Honorable Chester L. Frost

Dear Judge Frost:

The activities of this office for the months of April, May, and June, 1966 were replete with a record number of personal contacts and telephone inquiries. Many claims were filed in the interest of veterans and their dependents or survivors. The mentioned influx is due to the Viet Nam G. I. Bill of Rights and the increasing problems that age and disability have foisted upon World War I and II veterans.

The reopening of National Service Life Insurance, as mentioned in the report dated May 17, 1966, proved to be of benefit to far less disabled veterans than anticipated; the premium rates were too costly for many who must subsist on fixed incomes.

I was absent from the office due to illness (bladder infection) on June 9, 10, and 11, 1966.

During the months covered by this report, 1338 persons ~~visited~~ visited this office for counselling and/or assistance; 817 V. A. Forms (and other associated government forms) were completed, 319 letters were written and 276 letters and acknowledgment cards were received.

A brief report, relating to out-of-office trips, deemed necessary, is attached.

Respectfully submitted,

W. Earl Bland

REPORT OF OUTSIDE TRIPS FOR THE MONTHS OF APRIL, MAY, AND JUNE, 1966.

- April 22 Trip to Baroness Eplanger Hospital to confer with Mr. James A. Moffitt, Plant City, Florida. Mr. Moffitt, a service-connected disabled veteran, suffered an "attack" while visiting in Chattanooga. This office, in concert with Doctor Cheatham (Diagnostic Center), succeeded in having Mr. Moffitt transferred to the V. A. Hospital, Bay Pines, Florida.
- May 17 Trip to 715 Franklin Street to counsel Mr. Joe S. Stalyon, a World War II veteran. Mr. Stalyon's severe illness prompted him to request the trip.
- May 20 Trip to 2007 Watauga Avenue to counsel Mr. Eugene M. Skelton, a World War I veteran, relative to V. A. hospitalization. Mr. Skelton's complexus of disabilities later resulted in his hospitalization at the V. A. Hospital, Nashville - under emergent conditions.
- May 27 Trip to 8247 E. Brainerd Road to complete application for National Service Life Insurance for Mr. Andy Walters. Mr. Walters is a disabled World War II veteran.
- June 7 Trip to Snow Hill Road (Ooltewah) to counsel Mr. James L. Platt relative to the possibility of increased disability pension benefits. Mr. Platt is housebound due to his age - he is a World War I veteran - and various disabilities.
- June 16 Trip to 1606 Morris Hill Road to confer with Mr. Raymond Pendergraph with reference to his possible entitlement to additional pension benefits. Mr. Pendergraph is a borderline case, but an effort will be made to secure added benefits.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on August 2, 1966, in the Juvenile Court Center.

The following members were present: Chairman Evans; Dr. Zuckerman; Mr. Watkins; Rev. Walker; Mrs. McDade; Mrs. Currey; Mrs. McCallie; Judge Barker; Judge Britt and Mr. Bradbury.

The minutes were approved as published.

Since Dr. Van Order and Dr. C.C. Bond have been approached concerning positions as court commissioners, a motion was made and seconded that they be accepted as members, and that the nominating committee inform them of this action. Judge Britt suggested that the two names be submitted to the county council for approval. A motion was also passed that Mr. Tom Mann be appointed chairman for the coming year as Mr. Evans term of office has expired. Expressions of gratitude was given Mr. Evans in appreciation for his devotion and untiring effort toward attaining the desired budget appropriation. Mr. Alvin Reingold was re-elected by the group for another term of office.

The chairman requested Mr. Bradbury to relay the above recommendations and decisions involving the nominating committee to Mr. Tom Mann for verification and that the nominating committee be prepared to report any vacancies needed to be filled at the next commission meeting. To be included in the letter also was a motion by Rev. George Walker that Judge Barker be honored with the title and position of Juvenile Judge, Emeritus. The nominating committee was asked to consider this recommendation of the commission members.

The problem of procuring and maintaining personnel was discussed. Judge Britt stated that in spite of the budget increase we still cannot match the substantial salaries of governmental agencies. Chairman Evans felt that another meeting should be arranged to further explore the salary aspects of certain positions especially that of casework supervisor.

Judge Britt commented on the grand jury report. Special emphasis was given in the report to the increasing need of greater traffic control and enforcement. Chambliss Home was again mentioned as being in need of more playground equipment. The report was complimentary as to the function and appearance of the entire Juvenile Court Center.

Mr. Bradbury reported that a letter had been drafted for Mrs. Currey which included a description of the work scholarship program. This letter would be sent to influential and interested citizens of the county in hopes of obtaining necessary finances to propagate the program.

In conjunction with this program Mr. Evans related to the group his discussion with Rev. Tom Pledger concerning a rehabilitation camp for delinquent children. The idea would be to make this project another service of the Juvenile Court, supported by funds of civic groups or appropriations from the Hamilton County. It was suggested that Rev. Pledger be asked to submit a full report of his plans. The members

discussed other possible alternatives such as Y.M.C.A. membership cards for probationers and rehabilitation work camps or centers for S.V.T.S. returners.

