W. EARL BLAND  
SERVICE OFFICER  
PHONE AM 7-6206

Honorable Chester L. Frost  
County Judge  
Court House  
Chattanooga, Tennessee

Dear Judge Frost:

During the months of June and July 1963 the functions of the Service Office were of a routine nature. We are still plagued, however, with the ever increasing problem of VA hospitalization - even to the extent that emergency cases are not always admitted to the hospital.

Dependent parents of veterans whose deaths were due to military causes are now required to complete an "income questionnaire" every three years. This is a new regulation and the Veterans Administration states that there will be no change in monthly benefit checks unless there are "material" increases in non-VA income.

In June and July this office received 197 letters, completed 227 VA and other government applications for benefits and inquiries, personally interviewed 391 persons and forwarded 246 letters of inquiry and/or claims.

A condensed report of outside trips is attached.

Respectfully yours,

Committee reports:

Detention Unit - Britt reported on the replacement of a main water supply line to the Detention Unit. The original pipe had corroded from the outside in, causing a serious leak. The County Maintenance Department made the installation but the cost of pipe will be billed to the Court. While doing this, the Maintenance Department also installed a surface water drain from the front door to the street, eliminating water standing in the doorway after a rain.

In view of the pipe apparently being defective material, Mrs. Winston moved the bill be sent to Selmon T. Franklin, Architect, to provide him an opportunity to pay. Seconded by Mr. Thompson; Carried.

Work Program - Mrs. Currey reported \$700.00 was received, of which \$500.00 came from the Evans Foundation, the remainder came from various citizens.

Mr. Porter reported he had appointed a committee to investigate the use of teen-agers as advisors to the Court. Also the resolution adopted by the Commission at its August meeting had been sent to the President of the Children's Home Board. This resolution pertained to the Keith-Lucas study of children's homes. Mr. Thompson moved that after a further discussion of the Keith-Lucas report, a copy of the resolution be sent each member of the Children's Home Board. Reverend Walker seconded; Carried.

Meeting adjourned.

Respectfully submitted,

Leo B. Britt  
Secretary

JUVENILE COURT COMMISSION MINUTES

The regular November meeting was held on October 29, 1963, by direction of the Chairman, by agreement of the membership. Members present were: Mr. Porter, chairman; Rev. Walker; Mrs. McCallie; Mrs. Winston; Mr. Thompson; Mr. Valentine; Mr. Evans; Dr. Zuckerman; Judge Barker.

Invocation by Reverend Walker.

Minutes of previous meeting amended to show Rev. Craig as a member of the committee to investigate questionable literature. Minutes then were approved.

Detention and Chambliss Committee: Mrs. McCallie reported that Mrs. Currey had contacted the local flower clubs to provide rose bushes for the fence at the detention unit. These will serve the multiple purpose of screening the children from public view, beautification, and making the fence more difficult to climb.

Legislative Committee: Mr. Evans reported he has contacted local legislators on the problem of the abused child. He was advised to start early on the preparation of any bill to be introduced in the next assembly. Dr. Zuckerman will cooperate on this.

Special Committee: Mr. Thompson, Mrs. McCallie and Dr. Zuckerman met on October 15, 1963, with Bo Thompson and Gary Quarles, both from Central High School, who presented their ideas of a young peoples advisory group to the Court, with the young people selected from outstanding students and athletes from all local schools. Two propositions were advanced by these two students:

1. The Commission form a Juvenile Court Advisory Board composed of selected young people to meet with the Judge of the Court.

2. Try to form in all high schools groups similar to the Year Club of City which assists students planning to drop out or who present problems in the school.

After hearing the committee's report and discussing the proposals, the commission adopted the following position:

Point I. The commission being advisory and policy making only and not having any judicial functions feels it cannot endorse a plan of inviting young people to court as observers or advisors. This is a function of the Judge.

Point II. An affirmative action by the commission to approach the school superintendents with Thompson and Quarles to determine their response.

-2-

Evans moved the adoption, McCallie seconded. Carried.

The Committee on questionable literature has met and made initial assignments of responsibility. The total problem area has been broken down to smaller units and each unit is to be covered by various members of the committee.

Mrs. Currey suggested a letter of appreciation be written to Dr. Leroy Martin for the work being done by University of Chattanooga students in the detention unit. They are doing remedial instruction, group crafts and recreational work.

Evans moved, Dr. Zuckerman seconded. Carried.

Mr. Porter to write the letter.

Meeting adjourned.

Respectfully submitted,

Leo B. Britt,  
Secretary

Judge Frost announced that the County Council and the County Highway Department had adopted certain plans to try to take care of the emergencies that arise when there is a snow. The main roads have been determined, which the Highway Department will clear as soon as possible with the men and equipment we now have. A survey is to be made to determine what equipment can be rented, and also whether or not blades can be attached to the front of some of the trucks to try to clear the highways. Everything possible will be done to utilize the equipment and manpower in the highway department when these emergencies arise. A formal statement outlining the plan has been supplied the County Engineer and the Supervisors at White Oak and Silverdale Workhouses.

ON MOTION of Councilman Eldridge, seconded by Judge Frost, the meeting was adjourned.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on January 7, 1964, in the Juvenile Court Center with the following members present: Mr. Porter, chairman; Mrs. McCallie; Dr. Zuckerman; Mrs. Currey; Mr. Evans; Mr. Valentine; Mrs. Soper; Judge Barker.

Invocation by Mr. Britt.

Minutes approved as published.

