RESOLUTION

WHEREAS, the City of Chattanooga, Tennessee, has agreed to purchase a certain tract of land in Summitt, Hamilton County, Tennessee, known as the Robinson Farm; and

WHEREAS, the Tennessee Department of Public Health has approved the use of one hundred and sixty (160) acres of said tract for a sanitary landfill; and

WHEREAS, the City of Chattanooga, Tennessee, has represented to the Council that its present sanitary landfill will be exhausted in approximately one (1) year; and

WHEREAS, the County Council finds that it is in the interest of Hamilton County that the City's disposal needs be filled at a new site rather than at the existing landfill operated by the County at Harrison; and

WHEREAS, the approval of the County Council is required by Tennessee Code Annotated Section 53-4305 for the use of said land as a sanitary landfill;

NOW, THEREFORE,

BE IT RESOLVED BY THE HAMILTON COUNTY COUNCIL, That approval be and is hereby given to the City of Chattanooga, Tennessee, for use of the tract known as the Robinson Farm in Summitt, Hamilton County, Tennessee, for use as a sanitary landfill to the extent heretofore approved by the Tennessee Department of Public Health.

ON MOTION of Judge Frost, seconded by Councilman Newell, that petition No. 072 (Mrs. Stellah S. Schrader) to rezone from Agricultural District to Local Business District a tract of land located at the NE Intersection of Standifer Gap Road and Bill Reed Road, be referred back to the Planning Commission. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

Mr. Elbert Scholze, representing Mrs. Schrader, appeared before the Council and stated that an error was made in the papers giving the date of the hearing on this petition, and requested the above action in order to give the people in the area in protest of said rezoning, an opportunity to come before the Council.

Judge Frost announced that Provident Life Insurance Company would like to give an option to the Hamilton County employees to continue paying the sum of \$2.60 per month for their paid-up life insurance. This is in addition to what the county is paying for their \$2,000. term life insurance coverage. If the employee chooses to take this \$2.60 per month policy, at his death the beneficiary would receive the \$2,000. plus the \$2.60 per month contribution or the cash value, whichever is greater, and should he leave the County's employment before death, he would get back what he has put into same. Without objection the Council agreed to give the employees option to take said insurance if they so desire.

Judge Frost announced that he had received a letter from the State Health Department relative to the water shortage problem in the Yorktown Woods Subdivision and others, in answer to his letter to them in compliance with action taken on July 17, 1974 at the Council meeting. He also stated that he has not heard from the Utility Districts relative to this matter.

AUGUST TERM 1974

A RESOLUTION

TITLE

AUTHORIZING THE ADVANCEMENT OF NECESSARY FUNDS MONTHLY TO THE NEWLY ELECTED FEE OFFICIALS FOR THE ORDERLY OPERATION OF SAID OFFICES UNTIL FEES COLLECTED ARE SUFFICIENT TO OPERATE SAID OFFICES AND REPAY ANY SUMS SO ADVANCED.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the Sheriff and County Court Clerk begin a new term of office on September 1, 1974, and of necessity there will be need for advancement of certain sums for the orderly operation of their Offices; and

WHEREAS, Section 8-2208 of T.C.A. makes a provision for the governing body of the County to direct the advancement of said necessary funds on a monthly basis if same are available, until said officials collect sufficient fees to operate and re-pay said sums advanced.

NOW, THEREFORE, BE IT RESOLVED, that said necessary funds be advanced monthly to the end that said Offices might operate efficiently and for the good of the citizens of Hamilton County. It being noted said Officials will be required to re-pay the sums advanced as soon as the fees collected will justify same.

to make a false or incorrect exhibit of receipts, statement of expenses, or statements as to any fact required to be stated by this chapter or chapter 24 of this title under oath, shall be deemed guilty of a felony and be subjected to presentment or indictment; and, upon conviction shall be fined not less than fifty dollars (\$50.00), nor more than one thousand dollars (\$1,000), and be imprisoned in the state penitentiary for not less than one (1) year nor more than five (5) years, with authority in the jury trying the case to commute the imprisonment in the state penitentiary to imprisonment in the county jail or county workhouse for a term under one (1) year. [Acts 1921, ch. 101, § 13; Shan. Supp., § 6428a50; Code 1932, § 10739.]

8-2207. Office supplies paid for by county.—All necessary books, stationery, office equipment, stamps, and supplies of all kinds used in the conduct of the various offices shall be furnished and paid for by the county, including premiums on official bonds executed by said officers named in § 8-2201. [Acts 1921, ch. 101, § 10; Shan. Supp., § 6428a47; Code 1932, § 10736.]

NOTES TO DECISIONS

1. Premiums on Surety Bonds.

Payment of premiums to the surety on the bond of the officer was only allowable out of the excess of fees over the maximum salary, and if the fees did not

exceed the maximum salary the premiums could not be charged against the county. *State v. Miner* (1939), 176 Tenn. 158, 198 S. W. (2d) 766.

8-2208. Payment of expenses out of fees—Settlement.—At the end of each month, each officer enumerated in § 8-2201 shall pay, out of the fees, commissions, or emoluments collected by him by virtue of his office, all the expenses of the office in the manner provided. He shall also pay the salaries of the deputies and assistants who may be provided for his office for said month, and he may pay to himself the proportionate part of his year's salary; but the excess of such fees, commissions, emoluments, etc., he shall retain to be accounted for to the county as directed; provided, that if in any month the total amount of fees, commissions, emoluments, etc., collected by any of such officers does not equal the total amount of his salary, the salaries of his deputies, and assistants allowed him plus the other expenses of his office as provided, for the month, then the amount of such deficiency shall be allowed him out of any excess fees, etc., received or collected by him during any preceding or succeeding month or months of the terms for which he is elected or appointed. However, upon beginning a new term of office, the county trustee, when funds are available, and upon approval and direction of the governing body of each county, shall advance monthly to said officers, the necessary funds with which to begin a new term of office until excess fees collected are sufficient to repay to the county trustee any and all of the sums so advanced. Said excess fees, commissions, etc., paid over to the county trustee under the provisions of §§ 8-2201—8-2217 shall be subject to the

law as applies to unclaimed funds paid into the county treasury under § 5-821; and when the several terms of office of the officers are ended a final settlement will be had between the county and said officers, and any deficiency in the salary of said officers for any year during their tenure will be paid to them out of said funds arising from the funds paid in by said officials. [Acts 1921, ch. 101, § 16; Shan. Supp., § 6428a53; Code 1932, § 10742; Acts 1969, ch. 259, § 1.]

ANALYSIS

1. Keeping fees intact to end of term.
2. Collected rather than accrued fees.
3. Fees collected after office.
4. Deficiency—Six-month period.
5. What fees available for payment of salaries and making up deficiencies.
6. Limitations.
7. Agreements and decrees contrary to statute.

Cross-Reference. See notes to § 8-2201. *White v. Davidson County* (1962), 210 Tenn. 456, 360 S. W. (2d) 15.

1. Keeping Fees Intact to End of Term.

It was not necessary to keep the fees intact until expiration of the officer's term for the purpose of making up any deficiency of salary for any year of the term. *Hunter v. Conner* (1925), 152 Tenn. 258, 277 S. W. 71.

Under this statute it was not necessary that clerk keep fees intact until expiration of his final term, and tentative statements of excess fees in hands of clerk which he was required by this statute to render at end of each six-month period did not create an estoppel. *Anderson v. Maury County* (1951), 193 Tenn. 62, 242 S. W. (2d) 81.

2. Collected Rather than Accrued Fees.

Officers regulated were entitled to apply towards their salaries and official expenses all fees collected during any semiannual accounting period if necessary, and were not limited to fees earned and accrued during such period. *Hamilton County v. Clark* (1932), 165 Tenn. 292, 55 S. W. (2d) 266.

3. Fees Collected After Office.

Clerk of court was not estopped from having readjustments of salary paid him under Private Acts 1930, ch. 390, and subsequent adjustments, even though he had left office while unable to make final settlement of fees collected upon

disposition of pending appeals. *Gregory v. Trousdale County* (1951), 193 Tenn. 57, 242 S. W. (2d) 80.

4. Deficiency—Six-Month Period.

Clerk could apply fees accruing in any six-month period to reduction of any prior salary deficiency in his term, and he need not wait until end of his final term to apply excess fees to any prior deficiency. *Anderson v. Maury County* (1951), 193 Tenn. 62, 242 S. W. (2d) 81.

5. What Fees Available for Payment of Salaries and Making Up Deficiencies.

The fees available for the payment of salaries of officers under the Anti-Fee Bill were all fees "collected" by such officer during his term or terms of office without reference to the origin or date of creation of the fee or charge. *Anderson v. Maury County* (1951), 193 Tenn. 62, 242 S. W. (2d) 81.

Public officers of the class covered by this section were entitled to apply fees collected during any term of their office to salary deficiencies that occurred in prior terms. *Lane v. Sumner County* (1957), 201 Tenn. 229, 298 S. W. (2d) 708.

6. Limitations.

Mutual accounts exception in § 28-312 did not apply to fees paid clerk after his term of office had expired by successors in office, since county owed clerk nothing after termination of office as salary had been paid, hence cause of action against surety by county for excess fees collected accrued on termination of office and surety was only liable for excess fees collected six years prior to institution of suit regardless as to whether collected by clerk or successor. *State ex rel. Obion County v. Cobb* (1947), 184 Tenn. 675, 202 S. W. (2d) 819.

Where clerk's tenure of office ended on October 28, 1938 an action filed by county on July 27, 1945 to recover alleged excess fees of clerk collected during his term

HAMILTON COUNTY:

A RESOLUTION

TITLE: A RESOLUTION FIXING THE COMPENSATION OF THE COUNTY JUDGE OF HAMILTON COUNTY, TENNESSEE, AT \$15,000.00 PER YEAR, FOR HIS SERVICES AS FISCAL AGENT, UNDER THE AUTHORITY OF SECTION 5-613 OF T.C.A., WHICH IS IN ADDITION TO THE SALARY OF \$10,000.00 PER YEAR SET FOR THE COUNTY JUDGE UNDER CHAPTER 476, OF THE PRIVATE ACTS OF 1949, BEING A TOTAL OF \$25,000.00 HE IS TO RECEIVE PER YEAR. IT BEING NOTED THAT THIS PROVISION IS IN CONFORMITY WITH CHAPTER 752, PUBLIC ACTS OF 1974 WHEREIN THE PAY FOR THE COUNTY JUDGE SHALL BE AT LEAST 15% HIGHER THAN THE MAXIMUM FOR THE COUNTY TRUSTEE AS IS SET OUT IN SECTION 8-2403. THE SALARY AS SET OUT HEREIN SHALL BE ADJUSTED ON SEPTEMBER 1, 1974, TO REFLECT THE PERCENT OF CHANGE IN THE AVERAGE CONSUMER PRICE INDEX AS PUBLISHED BY THE U.S. DEPARTMENT OF COMMERCE, AND EACH SUCCEEDING SEPTEMBER. 1st A SIMILAR ADJUSTMENT WILL BE MADE.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:--

WHEREAS, PRESENTLY THE SALARY OF THE COUNTY JUDGE OF HAMILTON COUNTY IS SET AT \$10,000.00 PER YEAR BY CHAPTER 476, OF THE PRIVATE ACTS OF 1949; AND HIS PAY FOR BEING FISCAL AGENT IN ADDITION TO THE ABOVE IS SET AT \$14,000.00, BEING A TOTAL YEARLY PAY AT THIS TIME OF \$24,000.00 PER YEAR; and

WHEREAS, THE COUNTY JUDGE OF HAMILTON COUNTY AS FISCAL AGENT HAS AN EVER INCREASING NUMBER OF DUTIES TO PERFORM AND SERVICES TO BE RENDERED IN THIS CAPACITY, AND

WHEREAS, CHAPTER 752 OF THE PUBLIC ACTS OF 1974, SETS THE MINIMUM COMBINED COMPENSATION FOR SERVICES AS COUNTY JUDGE AND COUNTY FISCAL AGENT AT NOT LESS THAN 15% HIGHER THAN THE MAXIMUM SALARY PAYABLE TO THE COUNTY TRUSTEE OF THE COUNTY IN WHICH HE SERVES; AND

WHEREAS, IT IS THE DESIRE AND INTENT OF THE HAMILTON COUNTY COUNCIL TO SET THE COMBINED SALARY OF THE COUNTY JUDGE OF SAID COUNTY IN KEEPING WITH THIS CHAPTER NO. 752 OF THE PUBLIC ACTS OF 1974, AND CHAPTER 573 OF THE PUBLIC ACTS OF 1974, WHEREIN THE SALARY OF THE COUNTY TRUSTEE IS SET, AND PROVISION IS MADE TO REFLECT THE PERCENT OF CHANGE IN THE AVERAGE CONSUMER PRICE INDEX.

NOW THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE, IN REGULAR SESSION ASSEMBLED, THAT THE COMPENSATION OF THE COUNTY JUDGE OF HAMILTON COUNTY, BE INCREASED TO THE SUM OF \$15,000.00 (FIFTEEN THOUSAND DOLLARS) PER YEAR FOR HIS SERVICES AS FISCAL AGENT OF HAMILTON COUNTY, TENNESSEE, WHICH IS IN ADDITION TO THE SALARY OF \$10,000.00 (TEN THOUSAND DOLLARS) FIXED BY STATUTE AS COUNTY JUDGE, BEING A TOTAL OF \$25,000.00 PER YEAR; AND SAID COMPENSATION SHALL BE PAID MONTHLY OUT OF THE GENERAL FUNDS OF THE COUNTY UPON HIS WARRANT, AS AUTHORIZED BY LAW.

AUGUST TERM 1974

BE IT FURTHER RESOLVED THAT BEGINNING SEPTEMBER 1, 1974, THE TOTAL SALARY OF THE COUNTY JUDGE SHALL BE THE BASE, OR TOTAL, SALARY HEREINABOVE PROVIDED ADJUSTED TO REFLECT THE PERCENTAGE OF CHANGE IN THE PER CAPITA PERSONAL INCOME OF THE STATE OF TENNESSEE, AS DEFINED AND PUBLISHED BY THE UNITED STATES DEPARTMENT OF COMMERCE, BETWEEN THAT OF THE CALENDAR YEAR 1970 AND THE CALENDAR YEAR NEXT PRECEDING SEPTEMBER 1 OF THE YEAR FOR WHICH THE SALARIES ARE TO BE PAID. THE ADJUSTMENTS SHALL OCCUR ON SEPTEMBER 1, 1974, AND ON SEPTEMBER 1 EVERY YEAR THEREAFTER FOR THE ENSUING YEAR COMMENCING SEPTEMBER 1.

BE IT FURTHER RESOLVED THAT THIS RESOLUTION TAKE EFFECT ON SEPTEMBER 1, 1974, THE PUBLIC WELFARE REQUIRING IT.

Dear Jack:

Attached is our revised letter in accordance with your request. You will note that I have increased our cost estimates from my original letter. The reason for this is the possible changes that may be required to interface this equipment with the L.E.A.A. requirements.

I would encourage you to advise Judge Frost that time is of the essence in light of the fact that L.E.A.A. apparently has to commit their funds in the very near future. Any delay in establishing the equipment specification beyond a commitment to the L.E.A.A. could prove very detrimental to the overall communications plan.

We thank you again for calling us in on this project. Please let us know if you need further information after you talk with Judge Frost. I will be out of the City until June 15, however, if more information is needed, contact my secretary, Ruby Harding, and she will get in touch with Dr. Cook or me.

Gentlemen:

Following our meeting, Tuesday, May 28, at which time we discussed the requirements of the L.E.A.A. grants and their compatability with the Hamilton County E.O.C. communications plan, we were better able to determine the scope of work that may be required of Advanced Control Engineering, Inc. as consultants to the communications interface requirements.

It is difficult to precisely ascertain the total scope of work involved in developing the needed information for coordinating the communications requirements for each of the participants and to determine the proper interface with the equipment recommendations and specifications as set forth by the L.E.A.A. grants. This letter will outline all foreseeable requirements to successfully complete the task and the commensurate, not to exceed, expenditure. Any savings in time required to coordinate the individual requirements or any prepared data that we can use will reduce our charges for this work.

Scope of Work -- Phase I:

{ To coordinate with all of the applicable Agencies participating in the Hamilton County Emergency Operating Center, regarding the required communication equipment needed to support the overall communication plan and to further coordinate and interface these equipment requirements with recommendations provided by L.E.A.A.: }

Upon analysis of the required equipment we would prepare documentation to assist in committing each Agency to request and justify expenditures based on Office of Emergency Preparedness and L.E.A.A. fund sharing allocations. This information would be supplemented with detailed technical specifications which would be in a format acceptable to be released for competitive bids by qualified equipment manufacturers.

Consulting Requirements - Phase I:

- a. Anticipate 20 working days in the Chattanooga area to coordinate information.
- b. Anticipate 15 round trips between Nashville and Chattanooga.
- c. Coordination with equipment manufacturers on availability, pricing, and technical specifications of proposed equipment.
- d. Specification writeup and submission of final report and specification.
- e. Modify or amend the E.O.C. equipment recommendation as required to achieve compatibility and proper interface with the L.E.A.A. equipment recommendation.
- f. Estimated time: three to four months.
- g. Estimated cost: not to exceed \$6,500.00

Scope of Work -- Phase II:

- a. Coordinate with each participant the necessary liaison to insure that purchased equipment is in accordance with the required specification.
- b. Assist during installation of the equipment by inspection to insure that the equipment is installed and operating in the manner prescribed by the specification.
- c. Verify that the training of the operators in the use of the new equipment is proper and adequate in accordance with the manufacturer's recommended practices.
- d. Inspect the installation of the equipment in the Emergency Operating Center and verify its compatibility and adherence to the overall operation, as specified in our communications report.
- e. Estimated cost: not to exceed \$4,000.00.

Payment for Phase I would be required after submission of final documentation and specifications. Since there is anticipated to be considerable delay between Phase I and Phase II, we feel they should be treated as two separate contractual agreements and we would be in a better position to confirm a more accurate pricing for Phase II upon completion of Phase I.

We appreciate very much your giving us the opportunity to assist you on this requirement. We have a continuing enthusiasm for seeing this task completed in a proper manner and offer any assistance or cooperation which we can provide to obtain positive results.

We regret the difficulty in providing a more firm pricing, however, at this particular point it is not possible to ascertain the level of participation, which of course will affect the total work required.

Please do not hesitate to contact me if you require further detail or information regarding this preliminary proposal.

ON MOTION of Councilman Ricketts, seconded by Councilman Long, to delay for thirty (30) days any action on Resolution No. 111 (Charles W. Clements) to rezone from Rural Residential and Agricultural District to Local Business District a tract of land located in the 8200 block of Dayton Pike, being at the northwest corner of Dayton Pike and Johnson Road. (Councilman Long asked that slides be shown on this tract.) Petitioner's attorney, Mr. Blake Moore, will present further information with building plans, etc., to the Council. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

ON MOTION of Judge Moore, seconded by Councilman Ricketts, to recommend that the County be responsible for the liability of the Sheriff and regular deputy sheriffs to meet state obligations, and that special deputies, security guards, etc., have their own liability insurance coverage. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

Judge Moore stated that the premium of a liability policy to cover the whole force (including some 2500 deputies) is about \$10,000. a year. The largest loss that he knows of has been \$5000. and the second largest \$4500. Judge Moore said that liability of the County in the past has been somewhat limited by the good work of Walter Lusk. Judge Moore expressed appreciation to Sheriff Newell for his thoughtfulness in bringing these matters to Judge Moore's attention. Sheriff Newell could hire the deputies without any assurance of liability and the County would be responsible for them.

Judge Moore asked County Manager Dalton Roberts to make a study of the administrative structure of County Government and return the results to the next meeting.

S E P T E M B E R T E R M 1 9 7 4

ON MOTION of Councilman Fuller, seconded by Councilman Ricketts, to grant the request of Mr. Tom Moore, Election Commissioner of Hamilton County, to appropriate a fund in the amount of \$97,427.50 (Council already obligated for \$18,500. leaving a balance of \$78,927.50), for the purchase of punch card voting apparatus (Votomatics) 1150 machines. The foregoing Motion was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting, "Aye": Councilman Fuller, Councilman Long, Councilman Mayfield, Councilman Ricketts and Judge Moore. Total present-5. Absent-0.

