Hamilton County, Tennessee :

Guidelines for Professional Courtesy and Conduct in the Hamilton County Bar

1. COURTESY, CIVILITY, AND PROFESSIONALISM

1.1 I will address the Court, members of the court staff, opposing counsel and parties in a courteous, civil, and professional manner.

1.2 I will maintain open and respectful communication with opposing counsel or pro se litigant and will strive to avoid creating animosity or contention.

1.3 I will allow no client to dictate or influence my conduct, attitude, or demeanor toward opposing counsel or pro se litigant. Even if called upon by a client to do so, I will refuse to engage in abusive or offensive conduct against an opposite party. I will strive to treat adverse counsel, pro se litigants, witnesses, and parties fairly, considerately, and professionally.

1.4 I will respect the schedule of opposing counsel or pro se litigant and be truthful about my own schedule.

1.5 I will make representations in good faith on behalf of my client. I will make no purposeful misstatement of fact or law, regardless of any pressure to do so.

1.6 I will return telephone calls and respond to all correspondence promptly.

1.7 I will make no promise or commitment to another lawyer or pro se litigant that I cannot honor.

1.8 I will seek no sanction against opposing counsel or pro se litigant for mere tactical advantage.

1.9 I will make no unfounded accusation of unethical conduct about opposing counsel or pro se litigant.

1.10 I will strive to be punctual for a meeting, deposition, or court appearance.

1.11 I will advise my clients at the outset of their obligations of civility, courtesy, fairness, cooperation, and other proper behavior expected of those involved in the legal system.

1.12 I will contribute time and expertise to those unable to afford legal representation.

2. SCHEDULING, CONTINUANCES AND EXTENSIONS OF TIME

2.1 I will respect the scheduling commitments of opposing counsel or pro se litigant, clients, and the Court. I will consult opposing counsel or pro se litigant, when practical, before scheduling a trial, deposition, or other Court proceeding. Alternatively, if I am unable to communicate with opposing counsel or pro se litigant prior to scheduling a deposition or hearing, I will be willing to reschedule that deposition or hearing if the time selected is inconvenient for opposing counsel or pro se litigant.

2.2 I will consent to the FIRST request for a reasonable extension of time to respond to a litigation deadline unless time is truly of the essence. With later requests for extensions of time, I will continue to give consideration to an opponent's schedule. I will balance that consideration against the reasonableness of the length of extension requested, opposing counsel's or pro se litigant's willingness to consent to reciprocal extensions, the time actually needed for the task, and whether the Court would likely grant the extension if asked to do so.

2.3 I will inform my client that decisions to consent to extensions of time belong to me and not to the client, except where the rights of the client would be jeopardized.

2.4 I will advise my client against a strategy of granting no time extensions for the sake of appearing "tough".

2.5 I will not seek extensions or continuances for the purpose of delay or harassment.

2.6 I will notify opposing counsel or pro se litigant and the Court immediately if I need to seek a continuance or cancellation of a trial, hearing, or deposition to avoid unnecessary preparation and expense to opposing counsel or pro se litigant, the Court, and other parties.

2.7 I will attach no unfair and extraneous conditions to extensions. I may impose conditions to preserve rights that an extension might otherwise jeopardize and seek reciprocal scheduling concessions. I will not, by consenting to extensions, seek to preclude an opponent's substantive rights.

3. DISCOVERY

3.1 I will consult with opposing counsel or pro se litigant in an attempt to resolve matters by agreement before filing motions or requesting hearings.

3.2 I will attempt in good faith to resolve discovery issues with opposing counsel or pro se litigant without protracted negotiation or unnecessary litigation. I will strive to present those issues that cannot be resolved efficiently and without needless litigation to the Court.

3.3 I will refrain from engaging in unnecessary, excessive, or abusive discovery.

3.4 I will comply fully with reasonable discovery requests and will not engage in obstructive or evasive tactics.

3.5 I will attempt to exchange information voluntarily without formal discovery requests.

3.6 Upon receiving an inquiry concerning a proposed time for a hearing, deposition, meeting, or other proceeding, I will promptly agree to the proposal or offer a counter-suggestion that is as close in time as is reasonably possible.