Inquiry was made by Chairman Evans as to the program of the Ridgedale pilot project sponsored by the Optimist Club and Dr. Dzik. It was explained that the program has been stymied due to a misunderstanding of financing between the Optimist Club and the Education department.

Judge Barker expressed his appreciation for the loyal support of the Juvenile Court Commissioners throughout his term of office. He enumerated the many accomplishments which had been realized through the personal efforts of many of its constituency.

Rev. George Walker made a motion that Judge Barker be honored as Juvenile Judge, Emeritus. The matter was referred to the nominating committee for consideration and recommendation.

Meeting adjourned.

Respectively submitted,

Leo B. Britt
Secretary

November 1, 1966

Honorable Chester L. Frost
County Judge
Hamilton County Court House
Chattanooga, Tennessee 37402

Dear Judge Frost:

The activities of this office for the months of July, August, and September, 1966 were routine for the most part. The advent of the Viet Nam G. I. Bill of Rights has brought about many inquiries, as well as claims, for ~~the~~ education and training and V. A. guaranteed home loans, to mention a few.

This Service Officer was on vacation from July 16, 1966 to August 1, 1966. One week still remains to be taken, and will be incorporated in the next report. Further, sick-leave was taken as follows: September 29 and 30 (acute sore throat), and October 11 through October 13 (bladder infection).

During the mentioned months, 1079 persons visited this office for counselling and/or assistance; 612 V. A. Forms (and other related governmental forms) were completed; 286 letters were written and 266 letters and acknowledgment cards were received.

A condensed report, covering out-of-office trips, is attached hereto.

Respectfully submitted,

W. Earl Bland

REPORT OF TRIPS FOR MONTHS OF JULY, AUGUST, AND SEPTEMBER, 1966

- July 15 Trip to 2007 Watanga Avenue to counsel Mr. Eugene M. Skelton, a disabled World War I veteran. Mr. Skelton's disabilities are of such a nature that it has been necessary that V. A. have a guardian handle his finances for him.
- August 15 Trip to Big Ridge Road, Hixson, Tennessee, to aid Mrs. Theodore F. Kurch in notifying V. A. of a "change of address". Mrs. Kurch's illness at the time precluded a trip to the office - the proper V. A. form was completed in order that payment of death compensation would not be interrupted.
- August 16 Trip to 11 Maude Street to secure a "Power of Attorney" in the case of Mr. Silas McClure. A disability pension claim is pending, and Mr. McClure (who is ailing) requested that the American Legion represent him as the accredited representative.
- August 25 Trip to Route 3, Hixson, Tennessee to complete an application for hospitalization for Mr. Robert A. Daugherty.
- September 12 Trip to 1604 40th Street to confer with Mr. Albert M. Jackson. Mr. Jackson, a World War I veteran, is very feeble, and was concerned with the status of his disability pension.
- September 17 Trip to 400 Osborne Drive (Saturday night) to reopen claim for death pension benefits for Mrs. Lewis P. O'Neal and also submit a request for "change of address". Mrs. O'Neal was moving to Oklahoma City, Oklahoma the following day.
- September 20 Trip to 8247 E. Brainerd Road to counsel Mr. Andy Walters relative to a previous application for National Service Life Insurance. Mr. Walters is a disabled World War II veteran.

JUVENILE COURT COMMISSION MEETING

The regular meeting of the Juvenile Court Commission was held on October 4, 1966, in the Juvenile Court Center.

The following were present: Mr. Mann, recently appointed chairman; Mr. Watkins; Mrs. Ochs; Mrs. McCallie; Mrs. McDade; Dr. Van Order; Mrs. Currey; Dr. Bond; Judge Britt; Mr. Bradbury.

He also revealed that requests for a casework supervisor and probation officer personnel had been mailed to some eighteen colleges as well as such organizations as Snelling and Snelling.

Mrs. McDade reported that progress was being made concerning the school personnel problem at Chambliss Home. Mrs. Cooper was scheduled to hear the grievances that Thursday.

Mrs. Ochs reminded the group that replacement would be needed to fill the vacancies of retired commission members as of April, 1967.