Mr. Moore stated that the trial run on August 1 (in 23 of 78 precincts) was very successful. Favorable reactions were received from 87% of the voters and 91% of the workers. The purchase of 1150 Votomatics will give a ratio of 1 machine to every 100 voters. The present set-up is 1 to 500. Concerning the old machines, Mr. Moore said that 245 of them (80%) are 21 years old or older and that it would cost \$100,000. to purchase enough of the older type machine to give a ratio of 1 machine to every 400 voters. Mr. Moore told of one candidate who protested the counting procedure and went to Hamilton Bank to check some of the results; he went through three precincts and the count came out letter perfect.

ON MOTION of Councilman Fuller, seconded by Councilman Ricketts, to delay action on employment of the Federal Projects Director. Councilman Fuller expressed the opinion that it is a large amount of money (salary \$18,000.) and felt that further study was needed, perhaps even interviewing other applicants. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

ON MOTION of Councilman Long, seconded by Councilman Fuller, that Councilman Mayfield be elected Vice-Chairman for the County Council for a term of one (1) year. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

S E P T E M B E R T E R M 1 9 7 4

Councilman Fuller brought up the matter of the election of a new Assistant County Attorney to replace Mr. Sam Payne, who was elected a Judge of the Circuit Court.

Judge Moore announced that nominations were open for this position.

ON MOTION of Councilman Mayfield, seconded by Councilman Ricketts, to nominate Bruce Guthrie.

Judge Moore nominated Mr. Jeff Boehm, but took no action on this nomination because there was no second.

The foregoing Motion was Adopted on a Roll Call vote, with the following members of the County Council being present and voting as follows: Councilman Long, "Aye"; Councilman Mayfield, "Aye"; Councilman Ricketts, "Aye"; Judge Moore, "Aye". Councilman Fuller, "Nay". (Councilman Fuller later phoned County Court Clerk and asked that his vote be changed to "Aye".)

Mr. Bruce Guthrie being elected as Assistant County Attorney with a four to one vote.

Mr. John C. McCrary, a resident of the Fairmount Subdivision, appeared with a delegation of approximately eight (8) other persons in opposition to the rezoning of property in the Fairmount Subdivision, which had been advertised in the newspaper as Petition 104 (Bruce Lewis). County Manager Dalton Roberts explained to Mr. McCrary that the petitioner must provide to the manager's office a notarized copy of legal advertisement before an item can be put on the agenda, and the petitioner had not done this. Mr. Roberts told the delegation that the property will have to be re-advertised and with the required waiting period the matter cannot come before the County Council until the second October meeting. Members of the delegation were asked to sign their names and addresses so that they can be notified when the petition is to come up. Mr. McCrary's objections to the rezoning were heard by the County Council; the petitioner plans to put a trailer park on the property. The Planning Commission and Mr. Roberts will look into the matter concerning subdivision rules, etc.

ON MOTION of Councilman Long, to suspend the issuance of building permits in an area near Highway 58, including Lakeshore Estates, Bartlebaugh, Indian Shores, Vincent Road, until the Eastside Utility District is willing to replace water mains in the area to improve water pressure. Said Motion died for lack of a second.

This action came up because Mr. S. T. Quinn of Vincent Road appeared to ask the County Council to take some action to improve the water pressure in the area. Residents in the area have complained to the Eastside Utility District for about three (3) years but have received no action, only promises of future help. Mr. Quinn stated that the 2" line was installed about 19 years ago by 7 families who paid \$350. each to install this line. This same 2" line now "Y's" off to a 6" line that must serve about 300 families. Mr. Quinn asked that building permits and/or water meters be suspended in the area. Judge Moore explained that the County Council has no jurisdiction over the issuance of water meters which are handled by the utility district, only building permits. After Councilman Long's motion failed for lack of a second, Judge Moore said that he would talk to Mr. Ford of the Eastside Utility District and make a report to the County Council at the next Council meeting as to the plans for the improvement of the water service.

ON MOTION of Judge Moore, seconded by Councilman Ricketts, that Judge Moore do this. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

ON MOTION of Councilman Long, seconded by Judge Moore, the Meeting was adjourned.

(Judge Moore stated that the Government has recently changed procedures and now allow 15¢ a mile (this is up from 12¢ a mile). He noted that this is about ½ of what it actually costs, counting insurance, depreciation, tires, oil, etc. He thought that it was advisable for the County to meet the figure the Government allows.)

TITLE AGREEMENT MADE BETWEEN HAMILTON COUNTY, TENNESSEE, AND SOUTH EAST TENNESSEE DEVELOPMENT DISTRICT.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

THAT, this Agreement made and entered into by and between Hamilton County, Tennessee, hereinafter referred to as "County", and South East Tennessee Development District, hereinafter referred to as "District".

WHEREAS, District has available funds for the purchase of certain sign making equipment for use of the County and other counties of the District; and

WHEREAS, County desires to use said equipment, materials and supplies and store same on its premises at the Hamilton County Maintenance Garage,

NOW, THEREFORE, BE IT RESOLVED THAT IN CONSIDERATION OF THESE PREMISES, the parties do hereby agree as follows:

1. District will purchase one(1) Val-2 Heat Lamp Applicator and one(1) HSRA Squeeze Roll Applicator with funds expected to be obtained through a Highway Safety Grant from the State of Tennessee.
2. District will purchase sign making materials and supplies with funds expected to be obtained through a grant under Federal Safer Roads Demonstration Program 230.
3. District will furnish all labor for the operation of the sign making equipment through February 15, 1975.
4. The hereinabove mentioned sign making equipment, materials, and supplies will be located at the Hamilton County Garage for the duration of the Federal Safer Roads Demonstration Program.
5. Equipment, materials and supplies shall be and remain the property of District during the term of this agreement and District shall have complete control of same.

TITLE AGREEMENT MADE BETWEEN HAMILTON COUNTY, TENNESSEE, AND SOUTH EAST TENNESSEE DEVELOPMENT DISTRICT.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

- 6. During the term of the Federal Safer Roads Demonstration Program, the equipment, materials and supplies shall be used for making signs for all the counties of the District.
- 7. At the completion of the Federal Safer Roads Demonstration Program, the equipment referred to in Paragraph 1 above shall become the property of County.
- 8. As part of the consideration of this agreement, County agrees that it will maintain the equipment and continue making signs for the other counties of the District for a period of five (5) years from completion of said program on an actual Hamilton County cost basis.
- 9. This agreement may be terminated by either party on thirty (30) days notice in writing to the other party informing its intention to terminate.
- 10. If this agreement is terminated under the provisions of No. 9 above, then District shall have the authority to remove the equipment and all materials and supplies from the County's premises.

BE IT FURTHER RESOLVED, That this Resolution take effect from and after its passage, the public welfare requiring it.

According to Mr. Roberts, certain signs are now required under the Highway Safety Act. Judge Moore stated that acquiring these signs by purchase would cost \$60,000 unless we do it ourselves. By using Hamilton County labor, and having other counties furnish materials and supplies, at the end of five years the equipment will be ours.

A RESOLUTION

TITLE A RESOLUTION ESTABLISHING A REVISED ADMINISTRATIVE ORGANIZATIONAL STRUCTURE FOR FUNCTIONS RESPONSIBLE TO THE COUNTY COUNCIL, COUNTY JUDGE AND COUNTY MANAGER; IDENTIFYING AND DESCRIBING CERTAIN NEW JOB TITLES AND PROPOSING SALARY RANGES THEREFOR; AND APPOINTING CERTAIN APPLICANTS TO POSITIONS NEEDING TO BE FILLED AT THIS TIME.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the County Council directed the County Manager on September 4, 1974, to study the present administrative structure of governmental functions responsible to the Council, County Judge and County Manager, and to make recommendations to improve and expedite these functions, and

WHEREAS, fiscal functions should be responsible to the County Judge as Fiscal Agent of Hamilton County, and

WHEREAS, legal functions related to the positions of Mental Health Officer and Assistant Mental Health Officer dictate the need for continuing supervision by the County Judge, and

WHEREAS, the present administrative organization places seventeen separate functions under the direction of the County Manager with no intermediate personnel to assist in the orderly expedition of services, and

WHEREAS, the present structure is inadequate for the supervision of human services programs and federally-funded projects, and not effectively organized to develop plans for needed new programs and services, and

WHEREAS, certain engineering-related functions are now now under the supervision of the County Engineer, and

WHEREAS, the Engineering Department's increasing responsibilities demand additional manpower and professional expertise, and

WHEREAS, the County Auditor's operational relationship to departments not under the direction of the County Manager indicates the advisability of his supervision of microfilming functions, in cooperation with all departments requiring this service, and

WHEREAS, certain positions hereafter described need to be filled now to begin the implementation of a revised and improved administrative organization;

NOW, THEREFORE, BE IT RESOLVED that the County of Hamilton, Tennessee, hereby:

1. Adopts the Proposed County Administrative Organization, which is attached hereto, marked Exhibit "A" for identification, and made a part hereof by reference thereto, same being incorporated herein as fully and completely as though copied herein verbatim;

2. Transfers the following employees from their present positions to positions indicated on EXHIBIT "A" at their present rate of pay: John Bromley, John Bischoff, and Conner Ragan;

3. Transfer Terry Lee from Planner to Manpower Field Service Director at a salary of \$12,500 annually;

4. Establishes the following salary range for new positions, with annual consideration for cost-of-living modification, and actual salary of persons employed to be set by the County Judge upon recommendation of the County Manager and consultation with the Council:

Operations Director	16,500	-	20,500
Personnel Director	14,500	-	16,500
Director of Community Development	16,500	-	20,500
Highway Inspectors- Planners	13,500	-	17,500

5. Establishes the salary range of the County Engineer considering new responsibilities described in EXHIBIT "A", at \$18,500 - 23,500, with annual consideration for cost-of living modification, and actual salary of the person employed by the Council to be set by the County Judge, upon recommendation by the County Manager, and consultation with the Council;

6. Authorizes the County Judge to set salaries in federally-funded programs within ranges approved in executed contracts with federal agencies, upon the recommendation of the County Manager and consultation with the Council;

7. Appoints J. William Fisher, III, Personnel Director, Roy Davis, Operations Director; Dr. Donald Loftis, Director of Community Development, and Dr. Robert McAuley, Manpower Director;

BE IT FURTHER RESOLVED, That this Resolution take effect from and after its passage, the public welfare requiring it.

(Judge Moore stated that he and Mayor Walker had discussed the matter. The City has two computers: a 360 (relatively small) and a 370 (which is gigantic) It has been agreed that the County can use the 360 for much of the county's needs and tie in with telephone line to the City's 370. We would make arrangements to pay our actual expenses for the 370. Councilman Fuller asked if the programmers were being hired on the basis of the County's eventually having its own computer and Judge Moore stated that this was so, probably within a year.)

(Judge Moore stated that he had learned a great deal about automobiles in the past few weeks, that when a Chevrolet costs as much as a Chevrolet or Ford does now, then we have as much inflation as people say we do. He stated that this was the only bid that met the requirements. Councilman Mayfield asked what happened to Judge Frost's Buick. Judge Moore responded that it had been swapped to Sheriff Newell, that it was repainted and the Sheriff asked for it.)

ON MOTION of Judge Moore, seconded by Councilman Mayfield, to instruct County Attorney Turner to intervene with the Tennessee American Water Company in opposition to the proposed water rate increase, intervening only in behalf of the County. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

Judge Moore stated it appears that the matter of a mileage allowance for the Council members has been discussed in previous Council meetings and at other times. County Attorney Turner has stated that it would require a legislative act to effect it. Judge Moore asked if there was any other discussion on the matter, and Councilman Ricketts said he thought that was all that was necessary to say.

S E P T E M B E R T E R M 1 9 7 4

A delegation of 11 persons with Mrs. Crystal Jenkins as spokeswoman appeared in opposition to the proposed widening of a section of the Ooltewah-Ringgold Road. The delegation had with them a petition signed by almost one hundred (100) people living in the Ooltewah-Ringgold-Georgetown Road area.

County Manager Dalton Roberts explained that there are very few roads that can qualify as Federal Aid Secondary roads but this one does and that is why the 100' right of way is required. He also stated that if this road is not built with these Federal funds, then it will have to be built out of County Funds. It is a major feeder road to a major artery and provides direct access to the new high school, and needs to be widened and straightened for safety, especially school bus safety. He also explained that although the State requires 100' right of way, and may take much of your yard, the pavement will not come right up to your house.

Mrs. Ernest Hale also spoke in opposition to the road. Mr. Bob Cunningham and Rev. C. L. Gravely, minister of the Crossroad Baptist Church, who both live in that area, spoke in support of the road, saying that it was needed for safety because of bad curves and hidden pockets.

Squire A. C. (Bud) Ball of District 2 informed the group that a man from the Federal Highway Department is coming to Snow Hill on Thursday night to meet with the residents of the area. Squire Ball said the matter needs to be worked out and settled, that he gets many phone calls about it.

County Manager Roberts stated that a lot of money has already been spent - on engineering, studying growth patterns, etc., and that the building of this Federal Aid Secondary road is vital to the growth of that area and to the safety of the school buses.

ON MOTION of Councilman Fuller, seconded by Councilman Ricketts, the Meeting was adjourned.

A RESOLUTION

TITLE - REZONING FROM RURAL RESIDENTIAL AND AGRICULTURAL DISTRICT TO LOCAL BUSINESS DISTRICT A TRACT OF LAND LOCATED IN THE 8200 BLOCK OF DAYTON PIKE, BEING AT THE NW CORNER OF DAYTON PIKE AND JOHNSON ROAD. THIS TRACT FRONTS 510.46' ON THE WEST LINE OF DAYTON PIKE, ALSO BEING U. S. 27, AND EXTENDS NW, ALONG THE SOUTH LINE OF THE HAZEL COFFELT PROPERTY, 457.86' THENCE SW 441.67' TO JOHNSON ROAD, THENCE SE, ALONG THE NORTH LINE OF JOHNSON ROAD, 60.19', THENCE SE, CONTINUING ALONG THE NORTH LINE OF JOHNSON ROAD, 345.33' TO DAYTON PIKE, THE POINT OF BEGINNING, BEING A PART OF THE JAMES BROWN 640 ACRE TRACT.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Charles W. Clements petitioned The Chattanooga-Hamilton County Regional Planning Commission to rezone a tract of land located in the 8200 block of Dayton Pike, being at the NW corner of Dayton Pike and Johnson Road, and said Planning Commission after hearing recommended that said petition be denied; and

WHEREAS, Charles W. Clements requested that the County Council consider said petition and notice has been published in a newspaper in general circulation in Hamilton County that the County Council would hold a public hearing on September 4, 1974, concerning the passage of this Resolution as required by law, and such hearing having been held.

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE, IN SESSION ASSEMBLED: That the Zoning Resolution of Hamilton County be amended to rezone from Rural Residential and Agricultural District to Local Business District a tract of land located in the 8200 block of Dayton Pike, being at the NW corner of Dayton Pike and Johnson Road. This tract fronts 510.46' on the west line of Dayton Pike, also being U. S. 27, and extends NW, along the south line of the Hazel Coffelt property, 457.86', thence SW 441.67' to Johnson Road, thence SE, along the north line of Johnson Road, 60.19', thence SE, continuing along the north line of Johnson Road, 345.33' to Dayton Pike, the point of beginning, being a part of the James Brown 640 acre tract.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

Judge Moore asked if Mr. Clements was present; he was. Judge Moore also asked if Mr. E. S. Lisle, who was opposing the rezoning, was present; he was. Mr. Clements presented to the Council a plat showing plans of his intentions for the property. Mr. Clements stated that some excavation had already been done but would certainly be glad to pay for any damage done to adjoining property. He stated that the plans were to cover the slope behind the building with grass. He stated his plans were to construct a building for an antique store but if it would be detrimental to the county then he would withdraw the petition for rezoning. His antique store has brought in money and people to the county, people who otherwise would probably not have come to this county. He believes that the growth of Clements Antique will improve the area. He is not planning a beer tavern. He stated that most people in Falling Water seem to approve of his building the new facilities for the antique store. The only opposition to the building has come from Mr. Lisle, who tried to buy the property when it was auctioned off. Mr. Clements thought perhaps Mr. Lisle's attitude was "sour grapes."

Councilman Long asked Mr. Clements how far from the road the building would be. Mr. Clements stated 75'. Councilman Long thought it might be better to set the building back to allow for possible widening of Highway 27 in the future. Mr. Clements stated he could do this but thought since they are beginning to build a four-lane highway about ½ mile from the property there is very little chance that they will widen 27.

Judge Moore asked Mr. Lisle if he would care to speak. Mr. Lisle stated that he was surprised that a man of Mr. Clements' calibre would accuse him of "sour grapes." Mr. Lisle stated that he had bid on the property only to prevent any undesirable use being made of it, and that once it was certain Mr. Clements would get the property, he withdrew his bid. He did feel that if Mr. Clements said he would pay for any damage from slides that he would. Mr. Lisle feels that the traffic situation in the area of Highway 27 and Johnson Road is bad and is going to get worse, particularly if a subdivision is built on a piece of property on Johnson Road that the Council had recently rezoned to R-1 Residential. He recommended that any commercial developments in that area be held off.

ON MOTION of Councilman Ricketts, seconded by Councilman Mayfield, to EMPLOY THE FOLLOWING APPLICANTS FOR VACANCIES IN COMMUNITY DEVELOPMENT DEPARTMENT AS RECOMMENDED BY THE PERSONNEL DIRECTOR IN CONSULTATION WITH DR. LOFTIS AND DR. MCAULEY: 4 Manpower Field Service Coordinators at \$729 per month - Janice Sons, Nancy McMillian, Teresa Tate, Frances Cox; 1 Program Service Analyst at \$850 per month - Onnie Spears; 1 Payroll Clerk/Bookkeeper at \$700 per month - Eula Mae Clay; 1 Secretary at \$625 per month - Deborah Moore; 1 Human Resources Service Planner at \$11,500 - \$14,500 - Carole Clark. The foregoing Motion was Adopted on a Roll Call vote, with the following members of the County Council being present and voting "Aye": Councilman Fuller, Councilman Long, Councilman Mayfield and Councilman Ricketts. Judge Moore abstained. Total "Aye" votes-4. Total "Nay" votes-0.

Judge Moore stated that the personnel director along with Drs. Loftis and McAuley had interviewed a number of people and approved these. Dalton Roberts was asked which of these positions were federally funded and stated that the Council had previously allocated money for the Human Resources Service Planner and the rest of the positions were federally funded.

Councilman Fuller asked that the minutes reflect that seven (7) of these positions are federally funded and if the money is no longer there then the County has no obligation to continue to pay these salaries.

Judge Moore stated that the Deborah Moore being employed as a secretary is his niece. Miss Moore had applied for the position without Judge Moore's knowledge.

A RESOLUTION

TITLE - REZONING FROM AGRICULTURAL DISTRICT TO RURAL RESIDENTIAL DISTRICT A TRACT OF LAND LOCATED IN THE 2800 THRU THE 3100 BLOCKS OF BANKS ROAD, BEING ON THE EAST LINE OF BANKS ROAD, NORTH OF EAST BRAINERD ROAD. THIS TRACT BEGINS SOME 1140' NORTH OF EAST BRAINERD ROAD, FRONTS SOME 4500' ON THE EAST LINE OF BANKS ROAD AND EXTENDS NE, ALONG THE WEST LINE OF SECTION 8, TOWNSHIP 1, SOUTH, RANGE 2, WEST OF THE BASIS LINE, OCOEE DISTRICT, FOR 1340', THENCE SE, ALONG THE NORTH LINE, SECTION 8, 5280', THENCE SW, ALONG THE EAST LINE, SECTION 8, 1240', THENCE SE 330', THENCE SW 1240', THENCE NW 300', THENCE SW 2700' TO THE SOUTH LINE OF SECTION 8, THENCE NW, ALONG THE SOUTH LINE OF SECTION 8, 2440' TO BANKS ROAD, THE POINT OF BEGINNING. THE PLANNING COMMISSION DENIED THE PETITION FOR REZONING TO RURAL RESIDENTIAL AND RECOMMENDED A ZONING OF R-1 RESIDENTIAL BE APPROVED

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Woodruff A. Banks, Jr. and James D. Lee petitioned The Chattanooga-Hamilton County Regional Planning Commission to rezone a tract of land located in the 2800 thru the 3100 blocks of Banks Road, and said Planning Commission after hearing recommended that said petition be denied, and that a zoning of R-1 Residential be approved; and

WHEREAS, Woodruff A. Banks, Jr. and James D. Lee requested that the County Council consider said petition and notice has been published in a newspaper in general circulation in Hamilton County that the County Council would hold a public hearing on October 2, 1974, concerning the passage of this Resolution as required by law, and such hearing having been held.

