APPEALS BOARD.

BE IT RESOLVED, BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE, IN SESSION ASSEMBLED:-

Because of this concern, various organizations, including the City of Chattanooga, the Chattanooga Chamber of Commerce, the Medical Association, and others have appointed committees or taken other action to formulate plans for the correction of this problem. THEREFORE, BE IT RESOLVED that the Hamilton County Council, primarily through its legal department, make a comprehensive study, which will lead to the setting up of a rules or policy board, an operating agency, and an appeals board. In conducting this study the Council and its legal department should consult with other governmental units within its own and adjoining areas, with other groups such as the Chamber of Commerce and the Manufacturers Association, and with communities such as Spartanburg, South Carolina, Gaston County, North Carolina, and others that have made progress towards clean air. In addition, the study should include federal grants available to local and regional agencies for air pollution.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held September 5, 1967, in the Juvenile Court Center. The following members were present: Chairman Mann; Dr. Bond; Mr. Reingold; Mrs. McCallie; Dr. Van Order; Dr. Williams; Mrs. Currey; Dr. Dzik; Mr. Knowles; Judge Britt; Mr. Bradbury. Guest included Don Moore, Jr., local State Senator.

Don Moore, local State Senator, offered the following suggestions as a result of his observations while serving as acting Juvenile Court Judge:

1. Increase court cost on unlawful paternity and non-support cases which would increase the court revenue.
2. The need for a prosecuting attorney on the court staff to present cases as they appear. Under the present system, according to Senator Moore, the Juvenile Court Judge serves as arbitrator as well as adjudicator.
3. Need for process server to relieve the professional staff of unnecessary and unessential tasks such as serving of summons.

Judge Britt stated that an amendment to the private act would be necessary to increase court cost. He added that high court cost would tend to further deplete the financial resources of the home and consequently add more burden to the children. Legislation, according to Judge Britt, would also be necessary to establish the position of juvenile court process server. A motion was made by Mr. Knowles, seconded and approved, that the commission go on record as approving the necessary amendments to the Acts to realize the stated recommendations.

Mr. Mann stated that Jerry Phillips had left with him the final Community Action Program Summer Project Report. Two of the proposals, The Residential Care Center and Educational Services at the Detention Unit would need revising before submitting them to the designated governmental agencies. Tom Holland, Chattanooga Psychiatric Clinic, has been asked to assume responsibility for provisions and modifications of the reports. The most significant proposal involved the Industrial Y.M.C.A. as a prospective site for the Residential Care Center. Contact has been made by the summer project workers with other out of state programs as well as the Tennessee Department of Corrections, State Mental Health, Department of Public Welfare, Vocational Rehabilitation, etc. Mr. Buck Haslett, Assistant Commissioner of Corrections for the State of Tennessee, expressed strong possibility of the State providing funds on a paid contracted service basis for each child who was a ward of the State Corrections Department. The remaining expenses would be covered by

local governmental tax funds, United Fund, and other local philanthropic sources.

Mr. Mann reported that, according to Dr. Martin, Superintendent of Schools, the school department would be willing to undertake the detention unit educational program if supported by the Fourteen Cities Project. Mr. Mann had also corresponded with the Superintendent of Schools to obtain their comment on providing educational services on a continuing basis beyond the three (3) year project. He also requested a meeting with both the City and County School Boards. Another alternative designed to obtain educational services would involve legal action in Chancery Court. The recommendations of the Remedial teachers in the Fourteen Cities Project of the Juvenile Court Detention Unit were so strong that it is mandatory that a Remedial Program be set up in the Unit.

Judge Britt reported that the County School Department was contemplating that children at Chambliss Home be bused to various schools, thereby eliminating the need for classroom instruction at the Chambliss Home.

Dr. Van Order's resignation was regretfully accepted by the group, where-upon Mr. Mann was requested to write a letter of appreciation to Dr. Van Order for his faithful services in the past. Dr. Williams, chairman of the Nominating Committee, was asked to make recommendations from his committee to replace two (2) members of the commission. Suggestions were made that a lawyer and top business man would be of great contribution to the commission. Consideration should also be made of past Juvenile Court commissioners as prospective members.

Dr. Dzik asked that any meetings with Dr. Martin and the School Department regarding the Community Action Program proposals be deferred until after the Fourteen Cities Project proposals had been submitted by September 14th.

Mr. Knowles distributed a 1967 fact sheet, Back To School Campaign, edited by the Chattanooga Full Employment Committee. Copies were also left for court personnel.

Judge Britt announced his return to the Juvenile Court bench as of September 18th. Everyone was very delighted.

There being no further business the meeting was adjourned.

Respectively submitted,

  
Ralph W. Eradbury  
Secretary

The Summer Community Actions Program swung into its second half of activity during the month of August. The teaching program continued during the morning hours. The children were alternated in three class room settings with three teachers.

Extensive use of visual aids became an intricate part of the overall program. Some of the aids used were as follows: educational films; slides on health, manners, and human relations; machines in the learning through seeing reading program and the arithmetic practice program; flash cards; charts; records, classical and semi-classical in the teaching arts; and wall maps.

Each child was dealt with at his own level of comprehension. Teaching was on a very informal basis. The general attitude or opinion related to children we deal with is the "hate school attitude", yet the attitude shown at the unit by the children was one of eagerness to learn, one of craving for help, and one of acceptance of the teachers and their instruction.

The second phase of the Summer program was the afternoon arts and crafts and the recreation program. Art instruction was given in pastels, water colors, and charcoal.

The girls embarked upon a program of daily exercises. Group participation played an intricate part of the recreation program.

The Second Presbyterian and Central Presbyterian ladies groups continued their weekly program of arts and crafts.

Contributions and Gifts:

The two billiard tables at the unit were in bad need of repair as well as a need of equipment for them. Through the assistance and gifts of Mr. Bill Erowles of the Chattanooga Coin, Mr. Wolfe of Wolfe Billiard Supply Co., and Mrs. Sarah Jones, Summer CAP teacher, the tables were repaired and the needed equipment was supplied.

Duff Brothers Co. gave to the unit a large assortment of deodorant, hand creams, perfume, soap and lotions.

The month of August as a whole was a progressive one at the Unit with a full schedule of activity and program.

STAFF DEVELOPMENT:

Manual completed and each staff member given one to use and to study. Will be used in staff meetings.

Use of materials used in Houseparents Course.

PROGRAMS:

Volunteers Mrs. Saddler, first grade teacher of Normal Park School, provided movies, music, stories, refreshments, 3 hrs. weekly.

La Femme Sorority, came two Saturdays and helped the girls shampoo hair. Negro professional girls, very fine girls.

Group came from Collegedale to visit the home and to learn more about it.

Pilot Club is baking cakes and sending birthday cakes to the children.

Took children to Memorial Park to feed the ducks and treated them to ice cream.

Kiwanis ladies will pick up mending 3rd Tuesday. Will continue throughout the winter months.

Educational: Thelma Scoggins continues to work on program for the education of our children. There is a possibility the children will go out to school. Head start children will continue to go out. This has been cleared legally --- Judge Britt, Superintendent McConnell approves, a committee is giving it consideration at present.

Recreation: Last Week of Summer Program, CAP, children went out for field trips. (Children at Chambliss have always enjoyed outings to mountains, lake, Warner Park, Lake Winnepesaukah, Circus, Rodeos, Holiday on Ice, Art displays, Rock City, Incline, Fort Oglethorpe.)

Crafts: Children enjoy crafts of their own choosing, we do not have a director. Children have their own recreation, games of their own choosing. Seasonal sports are their favorites. Equipment is difficult to get.

Sunday School: Every Sunday 10:00 to 10:30 Temple Students (2)

Sunday Night: Vespers 6:30 to 7:30 Temple Students (group)

Monday Night: Vespers, Ridgedale Church Layman

#### NEEDS OF CHILDREN:

Dental Care: has been provided by Health Department, transportation to Health Department by Chambliss and sometimes Christian Church Women.

Medical Care: Will be provided by Health Department on Mondays. Children need lab work - skin tests for tbc. Emergency care given at Children's Hospital. Chambliss has to provide transportation and personell to accompany child at night and weekends.

Some sample medications, which have been prescribed by visiting physicians, have been given by Dr. Zuckerman and Dr. van Order. Some samples vitamins.

Testing and evaluations would be of great help, very little has ever been done.

#### Clothing needs:

Diapers, plastic baby panties, knitwear for toddlers and infants, underwear for boys and girls, sleeping garments for all ages, tennis shoes, heavy cotton sweat shirts for boys and girls for outside play in winter.

#### Household Needs:

Bed linens, bed spreads, medium size bath towels, medium size wash cloths, small turkish towels for teatowels.

Maintenance of Chambliss Home Building:

EW I and EW II has been partially painted--two bedrooms remain - no paint. Screens have been reinforced with wire mesh and destroyed wire screen replaced. (IS IT A POLICY FOR MAINTENCE TO LET US HAVE PAINT I'VE CAN USE THE COLORS THEY AR. USING--if we do the work.)

Needs of Building: WW I and WW II bathroom areas - an apparent leak on second floor in shower, which is damaging the walls on first floor. This is a condition of long standing. Maintenance men have worked on it two different times. Last men looked at it and said they located the hole, 'as big as a cat'. Still there.

A suggestion was made a year ago that the breezeway be closed to preserve heat. We use the building as one building, however it is divided on one side and four outside doors stand open in spite of extra precautions. There is much heat in the furnace room from water heater and furnace. It could be channeled into the building, so that the furnace would not have to be started until dead of winter. Front of building gets heat from stoves in kitchen, washer and dryer in nursery. There is a great deal of heat given off by the oil heater heating the water tank. The furnace door can be kept closed in the summer and window raised to let in air circulation. This was discussed a year ago. It may be that it was not wise to go into it.

