MASTER LIST of ROADS and SPEED LIMITS

The Public Works Division does not guarantee the accuracy of or represent that the information contained in this book is correct. In order to determine the correct information, as it presently exists, you should look to other documents, including, but not limited to, subdivision plats, deeds, tax records, court decrees, Hamilton County Board of Commissioners Resolutions, surveys, and any other documents you deem appropriate. You should personally inspect the area for any natural or man-made markers for any assistance they may provide. We make every effort to be as accurate as possible, but for your protection, before you make any decision based upon the information contained herein, you should make an independent examination of all available documents and records.
