

PARKING

The report date on your summons is orientation day. On that day, we will select 96 jurors to serve for the term. Parking will be validated on orientation day only if you are selected and sent to a courtroom to serve on a case. If you are not sent to a courtroom on orientation day, you will be responsible for parking fees up to \$8.00. Your parking will be validated all other days you are asked to report. We validate one time per day. If you are not selected and excused, parking validation is not provided.

*****Please bring your parking card with you each day for validation*****

You may park in the Republic Parking Garage located between the Courthouse and the Courts Building. The garage has entrances on Walnut Street and Cherry Street. This Republic Parking Garage is the only parking location that is validated by the Jury Office. Please be mindful this garage normally becomes full around 8:30 a.m.

Directions to the City – Courts Building:

 If you require assistance or modification due to a qualified disability, please contact the ADA Coordinator at 423.209.7500
