**PROPOSED AMENDMENTS TO THE RULES OF CIVIL PRACTICE,  
CHANCERY AND CIRCUIT COURTS**

1. Proposal to Amend Local Rule 17.04 to conform with T.C.A. Section 30-1-117(b)
2. Proposal to Amend as an Appendix to the Local Rules of Civil Practice: “Hamilton County Chancery Court Electronic Filing Rules (E-Filing Rules)”

**FOR POSTING AND COMMENT PURSUANT TO RULE 18 OF  
THE RULES OF THE TENNESSEE SUPREME COURT**

## **PROPOSED AMENDMENT NUMBER 1**

### **Current Language:**

Local Rule 17.04 Common Form Probate

Petitions for probate in common form may be heard by the Court or the Clerk. Petitioner shall give notice to all interested parties before the hearing of the petition.

### **Proposed language:**

Local Rule 17.04 Common Form Probate

Petitions for probate in common form may be heard by the Court or the Clerk.

*(Amend by simply deleting the last sentence)*

### **Reason for Proposed Change:**

T.C.A. Section 30-1-117(b) provides: “No notice of the probate proceeding shall be required except for probate in solemn form, which shall require due notice in the manner provided by law to all persons interested.” By requiring the Petitioner to give notice to all interested parties, the current Local Rule arguably exceeds statutory authorization.

**ADOPTION OF AMENDMENT TO LOCAL RULE 17.04**

The foregoing Amendment to Local Rule 17.04 concerning the deletion of the existing notice requirement in common form probate proceedings is hereby adopted by the Presiding Judge on this \_\_\_\_ day of \_\_\_\_\_, 202\_\_, and submitted to the Administrative Director of the Administrative Office of the Courts.

## **PROPOSED AMENDMENT NUMBER 2**

Amend as an Appendix to the Local Rules of Civil Practice: “Hamilton County Chancery Court Electronic Filing Rules (E-Filing Rules).”

*The Proposed Rules follow this page.*

### **Reason for Proposed Amendment:**

The Tennessee Supreme Court has emphasized the need to promote, in as many forms as may be practicable, access to justice and access to our legal system. Given advances in technology, societal reliance thereon, and the challenges associated with in-person processes, providing an alternative means of filing legal documents in Chancery Court is an appropriate step in meeting the needs of the legal community and the public. The proposed Rules have been taken, to a great degree, from E-Filing Rules in other Tennessee jurisdictions that have already enacted E-Filing and have been tailored to meet the perceived and anticipated needs of those utilizing Chancery Court in this Judicial District.

#### **4. EFFECT ON EXISTING LOCAL RULES**

#### **5. RULES**

##### **a. Filings.**

Any document may be E-Filed that could be filed in Court as a paper document pursuant to TRCP and the Local Rules, except for the following case and document types:

Case Types:

- a. Adoptions
- b. Conservatorships
- c. Guardianships
- d. Order of Protection
- e. Name Changes
- f. Healthcare Liability/Medical Malpractice
- g. Restoration of Citizenship
- h. Surrender

Document Types:

- a. Notice of Appeal
- b. Confidential Statistical Information
- c. Original Wills in probate matters
- d. Creditor claims in probate matters
- e. Requests for Temporary Restraining Orders pursuant to T.R.Civ. P. 65.03

E-Filing shall constitute the official filing of such documents unless excepted above.

The Court and the Clerk may issue, file, and serve notices, orders, and other documents electronically.

**b. Filings After Effective Date of These Rules.**

Except as expressly provided herein, for all new documents filed on or after the effective date of the E-Filing Rules, the Court shall accept as validly filed all documents that are filed through E-Filing.

**c. Case Files.**

The Clerk shall maintain the original and official case file in electronic format for all new cases filed on or after the effective date of these rules. Existing cases can be converted to e-filed cases at the request of the litigants or their attorneys.

**d. Time and Effect of E-Filing.**

Any E-Filed document shall be considered as filed with the Clerk when the transmission of the entire document is received by the Clerk. Any document received by the Clerk before midnight local time of the Clerk's Office shall be deemed filed on the date of such document otherwise meets all the requirements for filing under the relevant rules of the Court. Upon receipt by the Clerk of an E-Filed document, the Clerk shall electronically transmit a Transaction Receipt indicating that the E-Filing has been received. The Transaction Receipt shall serve as proof of filing.

The clerk may review the document to determine if it conforms with the applicable filing requirements. If the clerk rejects the document for filing because it does not comply with the applicable filing requirements or because any required filing fee has not been paid, the clerk must promptly send notice to the registered user who filed the document; the notice must set forth the reason(s) the document was rejected for filing. If the clerk rejects the filing, the clerk may, in his or her discretion, give the filing party up to 3 days to correct the deficient filing; upon the filing party's timely submission of a corrected filing, the filing shall relate back to the date of the initial filing. Notification that the clerk has accepted the document for filing is not required.