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE, IN SESSION ASSEMBLED: That the action of the Chattanooga-Hamilton County Planning Commission be sustained, and that said petition be denied insofar as rezoning subject property to Rural Residential District and same be rezoned as R-1 Residential District.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

Mr. John Morgan, attorney for W. A. Banks, owner of the property, appeared. Mr. Morgan stated that this property is the original W. A. Banks farm. He stated that this zoning change is acceptable to Dr. Banks. (The petitioners had originally asked for rezoning to Rural Residential but the Planning Commission had recommended that said petition be denied and a zoning of R-1 Residential be approved.) Mr. Morgan stated he had tried to get in touch with Mr. J. D. Lee, developer, Bob Andrews, engineer, and Stan Guthrie, attorney for Mr. Lee, but had been unable to contact them, but he understood it was acceptable to them as well.

Mr. Winfield Worley spoke for a delegation of area property owners who were objecting on the grounds that the zoning change had been advertised as Rural Residential and the requirements are quite a bit different. He stated that area property owners were trying to keep the area as single family dwellings. County Manager Roberts explained to Mr. Worley that the advertisement has to appear as it was originally stated but that the zoning had been elevated to R-1 Residential because of the Planning Commission's recommendation and that this was what the Council was voting on. Mr. Worley stated in that case there was no objection.

Judge Moore decided that since the advertisement had stated Rural Residential instead of the R-1 Residential zoning that was being voted on, there should be a Roll Call vote.

A RESOLUTION

TITLE A RESOLUTION RENAMING "POTTERS" FIELD" AT SILVERDALE TO THE "RUTH COFER MEMORIAL CEMETERY" AND PRESCRIBING ITS USE.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the County Council hereby recognizes the outstanding and generous contribution of Ruth (Mrs. Fred) Cofer for her years of unselfish and devoted service at the Hamilton County Nursing Home, and in particular her concern for the indigent patients who have died while residing at the Hamilton County Nursing Home; and

WHEREAS, the County Council deeply appreciates the service of Ruth Cofer, recognizing that the greatest monument to her is the hope she instills in the living and the preservation of the memory of the deceased.

NOW, THEREFORE, BE IT RESOLVED: That the County burial ground situated at Silverdale adjacent to the Hamilton County Nursing Home and the County Penal Farm heretofore known as "Potters' Field" shall hereafter be known and designated as the "Ruth Cofer Memorial Cemetery"; and be it

Judge Moore stated that Mrs. Cofer had been very active in the nursing home and that she and her husband had done a great deal at their own expense and had shown much concern for the indigent patients who have died while residing at the Hamilton County Nursing Home. Judge Moore further stated that heretofore there has been no policy concerning the cemetery. He suggested that the County set up a prescribed policy and name the cemetery for Mrs. Cofer.

Judge Moore stated that he had intended to mention at the last Council meeting that he had received a response to his letter he was requested to write to the Eastside Utility District concerning the water pressure at the home of Mr. S. T. Quinn of Vincent Road near Highway 58. The Eastside Utility District responded on Sept. 14, that they had put a pressure meter at Mr. Quinn's on Saturday, Sept. 7, and the meter recorded that Mr. Quinn had at least the approved minimum necessary for service at his residence. The utility district is also investigating the availability of plastic pipe versus cast iron pipe to replace the smaller pipe in that area. They have been unable to get any kind of pipe for replacement - there is a waiting period of about six months from the time of placing the order until shipment can be expected. The Eastside Utility District is to report to the County Council its findings regarding securing larger pipe.

County Manager Dalton Roberts introduced Mr. Neil Thomas of the Engineering Task Force. Mr. Thomas said he is working with Mr. Roberts in setting up a job description for the opening of County Engineer. His panel will meet tomorrow night to finalize the job description. They have sent advertisements to several technical magazines advertising this opening. Mr. Thomas stated that Mr. Roberts will report their findings to the County Council.

Judge Moore instructed Mr. Roberts and Mr. Thomas to consult with Mr. Conner Ragan, present County Engineer. The Council appreciates Mr. Ragan's years of service.

ON MOTION of Councilman Ricketts, seconded by Councilman Fuller, to approve a recommendation of Mr. Leonard Wellington and Mr. Richard Brewer to serve on the Juvenile Court Commission. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

ON MOTION of Judge Moore, seconded by Councilman Mayfield, to employ Paul Richard as the Director of Purchasing at a salary of \$12,500, effective immediately. The foregoing Motion was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting "Aye": Councilman Fuller, Councilman Long, Councilman Mayfield, Councilman Ricketts and Judge Moore. Total present-5. Absent-0.

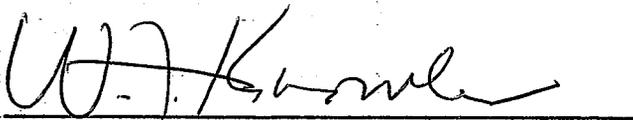

Councilman Fuller asked that it be made a part of the official minutes that Mr. Groner is receptive to this. Judge Moore stated that Mr. Groner has agreed to stay and assist until June 1 or 30 and that he will be an important part of keeping purchasing functioning as a smoothly-run department.

Judge Moore stated that he had been asked by Mrs. Garrison Elder to invite all councilmen to the Ribbon Cutting ceremony on Friday, October 11, 1974, at 1903 McCallie Avenue, the new Women's S.T.A.R. House) named DeWitt Hall. He stated that if you can be present Mrs. Elder would appreciate it.

ON MOTION of Judge Moore, seconded by Councilman Mayfield, to appoint Mr. O. W. Arnold to the Hamilton County Plumbing Examining Board - to fill the balance on the unexpired term of Mr. Duke Hicks, who had previously resigned. Mr. Arnold has been associated with the Association of Mechanical Contractors of Chattanooga. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

Mr. S. T. Quinn, Vincent Road, Route 2, Chattanooga, 37416, appeared to ask what action had been taken by the Eastside Utility District since he had been before the Council the first part of September. Judge Moore gave Mr. Quinn the report from the Eastside Utility District which he had given to the Council at the October 2 meeting. (See County Council minutes - October 2, 1974.)

Mr. Quinn stated that most of the problem is during the months of June, July, and August, and wondered if building permits for that area could not be stopped until the condition is improved, as building permits had been stopped in a section of East Brainerd. County Attorney Turner explained that this had been done on recommendation of the Health Department and the Building Commission and that the Council does not have the authority to do this.

Judge Moore told Mr. Quinn that the Council sympathizes with his problem but does not have the authority to help correct it. The Council will do everything possible to assist.

Councilman Fuller suggested the possibility of the Eastside Utility District having corrected the problem before next summer. Judge Moore said the pipe necessary for the new lines should have arrived and been installed before next summer.

Councilman Fuller asked that the Eastside Utility District be asked to give the Council a report on their progress before next spring.

Judge Moore said he would do this and would see that Mr. Quinn is mailed a copy of the report.

State Representative Claude Ramsey was also present and expressed sympathy with Mr. Quinn's problem. Judge Moore suggested that Mr. Ramsey attempt to pass legislation which would enable the County to act in situations of this nature.

° O C T O B E R T E R M 1 9 7 4

Judge Moore introduced Dr. Spencer J. McCallie, chairman, and Mr. Floyd Delaney, vice chairman, of the Bi-Centennial Commission. Dr. McCallie explained that in 1976 the U.S.A. is celebrating our 200th year. The Greater Chatta. Bi-Centennial Commission is operating without money and must turn to the two departments of government. Dr. McCallie requested from the County Council \$40,000; \$20,000 as soon as possible and \$20,000 next year.

Councilman Fuller told Dr. McCallie that he thought Chattanooga was very fortunate to have a chairman of Dr. McCallie's calibre.

ON MOTION of Councilman Fuller, simultaneously seconded by Councilman Mayfield and Councilman Ricketts, that the Council allocate the funds for this purpose.

Judge Moore stated that County Attorney Turner says that the Council does not have the authority to adopt or approve requests for funds where there is no act under which we can operate. There is none for this particular endeavor.

Councilman Fuller stated that he would change his motion to authorize this be prepared in the form of a private act to meet the requirements of the law. After the act is passed by the legislature, then we can act as quickly as possible.

ON MOTION of Councilman Fuller, seconded by Councilman Mayfield, to authorize the preparation of a private act to present to the legislature to supply to the Greater Chattanooga Bi-Centennial Commission a sum of \$40,000 for their work. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

ON MOTION of Councilman Mayfield, seconded by Councilman Ricketts, that the reports of the various County Officials (see copy attached of Sheriff's report and County Court Clerk's report, both for September, 1974) be accepted, treat same as read, approved, filed and made a matter of record. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

O C T O B E R T E R M 1 9 7 4

Since Mr. Robert Elmore was now present, Judge Moore introduced him to the Council. Mr. Elmore apologized for being late; he had not understood that he was to appear before the Council on this date. Mr. Elmore stated that the Convention and Visitors Bureau had asked for \$35,000 for this fiscal year and had been allocated \$27,500 which was an increase over the \$25,000 they had been getting. He stated they were told they could come back later to request additional funds. He said the additional funds were needed because everything had gone up, printing costs, paper, etc. He asked if the Council could consider now giving them the additional \$7,500. originally asked for.

Judge Moore stated that it was his understanding that they had been told there was the possibility of getting a supplemental appropriation. But County Attorney Turner advised that once the budget has been approved it cannot be changed until the last two months of the fiscal year.

Councilman Long stated the Council did tell Mr. Elmore that they would adjust this.

Mr. Turner said it would be May of next year before an adjustment could be made. Mr. Elmore asked if it were possible for the Council to vote now to give the Bureau the additional \$7500 next May so that they could be planning on it, but Mr. Turner said there was no way to predict that this would be possible, that money from other budget items would have to be available. Mr. Turner explained that the Council has to operate under the terms of the law and would be subject to jail terms if the law is not obeyed. Judge Moore said he wouldn't like that, and Mr. Dalton Roberts, County Manager, facetiously asked Mr. Turner if he had ever considered going into a profession to make people happy.

Mr. Elmore said that whatever happens the Bureau thanks the Council for its support.

Judge Moore told Mr. Elmore that the Council is grateful for the operation of the Bureau and would like to support it in all ways but "our hands are tied."

Attention: Mr. W. C. Groner, Purchasing Agent

Re: Repair Board of Education Office, 317 Oak Street

Gentlemen:

We propose to replace the gutter on the east side of the above building, and on the northeast side of the rear of the building.

We also will replace downspout into the conductor head, only. The conductor head and pipe beneath it will stay as is.

Total cost of labor and material to do the above said work, including scaffolding, is \$2,192.00.

Our price is based on all cars being moved along the east side of the building approximately 40' to give us working room.

If any carpentry work is needed, such as fascia board, rafter ends, etc., they will have to be replaced on time and material basis, consisting of material and labor plus 20% overhead and 10% profit. This is over and beyond the price stated above.

Very truly yours,

SOUTHERN BLOW PIPE & ROOFING CO.

A RESOLUTION

TITLE TO DECLARE TONJA LANE A DISTRICT ROAD.

7c

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

THAT, Tonja Lane extending from Lillard Road in a southeasterly direction 0.57 of a mile to a turn-around, be declared a district road, 2nd Class.

The above named road is in the 3rd Civil District, on Tax Map #24, in Unit #1 of Holiday Shores Subdivision, has a 50' right-of-way, a 4" stone base, a triple penetration asphalt surface and was built by a contractor for the developer: Tennala Land Co.

This is the subdivision that the developers forfeited \$10,000 to the county because of failure to complete. The county is now finishing some work on it.

Lamar Alexander, Republican candidate for the office of Governor of the State of Tennessee, was introduced by Election Commission Registrar Tom Moore.

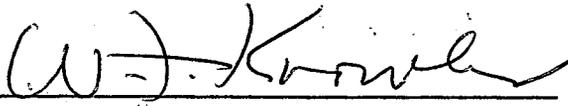

Mr. Alexander thanked the Council for allowing him to come by. He said that he would only take a minute and a half to express his awareness of the responsibilities of the next governor and to say he would be sensitive to the relationship between local government and state government. He is very excited about the next four years in Tennessee and will try to be a governor of all the people. He hopes to have our respect, not only for the next three weeks, but hopefully for the next four years.

Councilman Ricketts introduced Jeff Black of Hixson Junior High School, who was attending the Council meeting as part of his work on a Boy Scout merit badge. Judge Moore told Jeff the Council was particularly pleased to have him as a representative of Hixson Junior High School and the Boy Scouts of America.

ON MOTION of Councilman Long, seconded by Councilman Ricketts, the Meeting was adjourned.

PUBLIC NOTICE
OF MEETING OF
COUNTY COUNCIL OF
HAMILTON COUNTY,
TENNESSEE

Take notice, pursuant to Chapter 442, Public Acts of Tennessee of 1974, the County Council of Hamilton County, the governing body of said County, will convene and meet in preliminary session on Wednesday November 5, 1974, at 9:00 A.M. County Judge and
Chairman of the Council

Judge Moore introduced Mr. Jesse Sims, representing the Greater Chattanooga Chamber of Commerce and the six Area Councils, who told of the rat problem in the city and the county. Mr. Sims showed slides of the rat problem at the Poss Housing Project. Some of the slides pictured rat holes with cans and bottles stuffed in them. Mr. Sims stated that there were as many as 20 to 25 rat holes in the yards of the project. Originally the Alton Park Council had been requested to exterminate rats and had bought rat poison, 100 lbs at 75¢ a pound. They are now able to buy the poison at \$780 a ton, or about 39¢ a pound, and will need several tons. The Chattanooga Housing Authority endorses the program; Combustion volunteered to buy a ton; they have the endorsement of the Health Department after talking with Drs. Foley and Failing. One of the City Commissioners will buy a ton, and they hope that the County Council will buy a ton, or up to three tons. Each Area Council will buy a portion of a ton (the six Councils together will buy a ton).

Judge Moore read a letter the Health Department had sent to the Chamber of Commerce.

Mr. Sims told of a Norwegian rat weighing 3 lbs which was shot in the Gold Point area. Councilman Ricketts facetiously asked if they had it mounted. Mr. Sims said the poison used is an anti-coagulant and a large amount must be eaten to kill so harm to children or pets is highly unlikely.

Dr. Failing said there will be a meeting on Thursday, Nov. 7, at 2 p.m. at the Health Department with all the Councils and all interested were urged to come. He stated that a program of hygiene and garbage control were very important, that just killing the rats there was not enough.

Councilman Ricketts asked what areas in the County were now involved, and Dr. Failing said especially areas where people dump illegally.

Councilman Fuller suggested we needed some inside rats to rat on them.

Judge Moore asked Mr. Turner what would be necessary to allow the Council to buy the poison. Mr. Turner said the Health Department could recommend that the County Council buy the poison for health reasons. Mr. Sims will talk to Drs. Foley and Failing of the Health Department to get their further help.

A RESOLUTION

TITLE TO GRANT A VARIANCE IN SUBDIVISION REGULATIONS.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

THAT, due to extreme topographic conditions Mr. J.D. Wall be granted a variance in Subdivision Regulations to construct about 300 feet of road with a grade of 16% on Sportsman Drive in Unit #3 of Highland Manor Subdivision.

The maximum grade allowed is 15% except by a variance by the Hamilton County Council.

BE IT FURTHER RESOLVED, That this Resolution take effect from and after its passage, the public welfare requiring it.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Mrs. Stellah S. Schrader petitioned the Chattanooga-Hamilton County Regional Planning Commission to rezone a tract of land located in the 8100 block of Standifer Gap Road, and said Planning Commission after hearing recommended that said petition be denied; and

WHEREAS, Mrs. Stellah S. Schrader requested that the County Council consider said petition and notice has been published in a newspaper in general circulation in Hamilton County that the County Council would hold a public hearing on November 6, 1974, as required by law, concerning the passage of said Resolution, and such hearing having been held.

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE, IN SESSION ASSEMBLED: That the Zoning Resolution of Hamilton County be amended to rezone from Agricultural District to Local Business District a tract of land located in the 8100 block of Standifer Gap Road, being at the SE intersection of Standifer Gap Road and Bill Reed Road. This tract fronts 175' on the north line of Standifer Gap Road and extends NE 100', thence NW 148' to Bill Reed Road, thence SW, along the south line of Bill Reed Road, for 200' to Standifer Gap Road, the point of beginning, being a part of the SW quarter of Section 31, Township 4, Range 2, west of the basis line, Ocoee District.

The son of Mrs. Stella S. Schrader said that part of the property had been given to the community center for a playground. He said that earlier they had asked for rezoning and it had first been approved, then later denied. He stated there is property zoned for business directly across the road. He thought a store at this location would be of benefit to the neighborhood.

Richard Dietzen, attorney, appeared as a representative of the prospective purchaser of the property, his father W. N. Dietzen. Mr. R. Dietzen stated that his father and another man (Larry Kelly) plan to build a convenience store, selling groceries and possibly gasoline. Earlier it was recommended by a professional staff and the planning commission for rezoning. When the matter came before the County Council in August, there was an error in the date, so the matter was referred back to the planning commission at which time the planning commission reversed itself. Mr. Dietzen stated that the owners would be happy to work with the proper officials if Standifer Gap Road should be widened to give the proper right of way. Mr. Orlin Edwards, who has developed a subdivision to the south of this site, feels a store of this sort would be an asset to the community and wrote a letter to this effect to the County Council. Mr. Dietzen distributed copies of the letter to each Councilman and also presented a petition signed by 150 people in favor of the rezoning. He stated that the petition includes the name of a Mr. Adams, who owns the property immediately behind the site, and Mr. Edwards, who owns the property across the street.

Mr. John Bolton appeared on behalf of the Standifer Gap Community Association; Mr. Bolton also is the owner of the property next door. Mr. Bolton stated that when the property was up for rezoning before, he, Mr. Becket, Mr. Johns, and a number of others went to the planning commission and were responsible for the planning commission reversing its original decision. He stated that Standifer Gap Road feeds 15 new subdivisions. He knew that the Council was in the process of doing something for them on Standifer Gap Road (to relieve traffic) but realized it would take some time. He said that Sidney Ann Standifer had deeded the property to the

N O V E M B E R T E R M 1 9 7 4

Standifer Gap Community Club to be used only for a community club and playground or it will revert back to the owner. He knows that the new store will sell beer and that this would not be good next to a playground. Mr. Bolton presented a petition signed by 265 people in the immediate area who are opposing this. County attorney Turner said the petition could be referred to the Planning Commission to see if the names and addresses will comply with the 20% necessary to require a 4/5 majority Council action. He stated that the petition was not in proper form.

Mr. W. N. Dietzen stated that according to people who lived close by, the playground is used very little, and then mainly by motorcyclists who ride up until 3 o'clock in the morning. He stated that they probably will make application to sell beer. He also plans to have a dry-cleaning pick-up service as well as gasoline tanks, both of which will be a real service to the area. He stated that if they are turned down, they will purchase the property across the street which is already zoned for business and build the store there. He does not think that according to law traffic alone is enough to deny the petition. He thinks the real opposition is to the sale of beer and he feels that this is not up to the County Council to decide but is a matter for the Beer Board.

Mr. Tom Beckett stated that two ministers were in the group appearing in opposition, Revs. Malone and Headrick of two churches in the area. He said that the playground is used, that his church has a softball team that uses the park and quite a few other groups use it as well. Mr. Beckett asked that the Council not rezone this property.

Mr. Larry Kelly stated that he is the co-purchaser of the lot with Mr. Dietzen. He feels that much of the traffic is caused by people having to drive to Lee Highway and other places to get to a market and that this would be solved by having one nearer. He said that the Constitution provides property rights, that property owners should be allowed to put their property to its best use.

Mr. William F. West stated that the engineering work done showed that the land was suitable for a Mobile Home Park. He feels that just the words "mobile home" scare people. He had a reputable engineering firm, Betts Engineering Company, do the work. He stated that there was a business on the lot next to his. He felt with construction being off, and houses costing so much, mobile homes were needed, and that they also would help to conserve energy.

Mr. Chuck Comer, spokesman for the opposition, presented a petition of 20% of those who live within 300' of the property in question. He stated that most of the homes in the area are single family homes and that an area of mobile homes tends to deteriorate; that an area can be hurt by rental mobile homes since the people living in them generally do not take much pride in caring for them. Mr. Turner accepted the petition, saying that it was in order.