Guttering is leaking and causing wood damage.

Screens should be put in laundry windows to prevent children climbing into laundry and throwing rocks and dirt into the laundry and on the equipment.

The addition to the building in 1958 has settled causing the plaster to give way in several places. This was checked by Selmon T. Franklin.

AUGUST REPORT  
PSYCHOLOGICAL TESTING

by Stanley Vogel

This month I am not presenting the usual statistical report which has been customary in the past.

We have discontinued the group testing being done on all inmates at the Detention Unit, due to recent legislation regarding the rights of Juvenile offenders. At present only those children who have been adjudged delinquent are being tested. Testing on a child is arranged at the request of his caseworker.

Recently we have decided to extend the scope of testing to probationees in an attempt to provide greater service to the caseworkers. Examples of the type of assistance which can be provided in this area are: (1) Determining whether a child is functioning up to his full capacity in school, and determining probable causes if he is not. (2) Determining if there are any underlying personality dynamics which are causing some specific behavior and if possible, suggesting procedures to help remedy this. (3) Determining whether there is reason to suggest psychiatric help if needed. These are just a few of the many possible ways assistance can be provided for the caseworker.

It is felt that the change in testing policy will provide greater service to the court for the following reasons:

1. Only those children who need testing will receive it.
2. It will enable more extensive testing and evaluation of those children tested.
3. It will enable the extension of services to those children on probation with problems. It is felt that providing statistical data on the children tested under the present conditions would not be of any value, particularly due to the fact that the test used with each particular case varies.

PSYCHOLOGICAL REPORT  
September 1967

This month we are continuing with our policy of testing children only upon the request of their caseworker.

The testing reports from the schools have proved helpful in giving additional information about the children and helping us avoid replicating the tests which have been given to the children at school.

In the future I am considering instituting a vocational testing program, which would enable the caseworkers to refer some of their probationers of high school age for testing to determine what type of job placement the child is suited for. The details of this program have not as yet been worked out, and it is not known whether this will be practically and financially feasible. I hope to soon have this information and inform you further about it.

## JUVENILE COURT COMMISSION MINUTES

The regular November meeting of the Juvenile Court Commission was held on the postponed date of November 21, 1967 in the Juvenile Court Building. Members present were Mr. Reingold, Acting Chairman, presiding, Mrs. McCallie, Mrs. McDade, Mrs. Currey, Mr. Knowles and Dr. Dzik.

The minutes of the previous meeting were approved as published.

Mr. Knowles moved that Mr. Mann's resignation be accepted with regret. Mrs. Currey seconded. Carried. Mr. Knowles to write the letter.

Mr. Knowles moved Mr. Reingold be elected chairman. Dr. Dzik seconded. Carried. Mrs. Currey nominated Dr. Dzik to be vice-chairman. Mrs. McCallie seconded. Carried.

Mrs. McDade submitted her committee's report on proposals for changing the school situation at Chambliss Home. After some discussion of the many ramifications of this proposal, Dr. Dzik moved the program be adopted and also that a progress report be given the commission at the end of the present school term. Mrs. McCallie seconded. Carried.

The commission moved that a letter endorsing the program be sent to Dr. Sam McConnell and that the letter request Dr. Scogin be the person to supervise the program. Judge Britt appointed to write the letter.

The next meeting of the commission will be on the regular date of December 5, 1967, and the January meeting will be postponed one week until January 9, 1968.

A copy of the educational proposal as prepared by Mrs. McDade's committee is attached to this report.

For the Secretary,

  
Leo B. Britt  
Judge

The Committee for the Chambliss Home, Mrs. McCallie, Mrs. McDade, and Mrs. Currey, by the Committee's invitation, met with Mrs. Carpenter and Mr. Bradbury to hear alternative plans for the enrichment of the educational program at Chambliss. Dr. Thelma Scogin told us of the possibilities.

Under Title I funds from the Federal Government, certain special advantages can be had for the children. Already our younger children are being taken to Spring Creek School for Headstart.

The Committee considered with Dr. Scogin the possibility of enrolling the older children at Spring Creek, but the school enrollment is almost completely of white enrollment and we all felt that while the younger Headstart children are well accepted and loved, the older children might not be. The other possibility is the Chickamauga School, which is almost totally Negro enrollment but has a well integrated faculty and a very competent and understanding principal.

Other advantages to be had at Chickamauga School are:

Remedial reading taught by a specially trained white teacher.

A special teacher for help in speech problems.

A social worker available to screen children who may need psychiatric, medical or dental care, which is available through the Health Department on funds furnished by Title I.

Two registered nurses who check the children at schools aided by Title I funds. These schools must have a certain percentage of the enrollment coming from very low-income families. Therefore, much of this help would not be available at another, perhaps closer school.

For all these reasons, the Committee unanimously agreed that the best choice for our older children was Chickamauga School, with the young ones remaining at Spring Creek.

This plan of transporting and enriching the educational experience of the children is not entirely new. The Headstart program was used last summer and has been proven very helpful. The children are given good hot lunches at noon and insurance is carried for them. The program has been declared to be legal and proper.

The Committee would like to ask that the Court review the situation of any child who is in the middle of any sort of remedial, rehabilitative or medical program before allowing any interruption of such program by the Department of Public Welfare or the family. Any child could be allowed to continue at Headstart at Spring Creek or at Chickamauga School if parent or foster-parent could arrange transportation, either to the schools or to Chambliss Home for pick-up.

Superintendent McConnell has agreed that he will re-assign Mrs. Rather to the Detention Unit for remedial reading and other special programs for teaching.

The Committee would like to request that this program for Chambliss Home be under the supervision and guidance of Dr. Thelma Scogin. She is already familiar with the needs and concerns of the Home, having worked with the children during the past summer.

Mrs. Neil McDade

The Detention Unit for the month of October played scenes of Autumn and Halloween, climaxed by a Halloween party.

Much of this contribution for the month was provided by the time and efforts of Miss Lynn De Lay. Lynn, is a senior at the University of Chattanooga. She comes as a volunteer to the Unit. She leads the girls in exercises. This last month she had the boys and girls put on a comedy skit, had the girls assist her in painting a lovely scene for the rec.hall, and had a much enjoyed Halloween party.

Our hats are off to Lynn for her contribution of time and talent to the Unit.

The Women's Junior Kosmos Club of Chattanooga has for years taken an active part in the work at the Unit. This last month was no exception. The club voted to again have the Unit as one of the projects. The ladies come on the 1st, 3rd, and 5th Monday of each month and give of the time and talents to the Unit.

They also met another need. They purchased a slide and film trip projector for the Unit of which we are grateful.

The Harriett King Circle of the Second Baptist Church, gave the Unit a supply of deodorant.

Again our thanks goes out to Miss Lynn De Lay, the Junior Kosmos Club, and the Harriett King Circle for their contributions.

The above mean for I.Q. tests does not include the results of three tests which were judged to be invalid.

This month we have resumed the policy of attempting to test all children admitted to the detention unit. Due to the lack of additional personall to administer the tests, it will not be possible to test a large portion of the children admitted to the detention unit each month. As a result of the large number of children who are not tested, the statistical data presented cannot be thought of as representative of the typical child who is brought in to the detention unit. I hope in the future to obtain at least one college work study assistant to help in administering tests, which will be of considerable help in getting more of the children tested.

MEMO TO: Hamilton County Council Members  
Juvenile Court Commission Members

DATE December 22, 1967

Re: Juvenile Court Commission Meeting

The regular meeting of the Juvenile Court Commission has been postponed to Tuesday, January 9, 1968, 11 o'clock.

May each of you enjoy a very Prosperous and Blessed New Year.

The Agenda for the January meeting will include:

1. Reports from the various committees.
2. The Chambliss Home special educational program, Mrs. McDade, Chairman.
3. The Nomination Committee Report, Dr. Williams, Chairman.
4. Other matters for consideration.

Ralph W. Eradbury  
Secretary

JUVENILE COURT COM ISSION MINUTES

The regular meeting of the Juvenile Court Commission was held December 15, 1967, in the Juvenile Court Center. The following members were present: Mr. Reingold, acting chairman, Mrs. McDade, Mrs. McCallie, Mrs. Currey, Dr. Dzik, Dr. Bond, Mr. Knowles, and Judge Leo B. Britt.

The minutes of the previous meeting was approved as published and distributed prior to the meeting.

Mr. Bradbury reported on two Juvenile Court demonstration projects which were submitted to the Social Services Task Force of the Pilot Cities Program (14 Cities Project). They included:

1. Social Welfare Department in the Detention Unit which would include a social caseworker and two assistants.
2. Probation Officer for the Central Neighborhood Services Center including three aides.

All Task Force proposals are presently being reviewed in Atlanta office. Copies of the Juvenile Court proposals were issued to the commission members and are available upon request.

Mrs. McDade reporting on the Chambliss Home educational program stated that the children would not be transferred to the Chickamauga School until after the Christmas Holidays. It was requested that Dr. Scoggins sent a copy of the commissions endorsement of the Educational Program which was mailed to Dr. McConnell.

As regarding the question of appropriate school clothing for Chambliss Home children, as well as other court probationers, it was decided that a fund should be established whereby some of the personal needs of the court wards could be met. The Community Resources Committee was appointed to study the matter, and Mrs. Currey in particular was asked to contact a representative of the Kiwanis Club as to the possibility of their involvement in this needy project.

