

*The Volkswagen plant, including the body shop, paint shop and assembly halls, is on schedule to begin production of their new mid-sized sedan in 2011. Additional acreage has been designated to house supplier companies to serve the new plant.*

*COVER PHOTO: A view from the scenic overlook in the Enterprise South Nature Park offers a glimpse of the Volkswagen plant under construction. The vast tract of land consisting of 7,000 acres used to be the Volunteer Army Ammunition Plant (VAAP).*

*Enterprise South Nature Park which includes 2,700-plus wooded acres will offer visitors a rare opportunity to explore land that has been largely left to flourish in its natural state for more than 70 years. The Visitors' Center officially opened on December 16, 2010.*

**ABOVE AND LEFT:** *In June 2010, Volkswagen Group of America open its \$40 million training center. The 163,000-square-foot center, with its 19 classrooms, will prepare employees for work, host an advanced vocational program and provide meeting facilities for outside groups when it is fully functioning.*

**LEFT:** *Volkswagen Drive which connects the plant and Nature Park to Interstate 75 was formally opened on August 20, 2010.*
