In conformity with the requirements of Section 17, Chapter 156 of the Private Acts of Tennessee, 1941, funds have been budgeted for each of ten major classes of expenditures. These are:

Class 1. - Personal Services: This classification of expense covers salaries and wages, including overtime, which are paid direct to the employee.

Class 2. - Contractual Services: This class applies to expenses incurred as the result of contracts or agreements and includes such items as travel expense, professional and technical and mechanical services, utility expenses, automobile allowances and all services other than personal.

Class 3. - Supplies & Repair Parts: This category covers expenses incurred in the purchase of items such as office supplies, gasoline, mechanical parts, etc. Items in this category are generally consumed in use.

Class 4. - Materials: This category applies to commodities of more or less permanent nature, bought for construction or repair purposes.

Class 5. - Fixed Charges: Expenditures of a fiscal period which are generally recurring on a regular basis throughout each fiscal period, such as insurance, premiums on official bonds, etc.

Class 6. - Debt Service: The amount of money necessary annually to pay interest on the outstanding debt and the principal on maturing bonded debt.

Class 7. - Grants, Contributions and Donations: This class covers funds budgeted in lump sums to various institutions, such as Baroness Erlanger Hospital, William L. Bork Memorial Hospital, Speech & Hearing Center and various other entities.

Class 8. - Pensions and Annuities: (Non-Budgeted Accounts.)

Class 9. - Capital Outlay: Expenditures which result in the acquisition or increase of fixed assets.

Class 10. - Miscellaneous: Expenditures which cannot be classified in the previous nine classifications.

Dear Judge Frost:

The activities of this office for the months of April and May, 1964 were of a routine nature for the most part. Many claims were filed with the Veterans Administration and other allied government agencies, all in the interest of veterans and their beneficiaries.

Your Service Officer was the principal speaker at the monthly meeting of Unit #14, The American Legion Auxiliary, Summers-Whitehead Post #14, on the evening of May 20, 1964. The meeting was well attended by Auxiliary members and veterans. Title of the subject matter discussed was Death Pension Benefits- Widows and Children.

During the months of April and May, 1964 this office received 244 letters and acknowledgment cards, completed 213 V.A. Forms and associated government forms, personally interviewed 635 persons (telephone interviews not recorded) and sent forth 158 letters.

A brief summary of out-of-office trips, deemed necessary, is herewith attached.

Respectfully yours,

July 23, 1964

Honorable Chester L. Frost  
County Judge  
Courthouse  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office for the month of June, 1964 were quite regular. A number of claims were filed with the Veterans Administration and other government agencies, all in the interest of veterans and their dependents. Also many awards were made in behalf of claimants through the efforts of the Service Officer.

During June, 1964, 307 persons visited this office for counselling and assistance, 103 V.A. Forms (relative to all adjudicative processes) were completed, 74 letters with various claims and documents went forth and 117 letters and acknowledgment cards were received.

An effort is being made through the City-County Service Office to expedite the processing of claims for "aid and attendance benefits" in terminal illnesses. I refer to cases where death supercedes adjudication of claims. I might add that V.A. has been very receptive to my suggestion that the examining physician be permitted to report his findings via collect telephone call to the V.A. Medical Section in Nashville.

In connection with the summary of out-of-office trips, a report of which is attached, please be advised that trips made from my office to the office of my wife's employment are not recorded due to the frequency of same. These trips are necessary inasmuch as this office does not have a secretary.

Respectfully yours,

W. Earl Bland

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on July 7, 1964, in the Juvenile Court Center. Members present were: Dr. Zuckerman, chairman; Rev. Walker; Mrs. Soper; Mrs. Ochs; Rev. Craig; Mr. Thompson; Mr. Evans; Judge Barker.

Invocation by Rev. Walker:

Minutes of previous meeting approved as published.

Finance Committee reported budget had been submitted and acted upon by the County Council. Total requested was granted.

Mrs. Soper reported on several children, known to the Court and the Detention Unit, that were now making excellent adjustments. These were children known to her personally.

Mr. Britt reported on a recent meeting with State Officials of the Department of Public Welfare to eliminate unnecessary use of Chambliss Home by the Department of Public Welfare. During fiscal year '63-'64 a total of 61 children, active Department of Public Welfare cases, stayed a total of 4,209 days in Chambliss. It was not necessarily the number of children but their prolonged stay that created the problem. The proposed administrative policy was read to the Commission and, by direction of the chairman, a copy will be mailed to each member. Mr. Britt suggested the Commission study the future of Chambliss Home and to consider its necessity as a service to the community and as a part of the Court structure.

Mr. Evans, Personnel Committee, reported on recent meetings of that Committee. Mrs. Barnard, upon the advice of her physician, will not return to the Detention Unit. She is presently on extended sick leave without pay. Mr. Evans suggested a fitting resolution be prepared commending Mrs. Barnard for her faithful service to the Detention Unit. Mrs. Soper moved this be done. Prof. Geraghty seconded. Carried. Mr. Evans also reported his committee was not prepared at this point to make any recommendations on the exact nature of future programs of rehabilitation in the Detention Unit.