A RESOLUTION

TITLE TO DECLARE IRIS DRIVE, OAK DRIVE AND CHESTNUT WOOD LANE DISTRICT ROADS.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

THAT, Iris Drive extending from the end of a temporary turnaround at the City Limits in an easterly direction 0.03 of a mile to Chestnut Wood Lane; that Oak Drive extending from the end of a temporary turnaround at the City Limits in an easterly direction 0.03 of a mile to Chestnut Wood Lane; and that Chestnut Wood Lane extending from a turnaround at the south end of the subdivision in a northerly direction 0.38 of a mile to a turnaround at the north end of the subdivision, be declared district roads, 2nd Class.

The above named roads are in the 2nd Civil District, on Tax Map #171-Parcel #33, in Unit #4 of Irwin Hills Subdivision, have a 50' right-of-way, a 4" stone base, a 2" plant mix pavement with asphalt curbs and were built by Sam Stubblefield for the developer: Kenneth Irwin.

BE IT FURTHER RESOLVED, That this Resolution take effect from and after its passage, the public welfare requiring it.

ON MOTION of Councilman Ricketts, seconded by Councilman Long,
the foregoing Resolution was unanimously Adopted by Acclamation.

N O V E M B E R T E R M 1 9 7 4

ON MOTION of Councilman Long, seconded by Councilman Fuller, to refer back to the Planning Commission Petition #138 (Jerry Brown Realtors and Others) to rezone from Rural Residential District to Local Business District a tract of land located at the northwest intersection of Taft Highway and Hollister Road. The foregoing Motion was unanimously Adopted by Acclamation. Total present-4. Absent-1.

Attorney Richard R. Ruth was present, representing Mr. Brown.

A delegation stood in opposition to the rezoning.

Mr. Ruth said that he had not been at the hearing before the Planning Commission but he could not understand why the Commission turned this down. It is directly across Taft Highway from the Village Food Market, 3 miles NW of the Signal Mountain city limits. Mr. Brown is planning a professional building, to house a barber shop, dentists' offices and other such offices. He showed diagrams of buffer zones to be landscaped. He stated that the area is increasing in subdivisions and looking ahead ten years the area will have a great many more people living there. Mr. Brown is an appraiser and says the professional building will not cause depreciation of property. Mr. Ruth stated that Mr. Brown is the developer and Mr. Clemons is the property owner. Mr. Brown wrote Mr. W. Parker, who is opposing rezoning, a letter stating that the building would be compatible with the area.

Mr. Parker stated that there are quite a few nice homes in the immediate area. He said that Taft Highway is a two lane highway leading to Dunlap and northward. Hollister Road is a 16' road that is very heavily traveled. This property had been turned down twice before by the Planning Commission. He stated that such a development hurts the value of property and that the town of Signal Mountain would not let them build within the city limits.

N O V E M B E R T E R M 1 9 7 4

Mr. Powell R. Walker, who lives across from the property, stated that it would cause too much traffic.

Mrs. Felder J. Frederick III, of 120 Hollister Road, stated they had bought a house in the county to be away from business and traffic because of their child, and they do not want any more there.

Mr. Jerry Brown stated that he was planning to build an attractive professional building.

Mr. John Preston of the Planning Commission stated that the builders' description now might fit into office district rather than business district and perhaps should be referred back to the Planning Commission, for possible office zoning.

The Resolution concerning carpet for Juvenile Court courtroom in the amount of \$656.00 was not necessary because the amount was under \$1000.00.

Mr. Alvin Rosamond presented a petition asking that Jerry West and/or Mr. Adams clean up the debris of the house that burned on the lot owned now by Mr. Adams fifteen months ago in Middle Valley. He asked that the County make an ordinance to force owners to clear up property after a house has burned.

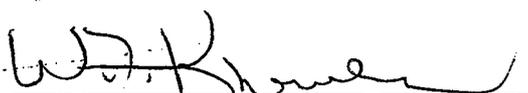

Judge Moore said this is a real problem in the County and that Mr. Turner is making a study to see what the County Council can do about it. The only course Mr. Rosamond would have at this point would be to take action against Mr. Adams for maintaining a nuisance or disobeying some subdivisions regulation.

Mr. Turner said that it would take a general bill in the Legislature to give the County Council any power in a situation like this, and he will look into it.

ON MOTION of Councilman Long, seconded by Councilman Ricketts, the meeting was adjourned.

Superintendent of County Schools Dale Carter presented a letter from the Board of Education to Judge Moore with copies for the other members of the Council with a request from Dixie Yarns that the County return the former Lupton City School building and grounds to Dixie Yarns. The building has not been used as a school since 1959. It was originally given by Dixie Yarns to be used as a school and since it is no longer used for this purpose, Dr. Carter requested that it be returned to Dixie Yarns so that they may use the property for other uses.

Judge Moore noted that the building was rather dilapidated, with the roof subject to collapse, etc. He stated that it had no potential use as a warehouse, classroom, or any other such use.

ON MOTION of Councilman Ricketts, seconded by Councilman Mayfield, to approve and authorize the payment of election expenses for the Hamilton County Election Commission in the amount of \$14,564.62 for the General Election of November 5, 1974. The foregoing Motion was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting, "Aye": Councilman Fuller, Councilman Long, Councilman Mayfield, Councilman Ricketts and Judge Moore. Total present-5. Absent-0.

ON MOTION of Councilman Long, seconded by Councilman Ricketts, to employ Raymond Proctor as the new County Engineer at a salary of \$21,000. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

Judge Moore said that it was incumbent that we recognize the work that the Engineering Task Force has done. He said advertisements had gone out state-wide and perhaps even farther, and that they had gone to a great deal of trouble to interview candidates. A spokesman for the Engineering Task Force offered their congratulations to Mr. Proctor and praised the County Council for his selection and the reorganization of the department.

N O V E M B E R T E R M 1 9 7 4

Judge Moore stated that Newton Chevrolet had asked an increase on a bid made in July for five (5) trucks which have increased approximately \$1500.00 in price. Council members had decided that the Newton bid was regularly made and that a binding contract was therefore made, and the Council would be required to accept the bid as made on the Resolution and accepted on August 7, 1974. Judge Moore said this is a problem the County faces with bids made several months in advance of the time the items are received.

ON MOTION of Judge Moore, seconded by Councilman Mayfield, to appoint Mrs. Sebert (Barrett) Brewer, Jr., to the Library Board. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

ON MOTION of Judge Moore, seconded by Councilman Fuller, to accept the Recommendation of the Juvenile Court Commission to appoint Mr. C. Michael Ford to fill a vacancy on the Commission. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

Judge Moore stated that the Council had received an invitation to a dinner meeting in the doctors' dining room at Erlanger Hospital on Tuesday, December 3, at 6 p.m. to meet with Erlanger's board of trustees. A presentation will be made to the Council concerning the problems of "incremental growth" plan.

A RESOLUTION

TITLE PROCEDURE FOR ACCEPTING PRIVATE ROADS AND DRIVES, BY HAMILTON COUNTY.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, at the present time the County Council has no established procedures for reviewing and accpeting private roads and drives as county-maintained roads; and

WHEREAS, the need for a standardized procedure exists;

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE; IN SESSION ASSEMBLED: That the following procedure for accepting private roads and drives be adopted.

PROCEDURE FOR ACCEPTING PRIVATE ROADS AND DRIVES BY HAMILTON COUNTY.

1. A special petition is sent to the County Engineer for his review.

The people that own property on the private road, drive, etc., are to petition the County Engineer for preliminary review by his staff. The petition shall list all the property owners whose property abutts the private road, and specify those who signed, and did not sign, the petition.

2. A plat is sent to the County Engineer and Planning Commission for review.

If the County Engineer approves the preliminary request, the property owners along the road in question are to hire a licensed surveyor or civil engineer, at their expense, to prepare and submit a plat of the proposed road, showing:

- (a) the proposed right-of-way,
- (b) the adjacent property lines and property owners,
- (c) the needed improvements, such as the amount of paving, drainage ditches and structures,

(d) a profile of the existing ground level and the proposed road,

(e) an estimate of the cost of the improvements.

3. Preparation of a cronaflex.

After the Planning Commission has approved the plat, a cronaflex is made, ready for recording, but is not signed.

4. Acceptance of the road by the County Council.

When the cronaflex is prepared, and is acceptable to the County Engineer and the Planning Commission, then the plat and other pertinent information is taken to the County Council by the County Engineer for their approval.

5. Recording of the plat.

After the County Council has accepted the road, the cronaflex can then be stamped, circulated for signing, and recorded.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

ON MOTION of Councilman Ricketts, seconded by Councilman Long, the foregoing Resolution was unanimously Adopted by Acclamation.

Hamilton County Courthouse
Chattanooga, Tennessee 37402

Dear Mr. Richard:

Thank you for the opportunity to submit NCR's recommended Electronic Cash Register System.

The recommended System meets all specifications as outlined in your Invitation to Bid.

We suggest that the following additional features also be included to meet the needs of the County Court Clerk office:

- A. Three Station Printers
 - 1. Detail Audit Tape Printer
 - 2. Receipt Printer (Included in Specifications)
 - 3. Slip Printer - for validation of all fee tickets and endorsement of all checks tendered.
- B. Non-volatile core memory
- C. Transaction totals
- D. Clerk Totals
- E. Percentage Calculation-Proration of Annual Fees
- F. Automatic Tax Calculation
- G. Cash Tendered & Check Tendered Control
- H. Automatic Change Computation
(Optional - Automatic Change Dispenser)
- I. General Ledger Control - Programmed
- J. Auditor Control Locks

N O V E M B E R T E R M 1 9 7 4

FUTURE CAPABILITIES SHOULD INCLUDE:

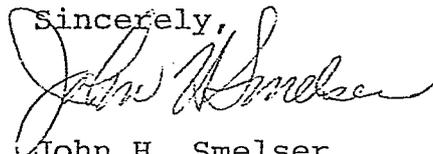

- K. Ability to capture data on Magnetic Tape Cassette for automatic entry into Hamilton County's system and the State of Tennessee system.
- L. Ability to consolidate multiple registers into one control center.

The proposed NCR systems includes all of the features outlined above and stands ready to meet the future demands of the Hamilton County Court Clerk Office.

INVESTMENT

One NCR 250-700 series Electronic Cash Register - \$4,395.00
(Includes delivery, programming, and operator training.)

Although cheaper systems could be offered, we strongly feel that anything less than the NCR 250 series would be inadequate. Thank you for your consideration.

The foregoing Motion was unanimously Adopted on a Roll Call vote with the following members of the County Council being present and voting "Aye": Councilman Fuller, Councilman Long, Councilman Mayfield; Councilman Ricketts and Judge Moore. Total present-5. Absent-0.

Judge Moore stated that this would be in connection with the printing operation which the County is about to undertake and subsequent to the acquisition of a printer which we hope to get from the Department of Education.

Judge Moore stated that the next matter was the informal approval by the Council of a new county branch library site. He said there had been considerable discussion with the library board concerning this. The City Commission is negotiating for a site in the Brainerd area. The County Council is in unanimous agreement that the County branch should be easily accessible by large numbers of people and should have adequate parking. The Council has agreed that the location should be Northgate.

Judge Moore asked if there was any further business.

(Judge Moore stated that there had been considerable work done toward making this recommendation. He said seven (7) companies had submitted bids. Don Downey, Auditor, and Coy Browder, Accounts and Budgets, had discussed all the bids very thoroughly and they recommended the purchase of Sycor.)

D E C E M B E R T E R M 1 9 7 4

DATA PROCESSING INPUT BID SUMMARY

Bids opened 1:00 p.m. December 16, 1974
Data Entry System
Received six (6) bids as follows:

	<u>MONTHLY MAINTENANCE</u>	<u>LIST PRICE</u>	<u>LEASE PRICE</u>	<u>LEASE TERM</u>	<u>NUMBER OF STATIONS</u>
Honeywell	\$ 343.00	\$ 63,740	\$ 1,588	5 yr.	8
G.C.S.	none given	114,000	2,295	1½ yr.	10
Sycor	828.00	73,680	1,946	2 yr.	10
Sperry Univac	226.00	59,472	1,093	6 yr.	6
Burroughs	Did not meet specifications				
Entrex	295.00	61,992	1,452	5 yr.	10
IBM	468.50	84,520	2,081	2 yr.	10

None of the above bids exactly met all of our specifications so we tried to pick the best system.

The Sycor bid best fit our specifications and our concept of having units at all data entry locations, that are easily movable to other locations as the government grows or changes.

The Sycor bid effectively includes all prices on his price list so we have developed the best possible configuration to fit our needs.

We recommend that 10 Sycor units of the following configuration be purchased:

#340 D Communication Terminal	\$ 5,200.00
#3400 Flexible Disk Option	3,000.00
#3423 Extended Memory 7K	<u>1,400.00</u>
Total Cost per Unit	\$ 9,600.00
Less 20% discount	(1,920.00)
Actual Cost per Unit	\$ <u>7,680.00</u>
One #3468 BSC Adapter	\$ 720.00

The total cost of the above bid will be \$ 77,520 purchase and \$ 542. per month service.

In addition to the above cost there will be about \$ 1,500 installation cost. The Sycor Company will give us assistance in initial programming of our more difficult jobs.

The resolution for this purchase will be ready at 9:00 a.m. meeting and Don Downey and Coy Browder will be available for questions.

Dear Mr. Richard:

SPERRY-UNIVAC takes pride in recommending the UNIVAC 1900
cade system in response to Hamilton County's RFP for a data entry
system. We have proposed a six station system, 49K byte CPU,
2.2 million bytes of disc storage, and a 1600 BPI 9 track tape.
SPERRY-UNIVAC would like to have the opportunity to discuss the
County's plans to see if the system proposed is adequate in terms
of CPU memory and disc storage.

Enclosed for your review are brochures describing the UNIVAC
1900 system, UNIVAC responses to the RFP questions, a configuration
list, and the various contracts available to the County.

SPERRY-UNIVAC appreciates the opportunity to present the 1900
system to Hamilton County and looks forward to answering any questions
the County may have.

Sincerely,

R. E. Vincent

Dear Sirs:

We appreciate this opportunity to recommend the Burroughs PC820 80 column card printing data recorder. The purchase price of this unit is \$8,590. If purchased, an annual maintenance agreement may be obtained at \$483.00 a year. Maintenance is included in lease prices which are as follows: \$194 per month on a 2-year lease, \$184 on a 3-year lease, and \$175 on a 5-year lease. Of course, a purchase option may be included with a lease. The transportation charge is \$39.72 for each unit. The earliest delivery date would be June, 1975.

Thank you for this opportunity to recommend Burroughs equipment and services.

Sincerely,

Mr. P. K. Richard
Director of Purchasing
Hamilton County
Chattanooga, Tennessee 37402

Dear Mr. Richard:

We appreciate the opportunity to respond to your Invitation to Bid for data entry equipment.

Prices for the recommended units and an outline of features and functions are attached. More detailed information has been provided to Mr. Lowe.

We feel the following points are major considerations in selecting any equipment.

A number of local organizations have installed the IBM 3740 System. Included are the City of Chattanooga, Interstate Insurance, Standard-Coosa-Thatcher and 3M.

Two or more IBM engineers, located in Chattanooga, are experienced in maintaining each of the recommended units.

Parts inventories are maintained in Chattanooga.

The units of the IBM 3740 System use current computer technology and are exceptionally reliable, providing maximum availability to the user.

Optional features may be added or removed in the users office.

The 3740 System is easy for operators to learn and convenient to use. It is easily programmed.

The locally installed 3740 units would allow Hamilton County to indoctrinate operators and test procedures in Chattanooga.

DECEMBER TERM 1974

Judge Moore stated that the Health Department had been working for sometime attempting to develop the use of a floor in the new addition that was designed for the State of Tennessee. The State was going to contribute \$200,000 toward the construction of the new addition in exchange for a lease on this one floor. However, there had been a slight difficulty since the State requires a 99-year lease and we cannot build a building guaranteed to last that long. The State now refuses to sign the lease and no agreement could be worked out with them, so other arrangements had to be made. They had been working on a lease with SETAHEC (Southeast Tennessee Area Health Education Center).

Councilman Fuller asked what SETAHEC is, and Councilman Mayfield asked what the State is going to do.

Judge Moore asked Herb Chelton of the Health Department to explain the situation.

Mr. Chelton said that they had been working with the State for 2 and a half years and were no closer to agreement. He said that about January 18, the Chest Disease Hospital will be closed and will admit no new patients after the first of February. The State Public Health offices will move there. Mr. Chelton said if they had moved into the Health Department, there would not have been enough room for all their services anyway. The State is agreeable to making the change. SETAHEC will occupy 8500 sq. ft. of floor space. There is also a branch lab of the State of Tennessee in the Health Department building which will be moving to the Chest Disease Hospital. There is one additional floor in the old wing of the Health Department being renovated; there is the possibility that this will be used by the new Family Practice part of the Residency program run by Dr. Robert Coddington (these are SETAHEC people). Mr. Chelton stated it would be desirable to delay a couple of weeks any action on this. He had a letter from the Health Planning and Facilities Branch in Atlanta which states that "we have been advised that SETAHEC is a non-profit organization, furnishing services covered under the Appalachian Regional Program." They would qualify to move

into this building. Mr. Chelton thinks it is an excellent move--and will result in cooperation by the Health Department, Erlanger, and the University that we have not seen before. He thinks it is a much better move than having the State of Tennessee move in.

ON MOTION of Councilman Ricketts, seconded by Councilman Mayfield, to EMPOWER JUDGE MOORE TO NEGOTIATE AND ENTER INTO A LEASE WITH SETAHEC. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

Councilman Fuller asked if Judge Moore would only negotiate the lease and then bring it before the Council. Judge Moore stated that he could do this, but they were only talking about length of term and dollars which are fairly well set by ARC regulations.

Mr. Chelton stated that because of the fact that the majority of the funds came from Federal money, the County cannot show a profit, they can only lease the space out to an organization which would pay only for maintenance, utilities, insurance, etc. The figure they had in mind now was \$3.50 a square foot for four (4) years. The County will not profit but will only recover maintenance and utilities.

Councilman Fuller asked about the \$200,000 figure the State was supposed to pay.

Mr. Chelton stated Federal money was 80% of the building program. The State was to put in \$200,000 but wanted a 99 year lease. About \$500,000 was County money. (There have been a few additional problems and more money has been needed: a parking lot had to be bought that they did not know about at first.) The County has assumed the \$200,000 and this makes the County the sole owner. Sometimes part ownership with the State can be a headache. Now the State will put money into the Chest Disease Hospital and use it for State health department facilities.

Judge Moore stated the County had already paid that \$200,000 which would have been repaid to the County by the State in exchange for the lease which we could not give them, since it is not possible to give a 99 year lease on a building with a 40-50 year life.

DECEMBER TERM 1974

County Attorney Turner said the Council would be voting to give Judge Moore the authority to negotiate and enter into a lease with SETAHEC.

Coy Browder, Accounts and Budget, said 80-85% of the Federal money came from the Appalachian Regional Council. They also provide the major portion of the funds for SETAHEC. ARC will approve them as tenants in the building whereas other organizations might not qualify.

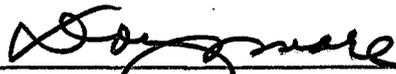

Judge Moore said they had all been delighted to find that SETAHEC was interested.

ON MOTION of Councilman Mayfield, seconded by Judge Moore, that the reports of the various County officials (see copy attached of Sheriff's report and County Court Clerk's report, both for November, 1974) be accepted, treat same as read, approved, filed and made a matter of record. The foregoing Motion was unanimously Adopted by Acclamation. Total present-5. Absent-0.

Councilman Fuller said he would like to take this opportunity to wish every one a Merry Christmas. Councilman Ricketts seconded the motion.

Judge Moore invited everyone to the Court House Christmas gathering beginning at noon on December 24. He said it would be good to see everyone in a group. Mrs. Kathleen Proctor headed up a committee making arrangements for the party, and Judge Moore said that Kathleen had done a good job. Judge Moore said his only disappointment was when they had ordered a suit for him to wear and he did not need any stuffing to wear it.

ON MOTION of Councilman Long, seconded by Councilman Fuller, the Meeting was adjourned. The foregoing Motion was unanimously Adopted by Acclamation.

