ON MOTION of Councilman Thrasher, seconded by Councilman Wilbanks, to accept and make a Matter of Record a report from the Citizens Taxpayers Association of Hamilton County:

CITIZENS TAXPAYERS ASSOCIATION
OF HAMILTON COUNTY

August 13, 1958

The Citizens Taxpayers Association, at its Board meeting held Tuesday, August 12, voted to recommend and endorse a one cent sales tax to Hamilton County for the sole benefit of the Chattanooga and Hamilton County schools.

The C.T.A. did not take an active part in the recent seven million dollar bond issue referendum. Their reason for not doing so was that they wished to know the feeling of the people as to how far they would go toward paying for the schools they wanted. The C.T.A. was the only organization which insisted that the recent school bond issue be presented to the people for approval or disapproval.

AUGUST TERM 1958

Our organization feels that school needs go far beyond the shortage of physical facilities which will be met for the present by the recently approved bond issue of seven million dollars. Additional budgetary needs also must be met which include teachers and increased teacher compensation. Starting salaries in Chattanooga are one thousand dollars per annum less than in many cities with comparable enrollment and population. Our Board did adopt and recommend to both Chattanooga and Hamilton County Educational Departments an equal salary schedule allowing an increase of \$300.00 to beginning teachers which would bring the present figure up to \$3200.00. This recommendation was only a start in equalizing salaries competing with business and industry. As of today there are seventeen teacher vacancies existing in the city system and thirteen teacher vacancies in the county system. The opening of our schools is just two weeks off. As a result of teacher shortages the school boards are faced with the only alternative step - that of employing teachers who do not meet the minimum teacher requirements. So long as the wide discrepancies exist between local and regional salaries, the problem of teacher shortage will become more acute.

The C.T.A. Board feels that in order to finance this need as well as the seven million dollar bond issue for additional facilities a one cent sales tax is the only way it may be done without increasing ad valorem tax perceptibly. It is felt that the increased tax burden of such a new tax will be spread over a greater number of citizens. The proposed one cent sales tax should be over and above all funds now being received by both Chattanooga and Hamilton County School Systems. The C.T.A. will recommend this increased sales tax to the Hamilton County delegation and will make every effort to show both the delegation and the public why such a step is needed.

The foregoing Motion was adopted by Acclamation. All members of the County Council were present.

ON MOTION of Councilman Osborne, seconded by Councilwoman Wells, that Mr. Walter Brooks, County Manager, be authorized to ^{investigate} ~~inspect~~ North Hale Road, off Crabtree Road. the above Motion was adopted by Acclamation. All members of the County Council were present.

ON MOTION of Councilman Wilbanks, seconded by Councilman Osborne, that Hamilton County pay for parts for Carlos Dill's truck which was wrecked on Wooden Bridge on Signal Mountain. Re: Request for Industrial Zoning
500 Acres of J. Gilbert Stein

Gentlemen:

M A R C H T E R M 1 9 6 0

The Regional Planning Commission has recommended "Industrial Zoning" for a tract of about 500 acres which I own on Shallowford Road. Such zoning applies restrictions and controls over uses which might be objectionable and provides protection for surrounding areas.

I plan to develop into a high type, restricted, Industrial Park the 300 acres lying east of the proposed Tennessee Highway 153 and bordering on both sides of Shallowford Road. To do this will require additional restrictions and these I wish tentatively to provide for at this time by requesting that the County Council retain the right to review and approve the general requirements for such a park, when prepared, or to review and approve of any prior partial development of the property.

The 200 acres lying west of Highway 153 is suitable only for a limited number of industrial plants requiring considerable acreage. This tract will be developed for sale or lease to selected industries, strictly according to the zoning requirements.

In addition, I wish to withdraw from consideration for industrial zoning approximately 18 acres fronting 910 feet on Shallowford Road and 740 feet on Reid Road.

Time is of importance and your immediate approval is requested.

Yours very truly,

J. Gilbert Stein

+ RESOLUTION ON THE DEATH OF COUNTY JUDGE WILKES T. THRASHER *Dr*

WHEREAS, Hamilton County and the State of Tennessee has suffered a great loss in the death of County Judge Wilkes T. Thrasher in Chattanooga, Tennessee on March 3, 1960, when he was killed in an automobile accident on his way to a V.F.W. election meeting, as he crossed Riverside Drive.

He was born on June 14, 1893 and was the son of the late Jesse S. Thrasher and Lily Wilkes Thrasher. His father was a soldier in the Confederate Army.