Prof. Geraghty moved the meeting adjourn. Mr. Evans seconded. Carried.

Respectfully submitted,

Leo B. Britt,  
Secretary

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on the postponed date of August 11, 1964, in the Juvenile Court Center with the following members present: Mr. Evans, vice chairman, presiding; Rev. Walker; Prof. Geraghty; Mrs. Currey, Mrs. Winston; Judge Barker.

Invocation by Rev. Walker.

Minutes of previous meeting approved as published.

Mrs. Currey reported on the boy's work program and the pressing need for additional funds from the community to keep this going.

Mr. Evans reported on a recent meeting of the Mayor's Entertainment Board called to consider the quality of movies being shown locally. Mr. Evans was present at the request of the Mayor and presented the people's objection to obscene movies using the Movie Industry Code of Ethics as a basis of comparison. The local movie people agreed to enforce their own code.

Mr. Evans proposed a plan of study to familiarize the commission on the history and development of Chambliss Home and the continued use of same. This to be discussed with the chairman before official action is taken.

Mr. Britt discussed two proposals to reduce the heating costs of Chambliss Home. The first was on conversion to gas which would reduce costs about \$300.00 per year. However, conversion costs would wipe out any savings for three or four years. The second proposal was to install a tank of at least 6000 gallons capacity which would permit tank car prices on oil by taking delivery in 6000 gallon quantities. This would provide a saving of 1/3 on the present system of heating. The county maintenance department is checking on an unused tank in the Sale Creek area to see if this can be moved to Chambliss.

Meeting adjourned.

Respectfully submitted,

Leo B. Britt,  
Secretary

TO THE HONORABLE CHESTER L. FROST, JUDGE OF HAMILTON COUNTY  
AND THE COUNTY COUNCIL:

The Apison Lyons Club, and the people of the Apison community, respectfully petition the Council and the Judge of the County to repave the East Brainerd Road from the Kincoy Store to the Apison community. Petitioners would respectfully show that the East Brainerd Road in this locality is too narrow and that the shoulders have been washed out creating a dangerous situation over which the public and the school buses are compelled to travel.

Petitioners further applied to this body for the repairs and repavement of the abovementioned East Brainerd Road and the Apison Pike from the railroad crossing to Collegedale. It will be necessary to cut off three high places on East Brainerd Road and High Point in order to do this job as it should be done.

Your petitioners could further show that these two roads need draining, grading, a proper base put on them, and a cover of hot mixed pavement.

Your petitioners further charge that the Georgia school buses and the residents of Bradley County and Georgia use these roads in such a manner that they are very heavily traveled, and the condition of the above-mentioned roads has prevented the citizens of this community from improving their property and building in the Apison community, thereby creating an increase in taxable values of the property which would render an income to the county in the long run.

Representations have been made by the former County Judge, Wilkes T. Thrasher, that this work would be done, but due to his untimely passing, these promises were never carried into execution.

It has been stated that it would be necessary to procure rights away to broaden East Brainerd Road and repair the same.

These permissive rights are already available and the owners of the abutting property are willing to give at <sup>No</sup> low cost of the county the necessary rights away for the repair and broadening of the above-mentioned roads.

Petitioners respectfully apply to this governing body to the end that this work be started and completed as soon as possible, as the conditions of the above-mentioned roads are in a critical and dangerous condition.

We feel that we represent the citizens of the Apison community in this application, and that the public necessity requires that these repairs be consummated within the immediate future, and respectfully showed to the County Council and to the County Judge that we will be forever grateful for the repair and repavement of the above-named roads in the community.

All of which is respectfully submitted.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on September 1, 1964, in the Juvenile Court Center with the following members present: Dr. Zuckerman, chairman; Mrs. McCallie; Mrs. Soper; Reverend Walker; Mrs. Currey; Mr. Evans; Mr. Watkins; Judge Barker.

Invocation by Reverend Walker.

Mr. Evans moved the minutes of the previous meeting be approved as published. Mrs. Currey seconded. Carried.

After brief discussion of the heating problems at Chambliss, it was decided installing a larger fuel tank was the best solution and savings would be immediate. The county has a tank at Sale Creek School that is not used that would fit the needs at Chambliss. Some modification of the tank is necessary but can be done by the county maintenance department.

Mr. Evans reported an initial meeting of the Chambliss Home Study committee. It was decided that Mr. Britt prepare a brief history of all members of the commission. This to be done prior to the next meeting.

Mr. Britt was also directed to prepare a list of dependent and neglected children in institutions that are in need of clothing or allowances.