A RESOLUTION

TITLE RESOLUTION TO ADOPT AMENDMENTS TO THE HAMILTON COUNTY ZONING REGULATIONS AND SUBDIVISION REGULATIONS CONCERNING ELIGIBILITY FOR THE SALE OF SUBSIDIZED FLOOD INSURANCE

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, there are certain municipalities within Hamilton County which must adopt amendments to their zoning ordinances and subdivision regulations in order that they may meet the necessary federal requirements to be eligible for the sale of subsidized flood insurance,

AND WHEREAS, Hamilton County should also adopt said amendments in order to retain uniformity between the Hamilton County ordinances and regulations and those of the various concerned municipalities,

AND WHEREAS, the Chattanooga-Hamilton County Regional Planning Commission, on November 18, 1974 reviewed and approved proposed amendments to the Zoning Regulations and Subdivision Regulations of Hamilton County, to read as follows:

ZONING AMENDMENT

Amend Article IV, Section 1102.1 (V-1 Valley Zone Regulations: Permitted Uses) to read as follows:

1102.1 Any lawful use permitted in the various zoning districts shall also be permitted in the portions of such zoning districts lying within the V-1 VALLEY ZONE subject to all applicable height, yard area, setback, off-street parking, or other regulations applicable in such zone; provided, however, that fill, encroachments, or structures that would impair the ability of the Valley Zone (designated floodway) to carry and discharge the waters resulting from the 100-year flood are prohibited, unless and until a special permit therefor has been issued by the Board of Zoning Appeals.

The Chattanooga-Hamilton County Regional Planning Commission shall adopt and publish criteria, procedures, and standards for the issuance of such special permits in the V-1 Valley Zone.

Amend Article V, Section 104.7, Minimum Elevation Regulations to read as follows:

104.7 Minimum Elevation Regulations.

104.71 Residential.

No residence or structure intended for human habitation shall be erected unless its lowest habitable floor is at an elevation equal to or greater than the high water stage at the point of construction.

(continued)

Member of the County Council

Action taken.....

JANUARY TERM 1975

- 104.72 Non-Residential.
New construction or substantial improvements of non-residential structures within the area of special flood hazards are required to have the lowest floor (including basement) elevated to or above the level of the 100-year flood or, together with attendant utility and sanitary facilities, to be flood-proofed up to the level of the 100-year flood.
- 104.73 Non-Conforming Uses.
Existing non-conforming uses in the Valley Zone shall not be expanded, but may be modified, altered or repaired to incorporate flood-proofing measures, provided such measures do not raise the level of the 100-year flood.
- 104.74 Building Site.
The minimum building site for said structure shall be at an elevation which is not lower than two (2) feet below the high water stage at the point of construction.

SUBDIVISION AMENDMENT

In the section concerning Public Use and Service Areas (page 9), add the following:

- 2.1 Location of Utilities.
All public utilities and facilities, such as sewer, gas, electrical, and water systems shall be located, elevated and constructed to minimize or eliminate flood damage.
- 2.2 Water and Sanitary Sewage Systems.
New or replacement water supply systems and/or sanitary sewage systems shall be designed to minimize or eliminate infiltration of flood waters into the systems (and discharges from the systems into flood waters). On-site waste disposal systems shall be located so as to avoid impairment of them or contamination from them during flooding.

NOW, THEREFORE, BE IT RESOLVED BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE; IN SESSION ASSEMBLED, JANUARY 8, 1974, that the aforementioned amendments be adopted.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

Member of the County Council

Action Taken: Approved

J A N A R Y T E R M 1 9 7 5

ON MOTION of Councilman Ricketts, seconded by Councilman Long, the foregoing Resolution was unanimously Adopted on a Roll Call vote, with the following members of the County Council being present and voting, "Aye": Councilman Fuller, Councilman Long, Councilman Mayfield, Councilman Ricketts and Judge Moore. Total present-5. Absent-0.

(Judge Moore stated this is an amendment required by the Federal Government to enable Hamilton County to qualify for the insurance.)

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Edna T. Pendergrass petitioned The Chattanooga-Hamilton County Regional Planning Commission to rezone a tract of land located in the 1900 block of Gold Point Circle North and said Planning Commission after hearing recommended that said petition be approved; and

WHEREAS, Edna T. Pendergrass requested that the County Council consider said petition and notice has been published in a newspaper in general circulation in Hamilton County that the County Council would hold a public hearing on January 8, 1975, concerning the passage of this Resolution as required by law, and such hearing having been held.

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE, IN SESSION ASSEMBLED: That the Zoning Resolution of Hamilton County be amended to rezone from Mobile Home District and Urban Residential District to Rural Residential District a tract of land located in the 1900 block of Gold Point Circle North, being between Hixson Pike and Parkshore Circle Road. This tract begins some 1400' east of Hixson Pike, fronts 1102' on the north line of Gold Point Circle North and extends NW 655', thence SW 332', thence NW 547' to a fence intersection near the south line of a 20' dirt lane, thence SW, along said fence line, 614', thence SE 920' to Gold Point Circle North, the point of beginning, being part of the W. C. Pendergrass Tract.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

TITLE REZONING FROM AGRICULTURAL DISTRICT TO WHOLESALE AND LIGHT INDUSTRIAL DISTRICT A TRACT OF LAND LOCATED ON THE WEST LINE OF I-75, NORTH OF AMOS ROAD. THIS TRACT BEGINS 4400' NORTH OF AMOS ROAD, FRONTS 600' ON THE WEST LINE OF THE I-75 RIGHT-OF-WAY AND EXTENDS NW 500', THENCE SW 600' TO A POINT IN THE CENTERLINE OF SECTION 5, THENCE SE, ALONG SAID CENTERLINE, 500' TO THE WEST RIGHT-OF-WAY LINE OF I-75, BEING PART OF THE NE QUARTER OF SECTION 5, TOWNSHIP 4, RANGE 2, WEST OF THE BASIS LINE, OCOEE DISTRICT.

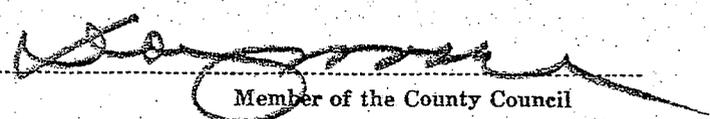

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Mrs. Elizabeth Howard petitioned The Chattanooga-Hamilton County Regional Planning Commission to rezone a tract of land located on the West line of I-75, North of Amos Road and said Planning Commission after hearing recommended that said petition be denied; and

WHEREAS, Mrs. Elizabeth Howard requested that the County Council consider said petition and notice has been published in a newspaper in general circulation in Hamilton County that the County Council would hold a public hearing on January 22, 1975, concerning the passage of this Resolution as required by law, and such hearing having been held.

NOW, THEREFORE, BE IT RESOLVED, BY THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE, IN SESSION ASSEMBLED: That the Zoning Resolution of Hamilton County be amended to rezone from Agricultural District to Wholesale and Light Industrial District a tract of land located on the West line of I-75, North of Amos Road. This tract begins 4400' North of Amos Road, fronts 600' on the West line of the I-75 right-of-way and extends NW 500', thence SW 600' to a point in the centerline of Section 5, thence SE, along said centerline, 500' to the west right-of-way line of I-75, being part of the NE quarter of Section 5, Township 4, Range 2, West of the Basis line, Ocoee District.

(The Planning Commission had recommended that this petition be denied. Mr. Robinson had appeared in opposition before the Planning Commission.

Mr. David Boyd was present before the Council representing Mrs. Elizabeth Howard. He stated he could see no reason for this being turned down. He said that Dr. Frank Trundle was part-owner of the property. He said that Mr. Robinson, who was opposing the rezoning, owned the property between Mrs. Howard's and the high school, and that it had been rezoned for a mobile home park, and yet Mr. Robinson's objection was that her property was too near the high school.

Judge Moore asked if there was anyone in opposition. There was no one. At this time, Judge Moore moved that the recommendation of the Planning Commission to deny the petition be approved. Councilman Mayfield seconded this Motion. Councilman Fuller stated he felt some explanation of why the petition was being denied should be given, that the Council had advance information of things that are to happen there.

Judge Moore stated that it would be inappropriate to rezone this property in view of what the Council had learned will happen but which they are not in a position to make public at this time.)

RESOLUTION

WHEREAS, the Planning Commission had received a request for a variance from the Hamilton County Subdivision Regulations and the Hamilton County Zoning Regulations for the division of the Charles Hinkle Farm on the Ware Branch,

AND WHEREAS, the Judge and the County Council are required to make a determination as to the approval or denial of said request,

AND WHEREAS, on December 16, 1974, the Chattanooga-Hamilton County Regional Planning Commission reviewed and discussed the request,

NOW THEREFORE, BE IT RESOLVED that the Planning Commission, on December 16, 1974, does respectfully recommend to the Judge and Members of the County Council that the variance request be denied.

Respectfully submitted,

Secretary

At the suggestion of Judge Moore to pass until the next Council meeting, a decision on the request for a variance from the Hamilton County Subdivision Regulations and the Hamilton County Zoning Regulations for the division of the Charles Hinkle Farm on the Ware Branch. Jude Moore stated that the Planning Commission had recommended that the variance request be denied.

Mr. Hinkle appeared before the Council with Mr. Seaborn and Mr. Roy Card. Mr. Hinkle stated that he had sold two or three lots and each lot has a 50' right of way for a road. They are having trouble keeping the roads private; the road runs around the farm down by the lake. He said they had spent eight months trying to get clearance and he has spent over \$1,000 to gravel the road. A TVA man from Athens had looked over the road and said it was very acceptable. Mr. Hinkle distributed pictures of the roads in the subdivision to Council members. He stated the roads had been regravelled since the pictures were made and that he had furnished the County engineer with all the information and that Mr. Procter seemed pleased with it. And they would like to keep it the way it is.

Judge Moore asked how many other lots Mr. Hinkle anticipated having. Mr. Hinkle said only a half dozen or so, that he was selling only to friends.

Judge Moore stated that one of the problems, as he understands it, is that people have created roads over the years that the County then had to keep up. He asked if Mr. Hinkle would be willing to guarantee that the residents would pay to bring the roads up to County Subdivision standards if the County should have to take these roads over. Mr Hinkle said he was sure the people owning the lots would want to keep them private but he was sure they would agree to this.

Judge Moore asked that Mr. Hinkle have an attorney draw up such an agreement that the County Attorney would approve and return to the next Council meeting for consideration. Judge Moore told Mr. Hinkle that the Council would like to help but also feel an obligation to the County. Councilman Fuller explained to Mr. Hinkle that their concern is not what he was doing now but what might happen in five to ten years.

REGULATION AMENDMENT

30
RESOLUTION NO. _____

A RESOLUTION TO AMEND A REGULATION ENTITLED: " A REGULATION FOR AIR CONSERVATION AND THE PREVENTION; ABATEMENT AND CONTROL OF AIR POLLUTION; CREATING AN AIR POLLUTION CONTROL AUTHORITY AND PRESCRIBING ITS POWERS AND DUTIES; AND ESTABLISHING STANDARDS, RULES AND REGULATIONS FOR THE ABATEMENT AND CONTROL OF AIR POLLUTION AND PROVIDING PENALTIES FOR VIOLATIONS THEREOF; AND PROVIDING FOR THE ISSUANCE, SUSPENSION AND REVOCATION OF INSTALLATION PERMITS, TEMPORARY OPERATING PERMITS AND CERTIFICATES OF OPERATION; AND AUTHORIZING THE IMPOSITION AND COLLECTION OF PENALTIES AND FORFEITURES; AND REQUIRING MONITORING OF SOURCES AND MAKING EMISSION DATA AVAILABLE TO THE PUBLIC; AND PROVIDING FOR THE LICENSING OF OPERATORS OF CERTAIN TYPES OF EQUIPMENT.

Be it resolved by the County Council of Hamilton County, Tennessee,
That the Regulation above captioned be, and hereby is, amended as follows:

SECTION 1. That the Regulation be, and hereby is, amended by striking from the second sentence of Paragraph 1 of Section 2-A the following language:

"except that of the initially appointed members, one from each of the above categories shall serve for two years, and one from each shall serve for three years, and one from each shall serve for four years as designated at the time of appointment"

SECTION 2. That the Regulation be, and hereby is, amended by striking from Paragraph 2 of Section 2-A the following language from the first sentence after the colon (:): "the metropolitan area of Chattanooga, Tennessee, residing

J A N U A R Y T E R M 1 9 7 5

within Hamilton County, Tennessee, or Walker County, Georgia" and substituting in lieu thereof the following:

"Hamilton County, Tennessee"

SECTION 3. That the Regulation be, and hereby is, amended by adding at the end of the fourth sentence of Section 4-A the following:

"and file a notice of appeal and bond pursuant to Section 7-E."

SECTION 4. That the Regulation be, and hereby is, amended by striking the last sentence of Section 4-B and substituting in lieu thereof the following:

"All action taken by the Board under this regulation shall be in writing and signed by the Chairman, Vice-Chairman or Chairman pro tem. of the Board."

SECTION 5. That the Regulation be, and hereby is, amended by adding in Section 5-B after the first two words the following phrase:

"or renewal thereof"

SECTION 6. That the Regulation be, and hereby is, amended by deleting the last sentence of Section 5-D and substituting as follows:

"Immediately upon receipt of an application for renewal, the Bureau shall provide for public notice in a newspaper of general circulation at the expense of the applicant prior to the public hearing upon said application."

SECTION 7. That the Regulation be, and hereby is amended by changing the phrase, "Chattanooga and Hamilton County Health Department" in the first sentence of Section 6 to the following:

"Chattanooga-Hamilton County Health Department"

SECTION 8. That the Regulation be, and hereby is, amended by deleting "and/" in two instances in the first sentence of Section 6.

SECTION 9. That the Regulation be, and hereby is, amended by deleting in its entirety Section 7-A and substituting in lieu thereof as follows:

"SECTION 7-A. At any public hearing, all testimony taken before the Board shall be under oath and recorded stenographically, but the record shall not be transcribed unless any party seeks judicial review by common law writ of certiorari from any order or determination of the Board, and in such event the party seeking such judicial review shall pay for the

transcription and reimburse the Board its stenographic expense incident to the hearing and shall furnish the original transcript to the Board. "

SECTION 10. That the Regulation be, and hereby is, amended by deleting the first sentence of Section 7-B in its entirety and substituting in lieu thereof the following:

"The Chairman, Vice-Chairman, Chairman pro tem. of the Board or the Director may issue notice for the hearing and may issue subpoenas requiring attendance and testimony of witnesses or the production of evidence relevant to any matter involved in such hearing, or both. "

SECTION 11. That the Regulation be, and hereby is, amended by striking "and/or" in the sixth sentence of Section 7-B and substituting as follows:

"and"

SECTION 12. That the Regulation be, and hereby is, amended by striking the word "final" in the second sentence of Section 7-E.

SECTION 13. That the Regulation be, and hereby is, amended by adding the word "exclusively" immediately after the word "thereof" in the seventh sentence of Section 7-E.

SECTION 14. That the Regulation be, and hereby is, amended by adding immediately after the phrase "fuel burning equipment" in Rule 2.1 of Section 9 the following:

"which has design capacity of or in excess of 250,000,000 (two-hundred fifty million) BTU's per hour"

SECTION 15. That the Regulation be, and hereby is, amended by deleting the word "new" in Rule 3.1 of Section 9.

SECTION 16. That the Regulation be, and hereby is, amended by adding the following language after the last sentence of Rule 3.1 of Section 9:

"Provided, however, that the time limitations as set forth in Rule 7.1 apply to incinerators, but all other provisions of Rule 3 shall apply to incinerators. "

SECTION 17. That the Regulation be, and hereby is, amended by deleting Rule 3.2 of Section 9 in its entirety.

SECTION 18. That the Regulation be, and hereby is, amended by deleting Rule 3.3 of Section 9 in its entirety.

J A N U A R Y T E R M 1 9 7 5

SECTION 19. That the Regulation be, and hereby is, amended by deleting Rule 3.4 of Section 9 in its entirety and substituting in lieu thereof the following:

"Rule 3.2. Due allowance shall be made for visible emissions in excess of that permitted in Rule 3.1 of this regulation which are necessary or unavoidable due to start-up, shut-down, or malfunction provided the owner or operator shall maintain a running current log of such start-up, shut-down, or malfunction showing the time at which such condition began and ended and that written notification shall be submitted to the Bureau within seven (7) days of such occurrence. Maintaining a log does not excuse non-compliance with any other provision of this regulation. For the equipment subject to a permit, it shall be permissible to omit the record of start-up or shut-down conditions not in compliance with Rule 3.1 when such start-up or shut-down condition has previously been made a part of the permit. "

SECTION 20. That the Regulation be, and hereby is, amended by deleting the phrase "and Rule 3.2" from Rule 3.5 of Section 9.

SECTION 21. That the Regulation be, and hereby is, amended by renumbering Rule 3.5 as Rule 3.3 of Section 9.

SECTION 22. That the Regulation be, and hereby is, amended by renumbering Rule 3.6 as Rule 3.4 in Section 9.

SECTION 23. That the Regulation be, and hereby is, amended by deleting the phrase "2%" in Rule 4.1 of Section 9 and substituting the following:

"four per cent (4%)"

SECTION 24. That the Regulation be, and hereby is, amended by deleting Rule 5.1 of Section 9 in its entirety and substituting in lieu thereof as follows:

"Rule 5.1. All operation or use of hand-fired fuel burning equipment with solid fuels is prohibited. "

SECTION 25. That the Regulation be, and hereby is, amended by deleting Rule 5.2 of Section 9 in its entirety and substituting in lieu thereof as follows:

"Rule 5.2. Rule 5.1 shall not apply to fuel burning equipment used exclusively for heating a dwelling designed and used for occupancy of less than three families. "

SECTION 26. That the Regulation be, and hereby is, amended by deleting "a signed" from Rule 6.3 (a) of Section 9 and substituting the word "An. "

SECTION 27. That the Regulation be, and hereby is, amended by adding after the word "plastics" in Rule 6.3. e. of Section 9 the following:

" , roofing materials, tar paper"

SECTION 28. That the Regulation be, and hereby is, amended by adding a new subdivision to Rule 6.5 of Section 9 as follows:

"d. Open burning used solely for the purpose of warming persons who are in the out of doors performing work and conducting lawful activities provided such fires use only clean fuel not containing garbage, rubber, plastics, roofing materials, tar paper, or other refuse."

SECTION 29. That the Regulation be, and hereby is, amended by deleting Rule 7.1 of Section 9 in its entirety and substituting in lieu thereof as follows:

"Rule 7.1. No person shall cause, suffer, allow or permit discharge of a visible emission from any incinerator with a density equal to or greater than number one (1) of the Ringelmann Chart or an opacity equal to or in excess of twenty (20) percent for an aggregate of more than three (3) minutes in any one (1) hour or more than twelve (12) minutes in any twenty-four (24) hour period."

SECTION 30. That the Regulation be, and hereby is, amended by deleting Rule 7.2 of Section 9 in its entirety.

SECTION 31. That the Regulation be, and hereby is, amended by adding after the word "permit" and before the word "emission" in three instances in Rule 7.3 of Section 9 the word "particulate", and further amend by renumbering Rule 7.3 as Rule 7.2 in Section 9.

SECTION 32. That the Regulation be, and hereby is, amended by renumbering Rule 7.4 as Rule 7.3 in Section 9.

SECTION 33. That the Regulation be, and hereby is, amended by deleting Rule 7.5 of Section 9 in its entirety.

SECTION 34. That the Regulation be, and hereby is, amended by deleting Rule 7.6 of Section 9 in its entirety and substituting in lieu thereof as follows:

"Rule 7.4. No person shall cause, suffer, allow or permit a visible emission from a pathological waste incinerator. No person shall cause, suffer, allow or permit particulate emission in excess of 0.1 pounds per 100 pounds charge from a pathological waste incinerator."

J A N U A R Y T E R M 1 9 7 5

SECTION 35. That the Regulation be, and hereby is, amended by designating Rule 7.7 of Section 9 as Rule 7.5.

SECTION 36. That the Regulation be, and hereby is, amended by deleting in its entirety Schedule 1 of Table 1 of Section 9 which is a part of Rule 8.

SECTION 37. That the Regulation be, and hereby is, amended by designating "Schedule 2" of Table 1 of Section 9 which is a part of Rule 8 as "Schedule 1".