3.7 I will provide notice of cancellation of depositions and hearings to the Court and opposing counsel or pro se litigant at the earliest possible time to avoid unnecessary preparation and expense.

3.8 I will avoid rudeness and other acts of disrespect in all meetings including depositions and negotiations.

3.9 I will make service personally or by courtesy copy facsimile transmission when it is likely that service by mail, even when allowed, will prejudice an opposing party.

3.10 I will promptly respond to all requests by opposing counsel or pro se litigant to stipulate to matters that are undisputed or where no genuine basis for objection exists.

3.11 I will engage in settlement discussions with opposing counsel or pro se litigant at the outset of the case or as soon as practical.

3.12 I will consider and discuss with my client the options of arbitration, mediation, or other forms of alternative dispute resolution to more expeditiously and economically resolve the matter.

4. DEPOSITIONS

4.1 I will take depositions only when legitimately needed for the purpose of the case in which the deposition is taken.

4.2 I will take no depositions to harass, embarrass, or disadvantage an opposing party, or to generate expenses or fees.

4.3 I will make reasonable efforts to accommodate opposing counsel or pro se litigant and deponent(s) in scheduling depositions, unless doing so would prejudice my client's rights. Before issuing a notice of depositions, I will attempt to make reasonable contact of all counsel of record or pro se litigant and to agree on a schedule for all depositions.

4.4 I will engage in no conduct during a deposition that would be inappropriate in the presence of a judicial officer.

4.5 I will engage in no intentional harassment or degradation of a deponent and will endeavor to refrain from repetitive or argumentative questions.

4.6 I will make no inquiry into a deponent's personal affairs unless the inquiry is reasonably calculated to lead to the discovery of admissible evidence.

4.7 I will seek to limit my objections during a deposition to those well founded and necessary for the protection of my client's interest and will not use objections to harass or merely interrupt opposing counsel or pro se litigant.

5. WRITTEN DISCOVERY

5.1 I will pose no objection to an interrogatory unless the objection is based on my good faith belief in its merit and not for the purpose of delay or withholding relevant information. If an interrogatory is objectionable only in part, I will answer the unobjectionable portion.

5.2 I will limit my requests for production of documents to those documents I actually and reasonably believe are needed for the prosecution or defense of an action.

5.3 I will serve no requests for production to harass or embarrass a party or witness or to impose an inordinate burden or expense on the responding party.

5.4 In responding to a request for documents, I will make no effort to interpret the request in an artificially restrictive manner in order to delay or avoid disclosure. I will make no intentional production of documents in a disorganized or unintelligible fashion in an attempt to hide or obscure the existence of particular documents or facts.

5.5 I will delay no document production to prevent opposing counsel or pro se litigant from inspecting documents prior to a scheduled deposition or for any other tactical reason.

6. TRIALS AND HEARING

6.1 I will be punctual and prepared for any court appearance.

6.2 I will promptly notify the Court and opposing counsel or pro se litigant of any need for a continuance or cancellation of a trial, hearing, or other court proceeding to avoid unnecessary preparation and expense to the Court and other parties.

6.3 I will submit a proposed order promptly to opposing counsel or pro se litigant and attempt to reconcile any differences before presenting it to the Court. My proposed orders will reflect fairly and accurately the rulings of the Court and nothing more.

6.4 I will respond promptly to a proposed order submitted by opposing counsel or pro se litigant.

6.5 I will serve no paper to take advantage of an opposing attorney's or pro se litigant's absence from the office or to inconvenience the attorney or the attorney's client, such as serving documents requiring prompt reply on Friday afternoon or the day before a secular or religious holiday.