Respectfully submitted,

Leo B. Britt  
Secretary

SERVICE OFFICER  
PHONE AM 7-0200

September 16, 1964

Honorable Chester L. Frost  
County Judge  
Courthouse  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office for the months of July and August, 1964 were of a routine nature. Claims filed with the Veterans Administration and other government agencies were in abundance, and as a result thereof many veterans and their beneficiaries have been awarded benefits.

In my last report, dated July 23, 1964, I referred to an effort on my part to induce V.A. to expedite the processing of claims for "aid and attendance benefits" in terminal illnesses. In this connection, I am glad to report that V.A. is now scheduling examinations in cases of this type on an emergency basis.

During July and August, 1964, 602 persons visited the Service Office for counselling and assistance, 139 V.A. Forms relative to various benefits were completed, 125 letters were forwarded and 182 letters and acknowledgment cards were received.

I took my vacation the weeks of August 17 and August 31.

A brief summary of out-of-office trips, deemed necessary, is herewith attached.

Respectfully submitted,

W. Earl Bland

November 4, 1964

Honorable Chester Frost, County Judge  
Members of the Hamilton County Council  
Hamilton County Courthouse  
Chattanooga, Tennessee

Gentlemen:

The increase in salaries for the employees for the Sheriff's Office, agreed to by Judge Tillman Grant, Judge Chester Frost, and myself, is very gratifying to me, even though it is far below standard pay for the Chattanooga Police Department, and considerably less than I would like for it to be.

I did not elect to borrow money for operating capitol, but elected to have the sheriff's office pay its own way, and we have gradually made progress toward that end. At the close of business in October, 1964, the sheriff's office owed accounts payable for the months of September and October, with the exception of our gasoline account due to Hamilton County, which shows the months of August, September, and October, due and payable.

Besides definite appropriations for the sheriff's office, our revenue is problematical. The office anticipates some increase in revenue through the recent approval of increase in fees for boarding prisoners. This increase of twenty five cents (25¢) per day for each prisoner that is in custody for a full 24 hour period has been estimated at \$7,000.00 to \$8,000.00 per year.

Now it is a question of the source of the money to pay the increase in salaries that have been approved by Judge Frost, and myself. Due to the uncertainty of revenue of the Sheriff's Office, (outside of appropriations), I feel that the salary increases for the employees will have to be guaranteed by the county council appropriating sufficient funds to take care of said increases.

I hereby request an increase in my present ex-officio appropriation of \$4,600.00 per month, effective as of October 1, 1964.

Yours truly,

Fn:cs

RESOLUTION - TITLE - RESOLUTION FAVORING ESTABLISHMENT  
OF A COMMUNITY JUNIOR COLLEGE.

WHEREAS, a recent state-wide survey of the facilities of public education above the high school level in Tennessee discloses the following information:

1. That the State of Tennessee provides the following facilities of higher education:

Name	County	City	Enrollment 1963-64	Enrollment Fall 1964	Budget 1963-64
Austin Peay Col.	Montgomery	Clarksville	2,067	2,231	\$1,716,575
E. Tenn. St. Univ.	Washington	J. City	6,201	6,932	3,499,253
Memphis St. Univ.	Shelby	Memphis	8,325	10,546	5,080,467
Mid. Tenn. St. Col.	Rutherford	Murfreesboro	4,048	4,578	2,909,235
Tenn. A.&I. Univ.	Davidson	Nashville	4,240	4,689	3,175,000
Tenn. Poly. Tech. Inst.	Putnam	Cookeville	3,719	4,176	2,706,970
Univ. of Tenn. (including Martin Branch)	Knox	Knoxville	16,226	20,760	18,729,000
	Totals		44,826	53,912	37,816,500

2. That one or more of these state colleges and universities are located in each Congressional District of Tennessee, except the Third District and the Seventh District, but in the latter predominantly agricultural district the University of Tennessee maintains extensive experimental stations in Madison and Hardeman counties. Therefore, it can be said that the Third District is the only District without any state supported facility of higher education, and by the same token, receives no benefit from its prorata taxes for such education.

3. That the averages of students attending state colleges and universities in Tennessee are as follows:

DECEMBER TERM 1964

State wide	10
Districts having state colleges and universities	11
Counties having state colleges & universities	14
Third District (no college)	6
Hamilton County (no college)	6

4. That Chattanooga is 100 miles from the nearest state college----the farthest distant of any county seat from a state college and the only metropolitan area not within 50 miles (maximum commuting distance) of a state college.

AND WHEREAS, it may be reasonably deduced from the above statistics that the disproportionately low number of students from Hamilton County and the Third Congressional District attending state colleges and universities is caused by the lack of public facilities of higher education in this area.

NOW, THEREFORE, BE IT RESOLVED by the Hamilton County Council that it endorse the movement of the Greater Chattanooga Chamber of Commerce calling upon the 1965 General Assembly of Tennessee to establish a Community Junior College at Chattanooga.