Mrs. Soper reported on her recent trip to several institutions and, in particular, the progress being made at Pikeville in training the Negro boys.

Mr. Valentine suggested the commission write a letter of commendations to the local Big Brother organization for the fine work they are doing. January 6-12 was Big Brother Week. The chairman directed Mr. Valentine to write the letter.

Dr. Zuckerman called attention to recent advertising of movies on TV and in the newspapers. Specific attention drawn to two movies, "Common Law Wife" and "The Wicked Go To Hell". The advertising was highly suggestive.

Mr. Porter to appoint a personnel committee to review the role of the Commission in the selection of people for employment by the Court. This is in compliance with the private act creating the Court.

Meeting adjourned.

Respectfully submitted,

Leo B. Britt, Secretary

814 LINDSAY STREET  
CHATTANOOGA 3, TENNESSEEW. EARL BLAND  
SERVICE OFFICER  
PHONE AM 7-6206

March 18, 1964

Honorable Chester L. Frost  
County Judge  
Court House  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office for the months of October, November, and December, 1963 were of a routine nature. Many claims were filed with the Veterans Administration and other governmental agencies. There are claims pending, and favorable action has been taken on others.

Commencing on December 1, 1963, this office received an influx of veterans, widows, and dependent parents who were required to submit to V. A. their annual "Income Questionnaires". Because of the slide-rule payments under P. L. 86-211, a large number of monthly checks were necessarily delayed.

During the aforementioned months, this office received 374 letters, completed 488 V. A. and/or government forms, personally interviewed 829 persons and forwarded 317 letters with claim attachments or inquiries. "Income Questionnaires" were transmitted under separate cover.

A condensed resume of out-of-office trips is herewith attached.

Respectfully yours,

W. Earl Bland, Jr.

## CITY-COUNTY VETERANS SERVICE OFFICE

814 LINDSAY STREET

CHATTANOOGA 3, TENNESSEE

W. EARL BLAND  
SERVICE OFFICER  
PHONE AM 7-6206

May 5, 1964

Honorable Chester L. Frost  
County Judge  
Courthouse  
Chattanooga, Tennessee

Dear Judge Frost:

The activities of this office for the months of January, February, and March, 1964 were replete with various claims filed with the Veterans Administration and other government agencies providing benefits for veterans and their survivors.

"Income Questionnaires" for veterans, widows and dependent parents were concluded for the most part in January, 1964. However, the intricate provisions of the pension law have caused large numbers of claimants to have to furnish exacting income data and "corpus of the estate" data that has deferred final adjudication of their claims even to the present time.

Your Service Officer was absent due to illness from February 18, 1964 through March 1, 1964. Hospital confinement commenced on February 18, 1964 and ended on February 25, 1964. The attending physician was Dr. Bernard Tepper.

During the aforementioned months, this office received 409 letters, completed 574 V.A. and/or other government forms, personally interviewed 917 persons and forwarded 332 letters of inquiry or with claim attachments.

A brief report of out-of-office trips deemed necessary as a part of the duties of this office is attached.

Respectfully yours,

W. Earl Bland  
City-County Service OfficerWEB.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held on April 9, 1964, in the Juvenile Court Center, with the following members present; Rev. Walker; Mrs. Ochs; Mrs. McCallie; Mr. Thompson; Mr. Evans; Rev. Craig; Mrs. Winston; Mrs. Currey; Prof. Geraghty.

Since the Chairman's term of office expired with the last meeting, and his membership on the Commission also expired, Mr. Britt, secretary, called the meeting to order. Nominations were declared in order to elect a temporary chairman to preside until a permanent one could be elected. Mr. Evans was nominated by Reverend Craig. Mr. Thompson seconded. Rev. Walker moved the nominations close. Mrs. McCallie seconded. Carried. Mr. Evans declared elected by acclamations.

Mr. Evans assumed the temporary chairmanship and declared the floor open for nominations for chairman. Mrs. Winston nominated Dr. Zuckerman; Mrs. Currey seconded. Rev. Craig moved the nominations cease and Dr. Zuckerman assumed his duties as chairman.

Dr. Zuckerman declared the floor open for nominations for Vice-Chairman. Rev. Craig nominated Mr. George Evans. Mrs. McCallie seconded. There being no other nominations, it was moved and seconded that Mr. Evans be elected by acclamation. Carried.

Mrs. McCallie reported the fund campaign for NCCD had reached \$1,070.00 from Chattanooga. This is the largest sum ever contributed.

Mr. Britt reported on the 1963 non-support and unlawful paternity cases. Court procedures for these types of cases explained to the newer members.

Mrs. Currey reported all the planting had been completed at the Detention Unit. Work program boys did most of the work. The soil analysis performed by the U.T. Extension service revealed no soil.

Mrs. McCallie brought up the question of Mrs. Barnard's present status and future relationship to the Detention Unit. Mrs. Barnard is presently on extended sick leave without pay at her request. Mrs. Winston suggested the problem be referred to the Personnel Committee for evaluation. If additional funds are needed, the Finance Committee to suggest an answer.

Mr. Thompson brought up the question of Bo Thompson (the Central High student proposing a juvenile jury). He is still actively working on the drop-out problem at Central and engaging in the ministry. His position on juvenile jury is apparently unchanged (pro) and the Court and Commission's position is unchanged (con). Therefore the total situation remains unchanged.

There being no further business, the chairman declared the meeting adjourned.

Respectfully submitted,

Leo B. Britt, Secretary