Judge Britt submitted three names for consideration as prospective members of the Juvenile Court Commission. They are:  
Mr. B. Bruce Guthrie, Local Attorney  
Mr. Ben O. Duggan, Jr., Local Attorney  
Mr. Merrill C. Hill, Local Businessman

Both Mr. Guthrie and Mr. Duggan recently served as acting Juvenile Court Judge.

Discussion was raised regarding a recent article in a local newspaper in which the names of three juveniles were

identified with a particular crime. It was decided that although there was no legislation against name printing of juveniles in the news media, yet the basic philosophy of the Juvenile Court, that of protecting the interest of the child, should have priority. Consequently the group unanimously approved the motion that Mrs. Golden of the Chattanooga Times and Mr. Lee Anderson of the Chattanooga Free Press be approached by representatives of the Juvenile Court Commission in hopes of curtailing further occurrence.

Judge Britt reported on his recent attendance at the Tennessee Council of Juvenile Court Judges. Some agenda of the meeting included:

1. Repeal of the Reformatory Act making it possible for counties to set up their own correctional institutions.
2. Repeal of the section in the Traffic Code to once again grant jurisdiction to the Juvenile Court to adjudicate all traffic offenders, seventeen (17) years and under.
3. A new State Center for training and career development which offers staff development training and consultation for all agencies particularly probation officers and the police. Mr. Don Sullivan is the director.
4. Finally, the Tennessee Council of Juvenile Judges went on record as supporting the bill on National Prevention of Juvenile Delinquency, which is presently being stymied in the U. S. Senate. Letters encouraging passage of this bill are being sent to both Tennessee U. S. Senators.

There being no further business the meeting was adjourned.

Respectfully submitted,

Ralph W. Bradbury, Secretary

## MEMORANDUM:

TO: THE HAMILTON COUNTY COUNCIL.  
THE JUVENILE COURT COMMISSION MEMBERS

RE:

Enclosed are January's Juvenile Court Commission minutes and the monthly Statistical Reports of the Juvenile Court, Detention Unit, and the Chambliss Home, including the programs and activities of both shelter care units.

The regular Juvenile Court Commission meeting will be held February 6, 1968, 11:00 A.M., at the Juvenile Court Center.

The Agenda for the meeting will include the following:

1. The Nominating Committee Report.
2. Discussion of the Fourteen Cities Project in relation to the Juvenile Court. (Social Service Center Proposal.)
3. Chambliss Home and Detention Unit Committee. (Progress of the educational program for both institutions.)
4. Personnel Committee (Report on Casework Supervisor position.)
5. Finance and Budget Committee (1967-68 Budget.)
6. Special Projects. (Detention Unit basketball court and Juvenile Court's 2nd floor unfinished area.)
7. Other matters for discussion.

  
Ralph W. Bradbury  
Secretary

JUVENILE COURT COMMISSION MINUTES

The postponed meeting of the Juvenile Court Commission was held Thursday, January 11, 1968, in the Juvenile Court Building. The following members were present: Mr. Reingold, acting chairman, Mrs. McDade, Mrs. Currey, Mrs. McCallie, Dr. Dzik, Mr. Knowles, Dr. Williams, and the Honorable Judge Leo B. Britt.

PERSONNEL COMMITTEE

The personnel committee reported on a recent meeting with Mr. Ray Graves, prospective casework supervisor. After much discussion the following plan was voted on and unanimously approved by the commission members:

1. Mr. Graves to be employed January 16, 1968, as case-work supervisor at a salary of \$7,100.00 per year, continuance in the supervisory capacity would be contingent upon his obtaining a M.S.W. degree.
2. He would continue his masters program at the University of Tennessee School of Social Work beginning September, 1968. Expenses for the educational program would be arranged by the commission with a local foundation underwriting the educational expenses.
3. Arrangements to be made with the School of Social Work and the local University of Tennessee Field Work Supervisor to complete his field work in the Juvenile Court Agency, if at all possible. He would also be expected to work during holidays and or such time when school is not in session.
4. Mr. Graves would agree to continue services with the Juvenile Court for an additional two years upon completion of his masters program.

Mr. Reingold volunteered to draft up a written contract with Mr. Graves to include the preceding agreement.

NOMINATING COMMITTEE

Dr. Williams submitted the name of George Evans to fill the unexpired term of Mr. T. K. Sullivan. A motion was made to the effect, seconded, and unanimously approved. Mr. Bradbury was asked to forward the Commission's recommendation to Judge Frost and the County Council for final approval. Members were requested to offer names of prospective commission members to the nominating committee in the near future, since February is election month.

CHAMBLISS HOME EDUCATIONAL PROGRAM

Mrs. McDade reported the Chambliss Home children were being transported by bus to the Chickamauga School under the Title I program. A letter had been received from the principal, Mr. A. Van Frazier stating that the children were adjusting well and consideration was being given those in need of special education. The very young children of Chambliss Home are being sent to Spring Creek School under the Head Start Program. Mrs. Rather, former teacher of Chambliss Home, has been transferred to the Detention Unit and a special education program has been set up under the supervision of Mrs. Margaret Cooper, Assistant Superintendent; Curriculum and Instruction, Hamilton County Department of Education.

Two other projects were discussed by the group:

1. Enclosure of the Detention Unit outside basketball court. Quinn Fence Company submitted a plan which included covering the basketball area with flexo glass for \$2,500.00. Mrs. Currey was to send a copy of the plan to Siskin Steel Company in hopes of obtaining assistance with the metal work.
2. The unfinished portion of the second floor of the Court Building was discussed. It was stated that a contingent fund request could be made to the County Council sometime in April. A motion was made, seconded, and approved that such a request be made in hopes of obtaining county funds for the completion of the room. Following the meeting several commission members viewed the upstairs area and were shocked with the deplorable conditions in which professional people were compelled to work and counsel with their probationers.

FOURTEEN CITIES PROJECT (PILOT CITIES PROGRAM)

Attention was called to the recent Press release regarding the 2.6 million dollars appropriated to the city by the Federal Government, and particularly, that no mention was made of the Juvenile Court. In regard to this and other matters involving the Chattanooga Progress Incorporated, who is responsible for determining priority and allotment of funds for the Pilot Cities Programs, the members suggested that Mr. Reingold invite Mr. John Dyer, Director of C.P.I., to be a guest at the next commission meeting. It is felt that a representative of the Court should be on the C.P.I. Board and that either Mayor Kelly or Mr. John Dyer be contacted in regard to the matter.

-3-

Dr. Dzik announced that the date and plans for the annual Sumposium On Juvenile Delinquency would be disclosed in the near future.

There being no further business the meeting was adjourned.

Respectfully submitted,

  
Ralph W. Bradbury  
Secretary

December 1967

Brought forward from November	29
Admitted during December	7
Total cared for during December	36
Removed from care during the month	9
Days care provided	897
Meals served to children	2691

Gifts of fruit, nuts, candy, cookies, etc. were enjoyed all thru the month.

Chambliss had many families of children this year, large and small. Dozens of carolers came by singing the lovely songs of Christmas.

Five young men brought their scouts by with gifts for the children.

A group of young women made gifts, dressed dolls, stuffed toys, baked cookies and brought tree decorations.

One lady all during the year mails little dresses she has made for the children.

There is always a very unique surprise.. Something we have never had before for every season of the year. This Christmas brought us the largest piece of stick candy we have ever had 25 lbs.

Toys for Tots has blessed Chambliss for 2 years.

The gift of money -- this helps us to meet the personal needs of each child day by day. Provides the things that are not provided in the budget.

Young people in schools have their club parties at Chambliss, instead of exchanging gifts with each other..

Senior Class at Chattanooga high school has become an annual affair and very elaborate.

The Lioness Club gave a Christmas tree covered with one dollar bills - 24 of them.

The Kosmos Womens Club invited 10 kindergarden children to lunch, to hear stories and receive gifts.

The month of December was a busy one at the Unit with preparation for the Christmas holidays. Decorations were hung, a tree was decorated, gifts were presented by clubs, organizations, and individuals in a generous and delightful manner.

For the 18 boys and girls in the Unit on Christmas day it was one of joy and thankfulness.

Parties Given:

- Dec. 4 The Junior Kosmos Club assisted the boys and girls in decorating a beautiful Christmas tree.
- Dec. 16 A group of college students from Southern Missionary College
- Dec. 20 The Women's Missionary Society from Jones Memorial Methodist Church
- Dec. 21 The McCallie Class at Central Presbyterian Church.

Christmas Gifts:

The office staff at Duff Bros Co. in lieu of exchanging gifts, gave wrapped packages of 3 or 4 items for each boy and girl in the Unit on Christmas day.

Con't Detention Unit Report

- Women's Missionary Society from Jones Memorial Methodist.
- McCallie Class of Central Presbyterian Church.
- Sid Varner donated the lovely Christmas tree.
- A beautiful Christmas wreath was given by Miss Lynn DeLay.

In the ensuing month of January the Unit has embarked upon a school program. The Hamilton County School Dept. has provided a full time teacher.

During the brief time of operation it has proven its value. We were notified of the need for two SRA reading Kits for instruction. The Junior Kosmos Women's Club is purchasing one for \$59.95 and the school department the other for \$60.00. (These Kits are being used in several detention units around the country.)

A keen interest and much enthusiasm by groups and individuals is being shown in regards to our school program.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held Tuesday, February 6th, in the Juvenile Court Building. The following members were present: Mr. Reingold, acting chairman, Dr. Dzik, Mrs. McCallie, Mrs. Currey, Dr. Williams, and Mrs. McDade. Guest included Dr. John Dyer and Mr. Ray Graves.

Mr. Reingold discussed the project for completion of the second floor offices of the Juvenile Court building. He had appeared before the County Council and was awaiting word from Ray Proctor, county manager, as to whether any funds were available for the project.