BE IT FURTHER RESOLVED that a copy of this resolution be sent to the Honorable Frank G. Clement, Governor of Tennessee, the Honorable J. Howard Warf, Commissioner of Education of Tennessee, the members of the Legislative Delegation from Hamilton County and the Greater Chattanooga Chamber of Commerce.

Chester L. Frost

TO THE COUNTY OF HAMILTON

WHEREAS, the Department of Highways of the State of Tennessee, hereinafter called "Department", desires to construct in the County of Hamilton, hereinafter called "County", a certain project which will form a link in the National System of Interstate and Defense Highways, the same being described as follows:

Beginning at the eastern Marion County Line an East Bound ROW at Station 323 + 30.60 and a West Bound ROW at Station 323 + 68.73 extending in a southeasterly direction for 0.318 mile and 0.426 mile respectively to the Georgia State Line at Stations 338 + 95.62 (East Bound) and 345 + 38.25 (West Bound).

This Proposal is accompanied by Department plans for Project No. I-24-2(9)-161 which show in detail the section of highway herein referred to.

Acceptance of this proposal shall be contingent upon the acceptance of a companion proposal made to Marion County on a portion of this project.

AND WHEREAS, the said County will benefit from the construction of said project and desires to cooperate with said Department to the end that all necessary rights-of-way may be acquired and the project may be constructed, protected and used as a controlled access highway.

NOW, THEREFORE, said Department hereby proposes to said County to enter into a contract under which said Department and said County agree as follows:

1. Said County agrees, whenever necessary, in order that said project may be constructed in accordance with the plans, to the extent of its authority, to open, close and

change the grade of highways and roads, to authorize and require the adjustment of utility facilities and railroad tracks, and to make such other use of its police powers and rights as may be required or desirable in order that said project may be constructed. And provided further, that should any suit be brought by any property owner for damages resulting from the doing by the County of any of the things set forth in this paragraph, said Department agrees to furnish necessary legal counsel for the defense of said suit and to pay the amount of the judgment which may be rendered if said Department shall have been notified in writing by said County of the institution of such suit within 10 days of the date of the service of process in the same.

2. Said County agrees that the said Department may, at the expense of said Department and without cost to said County, relocate and change such County roads as, in the opinion of said Department, it may be necessary to relocate and change in order that said project may be constructed.

3. Said Department agrees that whenever it is necessary to relocate or change a County road, it will, at its expense, relocate or change the same, leaving it in as good or better condition than it was in at the time of making the relocation or change and that it will, where ever practicable, construct frontage roads so as to permit the development of land adjacent to said project.

4. Said County agrees that after said County roads are relocated and changed and after frontage roads are constructed by said Department, it will maintain the same as

other County roads are maintained.

5. Said Department agrees to acquire all such lands, rights-of-way, rights and easements which it may be necessary to acquire in order to construct said project and pay all costs of said acquisition, including all cost incident to the acquisition and use of same, without cost now or hereafter to said County.

6. It is agreed that property belonging to said County and not held or used for highway or road purposes will be paid for as any other property needed for the construction of said project; provided, however, that no compensation will be paid to said County for lands used or held for highway or road purposes.

7. The intent and purpose of this agreement is to provide for the acquisition of lands, construction, and maintenance of a controlled access highway which will form a link in the National System of Interstate and Defense Highways; and it is further the intent and purpose of this agreement that the same shall be used, maintained and controlled in accordance with the applicable State and Federal laws and in accordance with the policies adopted by the State and Federal officials charged by law with administering said highway program; and it is further agreed by the parties that this agreement shall be liberally construed for the purpose of promoting the Federal Interstate Highway Program.

It is required of said County that this proposal be accepted, by proper resolution, on or before the 10th day of February, 1965.

March 10, 1965

Honorable Chester L. Frost  
County Judge  
Court House  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office during the month of February, 1965 were regular, embracing the many problems that daily confront veterans and their dependents. Many claims were filed with the Veterans Administration and other governmental agencies; likewise, prospective claimants were counselled via telephone and in person.

The annual Service Officers' Conference will be held in Nashville on March 25, 26, and 27, 1965. The most important sessions of the Conference will take place on Friday, March 26, 1965, at which time the new insurance law and pension law will be discussed at length. I plan to attend the Friday discussions inasmuch as Post 14, The American Legion, has granted the necessary expenses for my attendance.

During the month of February, 1965, 262 persons visited the Service Office for assistance and counselling, 42 V.A. Forms were completed, 38 letters were forwarded and 61 letters and acknowledgment cards were received.

A report of out-of-office trips, adjudged necessary, is attached hereto.

Respectfully submitted,

*W. Earl Bland*W. Earl Bland

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on March 2, 1965, at the Juvenile Court Center with the following members present; Dr. Zuckerman, chairman; Mr. Watkins; Prof. Geraghty; Mrs. Ochs; Mrs. Currey; Mr. Mann; Mrs. McCallie; Mr. Reingold.

Invocation by Mr. Britt.

Minutes approved as published.