6.6 I will make no attempt to obtain an advantage by informal communication with the Court.

It is further and finally

Resolved, the Chattanooga Bar Association and the undersigned judicial officers in Hamilton County hereby endorse and pledge their participation in educational seminars for the local bar to integrate these guidelines into the practice of law.

Any document may be E-Filed that could be filed in Court as a paper document pursuant to TRCP and the Local Rules, except for the following case and document types:

Case Types:

- a. Adoptions
- b. Conservatorships

- c. Guardianships
- d. Order of Protection
- e. Name Changes
- f. Healthcare Liability/Medical Malpractice
- g. Restoration of Citizenship
- h. Surrender

Document Types:

- a. Notice of Appeal
- b. Confidential Statistical Information
- c. Original Wills in probate matters
- d. Creditor claims in probate matters
- e. Requests for Temporary Restraining Orders pursuant to T.R.Civ. P. 65.03

E-Filing shall constitute the official filing of such documents unless excepted above.

The Court and the Clerk may issue, file, and serve notices, orders, and other documents electronically.

b. Filings After Effective Date of These Rules.

Except as expressly provided herein, for all new documents filed on or after the effective date of the E-Filing Rules, the Court shall accept as validly filed all documents that are filed through E-Filing.

c. Case Files.

The Clerk shall maintain the original and official case file in electronic format for all new cases filed on or after the effective date of these rules. Existing cases can be converted to e-filed cases at the request of the litigants or their attorneys.

d. Time and Effect of E-Filing.

Any E-Filed document shall be considered as filed with the Clerk when the transmission of the entire document is received by the Clerk. Any document received by the Clerk before midnight local time of the Clerk's Office shall be deemed filed on the date of such document otherwise meets all the requirements for filing under the relevant rules of the Court. Upon receipt by the Clerk of an E-Filed document, the Clerk shall electronically transmit a Transaction Receipt indicating that the E-Filing has been received. The Transaction Receipt shall serve as proof of filing.

The clerk may review the document to determine if it conforms with the applicable filing requirements. If the clerk rejects the document for filing because it does not comply with the applicable filing requirements or because any required filing fee has not been paid, the clerk must promptly send notice to the registered user who filed the document; the notice must set forth the reason(s) the document was rejected for filing. If the clerk rejects the filing, the clerk may, in his or her discretion, give the filing party up to 3 days to correct the deficient filing; upon the filing party's timely submission of a corrected filing, the filing shall relate back to the date of the initial filing. Notification that the clerk has accepted the document for filing is not required, however, the notice of rejection requirement applies to all deficiency correction filings.

A document that is required to be signed, verified, notarized, acknowledged, sworn to, or made

under oath may be E-Filed only as a scanned image. The original document shall be maintained by the filing party or attorney and shall be made available upon reasonable notice, for inspection by other counsel, the Clerk, or the Court. Parties or their attorneys shall retain originals until final disposition of the case and the expiration of all appeal opportunities.

If the E-Filing does not occur because of (1) an error in the transmission of the document to the Clerk which was unknown to the sending party; (2) a failure to process the electronic document when received by the Clerk; (3) rejection by the Court or Clerk; or (4) other technical problems experienced by the E-Filer or the Clerk, the Court may, upon satisfactory proof, enter an order permitting the document to be filed *nunc pro tunc* to the date the document was first attempted to be filed electronically and may also extend the date for any response or the period within which any right, duty, or other act must be performed.

e. Redaction and Under Seal Documents.

E-Filers must be sensitive to confidential and personal information filed publicly, not under seal. E-Filers shall refrain from including, or shall redact as follows where inclusion is necessary, the following personal identifiers from all documents filed publicly with the Clerk, including exhibits thereto, unless required by statute or otherwise ordered by the Court.

It is the responsibility of the Authorized User to redact all documents that are E-Filed. When a document includes sensitive data that otherwise would be redacted, the E-Filer must hand-file the original and e-file the redacted version. Only the redacted version will be stored for public access. The original must be filed with a motion to place the original unredacted document under seal. If an entire document is required to be placed under seal, when no redacted document is E-Filed, it must be hand-filed with the Clerk and accompanied by a motion to place that document under seal.