The commission members also discussed the need to surface the court parking lot. It was explained that on past occasions court donors had provided the necessary materials and the city supplied the equipment and manpower to complete certain jobs. It was suggested that Mr. Bill Nobles, supervisor of Public Works Department, be contacted as regarding this possibility.

Mr. Ray Graves, newly appointed casework supervisor, was welcomed by the commission members, following he gave a brief report of his future plans. Regarding the court, he explained the need for paraprofessionals to relieve the probation officer of nonessential and time consuming tasks. Mr. Graves stated he would begin his graduate training September, 1968, in Nashville for the first six weeks. The following six months he would be in Chattanooga for field placement under the supervision of John Barnett, director of the Department of Public Welfare. He would then complete his graduate work the last six weeks in Nashville, leading to a masters degree in social work.

Dr. Williams, chairman of the nominating committee, submitted the names of Mr. Gordon Street, Jr. and Mr. George Hudson as commission members to replace the unexpired terms of Dr. Van Order and Mr. Mann. A motion was made, duly seconded and unanimously approved to this effect. Dr. Williams explained that the names of other prospective members should be submitted by the March meeting.

Dr. John A. Dyer, director of Chattanooga Progress, Inc., and the special guest of the commission, presented an interesting and informative description of the C.P.I. Program. He explained that C.P.I. is a private nonprofit organization unique only to Chattanooga. It has a board of directors composed of heads of principle agencies in the city, as well as people who operate programs in the Pilot Target area. He emphasized that the purpose of C.P.I. was not to operate or supplant other agency programs, but to assist them in the following ways:

1. Attempt to develop long range planning programs projected for a five to ten year period.

-2-

2. Develop systems of coordination between agencies and program development.
3. To coordinate the delivery of programs and government funding.
4. To establish a firm policy in development. To get local evaluation and feedback on the local program on a continuing basis, in order to encourage that agency toward a certain objective.
5. To utilize C.P.I. staff to develop current and vital information on unemployment, school drop-out, etc. Dr. Dyer stated the C.P.I. deals with public agencies through federal funds, whereas, Metropolitan Council assist private agencies primarily through the United Fund.

He stated further that two proposals of the Juvenile Court initiated through the Social Services Task Force of N.S.P. II, Pilot Cities Project, would probably be approved particularly the Social Services Department for the Detention Unit. Final approval was expected from the Atlanta office in the near future. Regarding Juvenile Court representation on the C.P.I. board, Dr. Dyer remarked that the organization was aware of the fact that expansion of board might be in order but because of other pressing matters it had not come up for consideration.

Dr. Dzik announced May 9, 1968, as the date for the Juvenile Delinquency Symposium, sponsored by the B'nai B'rith organization.

Mrs. McDade reported that Chambliss Home had received several donations for personal school needs of the children attending Chickamauga School. Mrs. Currey stated that Mr. Baldwin of Collins and Hobbs Construction Company was to submit a plan and estimate for the outside basketball court of the Detention Unit.

There being no further business the meeting was adjourned.

Respectfully submitted,

  
Ralph W. Bradbury,  
Secretary

The school has a number of modern reading facilities.

The children attended a concert at the Auditorium, transportation cost 20 cents per child.

Several girls were selected to attend the slumber party at Y.W.C.A. Cost \$1.00 per child, plus packed lunch. Friday night 6:30 P.M. to 8:00 A.M. Saturday. One of supervisors took the children and we had them sent home in a cab.

If financially possible we plan to let each child buy ice cream each day - 10 cents each. This was discussed at J.C. administration meeting. I also discussed it with the principal and teachers, they felt that the children would benefit from privilege of buying their own ice cream.

We have had numerous cases of flu, fact is we must have had several different varieties.

JUVENILE DETENTION HOME SCHOOL  
January 1968

On January 3, 1968, after meeting with Dr. McConnell, Mr. Bradbury, and Mr. Heron a school was begun at the Juvenile Detention Unit, under auspices of Hamilton County Department of Education and the Juvenile Court. To date we have registered 23 girls and 18 boys. First we are undertaking to determine the learning level of these girls and boys, and then attempting to assist them within the limits of their capabilities, concentrating on reading and writing and social behavior.

Full cooperation has been given to the establishment of this school by Mr. Heron, the Superintendent, and by the entire staff of the Detention Unit, as well as by the Department of Education under the direction of Mrs. Margaret W. Cooper, Assistant Superintendent-Curriculum and Instruction.

We propose to have a series of speakers, scheduled at regular intervals, for the purpose of stimulating incentives for continuing in school and obtaining an education, good health habits, and patriotism and good citizenship. Our first on this program was Miss Julia Ruth Richardson, a supervisor from Hamilton County School System, who gave a inspirational lecture on not being a "dropout".

We hope also to enrich our school program with the continuance of audio-visual aids whenever feasible. Several educational films have been shown to date. These include travelogues of the Bahama Islands and Puerto Rica, of Washington, D.C., the states of West Virginis, Louisiana, and Alaska, and of several of our National Parks. We have had an

Juvenile Detention Unit School  
Con't

historical film about "The Bill of Rights" and a biographical sketch of "Daniel Boone". We hope to instill in these young people some appreciation of our country, its founders, and the great heritage we have in being an American.

We also are stressing the responsibilities and importance of proper behavior and proper dress with both girls and boys and of being courteous as well as well groomed. We parallel these discussions with individual, segregated (as to girls or boys) groups, with open discussions and accompanying film strips and records in the recreation room with all participating. One subject discussed recently was: "Are Young Teens Ready for Love and Marriage?"

Summarizing, we are undertaking with these young people to continue and stimulate the learning processes, encourage them to continue their education and teach them the amenities of society.

CHAMBLISS HOME  
February 1968

Brought forward from January	28
Admitted in February	14
Total cared for during February	42
Removed from care during February	18
Days care provided	808
Meals served to children	2424

Children (average) go out to school, Chickamauga  
 4. Children go to Head Start. They get physicals and dental care.  
 If they are absent, some one comes to visit child.

Children are having to make many adjustments

1. going to school regularly
2. riding the bus properly
3. being a minority group is not easy
4. realizing for the first time, that their education has not even started--being embarrassed maybe for the first time is so humiliating.

Three children who need special education, psychiatric care and much love. Two are fighting back Eddy and Nora Millraney. ages 12 & 10

One little boy Wayne Gary Smith age 10--so excited over food, clothing, bed, school, ladies to care for his needs, privilege to go to school. He can't read or write, did not know his age or birthday. He was in his room but evidently nothing was done for him. He has no delinquent tendencies--he is only seeking for the better things of life. He appears to have the first realization that life is suddenly better --he stands in awe most of the time. He adores Sunday School.

Another child, sister of Nora and Eddy, is an epileptic. She is now on medication, is much better -- however, she is damaged to a certain extent. Three younger children in this family of six are in good condition emotionally, mentally as far as we are able to determine.

Day schedule at present:

- 6:00 A.M. Change of shifts  
 School children awakened, dressed for school, their rooms straightened.
- 6:30 A.M. Breakfast and enjoyed thoroughly by the happy children.  
 They are absolutely darling and we are enjoying them.
- 7:00 A.M. Bus arrives and picks them up.  
 Breakfast for Head Start Children and older toddlers.

- 8:00 A.M. Children leave for Head Start, return at 1:00 pm take a nap.
- 11:00 A.M. Lunch for employees, toddlers and other children who have not gone to school. This includes children who are not in elementary school. Plans should be made for these children if they are to remain at Chambliss any length of time.
- 3:25 P.M. Children return from school, with papers, picture, and events which have happened at school. Happy as can be.
- 5:30 P.M. 3:25 to 5:30 is free time. Activities of their own choice. Evening meal, which is dinner prepared at noon by the cook. Are they hungry!! Impossible to believe--so much fun to see them eat.
- 6:30 P.M. Playtime, study time, kitchen duty, T.V.
- 8:30 P.M. Every child bathed, clothes selected for the next day, prayer time, girl's hair rolled, shoes polished.
- 8:30 P.M. Lights out, building quiet for the night--hopefully.

CHILDREN ENJOY SPIRITUAL LIFE PROGRAM BEST OF ALL BECAUSE THEY GET TO PARTICIPATE. THEY MAY NOT BE ABLE TO DO ACADEMIC WORK, BUT THEY CAN LEARN THEIR SONGS AND BIBLE VERSES.

SUNDAY SCHOOL, Church, Monday evening vespers, Child Evangelism Saturday morning 10:00 to 11:00. Mrs. James Calloway.

Services: Kiwanis Ladies sew every third Thursday away from Chambliss. Brainerd Baptist came one day to sew. Pilgrim Congregational took sewing away for the day. St. Peter's Episcopal Church came for sewing to take out.

Pilot Club continues to bring birthday cakes - gave a lovely Valentine party.

Teachers Sorority gave Valentine Party -- yearly event.

Students came to play with children, during the month.

Brainerd High Red Cross  
Y-Teen Central High

Chattanooga Valley High School  
Chattanooga High School

Cub Scouts sent favors and rocking horse they had painted.

Children from one of the Red Cross Groups in school sent Valentine favors and George Washington favors.

These activities serve two purposes, excellent for the young people who come to visit and the children love it. Hard work for the employees, but we enjoy it.

ST PETERS EPISCOPAL CHURCH OFFERED TO MAKE PLANS TO TAKE THE CHILDREN OUT ON SUNDAY AND OTHER ACTIVITIES DURING THE WEEK. Referred to Court.