Mrs. McCallie reported on the recent NCCD fund drive. The support of the Law Enforcement Commission was not obtained due to a fund drive of their own. Letters of solicitation went out over Mrs. McCallie's signature. She suggested the matter of future fund drives be referred to the United Fund now.

Mr. Mann reported a bill had been introduced into the legislature to remove traffic cases from the Juvenile Court. No action in either house as of this date.

Nominating committee reported on one person to take the place of Mrs. Soper whose term on the Commission expires. Mrs. Neil McDade, 110 Island Avenue, City, was placed in nomination by Prof. Geraghty. Seconded by Mrs. Ochs. Carried.

Mrs. Currey then moved Prof. Geraghty, Mr. Mann, be elected to succeed themselves. (All eligible for 2nd term). Motion seconded by Dr. Zuckerman. Carried.

Mrs. Currey reported the cost of a fence around the outdoor basketball court at the detention unit had been estimated as between \$780 to over \$900. These figures are considerably more than originally thought. Matter of financing referred back to the committee.

Discussion of Youth Council deferred until the next meeting.

Meeting adjourned.

Respectfully submitted,

Leo B. Britt  
Secretary

A RESOLUTION

TITLE: AUTHORITY FOR COUNTY JUDGE TO ENTER INTO AN AGREEMENT TO COMPROMISE ALL THE MATTERS IN CONTROVERSY IN LAWSUITS NOW PENDING BETWEEN THE CITY OF CHATTANOOGA VS. JOE RICHARDSON, TRUSTEE, AND HAMILTON COUNTY, TENNESSEE, BEING CHANCERY DOCKET NOS. 36376, 38673, 38674, 38675; SAID CONTROVERSIES ARISING OVER THE DIVISION OF TAX MONIES BETWEEN THE CITY OF CHATTANOOGA AND HAMILTON COUNTY AS DIVIDED BY CHAPTER 5 OF THE PUBLIC ACTS OF 1961; AND FURTHER THAT THE COUNTY WILL PAY TO THE CITY \$156,794.00 CASH AND FURTHER RELEASE AND DISCHARGE THE CITY FROM ALL LIABILITY FOR \$144,827.05 DUE THE RURAL BOND SINKING FUND.

Be It Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:

WHEREAS, the City of Chattanooga, in May 1961, filed a suit in Chancery Court, Hamilton County, Docket No. 36376, against Hamilton County, averring that the County had failed to include in the tax levy divisible with City certain specified items for the fiscal year 1961-1962, said items being a two cent (2¢) levy on each one hundred dollars (\$100.00) of valuation to provide pensions for retired teachers; the amount paid from the general funds of the County for social security taxes on teacher's salaries employed in the Hamilton County School System, and the portion attributable to school buildings of the one cent (1¢) tax levied by the County per one hundred dollars (\$100.00) of property valuation for the purpose of providing funds for fire insurance premiums upon county owned buildings. The City of Chattanooga averred that said funds had not been included in the "one tax levy" for education purposes which was required to be divided with City of Chattanooga on the basis of average daily attendance under Chapter 5 of the Public Acts of 1961, Section 8 (1) (c), and

WHEREAS, this case was taken to the Supreme Court of Tennessee where a decision was handed down holding in effect that said funds should have been divided by Hamilton County with the City of Chattanooga on the basis of average daily attendance. Thereafter, in November 1964 Procedendo was returned from the Supreme Court to the Chancery Court of Hamilton County, Tennessee, with directions to proceed further in accordance with the opinion of the Supreme Court, and

WHEREAS, thereafter, the City of Chattanooga filed in the Chancery Court of Hamilton County, Tennessee, three additional suits against Hamilton County being No. 38673, seeking a division of these same funds for the fiscal years 1959-1960 and 1960-1961, under Section 8, (1) (c) of Chapter 14 of the Public Acts of 1959, and No. 38674, seeking a division of said funds for the fiscal year 1962-1963 under the provision of Section 8 (1) (c) of Chapter 5 of the Public Acts of 1961 and No. 38675, seeking a division of said funds for the fiscal years 1963-1964, and 1964-1965, under the provisions of Section 8 (1) (c), of Chapter 39 of the Public Acts of 1963, and

WHEREAS, there have been certain negotiations between officials of the City of Chattanooga and Hamilton County, Tennessee, who believed that it is to best interests of both the City and the County and to the taxpayers of the County, which include the taxpayers of the City of Chattanooga, that these lawsuits be settled and compromised and that in addition all other possible disputes relating to divisions of tax monies or possible delinquencies on other dealings be likewise settled and compromised whether known or unknown.