WHEREAS, it has been determined by this County Council that it is necessary and desirable to construct certain school buildings in and for Hamilton County; and,

WHEREAS, funds in the amount of \$450,000 are currently needed to begin the school construction program; and,

WHEREAS, sufficient funds are not now on hand for this purpose; and,

WHEREAS, under the provisions of Sections 5-1031 to 5-1039, inclusive, Tennessee Code Annotated, counties in Tennessee are authorized upon approval by the Tennessee State Director of Local Finance, to issue interest bearing Bond Anticipation Notes maturing not more than two years from the date of issuance for all county purposes for which general obligation bonds can be legally authorized and issued; and,

WHEREAS, it appears advantageous to Hamilton County at this particular time to issue Bond Anticipation Notes to construct school buildings rather than to issue bonds;

NOW, THEREFORE, BE IT RESOLVED by the County Council of Hamilton County, Tennessee, as follows:

Section 1. That, for the purpose of providing funds to finance the construction of school buildings in and for Hamilton County, Tennessee there shall be issued the negotiable interest bearing bond anticipation notes of Hamilton County, Tennessee, in a total principal amount not to exceed \$450,000. That, said notes shall be designated "School Bond Anticipation Notes" and shall be numbered serially beginning with the number 1. Each of said notes shall be dated December 1, 1966, shall mature on December 1, 1967, and shall be of such denominations as may be agreed upon by the County Judge and the purchaser of said notes.

Section 2. That, said notes shall bear interest at the three and six tenths rate of 3.6 percent (3.6%) per annum, payable semiannually each six months after date of issue. Section 3. That, said notes shall be executed and signed in the name of Hamilton County, Tennessee, by the County Judge and attested by the County Court Clerk with the seal of the County attached thereto.

Section 4. That, for the purpose of providing funds with which to pay the principal of and interest on said notes as the same shall fall due, there is hereby levied upon all taxable property in Hamilton County, Tennessee, a sufficient tax to retire principal of and interest on said notes as each becomes due and payable. In addition, the full faith, credit and other resources of Hamilton County, Tennessee, are hereby irrevocably pledged for their retirement.

Section 5. That the Bond Anticipation Notes herein authorized shall not be issued or executed until after the approval of the Tennessee State Director of Local Finance has been obtained as required by Sections 5-1031 to 5-1039, inclusive, of the Tennessee Code Annotated, and the County Judge of Hamilton County is hereby authorized and directed to request such approval.

Section 6. That the Bond Anticipation Notes herein authorized shall not be sold for less than par value plus accrued interest to date of delivery.

Section 7. That if any of said Bond Anticipation notes shall remain unpaid at the end of One (1) Year from the date of issuance of same, the balance of principal and/or interest owed by Hamilton County on same shall be converted to bonds as provided by Sections 49-701 to 49-720, inclusive, of the Tennessee Code Annotated or otherwise liquidated as approved by the State Director of Local Finance in compliance with statutes relating to the issuance of notes and bonds.

That the sale of all of said School Bond Anticipation Notes to the American National Bank & Trust Company, Chattanooga, Tennessee, the Hamilton National Bank, Chattanooga, Tennessee, and

Juvenile Court Commission Minutes

The regular monthly meeting of the Hamilton County Juvenile Court Commission was held December 6, 1966 in the Court Room of the Juvenile Court Building, The following members being present: Mrs. Martin Ochs, Mr. Robert Watkins, Mrs. Bradley Currey, Dr. W. E. Van Order, Mr. Arvin Reingold, Mrs. J. Spencer McCallie, Mrs Neil McDade, Dr. David Dzik. J. Thomas Mann, and Judge Leo Britt.

It was reported that the personnel committee had not been successful as yet in locating a case work supervisor, although the committee had been advised of the possible applicant presently serving with Ohio Youth Commission in Akron. A tardy response had been received from Mr. Merrill A. Smith, Chief of the Division of Probation of the United States Courts in Washington, but he offered no suggestions. He did indicate that he would review his file and send us the names of any persons who might be likely prospects.

It also was reported by the personnel committee that it seemed mandatory at this time to consider elevating the salary scales set earlier this year at the time the budget was approved for the present fiscal year. We still apparently are below minimum salaries being paid by other county organizations and by the Federal Government employing compatibly qualified personnel. On motion duly made, seconded, and unanimously carried, the personnel committee was authorized to review present salaries of Juvenile Court personnel, particularly the Probation Staff, and to elevate salary scales on behalf of the commission as deemed proper to be effective the first of the year.

Mrs. Currey reported that over \$750.00 had been received or was on its way to the commission in response to the recent letter mailed to various organizations in the community requesting funds to support some of the commission's projects not included in the annual budget. More money is expected to be received soon.

It also was reported that during the latter part of November, prior to the departure of Dr. Bennie Carmichael, City Schools Superintendent, Judge Leo Britt, Ralph Bradbury, and Tom Mann had met with Dr. Carmichael for lunch to discuss possible forces of financing of special education at the Juvenile Court. Dr. Carmichael was encouraging and responsive, and stated that there were personnel in the City School System who could assist us in developing this project. The chairman indicated that he would make an appointment with the appropriate person in the city school system and call a meeting of the special committee to meet with these school representatives, this committee being composed of Dr. Bond, Mr. Evans, Mrs. Currey, and Dr. Dzik.

