Send completed submittal form and photos to [leahc@hamiltontn.gov](mailto:leahc@hamiltontn.gov). By submitting photos and projects for consideration, it is understood by the entrant that Hamilton County reserves the right to use, or omit, any of the submissions on the virtual green infrastructure tour web page. Only those projects that meet provide an obvious benefit to the water quality in the Hamilton County and Chattanooga Area will be included in this site. By including a project in this virtual tour, Hamilton County does not endorse the use of any particular material or method represented, but is providing variety of green infrastructure practices for the public to view and visit. The address of the site will be listed on the web page.