NOW, THEREFORE, BE IT RESOLVED, by the County Council of Hamilton County, Tennessee, in Session Assembled:

That the County Judge is authorized to enter into an agreement with the City of Chattanooga under which the County will pay in cash \$156,794.00, of this \$130,776.00 to be paid from County General Fund and \$26,018.00 to be paid from County Social Security Insurance Fund, to the City of Chattanooga and will release and discharge the City of Chattanooga from any and all liability for the sum of \$114,827.05 by reason of the annexation of Eastdale, Woodmore and Elbert Long Schools, whereby the City became liable to pay into Rural Bond Sinking Fund of Hamilton County certain yearly payments on said schools (which obligation amounted to an assumption by the City of bonded debt payments upon the annexed schools) upon which obligation there is due a principal balance by the City of Chattanooga to the County of Hamilton Sinking Fund the sum of \$114,827.05, which balance includes the payment of \$20,000.00 due and not yet paid for the month of February, 1965; the City will agree that its four lawsuits pending in the Chancery Court of Hamilton County, Tennessee, being Nos. 36376, 38673, 38674 and 38675, may be dismissed with prejudice with the costs adjudged against Hamilton County. The City will further release and forever discharge Hamilton County of and from any and all further and other claim or claims for any default in division of tax funds, including but not limited to the division of maintenance funds for County schools (which claim the County will not admit) or for the division of any other funds for the operation of schools, or for any default upon any other dealing between the City and County wherein the County may or might have some obligation to the City.

In consideration of the dismissal of said lawsuits, Hamilton County will agree to release and discharge City of Chattanooga from any and all liability due the Sinking Fund above referred to and of and from any and all further and other claim or claims for any default in division of tax funds, including but not limited to the division of funds derived from the payments in lieu of taxes by Chattanooga Housing Authority or any other payments in lieu of taxes, or for default upon any other dealing between the County of Hamilton and City of Chattanooga, wherein the City of Chattanooga may or might have some obligation to the County. It will be specifically agreed that the contract shall have no affect upon future obligations of Hamilton County or the City of Chattanooga, but shall relate only to past transactions and obligations.

A copy of the contract which the County Judge is authorized to execute is attached hereto and made a part hereof.

This resolution shall take effect from and after its passage, the public welfare requiring it.

CITY-COUNTY VETERANS SERVICE OFFICE

814 LINDSAY STREET

CHATTANOOGA, TENNESSEE 37403

W. EARL BLAND  
SERVICE OFFICER  
PHONE 267-6206

April 16, 1965

Honorable Chester Frost  
County Judge  
Hamilton County Court House  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office during the month of March, 1965 were numerous, representing an increase over the same period in 1964. The increased work load is due in part to the modifications of the pension laws (effective January 1, 1965 and affecting both widows and veterans) and a new insurance law to become effective May 1, 1965. The insurance law will allow certain veterans - those with service-connected disabilities alike - to purchase up to \$10,000.00 in National Service Life Insurance. The established deadline will be May 2, 1966.

I attended the annual Service Officers' Conference in Nashville on Friday, March 26, 1965. The sessions were most informative, replete with an array of speakers affiliated with the Veterans Administration in Nashville and Washington.

During the month covered by this report, 356 persons were visitors to the Service Office in search of assistance and counselling, 67 V.A. Forms and other governmental forms were completed, 61 letters with attached claims, applications, documents, etc. were sent forth and 74 letters and acknowledgment cards were received.

A brief report relative to out-of-office trips, deemed necessary, is attached hereto.

Respectfully yours,

W. Earl Bland  
City-County Service Officer

- March 17, 1965 Trip to 529 1/2 E. 9th Street to provide transportation to and from the Department of Employment Security for Mr. Willis Wade, Jr. A claim for disability pension benefits is pending. This trip was necessary to establish unemployability, and the uneducated veteran is not oriented.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on April 6, 1965 at the Juvenile Court Center with the following members present: Dr. Zuckerman; Chairman; Mr. Thompson; Mrs. Currey; Mrs. McDade; Rev. Walker; Mr. Mann; Mr. Watkins; Mr. Reingold.

Invocation by Rev. Walker.

Mrs. Neil McDade was welcomed as a new member of the Commission. Her three year term began April 1, 1965.

The first order of business was the election of a new Chairman and vice-Chairman. Upon the floor being thrown open for nominations, Mrs. Currey nominated Mr. Evans for Chairman. Mr. Mann seconded. Mr. Reingold then moved the election be made unanimous. Seconded and carried.

Mr. Mann nominated Dr. Zuckerman for vice-Chairman. Rev. Walker seconded. Carried.

Mrs. Currey reported for Mrs. McCallie on recent NCCD Fund drive developments. It is still the consensus of opinion this should be brought before the United Fund for ultimate inclusion there. Mr. Reingold suggested the local Crime Commission be asked to appear with the Juvenile Court Commission whenever this is presented to the U.F.

The NCCD has also written the Kiwanis International has accepted responsibility for handling certain NCCD educational program aimed at the teen-age population. It is hoped the local high school principals will become involved in this.