The chairman reported that he had received responses from all of the state juvenile correctional institutions written regarding visitation. It was agreed that the chairman should set up visitation dates in January and notify the various commission members as soon as possible.

Commission Minutes con't

Committee meeting dates were set for lunch at the Patten Hotel as follows: Personnel Committee, December 7; Community Resources Committee, December 8; and, Detention Unit and Chambliss Home Committee, December 9.

There being no further business, the meeting was adjourned.

Respectively submitted,

To: Juvenile Court Commission Members.

JUVENILE COURT COMMISSION MEETING

The regular meeting of the Juvenile Court Commission was held Nov. 1, 1966, in the Juvenile Court Center.

The following members were present: Chairman Mann; Dr. Dzik; Mr. Evans; Mrs. McCallie; Mrs. McDade; Mrs. Ochs; Mr. Reingold; Mr. Watkins; Judge Britt and Mr. Bradbury.

The minutes were approved as published.

Mrs. McDade reported that Mrs. Cooper, supervisor of curriculum and E. L. Pritch, county schools director of special education had met with the Educational instructor of Chambliss Home. An apparent agreement had been reached as to the instructors working hours and job requirements.

Chairman Mann brought up the subject of an honorarium dinner for Judge Barker. He suggested that former commission members would be invited to the occasion. Mr. Evans was asked to contact Ski Johnson in regard to the matter.

The personnel problem continues to be an acute one and the question was raised as to the need for the upgrading of present staff salaries at the expense of decreasing the number of proposed probation officers. A local personnel agency according to Mr. Mann, referred an applicant to Mr. Geraghty, personnel chairman. The applicant is presently employed by the State Department of Corrections as division director of Probation services. Judge Britt is acquainted with the applicant and was asked to continue any future interviews if said person was interested.

Judge Britt mentioned that Harry Bayne, one of the Juvenile Court's probation officers had also applied for the position of casework supervisor. His educational background and professional experience is in the field of Education. The Judge explained the system of training college students as intake officers in the detention unit. One such person, Jim Hammond, has developed into a proficient, full time probation officer. Two other additions are expected within the next few months.

Chairman Mann stated that visiting request had been mailed to the State Vocational Training Schools, but no answer had been received at this date. It was agreed that Saturday would be the most ideal day for the visits.

The boys work program was discussed at length. In a recent meeting between Judge Britt, Mr. Mann, and Mrs. Currey, a letter was drafted and later mailed to the local civic clubs and selected friends of the city. The contents of the letter was descriptive of the program and included an appeal for additional funds of support.

The Community Resource Committee was recently formed, comprised of Dr. Bond; Mrs. Currey; Dr. Dzik, and Mrs. McDade. The primary function of this committee is to secure funds to cover project and programs not included in the budget.

The meeting was adjourned and followed by a tour and dinner at Chambliss Home.

Respectively submitted.

JUVENILE COURT COMMISSION MINUTES

The regular monthly meeting of the Hamilton County Juvenile Court Commission was held January 3, 1967 at the Juvenile Court Center. The following members were present: Chairman J. Thomas Mann; Mrs. Bradley Currey; Mr. George Evans; Mrs. Spencer McCallie, Jr.; Mrs. Neil McDade; Dr. David Dzik; Dr. W. Van Order; Judge Leo B. Britt, and Mr. Ralph Bradbury.

The previous minutes were approved as published.

Changes were made in the touring dates of the State Correctional Training Schools, to read as follows:

Pikeville S.V.T.S. -- January 25th (leave 11:00 A.M.)
Nashville S.V.T.S. -- February 1st
Tullahoma S.V.T.S. -- February 8th (leave 10:30 A.M.)

Dr. Dzik suggested that we invite a newspaper reporter to accompany the commissioners on the trip or to interview them later for factual information in regard to the program, purpose, and effectness of the State Juvenile Correctional Institutions. The main objectives would be to inform ourselves as well as to educate the reporter as to the needs and problems of Youth Corrections, who in turn could transit this information to the public.

There was some discussion of a recent Chattanooga Post article which placed the Juvenile Court in an unfair position by presenting a Rossville business man's critical view of the Juvenile Courts laxity on shop lifting in the Rossville Area. The public relations committee was asked to prepare a rebuttal to be sent to the Chattanooga Post.

The special Education Committee recently met with the city special education department heads. The purpose of the meeting was to determine to what extent the total educational program affects juvenile delinquency. Not only is the committee interested in securing information and advice in setting up a remedial teaching and tutoring program, but also that of obtaining federal grants to propagate such an endeavor. The next series of meetings was scheduled for January 17, 1967.

The Personnel Committee reported that Harry Bayne, court probation officer, had been promoted to acting casework supervisor in lieu of his obtaining a masters degree in the near future. Prof. Geraghty on a future trip to Baton Rouge, was to interview two prospective applicants for chief probation office.

The committee had also proposed an increase of \$400.00 for each probation officer subject to approval by County Judge Chester Frost. It was emphasized that this amount would not exceed the staff salaries appropriations.