SECTION 38. That the Regulation be, and hereby is, amended by designating "Schedule 3" of Table 1 of Section 9 which is a part of Rule 8 as "Schedule 2".

SECTION 39. That the Regulation be, and hereby is, amended by deleting in its entirety the heading "Allowable Particulate Emission (Lbs/10⁶ BTU/Hr)" in Table 1 of Section 9 which is a part of Rule 8 and substituting in lieu thereof the following phrase which shall be centered above and apply to Schedule 1 and Schedule 2:

"Maximum Allowable Particulate Emission
(Lbs/10⁶ BTU/Hr)"

SECTION 40. That the Regulation be, and hereby is, amended by deleting in Table 1 of Section 9 which is a part of Rule 8 the title "Emission Standards For Fuel Burning Equipment" and substituting in lieu thereof as follows:

"Emission Limitations For Fuel Burning Equipment"

SECTION 41. That the Regulation be, and hereby is, amended by deleting Rule 8.1 of Section 9 in its entirety and substituting in lieu as follows:

"Rule 8.1. No person shall cause, suffer, allow or permit the emission of air contaminants from fuel burning equipment built or installed before the 1st day of January, 1973, in excess of that provided in Schedule 1 of Table 1 and with the provisions of Rule 8.3."

SECTION 42. That the Regulation be, and hereby is, amended by deleting from Rule 8.2 of Section 9 the language "Schedule 3 of Table 1" and substitute in lieu thereof the following:

"Schedule 2 of Table 1"

J A N U A R Y T E R M 1 9 7 5

"Rule 10.1. All installations, operations or equipment, except fuel burning equipment and incinerators, from which any air contaminant is, or may be, emitted or permitted to escape into the open air shall comply with the provisions of this rule. The emission limitations specified in Table 2 are the maximum allowable emissions in any consecutive sixty (60) minute period."

SECTION 51. That the Regulation be, and hereby is, amended by deleting Rule 10.2 of Section 9 in its entirety and substituting in lieu thereof the following:

"Rule 10.2. No person shall cause, suffer, allow or permit emission from any air contaminant source built or installed before the 1st day of January, 1973, in excess of that provided in Schedule 1 of Table 2."

SECTION 52. That the Regulation be, and hereby is, amended by deleting Rule 10.3 and Rule 10.4 of Section 9 in their entirety.

SECTION 53. That the Regulation be, and hereby is, amended by deleting Rule 10.5 of Section 9 in its entirety and substituting in lieu thereof the following:

"Rule 10.3. No person shall cause, suffer, allow or permit emission from any air contaminant source built or installed on and after the 1st day of January, 1973, in excess of that provided in Schedule 2 of Table 2."

SECTION 54. That the Regulation be, and hereby is, amended by renumbering Rule 10.6 as Rule 10.4 of Section 9.

SECTION 55. That the Regulation be, and hereby is, amended by deleting the period (.) at the end of Rule 11.1 of Section 9 and adding the following language:

"for more than three (3) minutes in any consecutive sixty (60) minute period or more than twenty (20) minutes in any twenty-four (24) hour period."

SECTION 56. That the Regulation be, and hereby is, amended by deleting Rule 12.3 of Section 9 in its entirety and substituting in lieu thereof the following:

"Rule 12.3. No person shall cause, suffer, allow or permit emission such as to cause an "objectionable" odor on or adjacent to premises other than those listed in Rule 12.2 unless the odor is not detectable where air containing such odorous matter is diluted with a maximum of four equal volumes of odor-free air."

J A N U A R Y T E R M 1 9 7 5

SECTION 57. That the Regulation be, and hereby is, amended by deleting Rule 13. Regulation of Sulfur Oxides of Section 9 in its entirety and substituting in lieu thereof the following:

"Rule 13. REGULATION OF SULFUR OXIDES

Rule 13.1. No person shall cause, suffer, allow or permit the emission of gas containing sulfur dioxide from any source except fuel burning equipment in excess of 500 ppm.

Rule 13.2. No person shall cause, suffer, allow or permit the emission from fuel burning equipment of sulfur dioxide gas in excess of four (4) pounds per million BTU of fuel consumed in the equipment.

Rule 13.3. All sampling of exhaust gases from any source of sulfur dioxide and all analyses of samples to determine the amount of sulfur dioxide in exhaust gases shall be conducted as specified by techniques promulgated by the Board.

Rule 13.4. For the purposes of this Rule 13 all sulfur present in gaseous compounds and containing oxygen shall be deemed to be present as sulfur dioxide.

Rule 13.5. Compliance with this Rule 13 shall not relieve a person from the requirements of Rule 12 or from the requirements of any other rules or provisions of this regulation.

SECTION 58. That the Regulation be, and hereby is, amended by striking Paragraph 7 of Section 10-A in its entirety and substitute in lieu thereof the following:

"7. If work which requires a permit is begun without having obtained an Installation Permit, or if work is performed other than in accordance with the plans and specifications filed with and approved by the Director, the Director may grant such permit provided, however, that the installation permit fee is doubled in all such cases. If work upon equipment which requires an Installation Permit under this regulation is begun without having obtained such permit, or if faulty work has been performed, the Director may grant such permit, conditioned upon the removal of all faulty work. Provided, however, this provision shall not be construed as authorizing such violation."

SECTION 59. That the Regulation be, and hereby is, amended by adding after the last sentence of the second paragraph of Paragraph 1 of Section 10-C the following:

"The Director may refuse to renew a Certificate of Operation or require further tests or information if he determines that the equipment is not in compliance with all the provisions of this regulation".

J A N U A R Y T E R M 1 9 7 5

SECTION 60. That the Regulation be, and hereby is, amended by striking "and/or" in the third paragraph of Paragraph 2 (a) of Section 10-C and substituting in lieu thereof the word "or".

SECTION 61. That the Regulation be, and hereby is, amended by striking "and/or" in both instances in the first two sentences in Paragraph 2 (d) of Section 10-C and substituting in lieu thereof in both instances the word: "and".

SECTION 62. That the Regulation be, and hereby is, amended by deleting Section 14-B in its entirety and substituting in lieu thereof the following:

"Section 14-B. Emissions exceeding any of the limits established in this regulation as a direct result of a malfunction, start-up, shut-down or scheduled maintenance shall not be deemed to be in violation of the emission limitations established as part of this regulation, provided all the requirements of Section 14 and Section 9, Rule 3.2 are met."

SECTION 63. That the Regulation be, and hereby is, amended by deleting Section 14-C in its entirety and substituting in lieu thereof as follows:

"Section 14-C. For scheduled maintenance, start-ups and shut-downs, which may result in a violation of this regulation, a written report shall be submitted at least 24 hours prior thereto, and in the event of malfunctions, a written report shall in any case be made to the Bureau within seven (7) days after the occurrence. Provided, however, that the Bureau be notified not later than the first business day after a malfunction. Provided, also that all the requirements of Section 9, Rule 3.2 be met."

SECTION 64. That the Regulation be, and hereby is, amended by deleting the phrase "upset conditions or breakdowns" from Section 14-D and substitute in lieu thereof "a malfunction".

SECTION 65. That the Regulation be, and hereby is, amended by deleting Section 15 in its entirety and reserving that section number for future use.

SECTION 66. That the Regulation be, and hereby is, amended by deleting Section 16 in its entirety and substituting in lieu thereof the following:

"SECTION 16. Definitions

In the interpretation and enforcement of this regulation, the following definitions shall apply:

1. Air contaminant— Any smoke, soot, fly ash, dust, cinders, dirt, noxious or obnoxious acids, fumes, oxides, gases, vapors, odors, toxic or radioactive substance, waste, particulate, solid, liquid or gaseous matter, or any other materials in the outdoor atmosphere, but excluding uncombined water.

2. Air flow permeability - The volumetric rate of air flow in cfm, produced by a pressure decrease of 0.5 in. w.g. across a new, clean filtering fabric, divided by the area of the fabric in ft². The test air stream is maintained at nominal atmospheric pressure and temperature.
3. Air pollution - The presence in the outdoor atmosphere of one or more air contaminants or combinations thereof in such quantities and of such duration that they are or may tend to be injurious to human, plant, or animal life, or property, or that interfere with the comfortable enjoyment of life or property or the conduct of business.
4. Asbestos - Any of six (6) naturally occurring, hydrated mineral silicates: Actinolite, amosite, anthophyllite, chrysotile, crocidolite, and tremolite,
5. Board - The Chattanooga-Hamilton County Air Pollution Control Board.
6. Bureau - The Chattanooga-Hamilton County Air Pollution Control Bureau.
7. Control equipment - Any item of equipment which has as its primary function the elimination or reduction of the emissions of an air contaminant.
8. Controlled burning - Open burning conducted in such manner or with the aid of such special equipment that emissions are reduced.
9. Director - The Director of the Bureau.
10. Dwelling unit - Any room or group of rooms located within a dwelling and forming a single habitable unit with facilities which are used or intended to be used for living, cooking, sleeping and eating.
11. Emission - A release into the outdoor atmosphere of air contaminants.
12. Emission point - That place where emission occurs.
13. Excess air - Air entering a combustion chamber in excess of the amount theoretically required to complete combustion of materials in the combustion chamber.
14. Existing - Things, such as equipment, machines, devices, articles, contrivances or installations which were in being before the 14th day of October, 1969. If any such existing equipment, machine, device, article, contrivance or installation is altered, repaired or rebuilt so that potential air pollutant emission is increased, it shall be reclassified as "new", as defined in this regulation
15. Fly ash - Particulate matter capable of being airborne, resulting from combustion of fuel or refuse.
16. Fossil fuel - Coal, coke and liquid petroleum fuels other than gasoline, diesel fuels and kerosene.

J A N U A R Y T E R M 1 9 7 5

17. Fuel burning equipment - Any equipment, device or contrivance used for the burning of any fuel (except refuse) and all appurtenances thereto, including ducts, breechings, fly ash collecting equipment, fuel feeding equipment, ash removal equipment, combustion controls, stacks, chimneys, etc., used for indirect heating in which the material being heated is not contacted by, and adds no substance to, the products of combustion. Such equipment includes, but is not limited to, that used for heating water to boiling; raising steam or superheating steam; heating air as in warm air furnaces; furnishing process heat that is conducted through process vessel walls; and furnishing process heat indirectly through its transfer by fluids.
18. Fugitive dust - Particulate matter emitted from any source other than a flue or stack.
19. Hand fired fuel burning equipment - Fuel burning equipment in which fresh fuel is manually introduced directly into the combustion chamber.
20. Incinerator - Refuse burning equipment as is hereinafter defined.
21. Internal combustion engine - Any engine of 10 horsepower as rated by S. A. E. methods or larger in which the combustion of gaseous, liquid or pulverized solid fuel takes place..
22. Malfunction - Any sudden and unavoidable failure of air pollution control equipment, process equipment, or fuel-burning equipment, to operate in a normal or usual manner. Failures that are caused entirely or in part by poor maintenance, careless operation, or any other preventable condition or preventable equipment breakdown shall not be considered malfunctions.
23. Minor pollution source - Any fuel burning, refuse burning or process equipment which, without control equipment, would emit less than 1,000 pounds per year and less than 10 pounds per day of air contaminants, and which can otherwise be operated in compliance with this regulation; provided that this definition shall not be applicable to sources of asbestos or beryllium emissions.
24. Multiple chamber incinerator - Any article, machine, equipment, contrivance, structure or part of a structure used to dispose of combustible refuse by burning, consisting of three or more refractory lined combustion furnaces in series, physically separated by refractory walls, interconnected by gas passage ports or ducts and employing adequate design parameters necessary for maximum combustion of the material to be burned.
25. New - Things, such as equipment, machines, devices, articles contrivances or installations built or installed on or after the 14th day of October, 1969, and things or installations existing at said stated time which are later altered, repaired or rebuilt so that potential air pollutant emission is increased.
26. Opacity - That property of a substance tending to obscure vision and is measured in terms of per cent obscuration. As used in this regulation, it does not include obscuration of vision due to uncombined water droplets. The percentage opacity of a plume is numerically equal to twenty (20) times the Ringelmann number for a plume of black smoke having equivalent capacity of obscuration.

J A N U A R Y T E R M 1 9 7 5

27. Open burning - Unconfined burning of combustible material where no equipment has been provided and used for control of air.
28. Particulate matter - Material other than uncombined water, which is suspended in air or other gases, in a finely divided form, as a liquid or solid.
29. Pathological waste - All, or parts of, organs, bones, muscles, other tissues and organic wastes of human or animal origin, laboratory cultures, and infective dressings and other similar material.
30. Pathological waste incinerator - Refuse burning equipment used solely for disposal of pathological waste.
31. Person - Any individual, partnership, co-partnership, firm, company, corporation, association, joint stock company, trust, estate, governmental entity or any other legal entity, or their legal representatives, agents or assigns. The masculine gender shall include the feminine, the singular shall include the plural where indicated by the context.
32. Ppm - Parts per million by volume at a temperature of seventy (70) degrees Fahrenheit and at a pressure of seven hundred sixty (760) millimeters of mercury.
33. Process air - Air used principally as a function of the process.
34. Process emission - Any emission of an air contaminant to the ambient air other than that from fuel burning equipment, incinerator or open burning.
35. Process equipment - Any equipment, device or contrivance for changing any materials whatever or for storage or handling of any materials, the use or existence of which may cause any discharge of air contaminants into the open air but not including that equipment specifically defined as "Fuel burning equipment" or "Refuse burning equipment," in this regulation.
36. Process weight - The total weight of all material introduced into any specific process which process may cause any discharge of air contaminant. Solid fuels charged will be considered as part of process weight, but liquid and gaseous fuels and combustion and process air will not. For a cyclical or batch operation, the process weight per hour will be derived by dividing the total process weight by the number of hours in one complete operation from the beginning of any given process to the completion thereof, excluding any time during which the equipment is idle. For a continuous operation, the process weight per hour will be derived by dividing the process weight for a 24-hour period by 24.
37. Refuse burning equipment - Any equipment, device or contrivance used for the destruction of garbage and/or other combustible wastes by burning, and all appurtenances thereto.
38. Ringelmann Smoke Chart - The Chart published in the U. S. Bureau of Mines Information Circular 8333, for use in measuring the shades, density or opacity of air contaminants arising from stacks and other sources.

J A N U A R Y T E R M 1 9 7 5

39. Salvage operation - Any operation conducted in whole or in part for the salvage or reclaiming of any product or material.
40. Shut-down - The removal of equipment from operation.
41. Smoke - Small gas or airborne particles resulting from combustion operations and consisting of carbon and ash and other matter and present in sufficient quantity to be observable.
42. Source - Any equipment, process or operation which causes or contributes to cause emission at an emission point or any combination of items of equipment, processes or operations which when combined cause emission at an emission point.
43. Standard conditions - 14.7 psia and a temperature of 70°F.
44. Start-up - The placing into operation of new, down or off-line equipment.
45. Suspended particulate - Particulate matter which will remain suspended in air for an appreciable period of time.

SECTION 67. That the Regulation be, and hereby is, amended by deleting Section 19 in its entirety and substituting in lieu thereof as follows:

"SECTION 19
Penalties

A. Any person who violates any provision of this regulation, or any rule in force pursuant thereto, shall be fined as in misdemeanors.

B. Each separate violation shall constitute a separate offense and upon a continuing violation each hour of violation shall constitute a separate offense.

C. In addition to the fines provided in subsection A of this section, any person who violates any provision of this regulation, who violates the terms and conditions of any permit or Certificate of Operation issued pursuant to the provisions of this regulation, or who violates any order of the Board, shall be liable for the payment of a civil penalty, as hereinafter provided, to be imposed by the Board after hearing, or opportunity for hearing. Provided, however, that the Board may, in its discretion and for good cause shown, reduce the amount of a civil penalty or suspend the payment of all or part of the civil penalty imposed.

D. In addition to the civil penalties provided for above and not in limitation thereof, any person who violates the terms and conditions of any permit or Certificate of Operation issued pursuant to the provisions of this regulation, or who violates any order of the Board, or who violates any order of the Director, shall be liable for the payment of a civil penalty of five thousand dollars (\$5,000.00). Provided, however, the Board may, in its discretion and for good cause shown, reduce the amount of a civil penalty or suspend the payment of all or part thereof.

E. The amount of the civil penalty to be imposed by the Board, pursuant to subsection C. and subsection J. of this section, shall in no event exceed the amount of ten thousand dollars (\$10,000.00) for all violations occurring within a twenty-four (24) hour period. In determining the amount of a penalty to be imposed or the type and character of any other order to be entered by the Board, the Board may, but is not necessarily required to, consider, along with all other proof received, any one or more of the following factors: Any prior violations of this regulation; violations of prior orders of the Board; violations of prior orders of the Director; violations of conditions imposed upon permits or variances; the type and character of a violation and the extent to which the same is in excess of permissible limits or permissible activity or action; the past history of the pollution control efforts in regard to the taking of appropriate action to control emissions or abate pollution on the part of the person found to be in violation or otherwise subject to entry of an order of the Board; and the economic and financial conditions of the person found to have been in violation or otherwise subject to the entry of an order of the Board.

F. In lieu of the civil penalties provided in subsections C. and J. of this section, the Board may order that any person, who violates any provision of this regulation, who violates the terms and conditions of any permit or Certificate of Operation issued pursuant to the provisions of this regulation, or who violates any order of the Board, cease and desist the operation, use or activity which resulted in such violation, but may allow such person to continue the operation, use or activity upon the posting of a surety bond in an amount of twice the penalty which could have been assessed pursuant to subsections C. and J.; forfeiture of the said bond shall be conditioned upon any further violation of the regulation, permit or certificate, or order.

G. In addition to the civil penalties provided in subsections C. and J. of this section, the Board may order that such person cease and desist from the use of equipment, activity or other source of air contaminant; or the Board may enter a conditional cease and desist order; and if such order includes a reasonable delay during which to correct the source of violation, the Board may require the posting of a sufficient performance bond or other security to assure the correction of such violation within the time prescribed.

H. The liabilities which shall be imposed upon violation of any provision of this regulation, upon violation of the terms and conditions of any permit or Certificate of Operation issued pursuant to the provisions of this regulation or upon violations of any order of the Board, shall not be imposed on account of any violation caused by an act of God, war, strike, riot, or other catastrophe.

I. Action pursuant to this Section 19 shall not be a bar to enforcement of this regulation and orders made by the Board pursuant to this regulation, by injunction or other appropriate remedy, and the Board shall have power to institute and maintain in the name of this County and all enforcement proceedings.

J. The Board may impose a civil penalty upon the person liable in an amount in accordance with the following penalty schedules.

J A N U A R Y T E R M 1 9 7 5

SCHEDULE 4-2-I. FUEL BURNING EQUIPMENT

Penalties imposed shall be based upon the design fuel consumption per unit as expressed in thousands of British Thermal Units (BTU) per hour, using gross heating values of the fuel. Provided, however, the Board may, in its discretion and for good cause shown, reduce the amount of a civil penalty or suspend the payment of all or part of the civil penalty imposed.

<u>1000 BTU Per Hour</u>	<u>Penalty</u>

1,000,000 and greater	5,000.00

SCHEDULE 4-2-IV. ODOR PRODUCING EQUIPMENT

A penalty of two hundred fifty dollars (\$250.00) shall be imposed. Provided, however, the Board may, in its discretion and for good cause shown, reduce the amount of a civil penalty or suspend the payment of all or part of the civil penalty imposed.

SCHEDULE 4-2-V. MISCELLANEOUS

A penalty of two hundred fifty dollars (\$250.00) shall be imposed. Provided, however, the Board may, in its discretion and for good cause shown, reduce the amount of a civil penalty or suspend the payment of all or part thereof.

SCHEDULE 4-2-VI. OTHER ACTIVITY

A penalty of one thousand five hundred dollars (\$1,500.00) shall be imposed on account of a violation of this regulation resulting from any activity or use or operation of any article, machine or other contrivance which is not included in the preceding schedules. (Examples include, but are not necessarily limited to, the following: importation, sale, transportation, use or consumption of certain fuels; use of hand-fired fuel burning equipment; open burning; visible emissions from internal combustion engines; transporting and material handling in open air; odors in the ambient air). Provided, however, the Board may, in its discretion and for good cause shown, reduce the amount of a civil penalty or suspend the payment of all or part of the civil penalty imposed.

SECTION 68. That the Regulation, as previously adopted and amended, and as is here amended, be construed to be cumulative in its effect, and it is here declared to be the legislative intent that compliance with any one or more provisions of the Regulation or rules thereof shall not be construed as a defense for non-compliance with any other applicable provisions of the Regulation or rules thereof.