Letter from NCCD on Juvenile Juries read to commission by Mr. Britt. The gist of the letter was that the NCCD would withhold judgement on this question until they completed their evaluation of this proposal. This is estimated to require about six months. Mrs. Currey moved the Commission defer any action until the NCCD study was completed. Mr. Mann seconded. Carried.

Mr. Reingold then moved the minutes reflect the Commission's undying and reasonably eternal gratitude for his faithful service as Chairman. Seconded. Carried.

Meeting adjourned.

Respectfully submitted,

Leo B. Britt  
Secretary

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on the postponed date of May 13, 1965, by agreement of the members. The meeting was held in the Juvenile Court Center with the following members present: Mr. Evans, chairman; Mrs. McDade; Mrs. McCallie; Mrs. Ochs; Rev. Walker; Mr. Reingold; Mr. Mann; Mrs. Currey.

Invocation by Rev. Walker.

Minutes of previous meeting approved as published.

Mr. Joe DeWitt, E-Con Carpet Mills, installed a fence around the basketball court in the Detention Unit at an approximate cost of \$964.20. Mr. Reingold moved the Commission express its gratitude to Mr. DeWitt. Mrs. Currey seconded. Carried. Chairman to write the letter.

Local sponsorship of the NCCD fund campaign brought up for further discussion. This is necessary to bring this matter before the United Fund. One proposal was to invite some members of the Law Enforcement Commission to a Juvenile Court Commission meeting. Another was to have NCCD write Mr. Dixie Smith, Executive Secretary of the Law Enforcement Commission. Mrs. McCallie and Mr. Evans to write the necessary letters to implement these ideas.

Mr. Evans brought up briefly the problem of the Youth Corps Workers in Chambliss Home. It appears to be basically a personality conflict plus some misunderstanding between the Youth Corps and their prospective uses.

Meeting adjourned.

Respectfully submitted,

Leo B. Britt  
Secretary

Re: 1965 - 1966 Budget

Dear Judge Frost and Council Members:

I submit the proposed budget for the fiscal year ending June 30, 1966, for your consideration.

You will note that the special levy for the Teacher's Retirement Fund and the Insurance Fund have been omitted. The County General Fund levy has been decreased from 48¢ to 47¢ and the Department of Education Fund has been increased from \$1.60 to \$1.65.

The total levy remains the same as last year, that is, property inside the City of Chattanooga at \$2.81 per \$100.00 assessed valuation and property outside the City of Chattanooga at \$3.10 per \$100.00 assessed valuation with the property in the other municipalities at \$3.05 per \$100.00 assessed valuation.

Respectfully submitted,

(7) The following additional stipulations are hereby declared to be a part of this lease:

(1) The premises shall not be underlet, for the whole or in part, assigned, or transferred without the written consent of Lessors.

(2) Lessee shall not at any time use the premises or permit them to be used in such manner as to increase the rate of insurance thereon.

(3) In case of a violation of clause two on the part of Lessee, it agrees to pay Lessors as damages the increased insurance, and in case the premises are so used that Lessors cannot effect insurance thereon Lessee agrees

to become the insurer thereof.

(4) Lessee covenants to comply with the State and City laws and ordinances in regard to nuisances, insofar as the premises are concerned, and that it will not by act of it or subtenants (if any) render Lessors liable therefor, and it will make good or pay at the end of the lease, or on vacation of said property, for all glass broken in windows, doors, etc., also put in proper repair all locks and keys to same if lost or pay for same at fair valuation.

(5) No demand of rent need at any time be made on the premises or elsewhere, but it shall be the duty of Lessee to pay the same as moneys generally are paid when due, without demand. Failure to pay any installment of rent when due shall, at the option of Lessors, forfeit the lease.

(6) If the lease should at any time become void or forfeited, no demand shall be necessary to a recovery of possession of the premises, and Lessors shall be entitled to receive or sue out a distress warrant for rent, whether the same become due before or after a forfeiture incurred, and such receipt of rent, or suing out of a distress warrant, shall not be considered a confirmation or renewal of this lease.

(7) Should Lessee continue to occupy the premises after the expiration of said term or after a forfeiture incurred, whether with or against the consent of Lessors, such tenancy shall be from month to month and in no event from year to year.

(8) Should Lessors at any time rightly seek to recover possession of the premises and be obstructed or resisted therein and any litigation thereon ensue, Lessee shall be bound to pay Lessors a reasonable attorney's fee.

(9) This lease, at the option of Lessors, shall be void and forfeited in case of any violation on the part of Lessee of any stipulation herein contained.

(10) A partial receipt of rents in arrears shall not operate as a waiver of any forfeiture which may have before that time been incurred.

(11) Lessee shall not undertake any major alterations or repairs

on the premises without the written consent of Lessors, and Lessors shall not be liable for the cost of any alterations or repairs. Lessee shall pay all utility charges.

(12) Lessee covenants to keep all glass and all plumbing, water and gas pipes, and the premises generally in as good repair as when received, at its own expense, during the term of this lease.