Commission Minutes con't

Mrs. McDade, chairman of Detention and Chambliss Home committee, reported that an evaluation had been made of the needs of the two institutions in recent committee meetings. She stated that Mrs. Carpenter had received a cheque from Mrs. Tipton for playground equipment. Mrs. Carpenter was also to contact Siskins for play equipment as well as construction firms to secure estimates for asphaltting the back yard play area. Mrs. McCallie was appointed to serve on the Detention Unit and Chambliss Home Committee.

In regard to public resources, Mr. Mann emphasized the need for a special resource fund which could be established by private funds from such groups as cooperations, foundations, civic and/or religious groups. Many request for personal needs are received by the probation officer from institutionalized court wards which is not covered by the budget. Children of U.S. for example are dependent upon sponsors for clothing, etc.

Finally, the Master X program was described by Mr Mann, in which a team evaluation is focused on one or two hard core delinquents. The evaluations, tests and examinations would include all the important physiological, psychological, sociological, and educational aspects of the whole child. The findings should provide the probation officer with valuable resource information in determining a sound casework plan and recommendation disposition. It is hoped that the program will eventually include a fair percentage of detention unit referrals.

Meeting was adjourned.

Respectively submitted,

Ralph W. Fradbury, Secretary

JUVENILE COURT COMMISSION MINUTES

The regular monthly meeting of the Hamilton County Juvenile Court was held February 10, 1967, at the Juvenile Court Center.

The following members were present: Chairman J. Thomas Mann; Prof. Geraghty; Dr. Dzik; Mrs. McCallie; Mrs. Ochs; Dr. Van Order; Mrs. Currey; Judge Britt and Mr. Bradbury.

Previous minutes were approved.

Judge Britt reported that County Judge Chester Frost had approved the mid-year merit salary raises for the probation staff which amounted to \$400.00 annually per worker.

The Chambliss Home and Detention Unit committee report was deferred until the next commission meeting, but Mrs. Currey did report that Ralph Eidson had contacted a friend who would take the responsibility for paving the Chambliss Home back yard play area. She also stated that Mr. George McInturff, city commissioner, has consented for his department to remove the existing playground equipment and to reinstall it after the surfacing has been completed. Mrs. Currey also stated that new playground equipment is needed and that funds are needed to purchase new equipment.

The chairman reported that the legislative committee wanted to present the following legislative proposals to the local legislative delegation for action during this years legislative session:

1. The private act be amended to require the Juvenile Judge to be a lawyer.
2. The private act be amended to provide Judge Britt with the legal power to appoint a referee who would act similarly as referee in Chancery Court.
3. Consideration be given to provide Judge Britt with supplemental compensation. It was brought out that current salary demands of a qualified Chief Probation Officer equal that of Judge Britt's present salary, and that this has created a great problem in personnel employment.

The special Education Committee reported that a meeting had been set up with Mr. Bob Mitchell, Director of the Evening Remedial School and his staff in hopes of determining the need for a remedial educational program for the Detention Unit. Mr. Bill Smith, coordinator of special projects for the city schools has written the U.S. Department of Health, Education and Welfare for information concerning possible availability of funds to finance a special pilot educational project.

Mr. Mann stated that Kenneth S. Carpenter, Chief Technical Aid Branch of the Division of Juvenile Delinquency Service, Children's Bureau, Washington, would be in Chattanooga February 13th and 14th and would meet with the Commission sometime on those dates, the time to be determined later.

The chairman reported that the trip to the State Vocational Training School at Tullahoma was postponed until a later date due to icy roads. Commission members will be notified of the new date for the trip.

Judge Britt submitted the name of Juvenile Judge James C. Gulotta of the New Orleans Parish Juvenile Court as a possible speaker for Judge Barker's testimonial dinner.

There being no further business, the meeting was adjourned.

Respectively submitted,

Ralph W. Bradbury
Secretary

- Mr. Terry Sullivan, local business man who is also affiliated with the Adult Educational Council.
- Mr. William Knowles, president of the local Barber's Union and staff member of the Chattanooga Full Employment Committee.

Mr. Reingold noted that due to lack of a quorum, Chairman Mann should poll the commission members by phone and forward the results to the secretary. This was agreed upon by the group. It was also suggested that the existing nominating committee comprised of Mr. Reingold and Mrs. McDade, should submit names of officers for the next meeting including chairman and vice chairman.

Mr. Mann reported that he had received an affirmative from both Mayor Ralph Kelley and County Judge Chester Frost in regard to a special meeting of all agencies and/or persons interested in following up the Mayor's request for community action in the prevention of crime and juvenile delinquency. The Juvenile Court Commission will be responsible for the arrangements. Mr. Mann suggested the first week of June as a tentative meeting date.