SECTION 69. That the Regulation as is here amended shall take effect two weeks from and after its passage, the public welfare requiring it. The passage of this Resolution shall in no way postpone or delay those actions required of persons subject to the Regulation, nor shall the passage of this amending Resolution operate as a postponement of the effective date of the Regulation which is here amended.

SECTION 70. If any section, part of a section, sentence, clause or phrase of the Regulation or of this Resolution is for any reason declared to be unconstitutional or otherwise invalid by any court of competent jurisdiction, such decision shall not affect the validity of any other portion of the Regulation or of this Resolution, and only such invalid portion shall be elided.

TITLE TO ESTABLISH A POLICY FOR DISPOSITION OF SURPLUS COUNTY OWNED PERSONAL PROPERTY.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, the following policy is established for the disposition of surplus county owned personal property:

1. The head of any county department will submit to the County Manager a form in triplicate outlining the vital statistics on any item that he considers surplus.
2. The County Manager will determine if the property can be used by any other county department, and if so inform the other department head of its availability.
3. The County Manager will send one copy of the disposition form to the Purchasing Agent as notification for pick-up of the surplus item; one copy to the Fixed Assets Department for proper release from records; and one copy to the County Auditor.
4. The Purchasing Agent will have all surplus property brought to one central location.
5. The Purchasing Agent will separate surplus property into saleable items and scrap items.
6. Scrap items will be sold to recognized scrap dealers at the best price available by phone.
7. Public notice will be posted of proposed sale of saleable items, noting the place and date of sale.
8. Special notice will be given interested people when higher dollar value items are for sale.
9. Any donations of surplus property to non-profit organizations must have County Council approval.

ON MOTION of Judge Moore, seconded by Councilman Mayfield, the foregoing Resolution was unanimously adopted on a Roll Call vote with the following members of the County Council being present and voting, "Aye": Councilman Fuller, Councilman Long, Councilman Mayfield and Judge Moore. Councilman Ricketts was absent. Total present-4. Absent-1.

(Judge Moore stated there was a vast amount of machinery, chairs, tables and a number of pieces of junk stored on County property. They need a policy to permit the County to dispose of these.

Judge Moore asked County Attorney Jim Turner if a Roll Call vote was necessary; Mr. Turner said yes.

Councilman Fuller asked that the 10 points in the Resolution be posted in the County so that County employees would be aware of what the Council was doing. Judge Moore requested County Manager Dalton Roberts to have this done.

AUTOMOBILES, TRUCK, TRACTOR AND GRADER TIRES AND TUBES

I. TAXES.

Hamilton County is not subject to State or Federal excise taxes and tax exemption forms will be furnished under contracts by Hamilton County.

The County is also exempt from transportation taxes and this tax shall not be included in bid prices or in delivery price of merchandise shipped.

II. DELIVERY.

All shipments must be delivered to 1110 Dayton Blvd. warehouse and delivery ticket shall be signed by warehouse manager.

III. ADJUSTMENTS.

The bidder agrees to meet standard adjustments on products, if any, and contract price shall be based on each adjustment. The period during which adjustments can be made shall extend for six (6) months from date of final delivery.

Order will be issued to the successful bidder upon the approval of Council action. Invoices shall be made to the Purchasing Department. Payments will be made to the invoicing agent.

IV. QUALITY.

All tires and tubes furnished under this bid shall be Class-A, current production tires of the latest design and construction and shall conform to the Federal Department of Transportation (DOT) specifications currently in effect.

Class-A tires shall be those recognized in the industry as at least first line, first grade, 100 level or higher and shall be of no lower quality than tires normally furnished in representative quantity as standard original equipment for autos, trucks, tractors, trailers and similar vehicles. Only manufacturers factory brands of domestically produced tires will be considered.

V. All tires offered must comply with all motor vehicle safety standards of the Department of Commerce and Department of Transportation (DOT), that are now in effect or become effective during the contract period.

VI. All tires furnished shall be warranted to be free of defects in materials and workmanship and covered by road hazard warranty for the tread life of tire.

In case of failure, the supplier shall replace defective tire with a new one. Compensation for replacement tire shall be determined by percentage of tread wear delivered and shall be based on that percentage of the supplier's bid price in effect at the time replacement is required.

Judge Moore stated that the City of Chattanooga was planning to adopt a new seal and had received many suggestions which they had narrowed down to two (see attached 2C I and II). These are now before the City Commission for study. Judge Moore has talked with the Mayor about the possibility of the City and the County adopting a joint seal. The County Council reviewed the two seals the City is considering and are in favor of a joint seal if the two can agree on a seal. They are now considering such a seal (2C III) showing a cannon looking across Moccasin Bend to the city. County Council and the City Commission will consider it further.

TITLE AUTHORIZING THE COUNTY JUDGE TO EXECUTE ALL NECESSARY DOCUMENTS INCIDENT TO THE BUILDING OF AN ADDITION TO THE JUVENILE ATTENTION UNIT AT THE HAMILTON COUNTY JUVENILE COURT, AND TO ACCEPT THE LOW BID OF C. C. HUSKEY CONTRACTING COMPANY AS CONTRACTOR FOR SAID PROJECT FOR THE TOTAL CONTRACT PRICE OF \$150,500.00; \$100,000.00 TO BE PAID BY THE COUNTY AND THE BALANCE THEREOF, INCLUDING ARCHITECTURES' FEES, TO BE PAID FROM FUNDS RECEIVED FROM PRIVATE SOURCES.

~~Be it Resolved by the County Council of Hamilton County, Tennessee, in Session Assembled:~~

WHEREAS, C. C. Huskey Contracting Company has submitted a low bid of \$150,500.00 to construct an addition to the Juvenile Attention Unit at the Hamilton County Juvenile Court properties; and

WHEREAS, the American Institute of Architects "Standard Form of Agreement Between Owner and Architect" was executed for the purpose of design and contract administration, for the addition of the Juvenile Attention Unit, as aforesaid, on August 26, 1974, by and between Hamilton County and Claus Peter Nentwig, Architect, for a stipulated fee of 7-1/4% of the contract price plus certain hourly rates for additional services as may be requested by Hamilton County; and

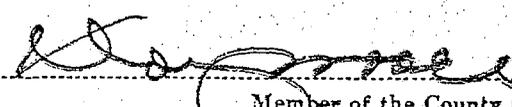

WHEREAS, private sources have paid or pledged all monies in excess of \$100,000.00 toward completion of the aforesaid project, including payment of the Architects' fees; and

WHEREAS, Hamilton County, through its prior Administration, appropriated toward this project the sum of \$100,000.00:

NOW, THEREFORE BE IT RESOLVED BY THE HAMILTON COUNTY COUNCIL in session duly assembled that the County Judge be and hereby is authorized to execute any and all necessary documents in order to fulfill the provisions hereinabove set forth, the obligation of Hamilton County not to exceed the sum of \$100,000.00.

BE IT FURTHER RESOLVED that this Resolution take effect from and after its passage, the public welfare requiring it.

Action taken APPROVED

Member of the County Council.

ON MOTION of Judge Moore, seconded by Councilman Ricketts, the foregoing Resolution was unanimously Adopted on a Roll Call vote with the following members of the County Council being present and voting, "Aye": Councilman Fuller, Councilman Long, Councilman Mayfield, Councilman Ricketts and Judge Moore. Total present-5. Absent-0.

(Judge Moore stated there were a number of bids made on this particular addition; C. C. Huskey was the lowest. He also said this particular addition has a rather unusual history. During the 1973-74 fiscal year the Council approved \$50,000 for this addition and there were some funds available from the private sector that were to go toward the cost of construction. But this was not enough. Last year the Council approved an additional \$50,000 for a total of \$100,000. The lowest bid was \$150,500, which left us \$50,500 short. The private sector is in the process of raising this plus architect's fee. To assure that the County does not wind up having to raise more money the County Attorney has prepared this resolution to authorize Judge Moore to enter into a contract with Huskey wherein the County's liability is limited to \$100,000.00 and the County would not be obligated to contribute other funds.)

Judge Moore stated that because of considerable amount of interest shown, there were a number of excellent applicants for the position of property appraiser. The County Council has discussed this. The appraiser now is Hay Fennell, who has retired but has stayed on at the County's request to teach someone else the background information which frankly only he has (in his mind) and can teach on a day to day basis to the new appraiser.

The Council has accepted the recommendation of Personnel and has agreed to hire George Forman as Property Appraiser.

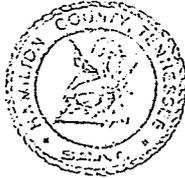

(Councilman Long stated that he saw Glenn Fox, another applicant, outside before the meeting and that Mr. Fox did not withdraw and has not gone to work some place else.)

SUBJECT: HIRING OF COUNTY PROPERTY APPRAISER

George Forman is being recommended for employment with Hamilton County as Property Appraiser at an annual salary of \$10,000. The position is presently held by Hay Fennell, who is scheduled to retire.

Forman is a graduate of the University of Chattanooga and has five years experience in real estate sales and appraising. He has his 1975 Tennessee Real Estate license and attended Graduate Realtors Institute, including courses in appraising.

A job order was placed with Employment Security and the Chattanooga Board of Realtors was also contacted regarding the position. Other applications were received from:

1. William McCallie
2. Dock McGhee
3. William Melton
4. Don Christian
5. **Glenn Fox
6. *Ralph Souders
7. *Jack D. Smith
8. *David Hamlin
9. *George Green
10. *Lawrence Boydston
11. *Stephen Groner

*Does not have minimum qualifications for the position.
**Has accepted another job in private industry.

All applicants have good references and work records.

County Engineer Ray Proctor concurs with me in the hiring of George Forman as County Property Appraiser.

WCF:
My only comment is that in addition to Foreman
The other 4 (1-4) would be able to do the job.

Mr. Robert Pierce appeared before the Council with a matter that has to do with zoning regulations. He stated that this had come before the Council in 1973. Tenalla Land Co. and Holiday Shores Project sold quite a few lots and gave the impression that all of this land had been properly recorded. Mr. Pierce stated that this was not true. He stated that he had written a letter to Turner, and to Mr. Hatfield (the attorney for these people) but that he has not heard from them. Mr. Pierce thinks the Council should know this, that Unit 2 of Holiday Shores has not all been properly recorded and this has gone on since 1971. This property is a violation of zoning regulations and should be registered and the roads paved or money paid in refunded. Mr. Pierce stated there were 4 or 5 lots that have not been recorded.

Judge Moore told Mr. Pierce this was a disagreement between him and the seller.

County Attorney Jim Turner stated that Tenalla Land Company was selling lots without their being recorded. Selling property in unrecorded subdivisions is against state law. Gus Hatfield represented this company. Unit I of Holiday Shores was approved but Mr. Turner did not think Unit II has been approved and asked Mr. Proctor, Mr. Preston, or Dr. Fahling for verification of this but they did not know. Councilman Mayfield said no.

Mr. Turner said if the developer had sold lots in violation of the state law, then they can issue a warrant for their arrest, and Mr. Pierce can get his money back. He said Mr. Pierce should write Gus Hatfield a letter and tell him if the matter is not corrected within a reasonable amount of time, then action would be taken. Mr. Turner said we should not allow developers to come in and violate state laws.

Judge Moore stated that Mr. Hatfield did appear before the Council once on a similar thing. It is the Judge's understanding that a warrant can be taken, but it is difficult to enforce against out of state owners. The suit must be brought by the individual purchaser against the seller for refund because of misrepresentation. Swearing out a warrant has to do with criminal process. You cannot use the possibility of criminal prosecution to obtain monetary relief. That, in effect, is extortion.

F E B R A R Y T E R M 1 9 7 5

He told Mr. Pierce that he should consult with an attorney and have him contact the company, that he would get best relief through civil courts.

ON MOTION of Judge Moore, the Meeting was Adjourned.