(13) Lessee covenants that it will permit Lessors or their agent at any time during the thirty (30) days next preceding the expiration of the term of this lease to place upon the windows, walls or doors of the premises one notice of "To Let" or "For Sale" and allow the same to remain there without molestation, and it will also permit Lessors or their agent, during said period of thirty (30) days, to show the premises to persons wishing to rent or purchase.

(14) In the event all or a portion of said property is required or taken by any governmental agency, including Lessors herein, whether by action of eminent domain or by negotiated purchase for public use, any award for the real estate, exclusive of movable fixtures, in excess of \$25,000.00 which shall first be paid Lessors from said award, shall be ratably divided between Lessors and Lessee in the proportion that the unexpired term, including the option period, bears to the whole term as extended by said option. In the event of a partial taking, leaving the balance of the premises in habitable condition, the rental shall be adjusted between the parties in proportion to the diminution of usable space. If the parties are unable to agree as to such rental, the question shall be submitted to arbitrators. In this event, Lessors shall select one member of the Board of Realtors of Chattanooga, Tennessee, and Lessee shall select another member of the Board of Realtors of Chattanooga, Tennessee. The two realtors thus selected shall in turn agree upon a third member of the Board of Realtors of Chattanooga, Tennessee. These three arbitrators, or a majority of them, shall fix the amount of rental, which shall be binding upon Lessors and Lessee.

(15) Upon the expiration of this lease, or in the event of its termination, cancellation or forfeiture for any reason whatsoever, including bankruptcy of Lessee, Lessee agrees to deliver over possession of the leased

premises, together with all machinery, equipment, fixtures, appliances, furniture, tools, china, silver and glassware, and personal property of every kind or nature, needed, used or useful in the operation of said golf course. To secure the obligation of this clause, Lessee hereby grants Lessors a general and continuing lien upon all such property placed or used upon the demised premises and agrees that this lien shall extend to and become fixed upon all such property immediately upon its acquisition and use in this enterprise by Lessee at any time during the original or extended term of this lease.

(16) Lessors and Lessee recognizing the need for a State supported institution of higher education in the Chattanooga area, and that the above described property and contiguous property owned by the Lessors and private parties provide a suitable site for such institution, the parties hereby agree that in the event such institution should be established during the term of this lease and the proper education authorities of the State of Tennessee should decide to locate the site in the area covered by the property herein described, and in the event the property exclusive of the area covered by this lease should be insufficient, or should become insufficient, for the establishment, or expansion of such institution, the parties agree that so much of the area covered by this lease as may be necessary shall be thereupon set aside for such purpose and the rights of the parties shall be adjusted as provided in Paragraph (14), above.

IN WITNESS WHEREOF, the parties hereto have caused their names to be affixed hereto by their authorized officers, on the day and year first above written.

June 28, 1965

Honorable Chester L. Frost  
County Judge  
Hamilton County Court House  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office during the months of April and May, 1965 were replete with many claims and applications filed in behalf of veterans and their dependents. Added to this work load was the reopening of National Service Life Insurance (the beginning date for making application was May 1, 1965 and the scheduled closing date is May 2, 1966). The new insurance law is quite intricate, and the filing of applications and dispensing of information is time consuming.

A recent Veterans Administration report indicates that the problems of veterans will mount for many years to come. The primary reason cited is that the average age of the World War I veteran is 70 years and World War II, 45 years. Claims for death benefits, hospitalization, pension and compensation will represent the major claims in this connection.

During the aforementioned months, 658 persons visited the Service Office, 123 V.A. Forms (and other allied forms) were completed, 127 letters were written and 116 letters and acknowledgment cards were received.

A brief report of out-of-office trips is herewith attached.

Respectfully yours,

*W. Earl Bland*

REPORT OF OUTSIDE TRIPS FOR MONTHS OF APRIL AND MAY, 1965

- April 20, 1965 - Trip to 4706 Brainerd Road to confer with Mr. Barney P. Kellis relative to his claim for disability pension benefits. His claim has been denied by The Veterans Administration. This office is going to further develop the case and prepare an appeal.
- April 23, 1965 - Trip to 2427 E. 12th Street to confer with Mr. James T. Tapley. Mr. Tapley is housebound, and was counselled pertaining to filing an application for additional pension benefits due to that fact. The changes in the pension law, effective January 1, 1965, provide for an additional monthly allowance of \$35.00.
- May 12, 1965 - Trip to 529 1/2 E. 9th Street to counsel Mr. Willis Wade, Jr. pertaining to his claim for disability pension benefits. This veteran is uneducated and is not oriented enough to even visit the Service Office. His pension claim is still pending, but the prospects for success look very hopeful.
- May 21, 1965 - Trip to 4706 Brainerd Road to file an appeal for Mr. Barney P. Kellis. V. A. previously denied a claim for disability pension benefits. Mr. Kellis is suffering from disabilities that would render office visits somewhat of a danger.