LEGISLATIVE COMMITTEE. The following recommendations were presented by the committee:

1. Increase salary of Juvenile Court Judge so that it is comparable to that of other Judicial Court Judges. One suggestion was to recreate the Juvenile Court by a private act to include state wide Juvenile Court Judgeship in which case the salary of the Juvenile Court Judge would be paid by the state commensurate with Circuit Court Judges.
2. That the responsibility of the Juvenile Court for the Chambliss home be transferred to the Department of Public Welfare. This decision was based upon past studies and recommendations that the services provided the dependent child should come through the welfare agency. Presently the Department of Public Welfare is providing the casework services and the court is underwriting the operational expenses. It was felt that this money could be applied to upgrading of the probation and clerical staff, whose salaries still do not compete with salaries of other social work professions.

There being no further business the meeting was adjourned.

Respectively submitted,

Ralph W. Fradbury
Secretary

Comments:

This month we introduced two new tests into our battery, the Otis Mental Ability test and the Personal Opinion Study. The Otis test has been very useful in obtaining information about mental capacity, and we will use it in our battery. The personal opinion study, designed for delinquents, has not proved to be of much diagnostic value and we are dropping it.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. In each County of the State of Tennessee having a population of not less than 235,000 and not more than 240,000

according to the Federal Census of 1960, and any subsequent Federal Census, there shall be created a Commission to be known as the County Governmental Library Commission, said name to bear as a prefix the name of the county or counties thus affected. Said Commission shall be composed of as many members as there are existing judges at any time of the Circuit, Criminal and Chancery Courts having jurisdiction in said county and judges of the Court of Appeals and Supreme Court of Tennessee resident in each said County. Said Commissioners are to be appointed, one by each of the judges of said courts and for a term of two (2) years, but they shall serve without salary, and shall themselves elect a Chairman and Secretary from their members. In the event of vacancy in the office of Commissioner, by death, resignation, refusal to serve, or otherwise, such vacancy shall be filled for the balance of said term of two years by the Judge or his successor in office, who made the original appointment of said Commissioner.

SECTION 2. The purpose of said Commission shall be to establish, acquire, maintain and operate a County Governmental Library. Said Commission shall have full power and authority to acquire by purchase, gift, rent lease, loan or otherwise, law books, codes, treatises, or other works of law, government, medicine, literature or otherwise, that they may deem necessary or beneficial to the Courts, State, County and Municipal Officials, members of the Bar, and the public, for research for use in the preparation, trial or decisions of any matters that come or may come before the courts of said County and State, or of use by said Public Officials or the public, on questions of law or government, also to acquire in like manner furniture, fixtures, bookcases,

supplies and all things necessary to establish, maintain and operate said County Governmental Library, together with the right to employ and discharge librarians, clerks and other assistants, to fix salaries of said employees, and in their discretion to make all reasonable rules and regulations governing the operation and use of said Library. To lease, rent or acquire by any means, other than purchase, space, in which to house said Library until space may be provided in the Court House or other public building of said County, provided further that the County shall at the earliest possible date provide such space in the Court House or other suitable public building in the city or town where the County Court House is located, without cost to the County Governmental Library Commission. All books, furniture and other equipment so purchased or acquired shall become the property of said County.

SECTION 3. For the purpose of financing said Library there shall be taxed as cost on each civil, criminal, quasi civil, quasi criminal, or any other action at law, or suit in equity of any nature, including probate matters, hereafter filed in, arising in, or brought by appeal, certiorari or otherwise to the Circuit, Criminal or Chancery Court of said County, including the Chancery Court sitting in probate, the sum of one dollar (\$1.00), and on each case of any nature hereafter filed or arising in the Courts of General Sessions, Justices of the Peace, or other inferior Courts of said Counties, except Municipal and Juvenile Courts, there shall be taxed the sum of fifty cents (50¢).

The costs taxed in pursuance of this Section shall be collected as other costs in such cases are collected by the Clerks of such Courts, or Justices of the Peace, and the same shall be designated County Library Tax, and when any part of the costs in any case has been collected, after payment of any State litigation tax accrued thereon, the amount necessary for the payment of said County Library Tax shall be next applied thereto, before applying any of the amount collected as cost to any other funds or items of costs. On or before the last day of each month the Clerks of the respective Courts and the Justices of the Peace shall pay to the County Trustee all amounts collected as County Library Tax in the preceding calendar month. The sum paid to the County Trustee shall be designated County Governmental Library Fund and used only for the purposes set out in this act. On approval of a majority of the Commission the Chairman and Secretary shall draw warrants on the County Trustee for expenditures of the Commission, indicating on such warrant the fund against which they are drawn, and the County Trustee is hereby authorized and directed, upon all warrants signed by said Chairman and Secretary, to make payment out of said fund upon the warrants so issued and presented in compliance with the provisions of this Act.