The month of February in the Unit was displayed with a continuation of the school program. The S.R.A. reading kits proved to be a valuable asset in the teaching program. We are continuing to have a large number of boys and girls with serious reading problems.

The staff at the Unit attending the Houseparent Training courses, reports it is one of interest and delight.

Several gifts have been given to the Unit in February.

PSYCHOLOGICAL TESTING PROGRAM  
Monthly report 1968

No. of children tested	20
H. S. P. Q.	4
Other - Peabody - 11, Otis - 4, WISC - 4, WAIS - 1, Bender - 11, Draw-A-Person - 9, Sentence Completion - 4.	

The Psychological Testing program has resumed this month. A program of individual testing has been decided upon to replace the group testing, which had been the policy previously. There have been several factors which have been responsible for this change in policy. The most important factor has been the finding that many of the children's problems were not being uncovered by the group tests. A second factor is the limited space available for group testing, which has become more restricted with the introduction of new programs at the Detention Unit.

It is hoped that this change in policy will enable the program to better serve the needs of the Juvenile Court, and provide a suitable model for eventual future expansion of the program.

MEMORANDUM

TO: THE HAMILTON COUNTY COUNCIL  
THE JUVENILE COURT COMMISSION MEMBERS

RE:

Enclosed are the March Juvenile Court Commission minutes and the monthly Statistical Reports of the Juvenile Court, the Detention Unit, and the Chambliss Home, including the programs and activities of both shelter care units.

The Juvenile Court Commission meeting will be held April 2, 1968, 11:00 A. M., at the Juvenile Court Center.

The Agenda for the meeting will include matters of special importance and reports of the various committees

  
Ralph W. Bradbury,  
Secretary

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held Tuesday, March 5, 1968, in the Juvenile Court building. The following members were present: Mr. Reingold, acting chairman, Dr. Dzik, Mr. Evans, Dr. Bond, Mrs. McCallie, Mrs. McDade, Mrs. Currey, Mr. Knowles, and Judge Britt.

The minutes of the past meeting were available for discussion, and approved as published.

Nominating Committee. It was reported by the committee that Gordon Street had declined the offer to serve on the commission. For the matter of record there are three expired positions which need to be filled, one resignation has created another opening and one other commissioner is up for re-election.

Gault Decision Report. Judge Britt spoke on his recent attendance at the Gault Conference held in New York City. He revealed some interesting implications for the Juvenile Court as a result of the recent Supreme Court ruling. He cited several rulings which would definitely change intake and court procedures. Judge Britt will be meeting with the Chattanooga Bar Association regarding such matters as court appointed attorneys for the indigent person who by law cannot waive his rights to counsel. He also pointed out that steps have already been taken to comply with the recent ruling. The Supreme Court felt that the basic laws of the Juvenile Court was good but the system and administration of the court was in need of revision in order to truly provide care and legal protection to the child.

Budget Committee. Mr. William Knowles was appointed chairman of the Budget Committee. The 1967-68 Budget should be completed by April 1st, and will include the final phase of the three year projected budget increase based on 75th percentile.

Fourteen Cities Project. Both of the Juvenile Court projects, the Detention Unit Social Services Department, and the Neighborhood Center probation officer, were given priority by the regional office in Atlanta, with a minor change in budget appropriations. Further developments include the final write up and completion of forms to be submitted for approval and grant.

Legislative Committee. Discussion revolved around the recent legislative counsel study and recommendations:

1. The evaluation of the State Vocational Training School Rehabilitation programs not meeting the needs of the delinquent child.
2. Need for regional juvenile court and detention facilities at a state level, as well as standardization of juvenile courts.
3. Establishment of Tennessee Youth Authority which will be a separate department from that of the Department of Corrections and would specialize in services to delinquent youth. Mr. Reingold also encouraged the group to pool out candidates in the coming election as to their views regarding the juvenile court, needed changes in unfit state system, and programs, etc.

SPECIAL PROJECTS

1. The Detention Unit Basketball area. Mrs. Currey reported that Gene Bordin of Collins and Hobbs Construction Company had suggested using the Butler Building Roof assembly as the most practical and ideal covering for the basketball court. The cost of \$3500.00 will include labor and materials. Mr. Reingold was to contact Chattanooga Home Builders as a prospective contributor.
2. The Juvenile Court building unfinished office space. It was stated that the Hamilton County Council had approved appropriations for the completion of the room and that bids be received from interested contractors.
3. Chambliss Home. The sanitary survey by the Health Department recommended that repairs be made on the upstairs plumbing, and the refinishing of damaged walls. A report from the Division of Fire Prevention also advised that air vents be installed over the kitchen stove and the electric clothes dryer in the basement.

Both reports were mailed to Mr. Bud Crowe, county maintenance manager, with the request that the necessary steps be taken to alleviate the situation.

There being no further business the meeting was adjourned.

Respectively submitted,

APPROVED:

  
Ralph W. Bradbury, Secretary

Mr. Arvin Reingold,

MEMORANDUM

TO: THE HAMILTON COUNTY COUNCIL  
THE JUVENILE COURT COMMISSION

DATE: April 24, 1968

RE:

Enclosed are the April Juvenile Court Commission minutes and the monthly Statistical Reports of the Juvenile Court, the Detention Unit, and the Chambliss Home, including the programs and activities of both shelter care units.

The Juvenile Court Commission meeting will be held May 7, 1968, 11:00 A. M. at the Juvenile Court Center.

The Agenda for the meeting will include matters of special importance and reports of the various committees.

  
Ralph W. Bradbury,  
Secretary

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held Tuesday, April 2, 1968, in the Juvenile Court building. The following members were present: Mr. Reingold, acting chairman, Mrs. McDade, Mr. Knowles, Dr. Dzik, and the Honorable Judge Leo B. Britt.

The minutes of the past meeting were available for discussion, and approved as published.

Budget for 1967-68. Consideration was given to the rough draft of the proposed budget. The finance committee was to meet in the near future to review and complete the final copy. Mr. George Evans was to be mailed a copy of the proposed budget, including a notification of the meeting.

Detention Unit and Chambliss Home Committee. Mrs. McDade reported on a recent meeting with Mrs. Cooper, supervisor of curriculum for the county schools, also included in the meeting were juvenile court and detention unit administrators. The purpose of the meeting was to discuss the possibility of a tutorial program in the detention unit. Qualified professional citizens have volunteered to assist in the existing county educational program by providing special tutoring services. It was hoped that continued tutoring could be arranged in the child's environment upon release from the detention unit. It was emphasized that the present county instructor in the detention unit should be replaced for some obvious reasons, and that a letter to this effect had been sent to Dr. McConnell, superintendent of county schools.

Special Projects. It was reported that the six office spaces in the upstairs portion of the court building was under construction and near completion. Appreciation was expressed for the interest of the Hamilton County Council in approving available contingent funds for the project. Limited parking space has become an increasing problem in the juvenile court area, especially on heavy court docket days. Besides causing inconvenience several hazards have been created by the situation. Several suggestions were proposed for future consideration.

The 1967 Statistical Report was issued to members present. This report will be followed later with a detailed, informative, and analytical report of these statistics and programs of the court and its two shelter units.

There being no further business the meeting was adjourned.

Respectively submitted,

  
Ralph W. Bradbury,  
Secretary

During the week of March 11th - 15th, your Detention Unit Superintendent had the privilege of attending the first National Institute for Juvenile Detention Unit Administrators at Southern Illinois University, Edwardsville, Ill.

The Institute was conducted by the Delinquency Study Project at Southern Illinois University in cooperation with the U. S. Dept. of Health, Education and Welfare; the U. S. Childrens Bureau; and the Food and Drug Administration. These latter agencies funded the Institute at no cost to those attending.

Thirty-five superintendents from the United States were guests at the Pere Marquette Lodge and were privileged to hear outstanding speakers in the field of detention, intake, drugs, and new laws governing the detention of children.

Out of the institute came establishment of a National Juvenile Detention Association of which this superintendent had the privilege of naming as well as being a charter member.

Each superintendent went from the Institute with a renewed challenge and vigor to accomplish more in a successful program in detention.

(Our Unit was appraised, in comparison to its size with other Units of like size, as being one of the top in the country.)

A noon luncheon meeting was held at the Unit to discuss the establishment of a tutoring program at the Unit. Those in attendance were: Mrs. Neil, Dr. David Dzik, Mr. Ralph Bradbury, Mr. Ray Graves, Mrs. John Rather, Detention teacher, Mrs. Margaret W. Cooper, Asst. Superintendent in charge of Curriculum and Instruction, and this superintendent.

The matter of tutoring at the Unit was thoroughly discussed with the following recommendations being made:

1. That a tutoring program be established at the Unit, using professional volunteers on a one to one basis.
2. That the Hamilton County Department of Education be the correlating agency for the program with Mrs. Jane S. Steil, Reading Supervisor for Hamilton County Schools, acting as liaison for the School Dept. and the Juvenile Court.
3. The continuation of a tutoring program from the time a child leaves the Unit and while he or she is under the court's jurisdiction.

MEMORANDUM

TO: THE HAMILTON COUNTY COUNCIL  
THE JUVENILE COURT COMMISSION

DATE: June 27, 1968

RE:

Enclosed are the June Juvenile Court Commission minutes and the monthly Statistical Reports of the Juvenile Court, Detention Unit, and the Chambliss Home, including the programs and activities of both shelter care units.

The Juvenile Court Commission meeting will be held July 2, 1968, 11:00 A.M., at the Juvenile Court Center.

The Agenda for the meeting will include matter of special importance and reports of the various committees. Some suggested topics are:

1. Discussion of the 1968-69 Budget appropriation.
2. Progress of the UC program.
3. Report from Mrs. Currey on the Atlanta Gault Conference.
4. Report from Mr. Bradbury on the Tulane University Corrections Work Shop.
5. Report of special meeting with Commissioner Turner (Evans).

