County Set to Fund Dozens of School, Volunteer Fire Projects

Hamilton County Mayor Weston Wamp continues to support improving public school facilities with a list of proposed investments created in collaboration with Hamilton County Schools Superintendent Dr. Justin Robertson. Recently approved by the Hamilton County School Board, the facility project list reflects a shared vision to support public school students and staff by making necessary improvements across the county. Additionally, Mayor Wamp proposed allocations for \$300,000 of equipment funding for the county's volunteer fire departments, which was included in the fiscal year 2025 budget.