A document that is required to be signed, verified, notarized, acknowledged, sworn to, or made under oath may be E-Filed only as a scanned image. The original document shall be maintained by the filing party or attorney and shall be made available upon reasonable notice, for inspection by other counsel, the Clerk, or the Court. Parties or their attorneys shall retain originals until final disposition of the case and the expiration of all appeal opportunities.

If the E-Filing does not occur because of (1) an error in the transmission of the document to the Clerk which was unknown to the sending party; (2) a failure to process the electronic document when received by the Clerk; (3) rejection by the Court or Clerk; or (4) other technical problems experienced by the E-Filer or the Clerk, the Court may, upon satisfactory proof, enter an order permitting the document to be filed *nunc pro tunc* to the date the document was first attempted to be filed electronically and may also extend the

date for any response or the period within which any right, duty, or other act must be performed.

**e. Redaction and Under Seal Documents.**

E-Filers must be sensitive to confidential and personal information filed publicly, not under seal. E-Filers shall refrain from including, or shall redact as follows where inclusion is necessary, the following personal identifiers from all documents filed publicly with the Clerk, including exhibits thereto, unless required by statute or otherwise ordered by the Court.

It is the responsibility of the Authorized User to redact all documents that are E-Filed. When a document includes sensitive data that otherwise would be redacted, the E-Filer must hand-file the original and e-file the redacted version. Only the redacted version will be stored for public access. The original must be filed with a motion to place the original unredacted document under seal. If an entire document is required to be placed under seal, when no redacted document is E-Filed, it must be hand-filed with the Clerk and accompanied by a motion to place that document under seal.

Exercise caution when filing documents that contain the following:

(a) Social Security Numbers. If a social security number must be included in a document, only the last four digits of that number must be used;

(b) Dates of Birth. If an individual's date of birth must be included in a document, only the year must be used;

(c) Financial Account Numbers. If financial account numbers are relevant, only the last four digits of these numbers must be used;

(d) Names of Minors. If a case includes a minor this information needs to be protected from the public, the Authorized User should use a pseudo name in the documents and then file a sealed document with the actual names.

(e) Personal identifying number, such as a driver's license number;

(f) Medical records, treatment and diagnosis;

(g) Employment history;

(h) Individual financial information;

(i) Proprietary or trade secret information;

It is the sole responsibility of E-Filers to be sure that all documents comply with the rules of this Court and the law requiring redaction of personal identifiers. The Clerk will not review each document of redaction.

#### **f. Form of Documents Electronically Filed.**

Each E-Filed document shall be uploaded in a PDF format unless it is a proposed order for a judge to review. The document should be formatted in accordance with the applicable Terms of Use Agreement as well as the TRCP and Local Rules governing formatting of paper documents and in such other and further format as the Court may require from time to time. Proposed orders can be E-Filed in Microsoft Word format.

The E-Filer is responsible for verifying that the documents to be E-Filed are legible. Documents that are not legible or scanned sideways will be rejected and will require the E-Filer to correct the document and E-File them again. The corrected documents will be dated and time-stamped according to the date and time of E-Filing the corrected documents.

In addition to the information required by TRCP 11 and any other Local Rule, the party or attorney signing a document that is being E-Filed shall also follow the requirements in Rule 4.

#### **g. Registration Requirement.**

Persons who qualify as Authorized Users and who desire to electronically file a Document shall register as an E-Filer on the ECF Website. The registration process requires the prospective user to accept the User Agreement, identify their role for the account, enter their personal information, their username and password, and submit the request. Attorneys must include a valid Tennessee-issued Bar Number. There is an approval process that will occur. Once the approval process is completed, the user will receive an email notifying them that their account is approved. The user must then register their payment options and credit card with the ECF system and to each Court with which the Authorized User will E-File. If the user does not receive an email, the user can try to determine if their account is activated by logging into the ECF website.

E-Filers shall change their E-Filing profile immediately upon any change in firm name, delivery address, phone number, fax number, or email address.

Attorneys who intend to practice Pro Hac Vice are not allowed to register. Out-of-State Attorneys who are not admitted to the Tennessee Bar are required to associate with an attorney who has a Tennessee-issued Bar Number, and they must follow the rules for participating in a case.

#### **h. Notice of Electronic Filing (“NEF”).**

When a person E-Files to a case, whether they are a case participant or not, notifications of the E-Filing are distributed to Authorized Users that are recorded in TnCIS as case participants or legal representatives. To receive notifications, participants must be Authorized Users and have an active account in the ECF System. In order for the notification to recognize the association of an Authorized User to a case, they must be

recorded on the case in TnCIS as a pro se litigant or as a legal representative with a Bar Number. TnCIS only maintains Tennessee-issued Bar Numbers.