Judge Thrasher attended the old First District School in Chattanooga while growing up in North Chattanooga, then known as Hill City, and was later graduated from Central High School. He received his law degree in 1924 from the Knoxville College of Law.

Judge Thrasher fought as an American Army private on two fronts during World War I.

Judge Thrasher held membership in the Masons, Scottish Rite, Alhambra Shrine, Royal Order of Jesters, Elks Lodge, Eagles Club, Moose and American Legion. He was a past commander of Veterans of Foreign Wars Post 1289. He was a members of Central Presbyterian Church.

Judge Thrasher is survived by his wife, the former Mary Louise McCahill; a son, Wilkes T. Thrasher, Jr., his daughter, and two grandsons, Wilkes T. Thrasher, III, and James Pratt Thrasher.

Judge Thrasher was a member of the Quarterly County Court of Hamilton County in 1924 and continued to be a member until 1941. He was County Register from August 24, 1936 to April 4, 1947 and after the death of Judge Wiley Couch in 1947, Judge Thrasher was elected Judge by the County Court.

In 1948 he was elected by the people to serve out the remaining two years of Judge Couch's eight year term and he won re-election in 1950. In 1958 he won the second full term and was serving as County Judge at the time of his death.

Judge Thrasher was a generous contributor to needy persons and charitable causes and was ever ready to help anyone in need or distress.

His fiscal policy as County Administrator was known over the state and he attained, for the County, an AA bond rating during his twelve years as County Judge.

A P R I L T E R M 1 9 6 0

During his administration, the County had as good, or better, credit rating as any county in Tennessee and Judge Thrasher took great pride in this. He was always economy minded and worked constantly to keep the County's tax rate down.

Many fine projects in Hamilton County, such as the Thrasher Bridge, which was named after him, and the achievements of great advances by the schools, highways and parks, can be credited to him.

He was of a friendly nature and had many friends in Hamilton County who will mourn his loss.

THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF Hamilton County, Tennessee, in regular session assembled on Wednesday, 6th day of April, 1960, that it express its heartfelt sympathy to Mrs. Thrasher, his son, his daughter and all other members of the family in their great loss.

County Council

Dear Council Members:

The activities of this office for the month of February were routine. A large number of claims were filed with the Veterans Administration and allied government agencies.

The new pension bill has prompted many inquiries and a number of applications already. However, most of the contacts thus far have elected to remain under the old law.

In February, 51 letters were received, 58 VA Forms were completed, 279 persons were interviewed and 39 letters transmitted.

A report of outside activities is herewith attached.

Respectfully yours

Dear Friends:

For the past six years I have been attending meetings of the Council. Six years ago I knew very little of our county's governmental functions or of politics. I am now expert in either, but my knowledge of both has greatly improved. In my opinion, the late Judge Wilkes T. Thrasher was among the best politicians ever to live in this

A P R I L T E R M 1 9 6 0

area. He worked night and day for Hamilton County in trying to find a way and the means of solving its problems.

He did more than any one person in achieving completion of the bridge over Chickamauga Dam. It is quite proper that this is named The Wilkes T. Thrasher Bridge.

His greatest service to us citizens was that during his administration he prepared the bond and financial history prochure of Hamilton County. With this, and the help of the Council members, he presented the county's request to the banking and bond authorities for a AA credit rating. His request was granted and Hamilton County is proud to be one of the very few counties to have a AA credit rating. Our having this saves us taxpayers here in Hamilton County many thousands of tax dollars each year.

With these remarks, I hereby have had planted on our Court House lawn this living scarlet maple tree and dedicate it to the late Judge Wilkes T. Thrasher.

Cordially yours,

Arnold Burnette

Re: 1960-1961 Budget

Dear Judge Thrasher and Council Members:

Submitted is the proposed budget for the Fiscal Year
ending June 30, 1961.

You will note there is no change in the total tax rate,
either inside or outside the City of Chattanooga, but
a change has been made between the various funds as
described below.

In order to meet the requirements of the schools, it was
necessary to increase the School Fund Levy to \$1.14½, as
well as the School Transportation Fund to .06¢. It was also
necessary to increase the Health and Welfare Fund by .01¢.
These increases in the above funds were accomplished by reducing
the County General Fund by .07¢, and the Insurance Fund by .01¢,
and not levying a tax for the Bridge Fund as we have available
cash in this fund to take care of our needs for the coming
fiscal year.

The levy for the other funds remain the same as for the
previous year.

This recommended budget is submitted for your consideration
and approval.

Respectfully submitted,

A. L. Bender, County Manager