SECTION 4. Said Commission shall have full power and authority if necessary to provide sufficient operating funds, to assess lawyers and others, except Judges and Public Officials, reasonable dues or charges for the use of said Library, and to make charges for the use, damage or destruction of books or other property, and that any income from said dues or charges shall be paid by the Commission into the office of the County Trustee in a like manner and at like times as monies collected hereunder shall be paid by the clerks of the various courts to said County Trustee.

SECTION 5. JUDGE BARKER'S TESTIMONIAL DINNER. Chairman Mann explained that the complimentary tickets would be sent to various individuals including members of the Barker family, County Council, City Commission, and other state and local leaders.

Gifts for Judge Barker would include; a silver tray with engraving and a portrait of Judge Barker. It was decided that Juvenile Judge James C. Gulotta, the main speaker, be given an honorarium of \$25.00 in addition to the travel expenses. Mr. Mann explained that the financial expenses, including Judge Barker's gifts, Judge Gulotta's expenses, the complimentary tickets, and the difference in the meal cost would be covered by cash contributions in response to a letter being sent to all former Juvenile Court Commissioners. Mr. Mann stated that Mr. Summerfield K. Johnston had consented to be chairman of the project and Mr. Raymond Witt and Mr. Paul Leitner will make the presentations. It was decided that Mrs. Barker be approached as to the clergyman for the invocation. Other details were discussed including the invitations, ticket sale, etc.

SPECIAL EDUCATION COMMITTEE. In regard to the Demonstration Cities Project, Dr. Bond reported that Chattanooga had been selected among fourteen cities. Agencies including the Detention Unit would be included in the plans. Dr. Bond proposed a motion that Mr. Mann write Dr. Martin, Superintendent of City Schools, inquiring as to what consideration was being given the Detention Unit's Education Remedial Instruction Program.

CONFERENCE OF JUV. NILE DELINQUENCY. Mr. Mann stated that B'nai B'rith and the Juvenile Court Commission would cooperate in sponsoring a Conference on Juvenile Delinquency. This conference, according to Mann, is in response to the recent appeal of Mayor Kelly and subsequent request of Judge Frost and the Mayor that the court commission undertake a program to help unify the social agencies of the cities in crime and Juvenile Delinquency prevention. Chairman Mann stated that he had corresponded with Phillip Green and Lincoln Daniels, of the Juvenile Delinquency Division, Children's Bureau, Washington, D.C. Daniel has agreed to consult with us as to program and speakers. He also felt that it should also be a work conference rather than a large public meeting. He suggested that only key agencies in the community be included and that a "think - planning" session be held. Besides unification of services and informative objectives, Daniels stated that the conference should be an aid in obtaining federal funds.

LEGISLATIVE COMMITTEE. Mr. Mann reported on the recent legislation in which Sen. Harris introduced a bill that the Tennessee Legislative Council be authorized to make a study of state wide Juvenile Courts and Juvenile Corrections and report the findings in the next legislative meeting. In conversation with Buck Hazlett in Nashville, Mr. Mann reported that Hazlett had suggested that a comprehensive study of services to delinquent youth be made of the entire state.

A bill was introduced by the Knox County Legislators that the Juvenile age be dropped from eighteen years to sixteen years. Judge Britt was opposed to this bill in light of the compulsory school age, in which a child of sixteen would be treated as an adult. Furthermore, such specialized juvenile correctional center as Jolton, and the intensive care center at Jordonia, are set up for youths sixteen years and older.

A motion by Mrs. Currey requested that Mr. Mann send a telegram to the Hamilton County delegation opposing the passage of this bill. Mrs. McDade seconded, and the motion carried unanimously.

The present number of Juvenile Court Commissioners was discussed and in light of increasing responsibilities and duties it was felt that additional people would be needed. Rather than create a special private act, it was suggested that extra non-voting members could be added to the present group. Mr. Reingold was appointed to make a special study of the proposal.

NOMINATING COMMITTEE. Mrs. McDade reported the nominating committee's recommendation that Mr. Tom Mann be re-elected Chairman and Mr. Arvin Reingold, be appointed Vice Chairman. Dr. Bond moved that the present officers slate be accepted with gratitude. Mrs. McCallie seconded, and the motion carried unanimously.

Chairman Mann appointed a special executive committee who would meet once a week in order to expedite conduct of business. The members appointed are; Dr. Dzik, Mrs. McCallie, Mrs. McDade and Mr. Reingold.

There being no further business, meeting was adjourned.

This month we were able to obtain an assistant for the testing program, from the U. C. Work Study Program. He is presently being trained to score and administer the Psychological tests, although it will be some time before he is fully trained. It is felt that he will be very helpful in improving the efficiency of the testing program.

on the religious committee meeting. It was also suggested that Dr. Jewell be included on the Dentist Committee.

