**OFFICE OF THE COUNTY MAYOR**  
**WESTON WAMP**

May 2024

To the Hamilton County Board of Commissioners and Citizens of Hamilton County:

As County Mayor and Chief Executive Officer of Hamilton County Government, it is an honor to present a budget for fiscal year 2025 after months of diligent preparation from the county's finance department, department heads, and my fellow constitutional officers. The FY2025 budget faced many headwinds, namely rising healthcare prices and broad inflationary pressure. In the face of these challenges, we have remained fiscally responsible in allocating the hard-earned tax dollars of our county's citizens in order to present another budget without a tax increase.

This balanced budget includes investments into our people with nearly \$7 million committed to health insurance benefits and an across-the-board cost-of-living-increase for county employees. Despite revenue constraints, we are proud to have prioritized innovative approaches in fighting the opioid crisis, substantial support for parents and young families, new investments in community and senior centers, and an expanded investment into road infrastructure.

As we look for new and creative ways to serve young families, we're encouraged that grant funds will enable expansions of traditional programs like Women, Infants, and Children (WIC) and Parents as Teachers (PAT). Building on the strengths of the Health Department, the county is partnering with local organizations to form the Center for Thriving Families as a hub of resources for new parents during the most formative, developmental years of a child's life.

The county continues to receive payments from the state's Opioid Abatement Settlement Funds, allowing the county to create and deploy a novel Opioid Quick Response Unit of first responders and trained emergency medicine professionals. This unit of Hamilton County Emergency Medical Service will meet overdose victims in their time of crisis and facilitate a plan for rehabilitation through key community partnerships.

Following a historic year of investments into public education, we have an opportunity to carry that momentum into the new fiscal year ensuring our students remain a top priority. After 18 months of careful analysis and community input, we plan to issue bonds in August to fund several projects that will modernize school facilities across Hamilton County.

Throughout the FY2025 budget are examples of county government leaning into our strengths in order to better serve our entire community, from Birchwood to Lookout Valley and from Apison to Flat Top Mountain. I look forward to working with you to use the resources allocated in this budget to build an even more resilient and prosperous Hamilton County.

Sincerely,

A handwritten signature in black ink, appearing to read "Weston Wamp".

Weston Wamp  
Hamilton County Mayor

## **CHANGES IN PRESENTATION FOR FY 2025 PROPOSED BUDGET**

Hamilton County Government is proposing certain changes to its organization structure relative to the divisions included in the fiscal year 2025 budget. Effective July 1, 2024, as part of this reorganization, the General Services Division will be renamed as the Public Safety Division.

The Public Safety Division will consist of the following departments: Medical Examiner, Opioid Remediation, Fire Training, Hazardous Material Team, Volunteer Service organizations, Alternative Sentencing and related departments, and Emergency Medical Services.

Effective July 1, 2024, the Public Works Division will be expanded to include all Parks and Recreation departments and the Railroad Authority.

All amounts presented for prior years for comparative purposes have been reclassified throughout the FY 2025 budget documents to conform to the new division organization structure.

Additionally, a portion of the operations of the Hamilton County Water and Wastewater Treatment Authority (WWTA) has historically been included in the Hamilton County General Fund budget. The amounts included in the prior year General Fund budgets did not include all operations for the WWTA but only included certain expenditures of the WWTA that were processed through the County's payroll and accounting system (such as salaries and benefits, purchase card transactions and fuel card transactions). Each of the budgeted expenditures were reimbursed in full by WWTA, and the budgeted expenditures were offset with an equal amount in budgeted revenues for the reimbursement of such expenditures by the WWTA. Effective July 1, 2024, Hamilton County will account for these expenditures/reimbursements in balance sheet accounts, and these expenditures/reimbursements will not be reflected in the FY 2025 Proposed Budget or future Hamilton County budgets.