  
Ralph W. Bradbury,  
Secretary

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held Tuesday, June 4, 1968, in the Juvenile Court Building. The following members were present: Mr. Reingold, acting chairman, Dr. Dzik, Mrs. Currey, Mrs. McDade, Mr. Evans, Mr. Knowles, and the Honorable Leo B. Britt.

The minutes of the past meeting were available for discussion and approved as published.

UNIVERSITY OF CHATTANOOGA

Discussion centered around Dr. Butterfield, newly appointed University of Chattanooga educational professor. Mr. Butterfield has a rich background experience in governmental projects, programs and grants relevant to the Juvenile Court. It was felt that Dr. Butterfield could be of great assistance to the local Juvenile Court in writing up applications for pilot funds. He has also expressed interest in remedial instruction program to be conducted by UC education majors. Mrs. Currey was asked to arrange a special meeting with Dr. Martin, UC chancellor, and Dr. Butterfield to consider future involvement of UC students in the current program, hopefully by this fall.

In addition, it was announced that Dr. Ruby, director of Educational Services Center of the university, was planning a practicum class student placement in the Detention Unit for the purpose of psychological testing. This testing program will be under the supervision of Dr. Ruby and Miss Jan Printz, psychology professor at the university. The university will supply the test materials and clerical aid as well.

CHAMBLISS HOME COMMITTEE

Mrs. McDade issued a commendable evaluation report of a recent meeting between the school officials and teachers, court personnel and commission representatives concerning the Chambliss Home educational program. The consensus of opinion was that the benefits derived by the children in the Chickamauga School program superseded any problems or complications which had arisen. It was further noted that Chambliss Home children would be involved in a special summer educational enrichment program sponsored by the County Education Department under Title I Federal Funding. The Headstart Program at Spring Creek Elementary School also proved most successful, and it is the committee's recommendation that the Court follow the suggestion of Dr. Scoging in placing both Headstart and elementary grade students in the Chickamauga School this September.

-2-

Mrs. McDade was requested to send a letter of appreciation, including the evaluation report, to Superintendent McConnell, Dr. Scogins, Principal Van Frazier and teachers of the Chickamauga School for their continued interest and cooperation in behalf of the children of the Court. In addition Mrs. McDade was to contact Dr. McConnell as regarding the future placement of an instructor in the Detention Unit. Mr. Knowles volunteered to line up newspaper publicity covering the educational program for the year.

#### NOMINATING COMMITTEE

The follow names were voted upon and unanimously approved to be elected to the commission body:

Rev. Jack H. McEwen to replace the un-expired term of Dr. W. E. Van Order.

Mr. Roy C. Noel to replace the expired term of Mr. J. Thomas Mann.

A letter to this affect will be sent to the County Council for confirmation.

#### PERSONNEL COMMITTEE

Dr. Dzik submitted the applications of Mr. Phil Acord and Mr. Larry Cox as possible probation officers. After much discussion it was decided that both men be accepted upon the basis of six (6) months probation.

#### WORKSHOPS AND CONFERENCES

Mrs. Currey plans to attend the Gault Conference at Atlanta, Georgia, June 21st through the 22nd. Mr. Bradbury has enrolled in the Tulane University School of Social Work Corrections Work Shop, June 10th through the 21st.

There being no further business the meeting was adjourned.

Respectively submitted,

  
Ralph W. Bradbury  
Secretary

A meeting of County School officials and teachers, Court Personnel, and Commission representative was held to discuss the evaluation, summer program, Headstart and school next year at Chambliss.

It was agreed that overall the school experience had been good. In all cases where it is possible, the children who are released from Chambliss will be brought back each morning and picked up by the bus so they may continue the year at the same school.

The Headstart program which has been at Spring Creek School will be at Chickamauga School in the fall so that all of our children would be attending the same school.

May brings to a close our school program this year. Mrs. Rather has been with us for 5 months trying to help the boys and girls see how important it is to further their education, and not be drop-outs, around 161 boys and girls were in school during this time.

We are still having volunteer workers for special tutoring, giving of their time to help the children in special reading.

May also saw the graduation of our staff from the Child Care Houseparent Course, a total of 7 from J.D.U. received their diplomas from the University of Tennessee, showing they had completed the course.

For about a year we have been saving special donations given by different ones on spreads for the boys wing. This month our project was completed when sixteen bright colorful corded spreads were purchased and the boys wing is bright and glistening. Now the girls want the same kind of spreads for their beds, so I guess our project will continue.

MEMORANDUM

TO: THE HAMILTON COUNTY COUNCIL  
THE JUVENILE COURT COMMISSION

DATE: July 30, 1968

RE:

Enclosed are the July, Juvenile Court Commission minutes and the monthly Statistical Reports of the Juvenile Court, the Detention Unit, and the Chambliss Home, including the programs and activities of both shelter care units.

The Juvenile Court Commission meeting will be held Tuesday, August 6, 1968, 11:00 A. M. at the Juvenile Court Center.

The Agenda for the meeting will include matters of special importance and reports of the various committees.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held Tuesday, July 2, 1968, in the Juvenile Court Building. The following members were present: Mrs. Currey (presiding as chairman in the absence of Mr. Reingold), Mr. Knowles, Dr. Dzik, Mr. Hornsby, Mr. Noel, Mr. Hudson and the Honorable Leo B. Britt. Guest at the meeting included Mr. Mallory Forbes, Chattanooga Times reporter.

The minutes of the past meeting were available for discussion and approved as published.

Police Department Juvenile Division Report

Mr. Knowles reported on a recent meeting between Commissioner Turner and Dr. Dzik, Evans, Currey, and Knowles of the Juvenile Court Commission in regard to recommended goals for the police department juvenile division. They included the following: That the commissioner hire a full time director; the juvenile police squad be increased; an additional woman be assigned to the squad; all policeman be given basic training in dealing with juveniles; that the police department explore ways of using the Chattanooga State Technical Institute and the University of Chattanooga for juvenile training. In addition, much concern was expressed over the number of truant children roaming the streets, apparently not being confronted by anyone. The role of the guidance counsellor and school social worker is different than that of the former truant officer and does not include "pick up" of stray truant children. The best approach to the problem would be through the city and county school administration and the following committee was appointed: Mrs. Currey, chairman, Mr. Hudson, Mr. Knowles, Mr. Noel, and Dr. Dzik.

It was felt by the group that other law enforcement agencies in the surrounding areas such as, Red Bank, East Ridge, etc. could also profit from a specialized program in the correct handling and processing of juveniles. The following steps were suggested:

1. Work through the attorney general's office to secure cooperation and support of the various law enforcement groups for such a training program.
2. Judge Britt to contact the University of Tennessee Center for training and career development to determine if and when they could schedule such an in-service training program.
3. Finally, that Mr. Knowles be designated to consult with Commissioner Turner and Detective Gaines, director of the juvenile division, in regard to such a training program.

A motion was made to this effect, seconded and unanimously approved.

The Health Education and Welfare Report of Extended Consultation  
for the Hamilton County Juvenile, June, 1967

The members decided that extra copies of the 1967 Health, Education, and Welfare evaluative report should be obtained from the Juvenile Delinquency Division, H.E.W. for distribution to juvenile court commission members, the mayor, county judge, attorney general, and related agencies mentioned in the report who would profit from the recommendations. It was emphasized that extra precaution should be taken as to whom should receive the copies due to the confidentiality of the contents. The commission and the juvenile court would take further steps in implementing and carrying out the recommendations in the report.

Finance and Budget Committee

Judge Britt announced that the Hamilton County Council had approved the budget at \$295,000. This represents an increase of \$20,000 and was used primarily for salary increments of all court personnel. This completes the third and last phase of the three year juvenile court projected budget.

University of Chattanooga

Mrs. Currey reported that Dr. Butterfield of the University of Chattanooga was responsive to the court program and was in hopes of obtaining federal funds to underwrite a work study program in the detention unit involving UC students in a special educational program. Mr. Knowles gave Dr. Butterfield a catalogue of government programs with instructions for application.

Summer Job Employment

Mr. Knowles reported that a Job Developer had been assigned to the juvenile court through the Chattanooga Full Employment Committee, Inc. This Summer Employment program is being sponsored by the Community Action Program through CEO funds, and administered by the Full Employment Committee, Inc. Miss Linda O'Neal, and the job developer, had in one week made 160 contacts with employers, and placed 15 youths, of which 12 were full time jobs.

There being no further business, the meeting was adjourned.

Respectively submitted,

  
Ralph W. Bradbury  
Secretary

This month has seen the initiation of several programs at the Unit.

Through the auspices of the University of Chattanooga, two Summer programs are now in progress. Dr. Ruby, has placed some of his graduate students at the Unit for field placement. They are participating in the areas of personal counseling, individual and group testing.

Dr. Utley has placed several of his students at the Unit for field placement. The ladies come each day and direct various types of activities, such as, arts and craft, sports, sewing and music. One student, Mrs. Shelly Millsaps, also a nursing instructor at Erlanger, gives instruction and counseling in personal hygiene to the girls.

Ideas gleamed from the Juvenile Detention Institute at Grafton, have turned the wheels of progress at J.D.U.

Each Wednesday at 2:45 P.M. "A Case Staffing", is held. At which time the detention staff, the court intake and probation staff, plus representatives from various agencies who are working with a boy or girl in detention meet and discuss each individual child in detention. The response has been tremendous on the part of detention and court staff.