Exercise caution when filing documents that contain the following:

(a) Social Security Numbers. If a social security number must be included in a document, only the last four digits of that number must be used;

(b) Dates of Birth. If an individual's date of birth must be included in a document, only the year must be used;

(c) Financial Account Numbers. If financial account numbers are relevant, only the last four digits of these numbers must be used;

(d) Names of Minors. If a case includes a minor this information needs to be protected from the public, the Authorized User should use a pseudo name in the documents and then file a sealed document with the actual names.

(e) Personal identifying number, such as a driver's license number;

(f) Medical records, treatment and diagnosis;

(g) Employment history;

(h) Individual financial information;

(i) Proprietary or trade secret information;

It is the sole responsibility of E-Filers to be sure that all documents comply with the rules of this

Court and the law requiring redaction of personal identifiers. The Clerk will not review each document of redaction.

f. Form of Documents Electronically Filed.

Each E-Filed document shall be uploaded in a PDF format unless it is a proposed order for a judge to review. The document should be formatted in accordance with the applicable Terms of Use Agreement as well as the TRCP and Local Rules governing formatting of paper documents and in such other and further format as the Court may require from time to time. Proposed orders can be E-Filed in Microsoft Word format.

The E-Filer is responsible for verifying that the documents to be E-Filed are legible. Documents that are not legible or scanned sideways will be rejected and will require the E-Filer to correct the document and E-File them again. The corrected documents will be dated and time-stamped according to the date and time of E-Filing the corrected documents.

In addition to the information required by TRCP 11 and any other Local Rule, the party or attorney signing a document that is being E-Filed shall also follow the requirements in Rule 4.

g. Registration Requirement.

Persons who qualify as Authorized Users and who desire to electronically file a Document shall register as an E-Filer on the ECF Website. The registration process requires the prospective user to accept the User Agreement, identify their role for the account, enter their personal information, their username and password, and submit the request. Attorneys must include a valid Tennessee-issued Bar Number. There is an approval process that will occur. Once the approval process is completed, the user will receive an email notifying them that their account is approved. The user must then register their payment options and credit card with the ECF system and to each Court with which the Authorized User will E-File. If the user does not receive an email, the user can try to determine if their account is activated by logging into the ECF website.

E-Filers shall change their E-Filing profile immediately upon any change in firm name, delivery address, phone number, fax number, or email address.

Attorneys who intend to practice Pro Hac Vice are not allowed to register. Out-of-State Attorneys who are not admitted to the Tennessee Bar are required to associate with an attorney who has a Tennessee-issued Bar Number, and they must follow the rules for participating in a case.

h. Notice of Electronic Filing (“NEF”).

When a person E-Files to a case, whether they are a case participant or not, notifications of the E-Filing are distributed to Authorized Users that are recorded in TnCIS as case participants or legal representatives. To receive notifications, participants must be Authorized Users and have an active account in the ECF System. In order for the notification to recognize the association of an Authorized User to a case, they must be recorded on the case in TnCIS as a pro se litigant or as a legal representative with a Bar Number. TnCIS only maintains Tennessee-issued Bar Numbers.

All Authorized Users agree to receive their notices of documents which are E-Filed in their cases electronically through the ECF system.

All Authorized Users must include a Certificate of Service on each pleading filed just as if it had been filed on paper.

Pro se litigants recorded in TnCIS on a case must be registered Authorized Users in ECF and have previously filed a Notice of Association that links the ECF user account to the TnCIS participant ID.

The Court has the ability to configure when NEFs are distributed. Some notifications are distributed when a filer submits the court documents in ECF. Some notifications are distributed after clerk review and approval of the E-Filing. The Court has the ability to configure some documents to not distribute notifications. This last condition may be used when a criminal warrant for an arrest is issued through the ECF system and the Court does not want this information distributed to parties on the case.