Mr. Phillips, director of the Juvenile Court Summer CAP Program stated that the initial proposals written up of the project will be presented to the Chattanooga Progress Incorporated (CPI) this week. He discussed some aspects of the program including the use of paraprofessionals. He explained that the basic purpose of the Fourteen Cities Project is to occupy the time of young people who create the most disturbance. He explained that several court probationers and students from Tennessee Preparatory School were being employed. Mr. Thomasson reported that much athletic equipment, audio-visual aids and other supplies had been provided for the court and its facilities.

Conference on Juvenile Delinquency - Dr. Dzik explained that the tentative date for the Conference had been set for October, 1967. He further stated that separate committee meetings were to be arranged with various groups including professional personnel, business and commerce representatives, young people (normal and delinquent). A meeting is being planned in the near future including municipal and private agencies to work out program plans. The main objectives of the meetings and workshops is to mobilize local agencies toward a more understanding and coordinated community effort. City and County government officials would be notified of the Conference. The Metropolitan Council will be available for advice.

Terry Sullivan, regretfully, submitted his resignation due to added responsibilities and lack of time. The motion was made, seconded and unanimously carried that Mr. Sullivan's resignation be accepted. Mrs. Currey was asked to replace Mr. Sullivan on the Nominating Committee.

There being no further business the meeting was adjourned.

HAMILTON COUNTY
JUVENILE DETENTION UNIT

The Detention Unit program for the month of July was a full and busy one. The Summer 14 Cities Project, sponsored by the Community Actions Program has supplied three teachers and three parprofessionals aides to assist the teachers. The morning hours from 9 to 12 are spent in studies in Communications, reading, writing, and arithmetic. Also human relations and health habits have been incorporated in the program. The teachers have used various visual aides, such as, the reading machine used in control reading, the film projector, used for film strips in health habits and personality problems, and the film projector to show educational films obtained from Modern Talking Pictures and Bell Telephone Company. These were in the areas of economic, science, industry, and first-aid.

Also under the Community Actions Program the unit has been participating, along with Chambliss Home, in a crafts and recreation program. Craft instruction at the unit is from 1 to 4 P.M. with instruction in arts and crafts. The recreation program is primarily geared for Chambliss Home. The hours 3 to 5 are allotted at the unit. The girls are instructed in proper daily exercises and etc. The boys participate in various active sports.

Through this Summer program the unit has been able to purchase some much needed sports equipment and craft supplies.

HAMILTON COUNTY
CHAMBLISS HOME

Mrs. Glenda Carpenter

The summer program at Chambliss Home has been one where a number of children has varied from day to day. The least number being seven and the largest number was twelve. This meant that the plans must be changed to meet this need.

Each child's needs were considered as the activities were carefully chosen. Along with individual attention, there were plans for the children to work in teams and to participate in at least one activity with the entire group.

These children have the same needs as children everywhere. The skill of listening needs careful attention. The ability to follow simple directions shows an inconsistency. The need to finish an activity once it has been started will take persistence on the part of the child as well as those in authority.

This program included reading for fun, for information, and for confidence at the level where the child could feel success. Sharing a library book was an added joy on almost every day.

A very talented aide is an asset to any program and to any teacher. Paula Shadwick gave them many experiences in art. Art is Paula's major in college and this was very satisfying to those with more than average ability. She also made the ones with limitations feel that they had achieved the impossible.

Music was included by listening to records, singing around the piano, and doing action songs on the playground and in the classroom.

Spelling, writing, and arithmetic came by request in the form of a game. Practice or review with basic sight words was included to meet a need.

We hope that each child will be able to adjust to the classroom in which he finds himself because of his experience this summer.

The greatest change we have seen in the four weeks we have worked with these boys and girls is in attitude. The real joy they have found in finishing a picture, or reading first, or taking the flowers to their rooms, has been demonstrated in many ways.

If one child has been able to adjust to the world into which circumstance have placed him, this program has been a success. We believe that listening to each child with concern has helped the child to understand himself and has helped us to know him.

In considering the group, we think they have learned to share as well as work together without resenting each other. The folders we have kept of each child's work has helped us to see the emotional patterns and the remarks we have written at the close of each day has given us an insight into the reactions of each one.

This month it has been possible to borrow some testing material, upon occasions, from the University of Chattanooga. We have been able to make use of the Wechsler Intelligence Scale for Children (W.I.S.C.), an individual intelligence test. This test gives a more accurate estimate of the child's ability and in addition gives a wealth of information about the individual which is not revealed in our other tests. The only disadvantage of this test is the time required in using it. It takes approximately four (4) hours to administer, score, and evaluate the test. The question of the legality of testing children who were not adjudged delinquent or had not been legally removed from their parents arose this month. We have, in response to this question, decided to test only those children who have been given a preliminary hearing. Examination in the future will be done only upon request of the judge or the caseworkers. It is felt that by limiting the number of children being tested, we can make use of a wider variety of tests. In addition, we will be able to make more use of individual tests especially in regard to intelligence and achievement.