Each Thursday at noon, two probation officers are invited to the unit for lunch. They sit with the particular boys or girls they are working

with. This brings the worker to the Unit plus gives a direct confrontation with the child, plus it is in an informal, relaxed setting. Our plans are to increase this procedure to 2 workers for lunch each day.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held Tuesday August 6, 1968, in the Juvenile Court Building. The following members were present: Mr. Reingold, acting chairman, Mr. Evans, Dr. Bond, Mr. Hudson, Mr. Knowles, Dr. Dzik, Mrs. Currey, and Judge Britt. Mr. William Hubbuch was guest speaker.

The minutes of the past meeting were available for discussion and approved as published.

State System Of District Juvenile Courts

Judge Britt stated that he had received a letter from Thomas A. Johnson, executive director of the Tennessee Legislative Committee, announcing that the Legislative Council would meet August 8, 1968 in the State Capitol Building, to hear statements as to the strengths and weaknesses of a system of state district juvenile courts. The findings and resulting recommendations would be presented by the council to the 86th General Assembly in 1969. Judge Britt proceeded to quote from a lengthy response he had prepared for the Legislative Council, outlining his thoughts on the matters under consideration. A duplicate copy of Judge Britt's statements is hereby enclosed. Mr. Reingold announced his intentions to attend the meeting with recommendations. The commission adopted a resolution urging the establishment of a state wide system of juvenile courts on par with the circuit courts. A motion was made to this effect, duly seconded and unanimously approved.

Residential Youth Rehabilitation Center

Mr. William O. Hubbuch, member of the law enforcement commission, presented a proposal for the converting of the old Central YMCA building into a residential youth rehabilitation center. The center would have some 100 youths who would, in place of being committed to the State Vocational Training School, be referred to the center and would profit from an intensive psychological and remedial and special educational program. They would continue attendance in their same city or county schools. Mr. Hubbuch gave two main objectives for the program:

1. To do something about rehabilitating juvenile delinquents in their community.
2. To get the churches and laymen involved.

He outlined the following steps:

1. Solicit contributions of \$1000 from each of the county's 539 churches. This would be supplemented with State Correctional Funds, Vocational Rehabilitation, and other services.

-2-

2. Set up a board of directors comprised of laymen of various denominations. In this respect the Episcopal Church has expressed interest in providing leadership.
3. Select a director who would be responsible for programming and staffing. The commission unanimously approved a resolution adopting the proposal for such a center, pledging their cooperation and support.

Nominating Committee

A motion was made, duly seconded, and unanimously approved that Mrs. Selma Cash Paty be elected to replace the expired term of Mrs. Spencer McCallie. The secretary was asked to submit a letter to the Hamilton County Council for approval of Mrs. Paty's nomination.

Other Matters of Business

It was announced that Judge Barker's portrait would be presented to the Barker family at the next commission meeting.

The next regular meeting date was changed to the second Tuesday, September 10th, 11:00 A.M. in consideration of the Labor Day weekend.

There being no further business the meeting was adjourned.

Respectively submitted,

Secretary

Re: State Juvenile Courts

Dear Mr. Johnson:

It is my personal opinion that the need has existed for some time for the State of Tennessee to standardize the juvenile court structure. It would appear to me that the only way this can be done would be to create a state system of courts as opposed to the present hodge podge system of hearing juvenile matters. With so many different courts and with so many different backgrounds and requirements for the judges, coupled with the wide difference in jurisdictional areas served, it is small wonder that there is a gross lack of uniformity in handling juvenile matters in the State of Tennessee. I recognize that there will always be differences in the personality of the judges that will have some small bearing on the handling of cases but with the standardization of the courts there could also be a standardization of the requirements to be a juvenile judge, which would reduce the personality factor to a minimum.

I would suggest a system of district courts comparable to the present Circuit Court district system with the Juvenile Courts to be co-extensive with the present districts served by the various Circuit Courts. In order to make available to the courts a person trained in the law, it would seem to me that in the areas not served by a county wide or a larger juvenile court that the Circuit Court serving each judicial district could act in the capacity of a

Page: 2  
Mr. Thomas A. Johnson

juvenile judge for his district. This no doubt will create some resistance among some of the circuit judges now serving a district larger than a county and I am sure many problems will be raised by them as objections to such a proposal. Attention is directed to the present statute providing for referees by the Juvenile Court now. Such a referee could be appointed in the various counties comprising a district and the requirement at the present time for the referee is such that a non-lawyer could function now, or as the social work community prefers to call them now, a para-professional. This person could dispose of the vast majority of cases coming before the juvenile court in the smaller population counties and for those people demanding trial before the duly elected judge, or in those matters that raise many legal problems, the matter could be set on the trial docket for the circuit judge.

In regard to the question of probation staff to handle these matters, the state system already has a probation group serving all of the counties in the State, and these could continue to function in this role. Those individual courts that have county probation officers, this person could be added to the state system and continue to function in his capacity.

The question arises concerning the Clerk of the Court as to whether or not such person should be an elected official or not. I do not see this as a matter of any grave consequence in as much as the presently existing courts function in one of two ways. One, the larger courts have their own appointed Clerks, which system could continue to be utilized, so far as I can see, and the other method is where the county judge or fiscal head has been acting in the capacity of juvenile judge, the elected County Court Clerk has also served in the capacity of the Juvenile Court Clerk, and I see no reason why this could not continue.

One other question raised by your recent letter and that is the qualifications of the judges for the juvenile courts. It is my firm conviction that the judge should be an attorney, licensed by the State of Tennessee. This would be a minimum and it would be desirable that he have some training in the social sciences, but I can see that this would present problems in making this a mandatory requirement in the law. In the Council's Social Security published in the early part of this year at the bottom of page 27, you have clearly pointed up the need for making a minimum require-

Page: 3  
 Mr. Thomas A. Johnson

for a judge to be one with legal training.

In regard to changes in the law, I would like to suggest a change in T.C.A. 37-265 to permit the court to remand a child directly to the grand jury, instead of dismissing the charges as now provided. Under the present statute two preliminary hearings are required, it appears to be a needless delay in the hearing of the case. Other than this I now have no immediate suggestions to make. In regard to changes in the present statute, other than minor adjustments, I am reluctant to propose any changes on the basis of Gault. The reason for this is that in those areas where Gault, or rather the Supreme Court of the United States, suggests change, I would agree with the proposed changes the only difficulty is before you divest an agency of responsibility, there must be another agency or service willing to undertake this responsibility. At the present time in those areas of family counselling where these proposals are suggested, I do not believe the Department of Public Welfare is in a position, across the State, to undertake this at this point. These proposals, I do believe, are desirable but again if we are seeking to standardize and render uniform the services of the court, we must still think in terms of what is available to all courts.

One other thing I would like to suggest in this area and that is if a system of state district courts is created as outlined above, if the State of Tennessee wishes to move into the family court concept, then you will have the basic frame work already in existence for such a movement. You would have the system set up to where it would not be again a hodge podge creation in some parts of the State with nothing in the rest of the State you would have the uniformity desirable in a court system.

I regret, due to prior commitments, I will be unable to attend the public hearing.

Sincerely yours,

LEO B. BRITT  
 Judge

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held Tuesday, September 10th, in place of the regular meeting due to the Labor Day holiday. The following members were present: Mr. Reingold, acting chairman, Mr. McEwen, Mrs. Paty, Mr. Noel, Mr. Hornsby, Mrs. Currey, and the Honorable Judge Leo B. Britt. Present also was Mr. Charles Quinton, Chattanooga Times reporter.

The minutes of the past meeting were available for discussion and approved as published.

Legislative Council Hearings on the State System of District Juvenile Courts

Mr. Reingold, who had attended the Nashville sessions, expressed hope that the Juvenile Court would be placed on the same level as that of the Circuit Courts, whereby the judge's salary would be fixed by the state and more uniformity and resources could be realized through a state supported court. The rural counties, according to Mr. Reingold, felt that they were operating efficiently and that a traveling Circuit Court would only slow up the judicial process, and unnecessarily detain children. It was brought out that of the 95 Tennessee counties, the four (4) Metropolitan areas have a combined case load of the remaining 91 counties. Furthermore, the philosophy and theory of each jurisdiction is very much varied. Mr. Reingold stated that copies of the Legislative Council report would be made available to the Commission Members.

Chattanooga Police Juvenile Division

Discussion revolved around the number and quality of juvenile officers in the Juvenile Division of the Police Department. Mr. Bradbury was requested to contact Mr. Larry Gaines, acting director of the division, for a listing of the names of the officers. It was strongly felt by the members that a fresh approach was needed in the department, particularly in light of the Gault Decision and the specialized training needed by the officers in presenting cases in the Juvenile Court. A resolution was unanimously passed that Mr. Reingold submit a letter to the Law Enforcement Committee requesting that certain steps be taken in the establishing of a specialized training program. Mr. Reingold would work in cooperation with Judge Britt on the matter.

Educational Program For Chambliss and Detention Unit

It was reported that the Chambliss children are being bussed to and from the Chickamauga School. They are enrolled in both the headstart program and the elementary grades. The Voluntary Tutoring Program in the Detention Unit is progressing well. Professional ladies of the community including Dr. Boatwright, Mrs. Holt, and Mrs. Livingood, wife of Dean Livingood, University of Chattanooga, are conducting special reading classes in informal group sessions. There is a need for a county school instructor to coordinate

the educational program of the unit. The former instructor has not been replaced by the county educational department. It was suggested that Dr. Butterfield and Mr. McEwen of the University of Chattanooga, and certain court commission members approach Dr. McConnell in regard to the placement of a teacher in the unit.