All Authorized Users agree to receive their notices of documents which are E-Filed in their cases electronically through the ECF system.

All Authorized Users must include a Certificate of Service on each pleading filed just as if it had been filed on paper.

Pro se litigants recorded in TnCIS on a case must be registered Authorized Users in ECF and have previously filed a Notice of Association that links the ECF user account to the TnCIS participant ID.

The Court has the ability to configure when NEFs are distributed. Some notifications are distributed when a filer submits the court documents in ECF. Some notifications are distributed after clerk review and approval of the E-Filing. The Court has the ability to configure some documents to not distribute notifications. This last condition may be used when a criminal warrant for an arrest is issued through the ECF system and the Court does not want this information distributed to parties on the case.

The NEF does not replace the need for service of process. The NEF satisfies the responsibility of a filer to send service to other parties that are registered in the ECF System and linked as participants on the case for secondary filings. This service does not replace the responsibility of E-Filers to notify parties physically when they are not registered in the ECF system. The ECF system provides a method to identify what case participants are Authorized Users and recorded in TnCIS as participants in the case.

The NEF is distributed as an email and posted in the ECF web interface for access. The email is not always reliable and considered a courtesy notice. It is the responsibility of each Authorized User to login to the ECF and review their NEFs prior to ninety (90) days from the time the NEF is posted to their user account. After ninety (90) days, the NEFs are cleaned up, and the information is removed from the Authorized User's account.

#### **i. Payment of Filing Fees.**

*Court Costs.* All E-Filed cases subject to statutory filing fees/court costs shall require payment of such filing fees immediately upon filing unless excused by the Court. These filing fees must be paid with a credit card at the time of E-Filing. Use of the E-Filing website constitutes the E-Filer's consent to process or change the credit card supplied. It is the responsibility of the Authorized User to refer to the Clerk and Master's website (<http://www.hamiltontn.gov/Courts/ClerkMaster/>) or call the Clerk and Master's office during office hours for a table of fees for cases and documents filed. The ECF system will not calculate the fees in this release of the E-Filing system (release one). When the ECF system provides an estimate in later releases, the Clerk is still responsible for calculation of the fees which may be different from the estimates. This can occur when the Clerk makes corrections to information entered by the filer.

Refunds due to improper collection will require the E-Filer to contact the Clerk's Office directly. The Clerk will issue checks for refunds. Refunds on a case will be paid to the owner of the credit card used to make the payment.

*E-Filing Fee.* The E-Filing fee is in addition to the statutory filing fees. This fee is \$5.00 per filing up to a maximum of \$50.00 per case or a \$300.00 flat subscription fee per lawyer or pro se litigant for a one (1) year period starting on the date the flat fee is paid. The flat fee pays all the E-Filing fees for all cases filed by that lawyer or pro se litigant in any Court in the State using the Tybera E-Filing System. This fee is in addition to the Convenience Fee charged by the credit card processor. The E-Filing fee shall not be assessed against the State or to a party declared indigent or to that indigent party's legal representative. Tybera will keep an account of the amount of E-Filing fees paid in each case.

*Convenience Fee.* The credit card vendor will charge a convenience fee for using the credit card services. That fee is paid to the vendor at the time of the charge. Currently the Clerk & Master's Office uses LexisNexis as its credit card vendor. The convenience fee is 2.39% for credit cards. Any charges less than \$83.74 will have a standard convenience fee of \$2.00. The convenience fee for debit cards is a standard \$2.00, and the convenience fee for online e-checks is \$1.00.

*Transaction Fees for Obtaining Copies.* Neither the E-Filing Fee nor the subscription fee shall limit a clerk's authority to charge transaction fees for obtaining copies of documents maintained by the clerk as part of an electronic filing system or a separate document management system.<sup>1</sup>

#### **j. Signatures.**

A document that is required to be verified by a notary public, sworn to, or made under oath, or one that requires multiple signatures may be E-Filed only as a scanned image of the original. The original document shall be maintained by the Party or the attorney E-Filing the document and shall be made available upon reasonable notice, for inspection by other counsel, the Clerk, or the Court. Parties or their attorneys shall retain originals until final disposition of the case and the expiration of all appeal opportunities.

Any document filed with an electronic signature must be filed using the user account of the individual electronically signing the document. Any document signed and filed using the account that matches the signature is considered binding on that individual even if that issuer shares their username and password;

For all other documents that generally include an attorney's or pro se E-Filer's signature the following pattern must be used:

/s/ John Doe (Authorized User's name), TN BPR #0000 (if an attorney)  
123 Main Street (Authorized User's street address)  
City, State, Zip Code

---

<sup>1</sup> See T.C.A. §8-21-401(o)(4). With regard to excepted filings, see T.C.A. §8-21-401(i) and §409.
