## Hamilton County and City of Chattanooga Jointly Recognize Tyner Academy and Baylor School Football Teams in Special Event

*Players to join County and City leadership in a celebration of their recent State Championship titles*

**Chattanooga, Tenn. (Jan. 9)** — Members of the media are invited to join Hamilton County Mayor Weston Wamp, Chattanooga Mayor Tim Kelly, and the Tyner Academy and Baylor School football teams and coaches for a celebration of their recent State Championship titles. The County and City are jointly hosting the event in recognition of the first time in Chattanooga history that two different football teams in the city limits have won a state title in the same season.

“These two championship teams represent the very best of the future of Hamilton County. The self-discipline and hard work it took to accomplish reflects on their parents, teachers, and coaches,” said Mayor Wamp. “I’m particularly proud of Tyner’s championship season, foreshadowing the great plans we have for an all-new Tyner Academy, which will set a new standard in athletics and career preparation in our public schools.”

“As the first two teams ever within our city limits to win a state championship in the same season, the Baylor School and Tyner Academy football teams have made local history—and I couldn’t be more thrilled to honor them through this special recognition event,” said Mayor Kelly. “The years of hard work and dedication that went into these wins will shape the character of these boys for years to come, and as Mayor, I’m incredibly grateful for all of the energy and talent they bring to our community.”