Chambliss Home and Detention Unit Committee

Mrs. Currey reported that in meeting with a Model City representative at the court, she had impressed him with the need for more building space and ventilation in the detention unit. An estimate by S. T. Franklin, Associates, Architects, Inc., fixed the cost for air conditioning of the entire detention unit at \$18,000. The kitchen included would be an additional \$3,000. A motion was made, seconded and duly approved that Mrs. Currey approach the Benwood Foundation with a request for funds since this project could be considered capital outlay. The canopy for the basketball area was also considered. The estimated cost for this for this project was \$3,500. A committee of Mrs. Currey, Mrs. Paty, and Mr. Hornsby were selected to head up the project. The Chambliss Home is presently sending children out to the Boy's and Girl's Club, and are in need of finances for fees, hair cuts, etc. Transportation of the children is also a problem. Mr. Roy Noel volunteered to arrange transportation through one of the local Community Action programs, as well as hair cuts through one of the barber unions.

Change of Meeting Site and Time

The group decided on 10:30 A. M. as a starting time since several members were under obligation to meet dinner engagements. The future Juvenile Court Commission meetings will be held in the upstairs probation officer's lounge.

There being no further business the meeting was adjourned.

Respectively submitted,

  
Ralph W. Bradbury,  
Secretary

The month of August brought the closing of the University of Chattanooga Summer Enrichment Program. The students themselves expressed appreciation for the opportunity and the experience received from working with the boys and girls at the Unit.

Most of the activity at the Unit during August was based on an active recreational program, with trophies being awarded in competitive activities. Softball and volleyball were the major sports activities for boys and girls mixed participation.

A special note of thanks is given to the ladies from Central Presbyterian Church for their faithfulness each Thursday in coming to the Unit. Mrs. McCallie and her group certainly showed their desire to serve during the hot summer months. In words, we can but say, Thanks.

We now look forward to the ensuing month and anticipation of the start of the Juvenile Court Social Services Program.

JUVENILE COURT COMMISSION MINUTES

The regular meeting of the Juvenile Court Commission was held Tuesday, September 3, 1968, in the Juvenile Court Building. The following members were present: Dr. Dzik, serving as chairman in the absence of Mr. Reingold, Mr. Hornsby, Mr. Hudson, Mrs. Paty, Dr. Bond, Mrs. Currey, Mr. Noel, and Judge Britt.

The minutes of the past meeting were available for discussion and approved as published.

A Law Enforcement Training Program

After much discussion it was decided that Mr. Reingold write the Law Enforcement Commission informing them of the need for police specialized juvenile training. In addition, Mr. George Evans to be asked along with the former committee of Dr. Dzik, Mrs. Currey, and Mr. Knowles, to approach Commissioner Turner regarding the need for a juvenile training program. It was suggested that Mr. Brown, chairman of the Law Enforcement Commission also be asked to attend the meeting.

Detention Unit Education Instructor

Mrs. Currey and Mrs. McDade along with Mr. McEwen and Dr. Butterfield to meet with Dr. McConnell pertaining to the placement of a school teacher in the Detention Unit by the County Education Department.

Model Cities Program

Concern was expressed by the group that the Chattanooga Progress, Inc. has no Juvenile Court representative on the board, and consequently, no persuasive voice in the direction of funds for the Juvenile Court and other related delinquency control and preventive programs. Judge Britt was requested to telephone Mayor Kelley to determine what possibilities there would be for a future assignment of a Juvenile Court representative on the CPI Board.

The Clark Harris Report

It was explained that a legislative proposal advocating state supplement of probation officer's salaries comparable to the education system was being drawn up by the Nashville Bar Association for presentation at the next legislative assembly. The Nashville group is soliciting the backing of all interested people, particularly, the Juvenile Courts of the state.

Premises Liability Policy - Juvenile Court Commission

Judge Britt received a letter from Trotter, Boyd, & Keese Insurance Company recommending that the amount of coverage for the commission members

-2-

be increased from the limit of \$25,000 per person and \$100,000 per accident for bodily injury to \$100,000 per person and \$300,000 per occurrence. The total premium would be \$331 rather than the present premium of \$299. A motion was made and unanimously passed that the court pay the increased premium and that the Legislative Committee of the court study the feasibility of revising the one paragraph in the Private Act making the Juvenile Court liable for personal injury to commission members while on Juvenile Court premises.

Special Projects and Considerations

The standing committees need to be revised immediately and a chairman appointed to the respective committees.

A permanent chairman to be elected to the Juvenile Court Commission.

Mrs. McDade be approached in hopes of her consenting to a second term on the commission. In the event she declines, the nominating committee be responsible for the securing of prospective names to be presented to group for consideration.

Dr. Dzik expressed concern that the social welfare and correctional conferences and institutes do not reserve any of their programs for the training and enlightenment of Juvenile Court Commissions and Advisory Boards. Judge Britt suggested that the Tennessee Council of Juvenile Court Judges would be the most ideal, and would be meeting in Nashville, November 29th and 30th.

There being no further business the meeting was adjourned.

Respectively submitted,

  
 Ralph W. Bradbury,  
 Secretary

The census for the month of September was lower than it has been since we opened in 1958. We had 14 on the first day of September and admitted 2 during the month. We dismissed 4 and carried over 12 to October.

Toney Jeffery (5 yrs. old) is recuperating from surgery. He will be in a cast for several weeks and has to be carried from place to place.

Joe Hicks who is recuperating from his second cataract surgery must remain quiet for several weeks. He is hyperactive, therefore causing many problems.

Our kitchen is in great need of refurbishing. The large electric stove caught fire one morning before breakfast. There was little damage to the kitchen but great damage to early morning nerves. One burner is gone. This stove is 23 years old and is on it's way out. We are using a used gas range (domestic size) to supplement. The kitchen sink is almost rusted through. We have only one, to wash vegetables, dishes, tea towels, etc. This is an impossible situation. The kitchen utensils for cooking, need to be replaced. These things mentioned are a must -- in good society.

VOLUNTEER HELP

The Pilot Club continues to come each Thursday evening to entertain the children. Anchors Away, also come. (Girls division of Pilot Club)

The Junior League girls continue to come each week. They entertain the nursery age children, which is a great help.

The Altrusa Club gave \$40.00 to help pay for children's lunches at school.

The St. Thaddeus ladies come once each month. They bring cokes and potato chips, which the children love, also used clothing and toys, for which we are grateful.

The St. Peter Episcopal Church ladies bring clothing, take out sewing, also make new dresses.

Mrs. Mary Eleanor Clark continues to supply us with books.

The Kiwanis Club ladies came to sew one day.

Mrs. Frank Bork continues to send new dresses for the girls, which she makes at home.

Mrs. J. B. Ragon, continues to send three gallons of ice cream each week.

HAMILTON COUNTY JUVENILE COURT TESTING PROGRAM  
MONTHLY REPORT

September, 1968

The Testing Program began operation under the Juvenile Court Social Services Program on September 16, 1968. The last half of September was more a period of planning and preparation than of doing. Although much of the program was based upon perviously functioning programs (the psychological testing and visual testing facets of the program began upon a sound foundation of perviously acquired skills and equipment), much of this period was devoted to training personnel. The Casework Aide underwent three hours of training in administering vision tests under the supervision of Dr. Dzik, a local Optometricist and a member of the Juvenile Court Commission. She was also given several hours instruction by the Psychological Services Worker on administering group tests.

The psychological testing program is basically the program developed by Mr. Stanley Vogel, the previous Psychological Examiner. Some differences exist, but only of a minor nature. A description of the psychological testing program is enclosed. One weakness of the former program has been remedied by the addition of a reading test (the SRA Reading Record) to the group testing battery. This test, however, is somewhat complicated and too sophisticated for the program's needs. The need for a fast, easily administered reading test was the subject of a conference with Walter W. Ruby, Ed. D., one of this program's consultants and a number of the Psychological Testing Advisory Board, and several ideas were explored. A sample set of one test has been ordered.

The visual testing program has not begun operating fully because of the lack of trained personnel, but it should be functioning normally by the second week of October.

HAMILTON COUNTY JUVENILE COURT  
PSYCHOLOGICAL TESTING PROGRAM

The psychological testing program is essentially a three-phase program. The first phase consists of group testing. The tests used in this phase are a group IQ test (Otis Quick-Scoring Test of Mental Ability or Culture Fair) and a group personality test (High School Personality Questionnaire). The SRA Reading Record has been administered in conjunction with these other two types of tests and the Peabody Picture Vocabulary Test has been used as an alternate IQ test when needed.

The second phase of the program is not testing, but rather evaluation of a comprehensive developmental history questionnaire. This questionnaire is completed by the parents with the assistance of the probation officer.

The third phase is individual testing. The Wechsler Scales and the Bender--Gestalt are presently being administered during this phase.

Each of these three phases are concluded by a decision: to continue or discontinue testing the juvenile. If the decision at the conclusion of phase-three testing is to continue, the juvenile is referred to an outside agency for further testing.

Several tests other than the ones mentioned above are being considered for inclusion in the program. The Children's Personality Questionnaire, a version of the High School Personality Questionnaire designed for the 8 to 12 age range, is being evaluated for use with the younger children. At the present time there is no group personality test being used with this age group.

The McGrath Test of Reading Skills has been considered as a substitute for the SRA Reading Record. Its great advantage is the short length of time required to administer it: 5 to 10 minutes. A sample set has been ordered.

The psychological testing program is operating under the supervision of an Advisory Board. At present the members of this board are: Walter W. Ruby, Ed. D., Chairman, Graduate Division of Educational Studies, University of Chattanooga; and Stanley A. Speal, Ph. D., Chief Psychologist, Chattanooga Psychiatric Clinic.