The NEF does not replace the need for service of process. The NEF satisfies the responsibility of a filer to send service to other parties that are registered in the ECF System and linked as participants on the case for secondary filings. This service does not replace the responsibility of E-Filers to notify parties physically when they are not registered in the ECF system. The ECF system provides a method to identify what case participants are Authorized Users and recorded in TnCIS as participants in the case.

The NEF is distributed as an email and posted in the ECF web interface for access. The email is not always reliable and considered a courtesy notice. It is the responsibility of each Authorized User to login to the ECF and review their NEFs prior to ninety (90) days from the time the NEF is posted to their user account. After ninety (90) days, the NEFs are cleaned up, and the information is removed from the Authorized User's account.

i. Payment of Filing Fees.

Court Costs. All E-Filed cases subject to statutory filing fees/court costs shall require payment of such filing fees immediately upon filing unless excused by the Court. These filing fees must be paid with a credit card at the time of E-Filing. Use of the E-Filing website constitutes the E-Filer's consent to process or change the credit card supplied. It is the responsibility of the Authorized User to refer to the Clerk and Master's website (<http://www.hamiltontn.gov/Courts/ClerkMaster/>) or call the Clerk and Master's office during office hours for a table of fees for cases and documents filed. The ECF system will not calculate the fees in this release of the E-Filing system (release one). When the ECF system provides an estimate in later releases, the Clerk is still responsible for calculation of the fees which may be different from the estimates. This can occur when the Clerk makes corrections to information entered by the filer.

Refunds due to improper collection will require the E-Filer to contact the Clerk's Office directly. The Clerk will issue checks for refunds. Refunds on a case will be paid to the owner of the credit card used to make the payment.

E-Filing Fee. The E-Filing fee is in addition to the statutory filing fees. This fee is \$5.00 per filing up to a maximum of \$50.00 per case or a \$300.00 flat subscription fee per lawyer or pro se litigant for a one (1) year period starting on the date the flat fee is paid. The flat fee pays all the E-Filing fees for all cases filed by that lawyer or pro se litigant in any Court in the State using the Tybera E-Filing System. This fee is in addition to the Convenience Fee charged by the credit card processor. The E-Filing fee shall not be assessed against the State or to a party declared indigent or to that indigent party's legal representative. Tybera will keep an account of the amount of E-Filing fees paid in each case.

Convenience Fee. The credit card vendor will charge a convenience fee for using the credit card

services. That fee is paid to the vendor at the time of the charge. Currently the Clerk & Master's Office uses LexisNexis as its credit card vendor. The convenience fee is 2.39% for credit cards. Any charges less than \$83.74 will have a standard convenience fee of \$2.00. The convenience fee for debit cards is a standard \$2.00, and the convenience fee for online e-checks is \$1.00.

Transaction Fees for Obtaining Copies. Neither the E-Filing Fee nor the subscription fee shall limit a clerk's authority to charge transaction fees for obtaining copies of documents maintained by the clerk as part of an electronic filing system or a separate document management system.¹

j. Signatures.

A document that is required to be verified by a notary public, sworn to, or made under oath, or one that requires multiple signatures may be E-Filed only as a scanned image of the original. The original document shall be maintained by the Party or the attorney E-Filing the document and shall be made available upon reasonable notice, for inspection by other counsel, the Clerk, or the Court. Parties or their attorneys shall retain originals until final disposition of the case and the expiration of all appeal opportunities.

Any document filed with an electronic signature must be filed using the user account of the individual electronically signing the document. Any document signed and filed using the account that matches the signature is considered binding on that individual even if that issuer shares their username and password;

For all other documents that generally include an attorney's or pro se E-Filer's signature the following pattern must be used:

/s/ John Doe (Authorized User's name), TN BPR #0000 (if an attorney)
123 Main Street (Authorized User's street address)
City, State, Zip Code

Maintaining all original copies of the evidence, whether filed electronically or in paper will be the responsibility of the filer.