APPLICATION NO. 1974-138 JURISDICTION: Hamilton County

APPLICANT: Jerry Brown Realtors & Others

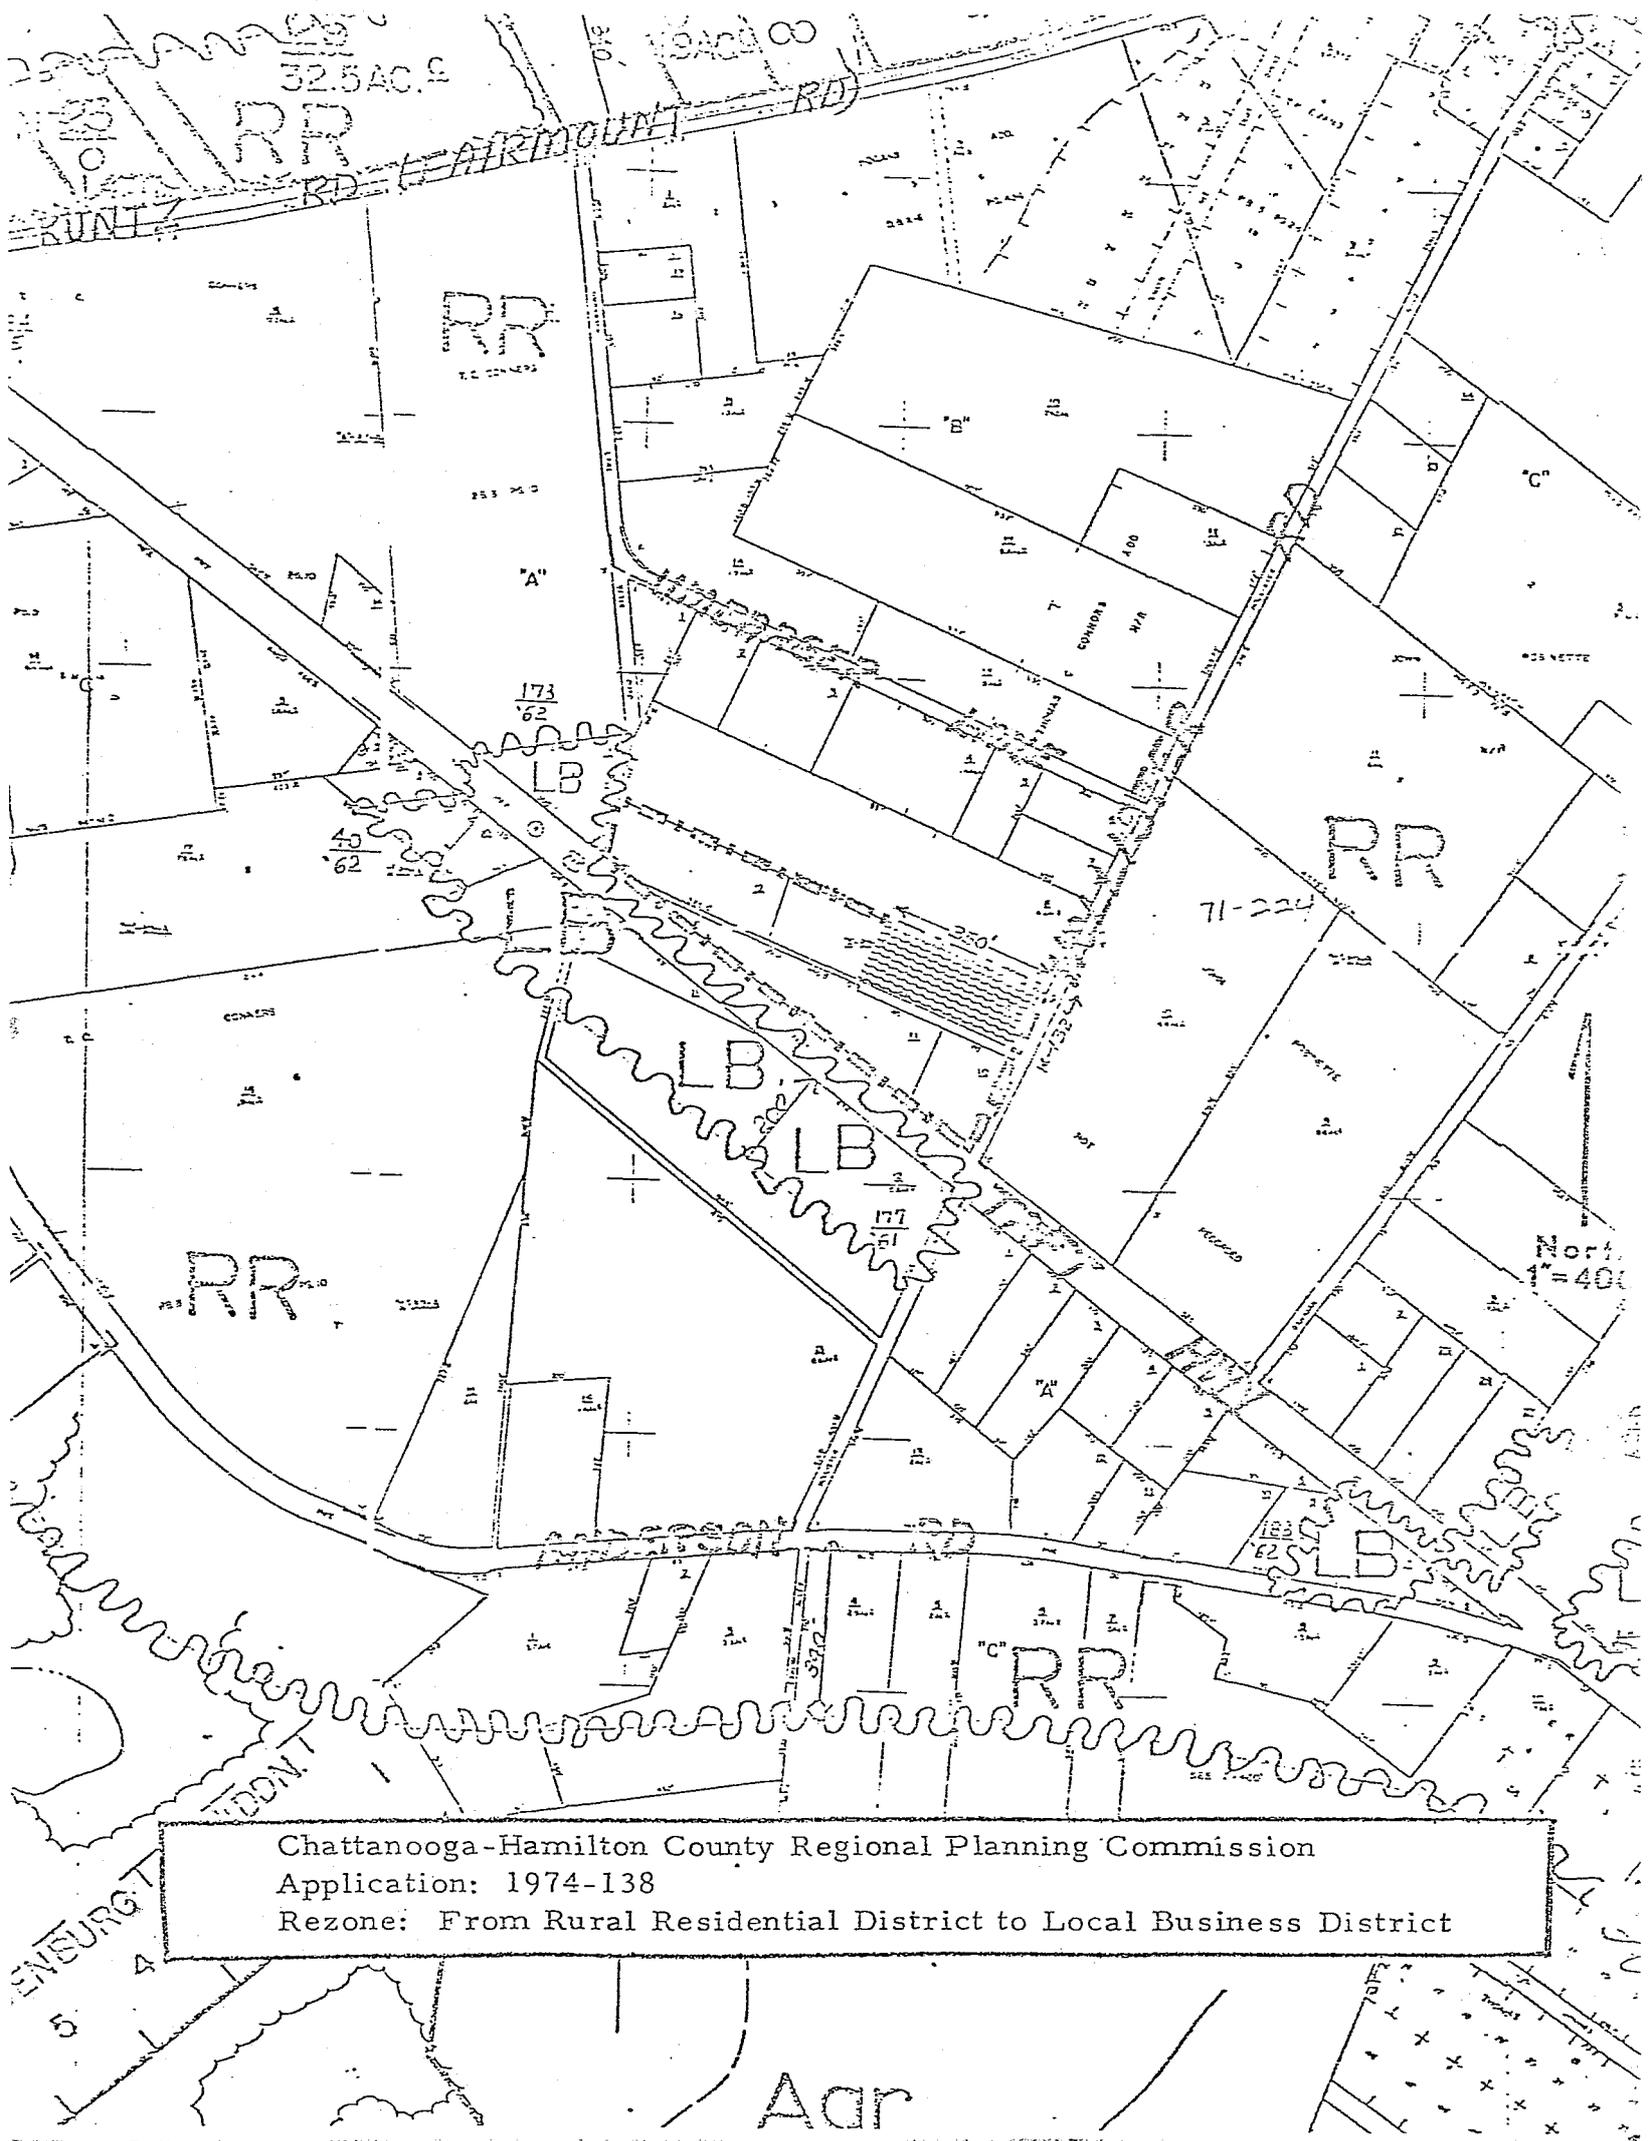

DATE OF PLANNING COMMISSION MEETING: September 9, 1974

INSPECTION BY: BMB RECOMMENDATION BY: Staff

LOCATION: Northwest intersection of Taft Highway and Hollister Road

1. PRESENT ZONING: Rural Residential District
REQUEST FOR: Local Business District
2. PROPOSED DEVELOPMENT: Offices and retail shops
3. SIZE OF TRACT: 2.55 acres
4. ACCESS TO TRACT: Good
5. SITE CHARACTERISTICS: Vacant, single-family residence on site
6. SURROUNDING DEVELOPMENT: Single-family residential, commercial across Taft Highway
7. EXTENSION OF EXISTING ZONE: Across Taft Highway
8. IN ACCORDANCE WITH LAND USE PLAN: Yes
9. ADDITIONAL COMMENTS: A request for Local Business District was denied in 1972 for a portion of this site at the northwest corner of Taft Highway and Hollister Road.
10. STAFF RECOMMENDATION: Approve all but a portion at the northeast corner of the tract beginning at a point on the west line of Hollister Road, said point being 217' north of Taft Hwy., fronting 132' on the west line of Hollister Road and extending northwest between parallel lines for 350'.
PLANNING COMMISSION RECOMMENDATION: Reject
11. REASONS FOR RECOMMENDATION: PLANNING COMMISSION RECOMMENDATION: Approve
The proposed use is in conformance with the Land Use Plan of *Off. Dist.* development for this area, however, the recommended modification of the depth of the site is to prevent the encroachment of commercial uses too deeply into the residentially developed properties along Hollister Road.

TO: Planning Commission Members
FROM: Barry M. Bennett,
DATE: December 16, 1974

SUBJECT: Case No. 1974-138

Case No. 1974-138 - Jerry Brown Realtors - Taft Highway (Original request was from Rural Residential District to Local Business District)

This case was referred back to the Planning Commission by the County Council for consideration of Office District.

The Planning Commission's previous recommendation on the request for Local Business District was to deny. The Planning Commission staff recommended to approve all but a portion at the northeast corner of the tract beginning at a point on the west line of Hollister Road, said point being 217' north of Taft Highway, fronting 132' on the west line of Hollister Road and extending northwest between parallel lines for 350'.

Judge Moore stated that the Planning Commission has reconsidered the original request and has sent back to the County Council the recommendation that this tract be rezoned to office district.

Atty. Dick Ruth appeared representing Jerry Brown. Mr. Ruth showed plans for a 44,000 square foot building on this tract. He stated that the area across Taft Highway at Hollister is already committed to business. He said they need a business zoning to permit the wisest use of the property. The reason the request was denied before was because of opposition. To deny it and zone it office would not permit them to put the property to its widest use, would not allow them to have a restaurant, a barber shop, or a Western Auto Store. Mr. Ruth had slides shown of the area, showing where Mr. William Parker (the main opposition) lives in relation to the tract. Mr. Ruth said that Sawyer Road, the area of the next rezoning petition, is in that area and that there are about six subdivisions already in the area. Mr. Ruth said he was asking the Council to look down the road - 5 -10 years and have the courage to zone this local business.

Judge Moore said he understood that it was referred back to the planning commission at the applicant's request to be zoned office.

Mr. Ruth felt that was a misunderstanding, that with office zoning a restaurant, a barber shop, and a Western Auto Store could not be put there, and because the area is already committed to business it should be zoned for business.

Judge Moore asked if there was any opposition.

Mr. William Parker presented Judge Moore with a petition signed by area residents opposing the rezoning to business. He stated that none of the property owners were notified of the Planning Commission meeting and he was told it was not necessary to notify the property owners, that they merely approved this for office. Mr. Parker presented a picture of his home.

Mr. Ruth said if the Council feels that a head count is necessary, they can provide one, that they have talked to several people who had opposed it before but have now withdrawn their opposition. He stated that he would ask for a deferral and then bring in petitions. He said that he would stand on the logic of this and the need for it 5-10 years from now.

Mr. Parker said he had been told originally that the building would be of mountain stone with a 65' buffer zone; now the applicant comes up with a 25' buffer zone. Mr. Parker said according to the deed on the property nothing can be sold there, i.e.: foodstuffs, groceries, etc., for 30 years.

Judge Moore said that was the reasoning the Planning Commission used, that it would preclude the very uses Mr. Parker mentioned, that office zoning would give the property considerably more restricted use. In an application for rezoning we must consider the originally accepted use of that property.

1. PRESENT ZONING: Agricultural & Rural Residential
REQUEST FOR: Local Business
2. PROPOSED DEVELOPMENT: Retail store
3. SIZE OF TRACT: 275' x 204'
4. ACCESS TO TRACT: Good via Middle Valley Road
5. SITE CHARACTERISTICS: Level to slight slope; vacant
6. SURROUNDING DEVELOPMENT: Single-family residential
7. EXTENSION OF EXISTING ZONE: Yes, to the north
8. IN ACCORDANCE WITH THE LAND USE PLAN: No, the Plan calls for residential development
9. STAFF RECOMMENDATION: Deny PLANNING COMMISSION RECOMMENDATION: Approve
LB for 1 lot N. of Valleywood
10. REASONS FOR RECOMMENDATION: *Dr. only*
 - A. The proposed development would be incompatible with surrounding residences.
 - B. Approval would permit expansion of a single lot commercial zone which should not have been in this area to begin with.
 - C. There is ample, vacant, commercially zoned land within a reasonable distance of the site.
 - D. Approval would encourage strip commercial development in an area where commercial uses should be "clustered" at major intersections.

TITLE RESOLUTION OF INTENT TO FUND HAMILTON COUNTY'S SHARE OF THE COST OF CONSTRUCTING A HUMAN RESOURCES COMPREHENSIVE FAMILY HEALTH CENTER, IN THE EVENT OF AVAILABLE FEDERAL FUNDING UNDER THE HILL-BURTON ACT OR OTHER FEDERAL OR STATE LEGISLATION, AND AUTHORIZATION FOR THE COUNTY JUDGE TO PAY A FILING FEE OF \$1,358.05 WITH THE HILL-BURTON APPLICATION.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Hamilton County is presently operating the initial components of a multi-service Human Resource Center in North Hamilton County; and

WHEREAS, the previously approved long range plan calls for the construction and operation of a comprehensive health center as an essential service component of the Human Resource Center; and

WHEREAS, application will soon be made for \$2,444,499 through provisions of the Hill-Burton Act; and

WHEREAS, state and federal approval of the application would require a county contribution of \$271,611; and

WHEREAS, other state/federal legislation is being studied by the Hamilton County Department of Community Development as potential sources of substitute or supplementary funding in relation to the application for Hill-Burton funds.

BE IT THEREFORE RESOLVED, that Hamilton County agrees to the local funding level of \$271,611 outlined in the application for Hill-Burton Act funds, or any lesser amount that might result from a negotiated agreement through that application, or in any subsequent applications for state/federal funds for a comprehensive health center, and authorizes the County Judge to pay a filing fee of \$1,358.05 with the aforementioned application for Hill-Burton Act funds.

(Judge Moore stated that the Hill-Burton program, which terminated December 31, 1974, left the State of Tennessee with about nine million dollars in revenue from its original funding. This total is to be distributed throughout the state as needed. We have made application for Hill-Burton money. This will require a filing fee of \$1,358.05. If we do not get the \$1,358,000.00, then the filing fee is to be changed either upwards or downwards.)

INDUSTRIAL ACCESS ROAD AGREEMENT

THIS AGREEMENT made and entered into by and between the State of Tennessee acting by and through its DEPARTMENT OF TRANSPORTATION, which will hereinafter be referred to as the "DEPARTMENT" , and

Hamilton County which will hereinafter be referred to as the "LOCAL AGENCY".

W I T N E S S E T H :

WHEREAS, the DEPARTMENT will allocate certain funds for the construction of the following described Industrial Access Road in the

County of Hamilton, Tennessee, designated as Project No: _____

from SR-2 (US41), said point being approximately 0.10 miles west of the bridge over the L&N Railway, to the plant parking lot

Length - 0.142 mile

provided the LOCAL AGENCY will cooperate with the DEPARTMENT by acquiring at its own expense, a full right-of-way and any easements appertaining thereto, which shall be free of all improvements and all other objects of whatever nature as would prevent the construction of the project in accordance with the plans.

WHEREAS, the LOCAL AGENCY has furnished the DEPARTMENT with proof that the application for an Industrial Access Road was approved by

Resolution, No: None,

dated the 1st day of August, 19 73.

F E B R U A R Y T E R M 1 9 7 5

NOW, THEREFORE, in consideration of the premises, it is agreed by and between the parties hereto as follows:

1. The LOCAL AGENCY agrees that it will acquire the rights-of-way and easements determined by the DEPARTMENT to be necessary for the construction of the project and in accordance with the provisions of Sections 54-546 to 54-551, Tennessee Code Annotated; which shall be free of all improvements and all other objects of whatever nature as would prevent the construction of the project in accordance with the plans.

2. The LOCAL AGENCY agrees that in the event of the institution of any civil actions in cross-eminent domain, it will defend the same and pay judgments resulting therefrom.

3. The LOCAL AGENCY agrees to save the DEPARTMENT harmless from any and all claims or suits which may be brought by reason of the DEPARTMENT going upon the right-of-way and easements and constructing the project in accordance with the plans.

4. The LOCAL AGENCY agrees to provide for and accomplish the removal, relocation or adjustment of all utilities, both public and private, as necessary to allow construction in accordance with the plans.

5. The LOCAL AGENCY agrees to provide for and have accomplished all utility connections within the right-of-way and easements prior to the paving stage of the construction.

6. The LOCAL AGENCY agrees to provide for and effectuate all relocations and adjustments to any railroad facilities as may be necessary to accomplish the construction of the project in accordance with the plans.

F E B R U A R Y T E R M 1 9 7 5

7. In the event of the failure of the LOCAL AGENCY to accomplish all of its obligations as provided for herein, within a reasonable time following the submission of right-of-way plans which is defined as six (6) months in the absence of unusual circumstances in the opinion of the DEPARTMENT, the DEPARTMENT shall have the option of terminating this agreement without liability. Upon such termination the LOCAL AGENCY agrees to reimburse the DEPARTMENT for all expenses incurred to the date of termination.

Following the completion of all the matters set forth in the preceding paragraphs, or the arrangement therefor in a manner satisfactory to the DEPARTMENT, the DEPARTMENT will proceed with the construction of the project by entering into a contract with respect to the same or by the use of its own forces.

Said project is to be an Industrial Access Road and will not become a part of the State System of Highways. Accordingly, it is agreed that following the completion of construction and acceptance thereof by the DEPARTMENT, the LOCAL AGENCY will accept full responsibility for the maintenance of said project and will at all times keep the same in a state of repair satisfactory to the DEPARTMENT.

In the event of the failure of the LOCAL AGENCY to maintain the same in accordance with reasonable standards established by the DEPARTMENT, the latter may take over the maintenance of said road and charge the cost thereof to any of the funds in the possession of or thereafter allocable to the LOCAL AGENCY.

A RESOLUTION

TITLE AUTHORIZING COUNTY JUDGE TO EXECUTE AN AGREEMENT WITH JAMES FRANKLIN ARCHITECTS/PLANNERS, P.A.

Be it Resolved, by the County Council of Hamilton County, Tennessee, in Session Assembled:—

WHEREAS, Hamilton County has filed an intent to apply for Hill-Burton funds for the construction of a primary Health Care Facility at the northwest Hamilton County Human Resources Center; and

WHEREAS, a signed contract between the owner and architect is required; and

WHEREAS, James Franklin, Architect/Planner, P.A. has previously completed tentative architectural drawings for the Human Resources Center under an agreement with the County Board of Education.

NOW, THEREFORE, BE IT RESOLVED, that the Hamilton County Council does hereby authorize County Judge Don Moore, Jr. to sign said contract between Hamilton County and the Architect, James Franklin.

BE IT FURTHER RESOLVED, that this Resolution take effect from and after its passage, the public welfare requiring it.

RESOLUTION OF THE COUNTY COUNCIL OF HAMILTON COUNTY, TENNESSEE AUTHORIZING THE EXECUTION AND ISSUANCE OF INTEREST BEARING RURAL CAPITAL OUTLAY NOTES NOT TO EXCEED THE SUM OF \$1,700,000.00 BY HAMILTON COUNTY, TENNESSEE, AND PROVIDING FOR THE PAYMENT OF SAID NOTES.

WHEREAS, it has been determined by the Hamilton County Council that it is necessary and desirable to construct County buildings outside the City of Chattanooga in and for Hamilton County; and,

WHEREAS, sufficient funds are not now available for this purpose and it will be necessary for the County Council to authorize the issuance of notes to finance this transaction; and,

WHEREAS, under the provisions of Sections 5-1031 through 5-1039, inclusive, of the Tennessee Code Annotated, counties in Tennessee are authorized through their respective governing bodies, upon approval by the Tennessee State Director of Local Finance, to issue interest bearing capital outlay notes to construct County buildings; and,

WHEREAS, it appears advantageous to Hamilton County at this particular time to issue capital outlay notes to finance the cost of constructing County buildings.

NOW, THEREFORE, BE IT RESOLVED, by the County Council of Hamilton County, Tennessee, as follows:

SECTION 1. That, for the purpose of providing funds to finance the cost of constructing County buildings outside the City of Chattanooga in and for Hamilton County, Tennessee there shall be issued and sold the negotiable interest bearing capital outlay notes of Hamilton County, Tennessee, in a principal amount not to exceed \$1,700,000.00. That, said notes shall be designated "Rural Capital Outlay Notes" and shall be numbered serially beginning with the number 1. Each of said notes shall be dated as of the date of the issuance thereof, shall mature not later than three years thereafter and shall be of such denomination as may be agreed upon by the County Judge and the purchaser of said notes.

SECTION 2. That, said notes shall bear interest and shall be payable semi-annually each year at the date of issue. Both principal of and interest on said notes shall be payable in lawful money of the United States of America at the office of the Hamilton County Trustee, Chattanooga, Tennessee. The County reserves the right to

F E B R U A R Y T E R M 1 9 7 5

pay said notes, in whole or in part, at any time with accrued interest to date of said payment.

SECTION 3. That, said notes shall be executed and signed in the name of Hamilton County, Tennessee, by the County Judge and attested by the County Court Clerk with the seal of the County Attached thereto.

SECTION 4. That, said notes shall be in substantially the following form:

SECTION 5. That, for the purpose of providing funds with which to pay the principal and interest accruing on said notes at maturity, there shall be levied upon all taxable property outside the City of Chattanooga, in Hamilton County, Tennessee, a sufficient tax in the Rural Debt Service Fund to retire principal and interest on said notes as each becomes due and payable. In addition, the full faith, credit and other resources, of Hamilton County, Tennessee, are hereby irrevocably pledged for their retirement.

SECTION 6. That, the Capital Outlay Notes heretofore herein described shall not be issued or executed until after the approval of the Tennessee State Director of Local Finance has been obtained as required by Sections 5-1031 to 5-1039, inclusive, of the Tennessee Code Annotated.

SECTION 7. That, the Capital Outlay Notes heretofore herein described shall not be sold for less than par and accrued

F E B R U A R Y T E R M 1 9 7 5

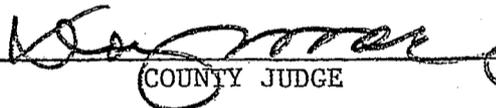

interest.

SECTION 8. That, if any of said capital outlay notes shall remain unpaid at the end of three (3) years from the date of issuance of same the balance of principal and/or interest owned by Hamilton County on same shall be converted to bonds as provided by Section 9-1101 to 9-1119, inclusive, of the Tennessee Code Annotated or otherwise liquidated as approved by the State Director of Local Finance in compliance with statutes relating to the issuance of bonds and notes.

SECTION 9. That, the proceeds of said notes shall be turned over to the County Trustee of Hamilton County and shall be paid out for the purposes and in the manner required by law and this resolution.

SECTION 10. That, all orders or resolutions in conflict herewith be and the same hereby repealed insofar as such conflict exists and this resolution shall become effective immediately upon its passage.

Duly passed and approved this _____ day of _____, 19_____.

(Judge Moore stated that this money is to be used for the Human Resources Center. The obligation has been previously made and we are in the process of having to pay for it at this time. The buildings are in that portion of the County which lies outside the City of Chattanooga. The notes are relatively short term -- 5 years. It should save the County considerable money.)

Dr. Dale Carter, Superintendent of County Schools, stated that he would like to bring before the Council two needs of the Hamilton County Schools for the coming year.

The first one is Dallas Elementary School. This is their first year and they are already overcrowded. There are two classrooms in the library. They need an extension to this building; they need to expand to the original plans, calling for 12 additional classrooms, at a cost of one-half million dollars.

The other need concerns the old Ooltewah High School. The new high school is nearing completion, and plans are for a middle school at the old site. This old building is in bad repair. It needs considerable renovation. They feel the middle school is needed; the new middle school at Brown is very successful with team teaching and clustering of classes. The architect feels it will take \$1,400,000.00 for this building. We asked him if it is worth it and his answer is that it is a very substantial building and is worth this kind of money. We are asking the Council for \$2 million on behalf of the Hamilton County Schools.

Judge Moore asked Dr. Carter if this was the same request that he had made before the Quarterly Court in January and at the last school board meeting.

Dr. Carter said yes, and explained that he had not meant for it to be publicized at the last school board meeting but because of the fact that the next meeting of the school board was announced to be at the Ooltewah School (on February 27) so that school board members can understand and evaluate the needs of the school, the information had been made public.

Councilman Fuller stated that he had been privileged to go to Dallas Elementary School last Sunday. He said it seems unusual that a school so new is in need of additional classrooms but the need is there. He said it is a beautiful school and they have the additional acreage to add to it.
